under this Part, if the corporation is a member of the partnership at the end of the fiscal period of repayment and if it encloses the prescribed form containing the prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the particular amount that the corporation would be deemed, subject to the third paragraph, to have paid to the Minister under section 1029.8.36.59.14 for its taxation year in which the particular fiscal period ends, in respect of the share, exceeds the aggregate of

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

The particular amount to which the first paragraph refers shall be computed as if

(a) any amount of assistance repaid at or before the end of the fiscal period of repayment had reduced, for the particular fiscal period, the amount of any government assistance or non-government assistance referred to in subparagraph *i* of subparagraph *b* of the first paragraph of section 1029.8.36.59.15; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

The particular amount to which the first paragraph refers shall be computed as if

(a) any amount of assistance repaid at or before the end of the fiscal period of repayment had reduced, for the particular fiscal period, the amount of any government assistance or non-government assistance referred to in subparagraph ii of subparagraph *b* of the first paragraph of section 1029.8.36.59.15; and

(b) for the purpose of computing the amount that is deemed to have been paid to the Minister for a taxation year under section 1029.8.36.59.14 by a qualified corporation that is a member of the qualified partnership referred to in that section, the share, referred to in the first paragraph of section 1029.8.36.59.14, of the qualified corporation, for a fiscal period of the partnership that ends in the taxation year, of the amount of the eligible expenses, shall be reduced

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

“1029.8.36.59.28. Where a partnership pays, in a fiscal period, in this section referred to as the “fiscal period of repayment”, pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance referred to in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.59.21 that was taken into account for the purpose of computing qualified wages incurred by the partnership in respect of an eligible employee in a particular fiscal period ending in a particular taxation year and in respect of which a taxpayer that is a member of the partnership at the end of the particular fiscal period is deemed to have paid an amount to the Minister under section 1029.8.36.59.25 for the particular taxation year, the taxpayer is deemed, subject to the second paragraph, to have paid to the Minister on the taxpayer’s balance-due day for the taxpayer’s taxation year in which the fiscal period of repayment ends, on account of the taxpayer’s tax payable for that year under this Part, if the taxpayer is a member of the partnership at the end of the fiscal period of repayment and encloses with the fiscal return the taxpayer is required to file for that year under section 1000, or would be required to so file if the taxpayer had tax payable for that year under this Part, the prescribed form containing the prescribed information, an amount equal to the amount by which the amount that the taxpayer would be deemed to have paid to the Minister for the particular taxation year under section 1029.8.36.59.25, in respect of the qualified wages, if any amount of assistance so repaid at or before the end of the fiscal period of repayment had reduced, for the particular fiscal period, the aggregate determined under paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.59.21 and the taxpayer’s share of the income or loss of the partnership for the particular fiscal period had been the same as the taxpayer’s share for the fiscal period of repayment, exceeds the aggregate of

(a) the amount that the taxpayer would be deemed to have paid to the Minister under section 1029.8.36.59.25 for the particular taxation year, in respect of the qualified wages, if the taxpayer’s share of the income or loss of the partnership for the particular fiscal period had been the same as the taxpayer’s share for the fiscal period of repayment; and

(b) any amount that the taxpayer would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends in respect of an amount of that

assistance repaid by the partnership, if the taxpayer's share of the income or loss of the partnership for the particular fiscal period had been the same as the taxpayer's share for the fiscal period of repayment.

For the purpose of computing the payments that a taxpayer referred to in the first paragraph is required to make under section 1025 or 1026, subparagraph *a* of the first paragraph of section 1027, or any of sections 1145, 1159.7, 1175 and 1175.19 where they refer to that subparagraph *a*, for the taxpayer's taxation year in which the fiscal period of repayment ends, the taxpayer is deemed to have paid to the Minister, on account of the aggregate of the taxpayer's tax payable for the year under this Part and of the taxpayer's tax payable for the year under Parts IV, IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(*a*) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of the amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(*b*) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

Where a taxpayer who is a member of a partnership pays, in a fiscal period of the partnership, in this section referred to as the “fiscal period of repayment”, pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance, in respect of wages included in computing qualified wages incurred by the partnership in respect of an eligible employee in a particular fiscal period, that is referred to in the portion of section 1029.8.36.59.26 before paragraph *a* and that, pursuant to that section, reduced the qualified wages for the purpose of computing the amount that the taxpayer is deemed to have paid to the Minister under section 1029.8.36.59.25, in respect of the qualified wages, for the taxpayer's taxation year in which the particular fiscal period ended, the taxpayer is deemed, subject to the third paragraph, to have paid to the Minister on the taxpayer's balance-due day for the taxpayer's taxation year in which the fiscal period of repayment ends, on account of the taxpayer's tax payable for that year under this Part, if the taxpayer encloses with the fiscal return the taxpayer is required to file for that year under section 1000, or would be required to so file if the taxpayer had tax payable for that year under this Part, the prescribed form containing the prescribed information, and is a member of the partnership at the end of the fiscal period of repayment, an amount equal to the amount by which the amount determined in accordance with the second paragraph exceeds the aggregate of the following amounts:

(*a*) the amount that the taxpayer would be deemed to have paid to the Minister under section 1029.8.36.59.25 for the taxpayer's taxation year in which the particular fiscal period ends, in respect of the qualified wages, if,

except for the purposes of section 1029.8.36.59.26, the taxpayer's share of the income or loss of the partnership for the particular fiscal period had been the same as the taxpayer's share for the fiscal period of repayment; and

(b) any amount that the taxpayer would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of that assistance repaid by the taxpayer, if, except for the purposes of section 1029.8.36.59.26, the taxpayer's share of the income or loss of the partnership for the particular fiscal period had been the same as the taxpayer's share for the fiscal period of repayment.

The amount to which the first paragraph refers is the amount that the taxpayer would be deemed to have paid to the Minister under section 1029.8.36.59.25 for the taxpayer's taxation year in which the particular fiscal period ends, in respect of the qualified wages, if

(a) the aggregate referred to in paragraph *b* of the definition of "qualified wages" in the first paragraph of section 1029.8.36.59.21 and determined with reference to section 1029.8.36.59.26, had been reduced, for the particular fiscal period, by the product obtained by multiplying any amount of such assistance so repaid at or before the end of the fiscal period of repayment by the proportion that the income or loss of the partnership for the fiscal period of repayment is of the taxpayer's share of that income or loss, on the assumption that, if the income and loss of the partnership for that fiscal period are nil, the partnership's income for that fiscal period is equal to \$1,000,000; and

(b) except for the purposes of section 1029.8.36.59.26, the taxpayer's share of the income or loss of the partnership for the particular fiscal period had been the same as the taxpayer's share for the fiscal period of repayment.

For the purpose of computing the payments that a taxpayer referred to in the first paragraph is required to make under section 1025 or 1026, subparagraph *a* of the first paragraph of section 1027, or any of sections 1145, 1159.7, 1175 and 1175.19 where they refer to that subparagraph *a*, for the taxpayer's taxation year in which the fiscal period of repayment ends, the taxpayer is deemed to have paid to the Minister, on account of the aggregate of the taxpayer's tax payable for the year under this Part and of the taxpayer's tax payable for the year under Parts IV, IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(a) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of the amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the

first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

(a) reduced, because of paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.59.21 or because of section 1029.8.36.59.26, the amount of the wages referred to in that paragraph *b*, for the purpose of computing qualified wages in respect of which the taxpayer or a taxpayer who is a member of the partnership is deemed to have paid an amount to the Minister for a taxation year under section 1029.8.36.59.24 or 1029.8.36.59.25;

(b) was not received by the taxpayer or partnership; and

(c) ceased at the particular time to be an amount that the taxpayer or partnership may reasonably expect to receive.

“1029.8.36.59.31. Where, in respect of the employment of an individual with an eligible taxpayer or qualified partnership as an eligible employee, a person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain a benefit or advantage, other than a benefit or advantage that may reasonably be attributed to the employment, whether in the form of a reimbursement, compensation or guarantee, in the form of proceeds of disposition of property which exceed the fair market value of the property, or in any other form or manner, the following rules apply:

(a) for the purpose of computing the amount that the eligible taxpayer is deemed to have paid to the Minister under section 1029.8.36.59.24 for a particular taxation year, the aggregate referred to in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.59.21 in respect of the eligible taxpayer for the particular year, in relation to the employment of the individual, shall, except if it has been increased for a preceding taxation year in respect of the amount of the benefit or advantage, be increased by the amount of the benefit or advantage that the person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain on or before the eligible taxpayer’s filing-due date for the particular year; and

(b) for the purpose of computing the amount that is deemed to have been paid to the Minister for a taxation year under section 1029.8.36.59.25 by a taxpayer that is a member of the qualified partnership at the end of the partnership’s particular fiscal period ending in the year, the aggregate referred to in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.59.21 in respect of the qualified partnership for that

fiscal period, in relation to the employment of the individual, shall, except if it has been increased for a preceding fiscal period in respect of the amount of the benefit or advantage, be increased by

i. the amount of the benefit or advantage that a partnership or a person other than a person referred to in subparagraph ii has obtained, is entitled to obtain or may reasonably expect to obtain on or before the day that is six months after the end of the particular fiscal period, and

ii. the product obtained by multiplying the amount of the benefit or advantage that the eligible taxpayer or a person with whom the eligible taxpayer is not dealing at arm's length has obtained, is entitled to obtain or may reasonably expect to obtain on or before the day that is six months after the end of the particular fiscal period, by the proportion that the income or loss of the qualified partnership for that fiscal period is of the eligible taxpayer's share of that income or loss, on the assumption that, if the income and loss of the qualified partnership for the particular fiscal period are nil, the qualified partnership's income for that fiscal period is equal to \$1,000,000."

“1029.8.61.10. Where, in a particular calendar year, the responsibility for the care and upbringing of an eligible dependent child is shared equally between more than one person who do not live under the same roof, those persons must agree in determining which one of them is deemed to primarily fulfil that responsibility at the beginning of each month in that calendar year.

Where the cohabiting spouse of an eligible individual, in respect of an eligible dependent child, dies in a particular month, the eligible individual may elect, before the end of the eleventh month following the particular month, to have the eligible individual's family income for the base year in relation to any month subsequent to the particular month deemed to be equal to the eligible individual's income for the base year.

“1029.8.61.17. Where an individual becomes a bankrupt in a particular calendar year, section 779 does not apply for the purpose of determining the individual’s income for the year.

“§2. — *Credit*

“1029.8.61.18. Where an individual and the individual’s cohabiting spouse at the end of the base year in relation to a particular month included in a taxation year file the document referred to in section 1029.8.61.23 for the base year, an amount equal to the amount determined by the following formula is deemed, for the particular month, to be an overpayment of the tax payable by the individual under this Part, in this division referred to as the “child assistance payment”:

$1/12 A + B.$

In the formula provided for in the first paragraph,

(a) A is the greater of the amounts determined by the following formulas:

i. $(C + D) - 4\% (E - F)$, and

ii. $G + H$; and

(b) B is an amount, in this division referred to as the “supplement for handicapped children”, equal to the product obtained by multiplying \$119.22 by the number of eligible dependent children referred to in section 1029.8.61.19 in respect of whom the individual is, at the beginning of the particular month, an eligible individual.

In the formulas provided for in subparagraph *a* of the second paragraph,

(a) C is,

i. if the individual is, at the beginning of the particular month, an eligible individual in respect of a single eligible dependent child, \$2,000, or

ii. if the individual is, at the beginning of the particular month, an eligible individual in respect of more than one eligible dependent child, the aggregate of

(1) \$2,000 for the first eligible dependent child,

(2) \$1,000 for each of the second and third eligible dependent children, and

(3) \$1,500 for the fourth eligible dependent child and for each subsequent eligible dependent child;

(b) D is an amount of \$700, where the individual has no cohabiting spouse at the beginning of the particular month;

(c) E is the individual's family income for the base year in relation to the particular month;

(d) F is,

i. if the individual has a cohabiting spouse at the beginning of the particular month, \$42,800, and

ii. in any other case, \$31,600;

(e) G is,

i. if the individual is, at the beginning of the particular month, an eligible individual in respect of a single eligible dependent child, \$553, or

ii. if the individual is, at the beginning of the particular month, an eligible individual in respect of more than one eligible dependent child, the aggregate of

(1) \$553 for the first eligible dependent child, and

(2) \$510 for the second eligible dependent child and for each subsequent eligible dependent child; and

(f) H is an amount of \$276, where the individual has no cohabiting spouse at the beginning of the particular month.

Where, at the beginning of a particular month, more than one eligible dependent child would, but for this paragraph, give entitlement to an amount in respect of a child assistance payment, as a consequence of the application of subparagraphs *a* and *e* of the third paragraph, only one of those eligible dependent children is deemed to give entitlement to such an amount.

“1029.8.61.19. An eligible dependent child to whom subparagraph *b* of the second paragraph of section 1029.8.61.18 refers is a child who, according to the prescribed rules, has an impairment or a developmental disability that substantially limits the child in the activities of daily living during a foreseeable period of at least one year.

For the purpose of considering an amount in respect of the supplement for handicapped children under subparagraph *b* of the second paragraph of section 1029.8.61.18, an application must be filed with the Board and be accompanied by an expert's report assessing the child's condition.

Where divergent opinions exist concerning the assessment of the child's condition, the Board may require that the child be examined by the physician it designates or by any other expert. If valid grounds are presented to oppose the choice of the physician or expert, the Board shall designate another physician or expert.

“1029.8.61.20. Each of the amounts referred to in the third paragraph shall, where it is to be used for a taxation year subsequent to the taxation year 2004, be adjusted annually in such a manner that the amount used for that taxation year is equal to the total of the amount used for the preceding taxation year and the product obtained by multiplying that amount so used by the factor determined by the formula

$$(A / B) - 1.$$

In the formula provided for in the first paragraph,

(a) A is the overall average Québec consumer price index without alcoholic beverages and tobacco products for the 12-month period that ended on 30 September of the taxation year preceding that for which an amount is to be adjusted; and

(b) B is the overall average Québec consumer price index without alcoholic beverages and tobacco products for the 12-month period that ended on 30 September of the taxation year next before the year preceding that for which the amount is to be adjusted.

The amounts to which the first and fourth paragraphs refer are

(a) the amount of \$119.22 mentioned in subparagraph *b* of the second paragraph of section 1029.8.61.18;

(b) the amounts of \$2,000, \$1,000 and \$1,500, wherever they are mentioned in subparagraph *a* of the third paragraph of section 1029.8.61.18;

(c) the amount of \$700 mentioned in subparagraph *b* of the third paragraph of section 1029.8.61.18;

(d) the amounts of \$553 and \$510, wherever they are mentioned in subparagraph *e* of the third paragraph of section 1029.8.61.18; and

(e) the amount of \$276 mentioned in subparagraph *f* of the third paragraph of section 1029.8.61.18.

For the purposes of the first paragraph in respect of an amount that is to be used for the taxation year 2005, each of the amounts referred to in the third paragraph is deemed to be the amount used for the taxation year 2004.

“1029.8.61.21. Where the amount that results from the adjustment provided for in section 1029.8.61.20 is not a multiple of \$1, it shall be rounded to the nearest multiple of \$1 or, if it is equidistant from two such multiples, to the higher thereof.

“1029.8.61.22. Where the amounts of \$42,800 and \$31,600 referred to in subparagraph *d* of the third paragraph of section 1029.8.61.18 are to be used for the purpose of computing an amount in respect of a child assistance payment for a particular month included in a taxation year subsequent to the taxation year 2005, each of those amounts shall be replaced by the amount determined by the formula

$$A(B - C) + B.$$

In the formula provided for in the first paragraph,

(a) *A* is 2.5 where the formula is applied to determine the amount that is to replace the amount provided for in subparagraph *i* of subparagraph *d* of the third paragraph of section 1029.8.61.18, and 3 where it is applied to determine the amount that is to replace the amount provided for in subparagraph *ii* of that subparagraph *d*;

(b) *B* is

i. the amount determined for the year in replacement of the amount provided for in subparagraph *ii* of subparagraph *c* of the second paragraph of section 1029.8.116.5, where the formula is applied to determine the amount that is to replace the amount provided for in subparagraph *i* of subparagraph *d* of the third paragraph of section 1029.8.61.18, or

ii. the amount determined for the year in replacement of the amount provided for in subparagraph *i* of subparagraph *c* of the second paragraph of section 1029.8.116.5, where the formula is applied to determine the amount that is to replace the amount provided for in subparagraph *ii* of subparagraph *d* of the third paragraph of section 1029.8.61.18; and

(c) *C* is \$3,600 where the formula is applied to determine the amount that is to replace the amount provided for in subparagraph *i* of subparagraph *d* of the third paragraph of section 1029.8.61.18, and \$2,400 where it is applied to determine the amount that is to replace the amount provided for in subparagraph *ii* of that subparagraph *d*.

“1029.8.61.23. The document to which the first paragraph of section 1029.8.61.18 refers is

(a) where the individual is resident in Québec on 31 December of the base year and in Canada throughout that year, the fiscal return the individual is required to file under section 1000 for that year;

(b) where the individual is not resident in Québec on 31 December of the base year but is resident in Canada throughout that year, the fiscal return the individual is required to file under Part I of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) for that year or a statement of income for that year; and

(c) in any other case, a statement of income for the base year.

“1029.8.61.24. An individual may be considered to be an eligible individual, in respect of an eligible dependent child, at the beginning of a particular month only if the individual files an application, in respect of that eligible dependent child, with the Board no later than 11 months after the end of the particular month.

The Board may, at any time, extend the time for filing the application referred to in the first paragraph.

An individual is deemed to have filed an application, in respect of an eligible dependent child, with the Board within the time prescribed in the first paragraph if the individual filed, within the time prescribed, a notice with the Minister of National Revenue in accordance with subsection 1 of section 122.62 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

There is an exemption from filing a new application, in respect of an eligible dependent child, where, no later than 12 months after the cessation of the entitlement to receive an amount in respect of a child assistance payment by reason of non-compliance with the conditions relating to the contribution referred to in paragraph *b* of the definition of “eligible dependent child” in section 1029.8.61.8 in respect of the child who is lodged or sheltered pursuant to the law, the Board is informed that the child is no longer lodged or sheltered or that those conditions are satisfied.

“1029.8.61.25. An individual who ceases to be an eligible individual, in respect of an eligible dependent child, in a particular month, otherwise than because the child has reached 18 years of age, shall notify the Board thereof before the end of the first month that follows the particular month.

“1029.8.61.26. An eligible individual, in respect of an eligible dependent child, at the beginning of a particular month shall notify the Board of any change in circumstances that may affect the individual’s entitlement to receive an amount in respect of a child assistance payment.

The individual shall notify the Board before the end of the month that follows the month in which the change in circumstances occurs.

The Board may, where information is communicated by the Minister with respect to an individual who receives an amount in respect of a child assistance payment or by the Minister of National Revenue with respect to an individual who receives a child tax benefit under the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), consider that a change in circumstances has been communicated to it.

“1029.8.61.27. The Board shall notify the eligible individual of the amount fixed for each 12-month period that begins on 1 July of each calendar year in respect of a child assistance payment.

The amount fixed under the first paragraph shall be revised during the year when a change in circumstances has the effect of changing the amount and a new notice shall be sent by the Board to the eligible individual.

“§3. — Payment and recovery by the Board

“1029.8.61.28. The Board shall pay to an eligible individual, in respect of an eligible dependent child, in the first 15 days of January, April, July and October of a taxation year, the amounts determined in respect of a child assistance payment for each month in that year, according to the following terms and conditions:

(a) the payment made in January shall include the amounts determined in respect of a child assistance payment for January, February and March of that year;

(b) the payment made in April shall include the amounts determined in respect of a child assistance payment for April, May and June of that year;

(c) the payment made in July shall include the amounts determined in respect of a child assistance payment for July, August and September of that year; and

(d) the payment made in October shall include the amounts determined in respect of a child assistance payment for October, November and December of that year.

Despite the first paragraph, the Board may, on application, pay an amount as or on account of a child assistance payment in the first 15 days of each month in a taxation year and such a payment shall include only the amount determined in respect of a child assistance payment for the month of that payment.

“1029.8.61.29. At the request of the Minister of Employment, Social Solidarity and Family Welfare, the Board shall deduct from the amount to be paid as or on account of a child assistance payment the amount repayable under section 102 of the Act respecting income support, employment assistance and social solidarity (chapter S-32.001) and shall remit the amount so deducted to the Minister of Employment, Social Solidarity and Family Welfare.

“1029.8.61.30. Sections 1051 and 1052 and sections 28 and 30.1 of the Act respecting the Ministère du Revenu (chapter M-31) do not apply in respect of an amount paid as or on account of a child assistance payment under section 1029.8.61.28.

Despite section 31 of the Act respecting the Ministère du Revenu, where a person is a debtor under a fiscal law or about to become so, or is in debt to the State under an Act other than a fiscal law and referred to in a regulation made under the second paragraph of that section, the Minister may not allocate to the payment of the debt of that person any amount to be paid to the person by the Board under section 1029.8.61.28.

“1029.8.61.31. The claim of an individual in respect of the payment of an amount in respect of a child assistance payment is prescribed by three years.

However, the prescription does not run where the payment made by the Board results from a new computation of the income taken into account in determining an amount in respect of a child assistance payment.

“1029.8.61.32. An individual who receives an amount in respect of a child assistance payment without entitlement must notify the Board with dispatch.

“1029.8.61.33. An individual who receives an amount in respect of a child assistance payment without entitlement must repay such an amount to the Board, except if the amount was paid as a result of an administrative error that the individual could not reasonably have noticed.

“1029.8.61.34. An amount owing to the Board by an individual must be repaid to the Board in full from the date of the formal notice that the Board sends to the individual.

The formal notice shall state the grounds for the demand for repayment, the amount to be repaid and the right to apply for a review of the decision within the time limit provided for in section 1029.8.61.39.

The claim of the Board is prescribed by three years from the date on which the amount was paid without entitlement or, in the case of bad faith on the part of the individual who received the amount without entitlement, from the date on which the Board became aware of the fact that that amount had been paid without entitlement.

“1029.8.61.35. Where, for a particular month, the Board has paid to an individual, as or on account of a child assistance payment an amount, to which the individual was not entitled and that individual is the cohabiting spouse of an eligible individual, in respect of the eligible dependent child in respect of whom the amount has been paid, the eligible individual and the eligible individual’s cohabiting spouse are solidarily liable in respect of the payment to the Board of that amount, to the extent that it may reasonably be considered that that amount relates to the application of section 1029.8.61.18 and that the individual was the eligible individual’s cohabiting spouse at the time the payment was made.

“1029.8.61.36. The Board may allocate any amount to be paid to an individual as or on account of a child assistance payment for a particular month to the payment of any amount of which the individual is a debtor as a consequence of the application of the following provisions, and give the individual notice thereof:

- (a) the provisions of this division;
- (b) the provisions of the Act respecting family benefits (chapter P-19.1), as they applied in respect of the debtor; and
- (c) the provisions of the Act respecting family assistance allowances (chapter A-17), as they applied in respect of the debtor.

Where applicable, the allocation shall be made taking into account the fact that an individual receives a benefit under a last resort financial assistance program provided for in the Act respecting income support, employment assistance and social solidarity (chapter S-32.001).

“1029.8.61.37. Section 1037 and sections 12.1, 13, 15, 15.2, 28, 31.1.1 and 32 of the Act respecting the Ministère du Revenu (chapter M-31) do not apply in respect of an amount owed by an individual under section 1029.8.61.34.

In addition, the Minister may not institute proceedings before a court or register a legal hypothec in respect of that amount.

“1029.8.61.38. The Board shall notify the Minister where an amount owed by an individual under section 1029.8.61.34 has, after the expiration of the period in which that amount could be or was the subject of a review or of a contestation before the Administrative Tribunal of Québec, become uncollectible by the Board.

“§4. — Review and contestation proceedings

“1029.8.61.39. The Board may, on application, review any decision it has made.

An application for review must be made within 90 days of notification of the decision, unless the Board grants an extension.

The application must set out briefly the grounds for review.

“1029.8.61.40. The Board shall make a decision with dispatch and inform the individual concerned of the individual’s right to contest the decision in the manner set out in section 1029.8.61.41.

Any unfavourable decision of the Board must include reasons.

“1029.8.61.41. Any review decision may be contested before the Administrative Tribunal of Québec within 60 days of notification.

“1029.8.61.42. Any contestation in respect of the accuracy of information communicated to the Board by the Minister that relates to the computation of income, for the purpose of establishing the entitlement of an individual to the payment of an amount in respect of a child assistance payment, must be brought under the Act respecting the Ministère du Revenu (chapter M-31).

“§5. — Recovery by the Minister

“1029.8.61.43. Where the Board notifies the Minister in accordance with section 1029.8.61.38, the Minister shall send the individual a notice stating that the amount owing to the Board by the individual is payable without delay to the Minister upon the sending of the notice.

“1029.8.61.44. Section 1029.8.61.37 does not apply in respect of an amount payable to the Minister under section 1029.8.61.43.

“1029.8.61.45. Where, for a taxation year, the Board has paid an amount as or on account of a child assistance payment to an individual or has allocated an amount to another of the individual’s liabilities, and that amount is greater than the amount that should have been paid or allocated, the individual and the person who, at the end of the year, is the individual’s cohabiting spouse are solidarily liable in respect of the payment to the Minister of that excess amount, to the extent that it may reasonably be considered that the excess amount relates to the application of section 1029.8.61.18 and that the person was the individual’s cohabiting spouse at the time the payment was made.

However, nothing in this section limits the liability of the individual or of the individual’s cohabiting spouse for the year, where applicable, under any other provision of this Act.

“1029.8.61.46. The Minister may at any time assess the cohabiting spouse of an individual in respect of an amount payable under section 1029.8.61.45, and Book IX applies, with the necessary modifications, to that assessment as if it had been made under Title II of that Book IX.

“1029.8.61.47. Where an individual and the individual’s cohabiting spouse are, under section 1029.8.61.45, solidarily liable in respect of all or part of a liability of the individual, a payment by the individual affects the solidary liability of the cohabiting spouse only to the extent that the payment operates to reduce the individual’s liability to an amount less than the amount in respect of which the cohabiting spouse is solidarily liable under section 1029.8.61.45.

“§6. — *Penal provision*

“**1029.8.61.48.** The following persons are liable to a fine of \$250 to \$1,500:

(a) every person who, in order to obtain the payment of an amount in respect of a child assistance payment, fails to provide information or provides information knowing it to be false or misleading, or misrepresents a material fact; and

(b) every person who assists or encourages another person to obtain or receive an amount in respect of a child assistance payment, knowing that the person is not entitled thereto.

Sections 72 to 78.2 of the Act respecting the Ministère du Revenu (chapter M-31) do not apply in respect of the offence provided for in the first paragraph.

“§7. — *Administrative provisions*

“**1029.8.61.49.** The Board shall administer the payment of an amount in respect of a child assistance payment.

“**1029.8.61.50.** For the purpose of administering the payment of an amount in respect of a child assistance payment, the Board acts under the responsibility of the Minister of Employment, Social Solidarity and Family Welfare.

For the purposes of such administration, the Board shall exercise the powers conferred on it by this division and the powers under the Act respecting the Québec Pension Plan (chapter R-9) as necessary, in particular the power of inquiry provided for under section 30 of that Act.

“**1029.8.61.51.** The Board may require an individual receiving an amount in respect of a child assistance payment to provide it with documents or information so that it may ascertain whether the individual is entitled to receive that amount.

The Board may, during its inquiry, suspend the payment of an amount in respect of a child assistance payment if it has reasonable grounds to believe that the amount is being received without entitlement and the individual receiving the amount fails to provide the required documents or information.

The Board shall give written notice of the suspension of payment, setting out the reasons for the suspension.

“**1029.8.61.52.** The Board may decide not to require the payment of an amount of less than \$2 and is not bound to pay such an amount.

“1029.3.61.53. The Board may enter into an agreement with any person, association, corporation or body, and with the Government, or a department or body of the Government.

It may also enter into an agreement with a government in Canada, or a department or agency of such a government.

“1029.3.61.54. The Board may, as a body responsible for the payment of an amount in respect of a child assistance payment, borrow sums from the Minister of Finance out of the financing fund established under the Act respecting the Ministère des Finances (chapter M-24.01).

The Minister of Finance may advance sums from the consolidated revenue fund to the Board, with the authorization of the Government and on the conditions it fixes.

“1029.3.61.55. The Board must, on or before the last day of February of a year, send to the Minister a return containing the prescribed information in respect of any amount paid to an eligible individual for the preceding year as or on account of a child assistance payment.

The Board shall inform the Minister of any changes in such information.

“1029.3.61.56. The Minister may remit all or part of a debt if the Minister considers that, in the circumstances, recovery of the debt would be inappropriate.

“1029.3.61.57. The sums necessary for the payment of the amounts determined in respect of a child assistance payment under this division shall be taken out of the tax revenues collected under this Act.

“1029.3.61.58. The Board must, on or before 30 June of each year, report on its administration of this division to the Minister of Employment, Social Solidarity and Family Welfare. The report of the Board must be tabled by the Minister of Employment, Social Solidarity and Family Welfare within 15 days before the National Assembly, or, if the Assembly is not sitting, within 15 days of resumption.

The report must contain all the information required by the Minister of Employment, Social Solidarity and Family Welfare.

“1029.3.61.59. An advisory committee is formed of representatives from the Ministère de l'Emploi, de la Solidarité sociale et de la Famille, the Régie des rentes du Québec and the Ministère du Revenu to oversee the administration of the payment of amounts in respect of a child assistance payment.

The advisory committee is composed of six members, of whom three are appointed by the Minister of Employment, Social Solidarity and Family Welfare and three by the Minister of Revenue.

Among the members appointed by the Minister of Employment, Social Solidarity and Family Welfare, two must be members of the personnel of the Board.

“1029.8.61.60. The administration of the payment of an amount in respect of a child assistance payment by the Board under this division is done on behalf of the Minister of Revenue.”

(2) Subsection 1 applies from the taxation year 2005. However, where Division II.11.2 of Chapter III.1 of Title III of Book IX of Part I of the Act applies to the taxation year 2005, the following rules apply:

(1) the third paragraph of section 1029.8.61.20 of the Act shall be read without reference to subparagraphs *b* and *c* thereof; and

(2) section 1029.8.61.28 of the Act shall, where it applies before 1 April, be read without reference to the second paragraph thereof.

(3) Despite section 1029.8.61.28 of the Act, enacted by subsection 1, the Régie des rentes du Québec may make the first payment in respect of a child assistance payment as of 15 December 2004. The first payment shall include the amounts determined in respect of a child assistance payment for January, February and March 2005.

258. (1) Section 1029.8.67 of the Act is amended by replacing the definition of “eligible child” by the following definition:

““eligible child” of an individual for a taxation year means a child of the individual or of the individual’s spouse, or a child who is a dependant of the individual or of the individual’s spouse and whose income for the year does not exceed \$6,275, if, in any case, at any time during the year, the child is under 16 years of age or is dependent on the individual or on the individual’s spouse and has a mental or physical infirmity;”.

“§3. — *Advance payments and exceptional rule*

“1029.8.80.2. Where, on or before 1 September of a taxation year, an individual applies therefor to the Minister in prescribed form containing the prescribed information, the Minister may pay in advance, according to the terms and conditions provided for in the second paragraph and in respect of the amount that the individual considers to be the amount that the individual will be deemed to have paid to the Minister on account of the individual’s tax payable for the year under the first paragraph of section 1029.8.79, an amount, in this section referred to as the “amount of the advance relating to child care expenses”, equal to the amount obtained by applying to the aggregate of the qualified child care expenses that the individual considers the individual is required to pay for the year the appropriate percentage determined in section 1029.8.80.3 in respect of the individual for the year, if

- (a) the individual is resident in Québec at the time of the application;
- (b) the individual is a Canadian citizen or a permanent resident within the meaning of the Immigration and Refugee Protection Act (Statutes of Canada, 2001, chapter 27) or a person who has been granted refugee protection in Canada by the competent Canadian authority in accordance with that Act;

ii. where this section applies for the purpose of replacing the amount of \$14,800 for the year,

(1) \$14,800, if this section applies for the purpose of computing the amount deemed to be paid under section 1029.8.116.5 for the taxation year 2006, or
