(1) by striking out “(chapter I-3)” in the definition of “business”;

(2) by inserting the following definition in alphabetical order:

““agreed proportion” has the meaning assigned by section 1.8 of the Taxation Act (chapter I-3);”.

(2) Subsection 1 has effect from 20 December 2006.

2. (1) Section 7.1 of the Act is amended by replacing the third paragraph by the following paragraph:

“For the purposes of the first paragraph and subparagraph *a* of paragraph 25 of section 7, if any of the parties to a qualified international financial transaction is a partnership, the partnership must be considered, for the purpose of determining whether the parties are not dealing at arm’s length, to be a corporation all the voting shares in the capital stock of which are owned by each member of the partnership at the end of the fiscal period of the partnership in which the qualified international financial transaction is carried out, in a proportion equal to the agreed proportion in respect of the member for that fiscal period of the partnership.”

(2) Subsection 1 has effect from 20 December 2006.

3. (1) Section 51.1 of the Act is replaced by the following section:

“51.1. For the purposes of this chapter, the share of a member of a partnership in an amount, in relation to a fiscal period of the partnership, is equal to the agreed proportion of the amount in respect of that member for that fiscal period.”

(2) Subsection 1 has effect from 20 December 2006.

4. (1) The Act is amended by inserting the following sections after section 51.3:

“51.4. In this chapter, the following rules apply in respect of a person if one or more partnerships (each of which is in this section referred to as an “interposed partnership”) are interposed between the person and a given partnership that operates an international financial centre in a given fiscal period of the given partnership:

(1) the person is deemed to be a member of a particular partnership at the end of a particular fiscal period of the particular partnership and that particular fiscal period is deemed to end in the person’s particular taxation year in which ends the fiscal period of the interposed partnership of which the person is directly a member, if

(a) the particular fiscal period is that which ends in the fiscal period (in this section referred to as the “interposed fiscal period”) of the interposed partnership that is a member of the particular partnership at the end of that particular fiscal period, and

(b) the person is a member, or deemed to be a member under this paragraph, of the interposed partnership described in subparagraph *a* at the end of the interposed partnership’s fiscal period in which the particular fiscal period ends; and

(2) for the purpose of determining the person’s share in an amount in respect of the given partnership for the given fiscal period, the agreed proportion in respect of the person for that fiscal period of the given partnership is deemed to be equal to the product obtained by multiplying the agreed proportion in respect of the person for the interposed fiscal period of the interposed partnership of which the person is directly a member, by

(a) if there is only one interposed partnership, the agreed proportion in respect of the interposed partnership for the given partnership’s given fiscal period, or

(b) if there is more than one interposed partnership, the result obtained by multiplying together all proportions each of which is the agreed proportion in respect of an interposed partnership for the particular fiscal period of the particular partnership referred to in paragraph 1 of which the interposed partnership is a member at the end of that particular fiscal period.

“51.5. Section 51.4 does not apply in respect of a person, in relation to a given partnership, if the Minister is of the opinion that the interposition, between the person and the given partnership, of one or more other partnerships is part of an operation or transaction or of a series of operations or transactions, one of the purposes of which is to cause the person to be able to deduct,

under this chapter, in computing the person's taxable income for a taxation year or in computing the person's paid-up capital otherwise determined for a taxation year, an amount greater than the amount that the person could have so deducted for that taxation year, but for that interposition."

"(2) for the purpose of determining the person's share in an amount in respect of the given partnership for the given fiscal period, the proportion that the person's share of the income or loss of the given partnership for the given fiscal period is of the income or loss of that given partnership for that fiscal period is deemed to be equal to the product obtained by multiplying the agreed proportion in respect of the person for the interposed fiscal period of the interposed partnership of which the person is directly a member, by";

(2) if the fiscal period of the partnership of which the person is a member that ends in the taxation year begins before 31 March 2004, the portion of paragraph 2 before subparagraph *a* is to be read as follows:

"(2) the person's share in an amount in respect of the given partnership for the given fiscal period is deemed to be equal to the proportion of that amount represented by the proportion obtained by multiplying the agreed proportion in respect of the person for the interposed fiscal period of the interposed partnership of which the person is directly a member, by"; and

(3) the definition of "agreed proportion" in section 1.8 of the Taxation Act has effect for the purposes of paragraph 2 of that section 51.4.

(4) If subsection 1 applies to a taxation year of a person because of paragraph 1 of subsection 2, the Minister of Revenue shall, on application by

the person on or before the day on which the time limits provided for in that paragraph 1 expire in relation to that taxation year or, if it is later, on 2 September 2009, make, under Part I or IV of the Taxation Act and despite sections 1010 to 1011 of that Act, such assessments or reassessments of the tax, interest and penalties payable by the person as are necessary to give effect to subsection 1. 70. (1) Sections 278 and 278.1 of the Act are replaced by the following sections:

“278. Despite section 234, this division applies if, at any time in a taxation year, an amount becomes receivable by a taxpayer as proceeds of disposition of a capital property (in this division referred to as “former property”) that is not a share of the capital stock of a corporation but that is either property the proceeds of disposition of which are described in section 280 or a property that was, immediately before the disposition, a former business property of the taxpayer, and the taxpayer acquires, in the case of a former property the proceeds of disposition of which are described in section 280, before the end of the second taxation year following the year or, if it is later, before the end of the 24-month period following the year, or, in any other case, before the end of the first taxation year following the year or, if it is later, before the end of the 12-month period following the year, a capital property that is a replacement property for the taxpayer’s former property and the replacement property has not been disposed of by the taxpayer before the time at which the taxpayer has disposed of the former property.

(2) Subsection 1 applies in respect of a disposition that occurs in a taxation year that ends after 19 December 2000. However, when section 278 of the Act applies in respect of a disposition that occurs in a taxation year that ends before 20 December 2001, it is to be read without reference to “or, if it is later, before the end of the 12-month period following the year”.

shares of a specified class of the capital stock of the distributing corporation (in this definition referred to as the “new shares”), or

(c) immediately after the exchange or amendment, the new shares or the amended shares, as the case may be, are listed on a Canadian stock exchange or a foreign stock exchange;

(d) the exchanged shares would be shares of a specified class if they were not convertible into, or exchangeable for, other shares;

(e) the new shares or the amended shares, as the case may be, and the exchanged shares are non-voting in respect of the election of the board of directors of the distributing corporation except in the event of a failure or default under the terms or conditions of the shares; and

(f) no holder of the new shares or the amended shares, as the case may be, is entitled to receive on the redemption, cancellation or acquisition of the new shares or the amended shares, as the case may be, by the distributing corporation or by any person with whom the distributing corporation does not deal at arm’s length, an amount (other than a premium for early redemption) that is greater than the aggregate of the fair market value of the consideration for which the exchanged shares were issued and the amount of any unpaid dividends on the new shares or on the amended shares, as the case may be;”.

$$[A/(B + 3 - C)] + D;$$

(m) the plan stipulates whether or not disability assistance payments that are not lifetime disability assistance payments are to be permitted under the plan;

(n) the plan provides that when the total of all amounts paid under the Canada Disability Savings Act before the beginning of a calendar year to any registered disability savings plan of the beneficiary exceeds the total of all contributions made, other than as a transfer in accordance with section 905.0.16, before the beginning of the calendar year to any registered disability savings plan of the beneficiary,

i. if the calendar year is not a specified year for the plan, the total amount of disability assistance payments made to the beneficiary under the plan in the year must not exceed the amount determined by the formula in subparagraph *l* in respect of the plan for the year, except that, in calculating that total amount, a payment made following a transfer in the year from another plan in accordance with section 905.0.16 is to be disregarded if it is made

(1) to satisfy an undertaking described in paragraph *d* of section 905.0.16, or

(2) in lieu of a payment that could otherwise have been made under the other plan in the year had the transfer not occurred,

ii. if the beneficiary under the plan reached 59 years of age before the calendar year, the total amount of disability assistance payments made to the beneficiary in the calendar year must not be less than the amount determined by the formula in subparagraph *l* in respect of the plan for the year or such lesser amount as is supported by the property of the plan trust, and

iii. if the beneficiary under the plan reached 27 years of age, but not 59 years of age, before the calendar year, the beneficiary has the right to direct that, within the constraints imposed by subparagraph *i* and by subparagraph *j*, one or more disability assistance payments be made under the plan to the beneficiary in the year;

(*o*) the plan provides that, at the direction of the holders of the plan, the issuer shall transfer all of the property held by the plan trust or an amount equal to its value to another registered disability savings plan of the beneficiary, together with all information in its possession that may reasonably be considered necessary for compliance, in respect of the other plan, with the requirements of this Part and with any conditions and obligations imposed under the Canada Disability Savings Act; and

(*p*) the plan provides for any amounts remaining in the plan, after taking into consideration any repayments under the Canada Disability Savings Act, to be paid to the beneficiary under the plan or the beneficiary's succession, and for the plan to cease to exist, at or before the end of the calendar year following the calendar year in which the beneficiary under the plan dies or, if it is earlier, the first calendar year throughout which the beneficiary has no severe and prolonged impairment in mental or physical functions the effects of which are described in subparagraph *a* of the first paragraph of section 752.0.14.

In the formula in subparagraph *l* of the first paragraph,

(*a*) *A* is the fair market value of the property held by the plan trust at the beginning of the calendar year, other than annuity contracts that, at the beginning of the calendar year, are not described in paragraph *b* of the definition of "qualified investment" in subsection 1 of section 205 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement);

(*b*) *B* is the greater of 80 and the age in whole years of the beneficiary at the beginning of the calendar year;

(*c*) *C* is the age in whole years of the beneficiary at the beginning of the calendar year; and

(*d*) *D* is the aggregate of all amounts each of which is

i. a periodic payment under an annuity contract held by the plan trust at the beginning of the calendar year, other than an annuity contract described at the beginning of the calendar year in paragraph *b* of the definition of "qualified investment" in subsection 1 of section 205 of the Income Tax Act, that is paid to the plan trust in the calendar year, or

ii. if the periodic payment under an annuity contract described in subparagraph *i* is not made to the plan trust because the plan trust disposed of the right to that payment in the calendar year, an amount that is a reasonable

estimate of that payment on the assumption that the annuity contract had been held throughout the calendar year by the plan trust and no rights under the contract were disposed of in the calendar year.

“905.0.7. A disability savings plan is deemed never to have been a registered disability savings plan if

(a) the issuer of the plan has not, on or before the day that is 60 days after the particular day on which the plan was entered into, provided notification of the plan’s existence in the prescribed form containing prescribed information to the Minister; or

(b) the beneficiary was, on the particular day, the beneficiary under another registered disability savings plan and that other plan has not ceased to exist on or before the day that is 120 days after the particular day or any later day that the Minister considers reasonable in the circumstances.

Unless the Minister decides otherwise, an issuer of a disability savings plan is considered to have notified the Minister in the manner and within the time specified in subparagraph *a* of the first paragraph, in relation to the plan, if the issuer has notified, in relation to the plan, the Minister responsible for the administration of the Canada Disability Savings Act (Statutes of Canada, 2007, chapter 35) in accordance with paragraph *a* of subsection 3 of section 146.4 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

“905.0.8. For the purposes of this Title, a disability savings plan that is deemed never to have been a registered disability savings plan because of paragraph *a* or *b* of subsection 3 of section 146.4 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) is deemed never to have been a registered disability savings plan.

“CHAPTER II

“TAX

“905.0.9. No tax is payable under this Part by a trust on its taxable income for a taxation year if, throughout the period of the year in which the trust is in existence, the trust is governed by a registered disability savings plan.

“905.0.10. Despite section 905.0.9, a trust governed by a registered disability savings plan shall pay tax under this Part on its taxable income for a taxation year if the trust

(a) has borrowed money in the year; or

(b) has borrowed money in a preceding taxation year and has not repaid it before the beginning of the year.

“905.0.11. If section 905.0.10 does not apply, a trust governed by a registered disability savings plan that carries on a business in a taxation year shall, despite section 905.0.9, pay tax under this Part on the amount that its taxable income for the year would be if it had no incomes or losses from sources other than that business.

“905.0.12. If section 905.0.10 does not apply and a trust governed by a registered disability savings plan holds, in a taxation year, a property that is not a qualified investment (within the meaning assigned to that expression for the purposes of paragraph *b* of subsection 5 of section 146.4 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement)) for the trust, the trust shall, despite section 905.0.9, pay tax under this Part on the amount that its taxable income for the year would be if it had no incomes or losses from sources other than the property and no capital gains or capital losses other than from the disposition of the property.

“905.0.13. For the purposes of sections 905.0.11 and 905.0.12, the following rules apply:

(a) a trust’s income includes the dividends described in sections 501 to 503; and

(b) the first paragraph of section 231 must be construed as if the taxable capital gain or allowable capital loss were the total capital gain or the total capital loss, as the case may be, from the disposition of property.

“CHAPTER III

“AMOUNT TO BE INCLUDED

“905.0.14. If a disability assistance payment is made under a registered disability savings plan of a beneficiary, the amount by which the amount of the payment exceeds the non-taxable portion of the payment must be included,

(a) if the beneficiary is alive at the time the payment is made, in computing the beneficiary’s taxable income for the taxation year in which the payment is made; and

(b) if the beneficiary is deceased at the time the payment is made, in computing the taxable income of the beneficiary’s succession for the succession’s taxation year in which the payment is made.

“905.0.15. The non-taxable portion of a disability assistance payment made at a particular time under a registered disability savings plan of a beneficiary is the lesser of the amount of the disability assistance payment and the amount determined by the formula

$$A \times B/C.$$

In the formula in the first paragraph,

(a) A is the amount of the disability assistance payment;

(b) B is the amount by which the aggregate of all amounts each of which is the amount of a contribution made before the particular time to any registered disability savings plan of the beneficiary, other than as a transfer in accordance with section 905.0.16, exceeds the aggregate of all amounts each of which is the non-taxable portion of a disability assistance payment made before the particular time under any registered disability savings plan of the beneficiary; and

(c) C is the amount by which the fair market value of the property held by the plan trust immediately before the disability assistance payment exceeds the assistance holdback amount in relation to the plan.

“905.0.16. An amount is transferred from a registered disability savings plan (in this section referred to as the “prior plan”) of a beneficiary in accordance with this section if

(a) the amount is transferred directly to another registered disability savings plan (in this section referred to as the “new plan”) of the beneficiary;

(b) the prior plan ceases to exist immediately after the transfer;

(c) the issuer of the prior plan provides the issuer of the new plan with all the information in its possession concerning the prior plan as may reasonably be considered necessary for compliance, in respect of the new plan, with the requirements of this Part and the issuer of the new plan confirms that it has in its possession all the information provided by the issuer of the prior plan that is necessary for the purposes of paragraph *c* of subsection 8 of section 146.4 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement); and

(d) if the beneficiary reached 59 years of age before the calendar year in which the transfer occurs, the issuer of the new plan undertakes to make—in addition to any other disability assistance payments that would otherwise have been made under the new plan in the year—one or more disability assistance payments under the plan in the year, the total of which is equal to the amount by which the total amount of disability assistance payments that would have been required to be made under the prior plan in the year if the transfer had not occurred exceeds the total amount of disability assistance payments made under the prior plan in the year.

“905.0.17. An amount transferred in accordance with section 905.0.16 is not, solely because of that transfer, to be included in computing the income of a taxpayer.

“CHAPTER IV

“NON-COMPLIANT PLAN

“**905.0.18.** A registered disability savings plan is non-compliant, at any time, if at that time

(a) it fails to comply with a condition set out in section 905.0.6;

(b) there is a failure to administer the plan in accordance with its terms, other than those terms which the plan is required by subparagraph *i* of subparagraph *a* of the first paragraph of section 905.0.6 to stipulate; and

(c) a person fails to comply with conditions or obligations imposed, with respect to the plan, under the Canada Disability Savings Act (Statutes of Canada, 2007, chapter 35), and the Minister responsible for that Act is of the opinion that it is appropriate that the plan be considered to be non-compliant because of the failure in accordance with paragraph *c* of subsection 11 of section 146.4 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

“**905.0.19.** If, but for this section, a registered disability savings plan would be non-compliant at a particular time because of a failure described in paragraph *a* or *b* of section 905.0.18,

(a) the Minister may waive the application of either paragraph with respect to the failure, if it is just and equitable to do so;

(b) the Minister may deem the failure to have occurred at a later time;

(c) if the failure consists of the making of a contribution that is prohibited under any of subparagraphs *f* to *h* of the first paragraph of section 905.0.6, an amount equal to the amount of the contribution has been withdrawn from the plan within such period as is specified by the Minister and the Minister has approved the application of this paragraph with respect to the failure, the following rules apply:

i. the contribution is deemed never to have been made, and

ii. the withdrawal is deemed not to be a disability assistance payment and not to be in contravention of the condition set out in subparagraph *i* of the first paragraph of section 905.0.6; or

(d) if the failure consists of the plan not being terminated within the period specified in subparagraph *p* of the first paragraph of section 905.0.6 and was due either to the issuer not being aware of the circumstances under which the plan ceases to exist or to some uncertainty as to the existence of those circumstances, the Minister may specify a later date on or before which it is reasonable to consider that the plan ceases to exist in an orderly manner

and, for the purposes of paragraphs *a* and *b* of section 905.0.18, subparagraph *p* of the first paragraph of section 905.0.6 and the plan terms are to be read as though they required the plan to cease to exist at the date so specified.

“905.0.20. If, at a particular time, a registered disability savings plan is non-compliant under section 905.0.18, the following rules apply:

(*a*) the plan ceases, at that particular time, to be a registered disability savings plan, other than for the purpose of applying, at that particular time, section 905.0.18 and this section;

(*b*) a disability assistance payment is deemed to have been made under the plan at the time (in this section referred to as the “relevant time”) immediately before the particular time to the beneficiary under the plan or, if the beneficiary is deceased at the relevant time, to the beneficiary’s succession, the amount of which payment is equal to the amount by which the fair market value of the property held by the plan trust at the relevant time exceeds the assistance holdback amount in relation to the plan; and

(*c*) if the plan is non-compliant because of a payment that is not in accordance with subparagraph *j* of the first paragraph of section 905.0.6, a disability assistance payment the amount of which is equal to the amount determined in the second paragraph and the non-taxable portion of which is deemed to be nil, is deemed to have been made under the plan at the relevant time—in addition to the payment deemed by subparagraph *b* to have been made—to the beneficiary under the plan or, if the beneficiary is deceased at the relevant time, to the beneficiary’s succession.

The amount to which subparagraph *c* of the first paragraph refers is equal to the amount by which the lesser of the assistance holdback amount in relation to the plan and the fair market value of the property held by the plan trust at the relevant time exceeds the fair market value of the property held by the plan trust immediately after the particular time.

“905.0.21. The issuer of a registered disability savings plan shall,

(*a*) if a person becomes a holder of the plan after the plan is entered into, so notify the Minister in the prescribed form containing prescribed information on or before the day that is 60 days after the day on which the issuer is notified that the person has become a holder of the plan or, if it is later, the day on which the issuer is provided with the new holder’s Social Insurance Number or business number;

(*b*) not amend the plan before having received a written notice from the Minister that, in the Minister’s opinion, a plan whose terms are identical to the amended plan would, if entered into by a person eligible to enter into a disability savings plan, comply with the conditions set out in the first paragraph of section 905.0.6;

(c) notify the Minister in writing on or before the day that is 30 days after the day on which the issuer becomes aware that the plan is, or is likely to become, non-compliant, as determined without reference to paragraph *c* of section 905.0.18 and section 905.0.19; and

(d) exercise the care, prudence, diligence and skill of a reasonable person to minimize the possibility that a holder of the plan may become liable to pay tax under Part XI of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

Unless the Minister decides otherwise, an issuer is considered to have satisfied the obligation imposed under subparagraph *b* of the first paragraph in respect of the amended plan if the issuer has received, in relation to the plan, a notice from the Minister of National Revenue in accordance with paragraph *a* of subsection 2 of section 146.4 of the Income Tax Act.”

(2) Subsection 1 applies from the taxation year 2008.

169. (1) Section 930 of the Act is replaced by the following section:

“930. If an amount paid out of or under a registered retirement savings plan is received by the legal representative of a deceased individual who was an annuitant under the plan and that amount would have been a refund of premiums had it been paid under the plan to an individual who is a beneficiary, within the meaning of the second paragraph of section 646, of the annuitant’s succession, that amount is, to the extent that it is so designated jointly by the legal representative and the individual in the prescribed form filed with the Minister, deemed to be received by the individual and not by the legal representative, at the time it is so received by the legal representative, as a benefit that is a refund of premiums.”

(2) Subsection 1 has effect from 1 January 1989. However, when section 930 of the Act applies after 31 December 1988 and before 1 January 1999, it is to be read as follows:

“930. If, in a taxation year, the legal representative of a deceased individual who was an annuitant under a registered retirement savings plan receives an amount paid out of or under the plan and a portion of that amount would have been a refund of premiums had it been paid under the plan to an individual who is a beneficiary, within the meaning of the second paragraph of section 646, of the annuitant’s succession, that portion of the amount is, to the extent that it is so designated jointly by the legal representative and the individual in the prescribed form filed with the Minister, deemed to be received by the individual in the year as a benefit that is a refund of premiums.”

(3) In addition, when section 930 of the Act, as enacted by subsection 2, applies before 12 June 1998, it is to be read as if “succession” was replaced by “estate”.

170. (1) The Act is amended by inserting the following after section 935.19:

“TITLE IV.3

“TAX-FREE SAVINGS ACCOUNTS

“CHAPTER I

“DEFINITION

“935.20. In this Title, “holder” has the meaning assigned by subsection 1 of section 146.2 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement).

“CHAPTER II

“TAX

“935.21. No tax is payable under this Part by a trust that is governed by a tax-free savings account on its taxable income for a taxation year.

“935.22. Despite section 935.21, a trust governed by a tax-free savings account that carries on a business in a taxation year shall pay tax under this Part on the amount that would be its taxable income for the year if it had no incomes or losses from sources other than that business.

“935.23. Despite section 935.21, a trust governed by a tax-free savings account that holds, in a taxation year, a property that is a non-qualified investment (for the purposes of Part XI.01 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement)) for the trust, shall pay tax under this Part on the amount that would be its taxable income for the year if it had no incomes or losses from sources other than the property and no capital gains or capital losses other than from the disposition of the property.

“935.24. For the purposes of sections 935.22 and 935.23, the following rules apply:

(a) a trust’s income includes a dividend described in sections 501 to 503; and

(b) the trust’s taxable capital gain or allowable capital loss from the disposition of a property is equal to its capital gain or capital loss, as the case may be, from the disposition.

“935.25. An amount that is credited or added to a deposit that is a tax-free savings account as interest or other income in respect of the account is deemed not to be received by the holder of the account solely because of that crediting or adding.

“CHAPTER III

“SPECIAL PROVISIONS

“**935.26.** If an arrangement that governs a trust ceases, at a particular time, to be a tax-free savings account, the following rules apply:

(a) the trust is deemed to have disposed, immediately before the particular time, of each property held by the trust for proceeds of disposition equal to the property’s fair market value immediately before the particular time and to have acquired, at the particular time, each such property at a cost equal to that fair market value;

(b) the trust’s last taxation year that began before the particular time is deemed to have ended immediately before the particular time; and

(c) a taxation year of the trust is deemed to begin at the particular time.

“**935.27.** If an annuity contract ceases, at a particular time, to be a tax-free savings account, the following rules apply:

(a) the holder of the tax-free savings account is deemed to have disposed of the contract immediately before the particular time for proceeds of disposition equal to its fair market value immediately before the particular time;

(b) the contract is deemed to be a separate annuity contract issued and effected at the particular time otherwise than pursuant to or as a tax-free savings account; and

(c) each person who has a right or interest in the separate annuity contract at the particular time is deemed to acquire the right or interest at the particular time at a cost equal to its fair market value at the particular time.

“**935.28.** If a deposit ceases, at a particular time, to be a tax-free savings account, the following rules apply:

(a) the holder of the tax-free savings account is deemed to have disposed of the deposit immediately before the particular time for proceeds of disposition equal to its fair market value immediately before the particular time; and

(b) each person who has a right or interest in the deposit at the particular time is deemed to acquire the right or interest at the particular time at a cost equal to its fair market value at the particular time.

“**935.29.** An arrangement that is a qualifying arrangement, as defined in subsection 1 of section 146.2 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), is deemed not to be a retirement savings plan, an education savings plan, a retirement income fund or a disability savings plan.”

(2) Subsection 1 applies from the taxation year 2009.

171. (1) Section 961.24 of the Act is amended by replacing the portion before paragraph *a* by the following:

“961.24. For the purposes of sections 898.1.1, 921.2, 926, 933, 935.22, 961.15, 961.19 and 961.20, where, at a particular time, a taxpayer that is a trust governed by a registered education savings plan, a tax-free savings account, a registered retirement savings plan or a registered retirement income fund acquires, holds or disposes of a unit in a qualified trust, the qualified trust may, to the extent that it has made a valid election, in respect of a period, under subsection 1 of section 259 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), elect in the prescribed manner, in respect of that period, to have the following rules apply:”

(2) Subsection 1 applies from the taxation year 2000. However, when the portion of section 961.24 of the Act before paragraph *a* applies to the taxation years 2000 to 2008, it is to be read as if “935.22,” and “a tax-free savings account,” were struck out.

172. Section 965.37.1 of the Act is replaced by the following section:

“965.37.1. For the purposes of section 965.37, an individual who is a member of a qualified partnership and whose activities consist mainly in carrying on a farming business or whose main activity is carried on within the partnership is deemed, if the individual is a member of the partnership at the end of the fiscal period of the partnership in which it acquired a qualifying security, to have acquired the qualifying security in the year in which that fiscal period ends, at a cost equal to the agreed proportion of the cost of the qualifying security for the partnership, in respect of the individual for that fiscal period of the partnership.”

173. Section 965.39.5 of the Act is replaced by the following section:

“965.39.5. For the purposes of sections 965.39.2 and 965.39.4, if a partnership acquires, in a fiscal period of the partnership, a qualifying security of a qualified cooperative or qualified federation of cooperatives, an individual who is an eligible member of the partnership at the end of the fiscal period is deemed to have acquired the qualifying security in the year in which the fiscal period ends, at a cost equal to the agreed proportion of the cost of the qualifying security for the partnership, in respect of the individual for that fiscal period of the partnership.”

174. (1) Section 965.66 of the Act is amended by adding the following paragraph:

“For the purposes of the first paragraph, no reference is to be made to section 21.20.4 in determining whether an issuing corporation and a particular corporation are associated with each other in the 12-month period referred to

in that paragraph, if the issuing corporation uses a portion of the proceeds of a public share issue in payment of the acquisition of shares or any other negotiable instrument of the particular corporation and if the conditions set out in paragraph *a* or *b* of section 965.79 are met.”

(2) Subsection 1 applies in respect of a public share issue in respect of which the receipt for the final prospectus is granted after 20 June 2008.

175. Section 965.88 of the Act is amended by striking out “, *f* and *g*” in paragraph *a*.

176. (1) Section 968 of the Act is amended by replacing the second paragraph by the following paragraph:

“For the purposes of the first paragraph, a life insurance policy does not include a policy that is, or is issued pursuant to, a registered pension plan, a registered retirement savings plan, a deferred profit sharing plan, a registered retirement income fund, a tax-free savings account, an income-averaging annuity contract, an income-averaging annuity contract respecting income from artistic activities, an annuity contract the cost of which is deductible by the holder under paragraph *f* of section 339 in computing the holder’s income, an annuity contract that is a qualifying trust annuity in relation to a taxpayer the cost of which is deductible under that paragraph *f* in computing the taxpayer’s income or an annuity contract that the holder acquired in circumstances to which subsection 21 of section 146 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) applied.”

(2) Subsection 1 has effect from 1 September 1992. However, when the second paragraph of section 968 of the Act applies to a taxation year that ends before 1 January 2009, it is to be read as if “a tax-free savings account,” was struck out and as if “, *d*’un tel compte” in the French text was struck out.

(3) In addition, when section 968 of the Act applies after 31 December 1988 and before 1 September 1992, it is to be read as if “, or an annuity contract where the cost of the annuity contract is deductible by the holder under paragraph *f* of section 339 in computing his income or where the holder acquired the annuity contract” in the second paragraph was replaced by “, an annuity contract the cost of which is deductible by the holder under paragraph *f* of section 339 in computing the holder’s income, or an annuity contract that is a qualifying trust annuity in relation to a taxpayer the cost of which is deductible under that paragraph *f* in computing the taxpayer’s income or that the holder acquired”.

177. (1) Section 985.1 of the Act, amended by section 402 of chapter 5 of the statutes of 2009, is again amended by replacing “that it is required to transmit to the Minister for the year in accordance with section 985.22” in paragraph *a.2* by “that it is required to file with the Minister for the year in accordance with the first paragraph of section 985.22”.

(2) Subsection 1 has effect from 19 March 2007.

178. (1) Section 985.1.0.2 of the Act is amended by replacing “under section 985.22” in the first paragraph by “under the first paragraph of section 985.22”.

(2) Subsection 1 has effect from 19 March 2007.

179. (1) Section 985.8 of the Act, amended by section 410 of chapter 5 of the statutes of 2009, is again amended

(1) by replacing “in paragraph *c* or *d*” in the portion before paragraph *a* by “in paragraph *d*”;

(2) by adding the following paragraph:

“For the purposes of the first paragraph, if, for a taxation year of a private foundation that begins after 18 March 2007, subsection 8 of section 149.2 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) applies to the foundation in respect of a class of shares of the capital stock of a corporation, the portion of that paragraph before subparagraph *a* is to be read as if “in paragraph *d*” was replaced by “in paragraph *c* or *d*.”

(2) Subsection 1 has effect from 19 March 2007.

180. (1) Section 985.22 of the Act, amended by section 412 of chapter 5 of the statutes of 2009, is again amended by adding the following paragraph:

“In addition, every private foundation that is a charity carrying on its activities in Québec shall enclose a copy of any document that it is required to file with the Minister of National Revenue for the year under subsection 14 of section 149.1 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), because of the application of section 149.2 of that Act, with the information return it is required to file with the Minister for a taxation year under the first paragraph.”

(2) Subsection 1 has effect from 19 March 2007.

181. (1) Section 998 of the Act, amended by section 418 of chapter 5 of the statutes of 2009, is again amended

(1) by inserting the following paragraph after paragraph *g*:

“(g.1) a trust established under a registered disability savings plan, to the extent provided in Title III.1 of Book VII;”;

(2) by inserting the following paragraph after paragraph *h*:

“(h.1) a trust established under a tax-free savings account, to the extent provided in Title IV.3 of Book VII;”.

(2) Paragraph 1 of subsection 1 applies from the taxation year 2008.

(3) Paragraph 2 of subsection 1 applies from the taxation year 2009.

182. (1) Section 1000 of the Act is amended, in subsection 1,

(1) by replacing “other than a corporation that was a registered charity throughout the year” in the portion before paragraph *a* by “other than a corporation described in section 1003.1”;

(2) by replacing paragraph *d* by the following paragraph:

“(d) in which the individual has a taxable capital gain (otherwise than from an excluded disposition within the meaning of section 1003.2) or disposes of a taxable Québec property (otherwise than in such an excluded disposition), where the individual is not resident in Canada throughout the year; or”.

(2) Subsection 1 applies in respect of a disposition of a property made after 31 December 2008. In addition, when paragraph *d* of subsection 1 of section 1000 of the Act applies from the taxation year 1999, it is to be read as if “Canadian” was replaced by “Québec”.

183. (1) The Act is amended by inserting the following sections after section 1003:

“**1003.1.** The corporation to which subsection 1 of section 1000 refers for a taxation year is

- ii. Municipalité régionale de comté de La Vallée-de-la-Gatineau, or
- iii. Municipalité régionale de comté de Pontiac;

“specified member” of a corporation that is a cooperative, in a taxation year, means a member having, directly or indirectly, at any time in the year, at least 10% of the votes at a meeting of the members of the cooperative;

“total taxes” of a corporation for a taxation year means the aggregate of its tax payable under this Part for the year and of its tax payable under Parts IV, IV.1, VI and VI.1 for the year;

“unused portion of the tax credit” of a corporation for a taxation year means the amount by which the total amount that the corporation would be deemed to have paid to the Minister for that year under the first paragraph of sections 1029.8.36.166.43 and 1029.8.36.166.44 if no reference were made to the second paragraph of those sections, exceeds the corporation’s maximum tax credit amount for the year.

For the purposes of the definition of “eligible expenses” in the first paragraph, the expenses that are included, at the end of a taxation year or fiscal period, in the capital cost of a property do not include the expenses so included under section 180 or 182.

For the purposes of the definitions of “aluminum producing corporation” and “oil refining corporation” in the first paragraph, the rules set out in subparagraphs *b* and *c* of the second paragraph of section 1029.8.36.166.41 apply for the purpose of determining whether a corporation is associated with a partnership or trust at any time.

“1029.8.36.166.41. An associated group, in a taxation year, means all the corporations that are associated with each other at any given time in the year.

For the purposes of the first paragraph, the following rules apply:

(a) a business carried on by an individual, other than a trust, is deemed to be carried on by a corporation all the voting shares in the capital stock of which are owned at the given time by the individual;

(b) a partnership is deemed to be a corporation whose taxation year corresponds to the partnership’s fiscal period and all the voting shares in the capital stock of which are owned at the given time by each member of the partnership in a proportion equal to the agreed proportion in respect of the member for the partnership’s fiscal period that includes that time; and

(c) a trust is deemed to be a corporation all the voting shares in the capital stock of which

i. in the case of a testamentary trust under which one or more beneficiaries are entitled to receive all of the income of the trust that arose before the date of death of one or the last surviving of those beneficiaries (in this subparagraph *c* referred to as the “distribution date”) and under which no other person can, before the distribution date, receive or otherwise obtain the enjoyment of any of the income or capital of the trust,

(1) if such a beneficiary’s share of the income or capital of the trust depends on the exercise by any person of, or the failure by any person to exercise, a power to appoint, and if the given time occurs before the distribution date, are owned at that time by the beneficiary, or

(2) if subparagraph 1 does not apply and the given time occurs before the distribution date, are owned at that time by such a beneficiary in a proportion equal to the proportion that the fair market value of the beneficial interest in the trust of the beneficiary is of the fair market value of the beneficial interests in the trust of all the beneficiaries,

ii. if a beneficiary’s share of the accumulating income or capital of the trust depends on the exercise by any person of, or the failure by any person to exercise, a power to appoint, are owned at the given time by the beneficiary, unless subparagraph i applies and that time occurs before the distribution date,

iii. in any case where subparagraph ii does not apply, are owned at the given time by the beneficiary in a proportion equal to the proportion that the fair market value of the beneficial interest in the trust of the beneficiary is of the fair market value of all beneficial interests in the trust, unless subparagraph i applies and that time occurs before the distribution date, and

iv. in the case of a trust referred to in section 467, are owned at the given time by the person referred to in that section from whom property of the trust or property for which property of the trust was substituted was directly or indirectly received.

“1029.8.36.166.42. The amount to which the definition of “maximum tax credit amount” in the first paragraph of section 1029.8.36.166.40 refers, in relation to a corporation for a taxation year, is equal to the product obtained by multiplying, by the proportion determined by the formula in the third paragraph, the amount by which the total amount that the corporation would be deemed to have paid to the Minister for the taxation year under the first paragraph of sections 1029.8.36.166.43 and 1029.8.36.166.44 if no reference were made to the second paragraph of those sections, exceeds the amount by which the corporation’s total taxes for the year exceed the amount the corporation is deemed to have paid to the Minister for the year under section 1029.8.36.166.46.

The amount to which the definition of “limit relating to an unused portion” in the first paragraph of section 1029.8.36.166.40 refers, in relation to a corporation for a taxation year, is equal to the product obtained by multiplying, by the proportion determined by the formula in the third paragraph, the amount by which the corporation’s total taxes for the year are exceeded by the aggregate of all amounts each of which is an excess amount determined under subparagraph *a* of the first paragraph of section 1029.8.36.166.46 in respect of an original year, within the meaning of that subparagraph, in relation to the taxation year.

The formula to which the first and second paragraphs refer is the following:

$$1 - [(A - \$250,000,000)/\$250,000,000].$$

In the formula in the third paragraph, A is the greater of

(a) \$250,000,000; and

(b) the lesser of \$500,000,000 and the paid-up capital attributed to the corporation for the year, determined in accordance with section 737.18.24.

“§2. — *Credits*

“1029.8.36.166.43. A qualified corporation for a taxation year that encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000 is deemed, subject to the third paragraph, to have paid to the Minister on the corporation’s balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to the aggregate of all amounts each of which is the product obtained by multiplying the amount of its eligible expenses for the year, in respect of a qualified property, by the rate determined in respect of the property for the year under section 1029.8.36.166.45.

The total amount that the corporation is deemed to have paid to the Minister for the year under the first paragraph and, if applicable, under the first paragraph of section 1029.8.36.166.44 must not exceed the corporation's maximum tax credit amount for the year.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027, or any of sections 1145, 1159.7, 1175 and 1175.19 if they refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and of its tax payable for the year under Parts IV, IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(*a*) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(*b*) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

“1029.8.36.166.44. A qualified corporation for a taxation year that is a member of a qualified partnership at the end of a particular fiscal period of the partnership that ends in the year, and that encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, is deemed, subject to the third paragraph, to have paid to the Minister on the qualified corporation's balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to the aggregate of all amounts each of which is the product obtained by multiplying its share of the partnership's eligible expenses for the particular fiscal period, in respect of a qualified property, by the rate determined in respect of the property for the year under section 1029.8.36.166.45.

The total amount that the corporation is deemed to have paid to the Minister for the year under the first paragraph and, if applicable, under the first paragraph of section 1029.8.36.166.43 must not exceed the corporation's maximum tax credit amount for the year.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027, or any of sections 1145, 1159.7, 1175 and 1175.19 if they refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and of its tax payable for the year under Parts IV, IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(a) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

For the purposes of the first paragraph, a qualified corporation's share of the eligible expenses incurred by a qualified partnership in a fiscal period is equal to the agreed proportion of the expenses in respect of the qualified corporation for the fiscal period.

“1029.8.36.166.45. The rate to which section 1029.8.36.166.43 or 1029.8.36.166.44 refers, in respect of a qualified property, for a taxation year is

(a) if the qualified property is acquired to be used mainly in an administrative region referred to in any of subparagraphs iv to vii of paragraph *a* of the definition of “resource region” in the first paragraph of section 1029.8.36.166.40, the rate determined by the formula

$$40\% - [35\% \times (A - \$250,000,000)/\$250,000,000];$$

(b) if the qualified property is acquired to be used mainly in the administrative region referred to in subparagraph i of paragraph *a* of the definition of “resource region” in the first paragraph of section 1029.8.36.166.40, the rate determined by the formula

$$30\% - [25\% \times (A - \$250,000,000)/\$250,000,000];$$

(c) if the qualified property is acquired to be used mainly in an administrative region referred to in subparagraph ii or iii of paragraph *a* of the definition of “resource region” in the first paragraph of section 1029.8.36.166.40 or in any of the regional county municipalities referred to in paragraph *b* of that definition, the rate determined by the formula

$$20\% - [15\% \times (A - \$250,000,000)/\$250,000,000];$$
 and

(d) in any other case, 5%.

In the formulas in the first paragraph, A is the greater of

(a) \$250,000,000; and

(b) the lesser of \$500,000,000 and the paid-up capital attributed to the corporation for the year, determined in accordance with section 737.18.24.

“1029.8.36.166.46. Subject to section 1029.8.36.166.49, a corporation that encloses the prescribed form containing prescribed information with the fiscal return it is required to file under section 1000 for a particular taxation year, is deemed, subject to the second paragraph, to have paid to the Minister on the corporation’s balance-due day for the particular year, on account of its tax payable for that year under this Part, an amount equal to the aggregate of all amounts each of which is the lesser of

(a) the amount by which the unused portion of the tax credit of the corporation for a taxation year (in subparagraph *b* referred to as the “original year”) that is any of the 20 taxation years that precede the particular year, exceeds the aggregate of all amounts each of which is an amount deemed to have been paid to the Minister by the corporation under this section or section 1029.8.36.166.47, in respect of the unused portion of the tax credit, on account of its tax payable for a taxation year preceding the particular year; and

(b) the amount by which the corporation’s limit relating to an unused portion for the particular year exceeds the aggregate of all amounts each of which is equal to the amount deemed to be paid by the corporation under this section, for the particular year, in respect of the unused portion of the tax credit of the corporation for a taxation year preceding the original year.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027 or any of sections 1145, 1159.7, 1175 and 1175.19 if they refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and of its tax payable for the year under Parts IV, IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(a) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

“1029.8.36.166.47. Subject to section 1029.8.36.166.50, a corporation is deemed, for a particular taxation year ending after 13 March 2008, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file under section 1000 for a taxation year (in this section referred to as the “subsequent year”) that is any of the three taxation years that follow the particular year, to have paid to the Minister, in

relation to the unused portion of the tax credit of the corporation for the subsequent year, on the day on which the form is filed with the Minister, an amount equal to the lesser of

(a) the amount by which the unused portion of the tax credit of the corporation for the subsequent year exceeds the aggregate of all amounts each of which is an amount deemed to have been paid to the Minister by the corporation under this section, in respect of the unused portion, for a taxation year preceding the particular year; and

(b) the amount by which its total taxes for the particular year exceed the aggregate of all amounts each of which is an amount that the corporation is deemed to have paid to the Minister for the particular year under any of sections 1029.8.36.166.43, 1029.8.36.166.44 and 1029.8.36.166.46, or under this section in respect of the unused portion of the tax credit of the corporation for a taxation year preceding the subsequent year.

“1029.8.36.166.48. No amount may be deemed to have been paid to the Minister by a qualified corporation for a taxation year under section 1029.8.36.166.43 or 1029.8.36.166.44, in relation to its eligible expenses or its share of a partnership’s eligible expenses, as the case may be, in respect of a qualified property, if, at any time before the day after the day that is the end of the period of 730 days following the beginning of the use of the property by the first purchaser of the property or by a subsequent purchaser of the property that acquired it in any of the circumstances in which section 130R149 of the Regulation respecting the Taxation Act (R.R.Q., 1981, chapter I-3, r. 1) applies, or, if it precedes the day that is the end of that period, the corporation’s filing-due date for that taxation year, the property ceases, otherwise than by reason of its loss, of its involuntary destruction by fire, theft or water, or of a major breakdown of the property, to be used solely in Québec to earn income from a business carried on

(a) by the first purchaser of the property and if that time is also in the portion of that period in which the first purchaser owns the property; or

(b) by a subsequent purchaser of the property that acquired it in any of the circumstances in which section 130R149 of the Regulation respecting the Taxation Act applies, and if that time is also in the portion of that period in which the subsequent purchaser owns the property.

“1029.8.36.166.49. If, at any time, control of a corporation is acquired by a person or group of persons, no amount may, for a taxation year ending after that time, be deemed, under section 1029.8.36.166.46, to have been paid to the Minister by the corporation in respect of the unused portion of the tax credit of the corporation for a taxation year ending before that time.

However, subject to section 1029.8.36.166.48, the corporation may be deemed to have paid an amount to the Minister, for a particular taxation year ending after that time, in respect of the portion of an unused portion of the

tax credit for a taxation year ending before that time that may reasonably be considered to be attributable to the carrying on of a business, if the corporation carried on the business throughout the particular year for profit or with a reasonable expectation of profit.

The amount that the corporation may be deemed to have paid to the Minister for the particular year under section 1029.8.36.166.46 in respect of the portion referred to in the second paragraph must be determined as if the reference to the total taxes determined for the purpose of establishing, for the particular year, the corporation's limit relating to an unused portion referred to in subparagraph *b* of the first paragraph of that section were a reference to the portion of such total taxes of the corporation for the particular year that may reasonably be attributed to the carrying on of that business and—if the corporation sold, leased, rented or developed properties or rendered services in the course of carrying on that business before that time—of any other business substantially all the income of which is derived from the sale, leasing, rental or development, as the case may be, of similar properties, or the rendering of similar services.

“1029.8.36.166.50. If, at any time, control of a corporation is acquired by a person or group of persons, no amount may, for a taxation year ending before that time, be deemed, under section 1029.8.36.166.47, to have been paid to the Minister by the corporation in respect of the unused portion of the tax credit of the corporation for a taxation year ending after that time.

However, the corporation may be deemed to have paid an amount to the Minister, for a particular taxation year ending before that time, in respect of the portion of an unused portion of the tax credit for a taxation year ending after that time that may reasonably be considered to be attributable to the carrying on of a business, if the corporation carried on the business throughout the taxation year and in the particular year for profit or with a reasonable expectation of profit.

The amount that the corporation may be deemed to have paid to the Minister for the particular year under section 1029.8.36.166.47 in respect of the portion referred to in the second paragraph must be determined as if the reference to the total taxes in that section were a reference to the portion of the total taxes of the corporation for the particular year that may reasonably be attributed to the carrying on of that business and—if the corporation sold, leased, rented or developed properties or rendered services in the course of carrying on that business before that time—of any other business substantially all the income of which is derived from the sale, leasing, rental or development, as the case may be, of similar properties, or the rendering of similar services.

“1029.8.36.166.51. For the purposes of this division, a corporation or partnership deemed to have acquired a property at a particular time under paragraph *b* of section 125.1 is deemed to have acquired the property at that time at a cost of acquisition, incurred and paid at that time, equal to the fair

market value of the property at that time, and to own the property from that time to the time at which it is deemed to dispose of the property under paragraph *f* of section 125.1.

“§3. — *Government assistance, non-government assistance and other particulars*

“**1029.8.36.166.52.** For the purpose of computing the amount that is deemed to have been paid to the Minister by a corporation, for a taxation year, under section 1029.8.36.166.43 or 1029.8.36.166.44, the following rules apply:

(a) the amount of the eligible expenses referred to in the first paragraph of section 1029.8.36.166.43 is to be reduced, if applicable, by the amount of any government assistance or non-government assistance attributable to the expenses that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the corporation’s filing-due date for the taxation year;

(b) the corporation’s share of the eligible expenses of a partnership, referred to in the first paragraph of section 1029.8.36.166.44, for a fiscal period of the partnership that ends in the corporation’s taxation year, is to be reduced, if applicable,

i. by the corporation’s share of the amount of any government assistance or non-government assistance attributable to the expenses that the partnership has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period, and

ii. by the amount of any government assistance or non-government assistance attributable to the expenses that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period.

For the purposes of subparagraph *i* of subparagraph *b* of the first paragraph, the corporation’s share, for the partnership’s fiscal period, of the amount of any government assistance or non-government assistance that the partnership has received, is entitled to receive or may reasonably expect to receive, is equal to the agreed proportion of the amount in respect of the corporation for the fiscal period.

“**1029.8.36.166.53.** For the purpose of computing the amount that a corporation is deemed to have paid to the Minister under section 1029.8.36.166.46 for a particular taxation year in respect of the unused portion of the tax credit of the corporation for a particular preceding taxation year, in relation to eligible expenses of the corporation or of a partnership of which it is a member at the end of the fiscal period of the partnership ending in the particular preceding year, the unused portion of the tax credit of the corporation, otherwise determined, is to be reduced by the amount determined under the second paragraph if

(a) in the particular year or a preceding taxation year, an amount relating to the eligible expenses of the corporation, other than an amount reducing those expenses in accordance with section 1029.8.36.166.52 or 1029.8.36.166.60, is, directly or indirectly, refunded or otherwise paid to the corporation or allocated to a payment to be made by the corporation; or

(b) in a fiscal period of the partnership ending in the particular year or in a preceding taxation year and at the end of which the corporation is a member of the partnership, an amount relating to the eligible expenses of the partnership, other than an amount reducing those expenses in accordance with section 1029.8.36.166.52 or 1029.8.36.166.60, is, directly or indirectly, refunded or otherwise paid to the partnership or corporation or allocated to a payment to be made by the partnership or corporation.

The amount to which the first paragraph refers is equal to the amount by which the unused portion of the tax credit of the corporation for the particular preceding year, otherwise determined, exceeds the amount that would be the amount of the unused portion of the tax credit of the corporation if

(a) any amount referred to in subparagraph *a* or *b* of the first paragraph that is, directly or indirectly, refunded or otherwise paid to the corporation or allocated to a payment to be made by the corporation were directly or indirectly, refunded or otherwise paid to the corporation or allocated to a payment to be made by the corporation in the particular preceding year; and

(b) any amount referred to in subparagraph *b* of the first paragraph that is, directly or indirectly, refunded or otherwise paid to the partnership or allocated to a payment to be made by the partnership were directly or indirectly, refunded or otherwise paid to the partnership or allocated to a payment to be made by the partnership in the fiscal period of the partnership ending in the particular preceding year.

If, in respect of the eligible expenses referred to in the first paragraph, a person other than the corporation, or a partnership other than the partnership of which the corporation is a member, has obtained, at a particular time, a benefit or advantage that would have reduced those expenses in accordance with section 1029.8.36.166.60 if the person or partnership had obtained it, had been entitled to obtain it or could reasonably have expected to obtain it on or before the corporation's filing-due date for the particular preceding taxation year, or on or before the day that is six months after the end of the fiscal period of the partnership of which the corporation is a member that ended in the particular preceding taxation year, the benefit or advantage is, for the purposes of the first and second paragraphs,

(a) if those expenses were incurred by the corporation, deemed to be an amount that is paid to the corporation at that time; or

(b) if those expenses were incurred by the partnership of which the corporation is a member, deemed to be

i. an amount that is paid to that partnership at that time, when that benefit or advantage has been obtained by another partnership or by a person other than the person referred to in subparagraph ii, or

ii. an amount that is paid to the corporation at that time, when that benefit or advantage has been obtained by a person with whom the corporation does not deal at arm's length.

“1029.8.36.166.54. For the purpose of applying section 1029.8.36.166.53 to a corporation for a taxation year, if a qualified property in respect of which expenses, incurred by the corporation or a partnership, are eligible expenses of the corporation for a particular preceding taxation year or of the partnership for a fiscal period of the partnership that ends in the particular preceding year and at the end of which the corporation was a member of the partnership, ceases, at a particular time of the period described in the second paragraph, otherwise than by reason of its loss, of its involuntary destruction by fire, theft or water, or of a major breakdown of the property, to be used solely in Québec to earn income from a business carried on in the following manner, the eligible expenses are deemed to be repaid to the corporation or partnership, as the case may be, at that time:

(a) by the first purchaser of the property and that time is also in the portion of that period in which the first purchaser owns the property; or

(b) by a subsequent purchaser of the property that acquired it in any of the circumstances in which section 130R149 of the Regulation respecting the Taxation Act (R.R.Q., 1981, chapter I-3, r. 1) applies, and that time is also in the portion of that period in which the subsequent purchaser owns the property.

The period to which the first paragraph refers is the period that begins on the particular day on which the property begins to be used by the first purchaser of the property or by a subsequent purchaser of the property that acquired it in any of the circumstances in which section 130R149 of the Regulation respecting the Taxation Act applies, and that ends 730 days after the particular day or—if it precedes the day that is 730 days after the particular day—on the corporation's filing-due date for the taxation year that includes the particular time or for the corporation's taxation year in which the partnership's fiscal period that includes the particular time ends, as the case may be.

This section does not apply to a corporation for a taxation year, in relation to eligible expenses in respect of a qualified property of the corporation for a particular preceding taxation year or of a partnership of which the corporation is a member for a fiscal period that ends in the particular preceding taxation year, if section 1029.8.36.166.48 applied, in relation to the eligible expenses, for the particular preceding taxation year.

“1029.8.36.166.55. If a corporation pays, in a taxation year (in this section referred to as the “repayment year”), pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph *a* of the first paragraph of section 1029.8.36.166.52, the eligible expenses of the corporation in respect of a qualified property, for the purpose of computing the amount that it is deemed to have paid to the Minister under section 1029.8.36.166.43 in respect of the expenses, for a particular taxation year, the corporation is deemed to have paid to the Minister on the corporation’s balance-due day for the repayment year, on account of its tax payable for that year under this Part, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the repayment year under section 1000, an amount equal to the amount by which the aggregate of all amounts each of which is an amount that it would be deemed to have paid to the Minister, in respect of the expenses, under section 1029.8.36.166.43 for the particular year, or under section 1029.8.36.166.46 or 1029.8.36.166.47 for another taxation year that precedes the repayment year, if any amount of such assistance so repaid at or before the end of the repayment year had reduced, for the particular year, the amount of any government assistance or non-government assistance referred to in subparagraph *a* of the first paragraph of section 1029.8.36.166.52, exceeds the aggregate of

(a) the aggregate of all amounts each of which is an amount that the corporation is deemed to have paid to the Minister, in respect of the expenses, under section 1029.8.36.166.43 for the particular year, or under section 1029.8.36.166.46 or 1029.8.36.166.47 for another taxation year that precedes the repayment year; and

(b) any amount that the corporation is deemed to have paid to the Minister for a taxation year preceding the repayment year under this section in respect of an amount of repayment of that assistance.

“1029.8.36.166.56. The judge may also, in such a case, order the person to pay the costs of seizure and preservation of the thing set by regulation.

Article 138 of the Code of Penal Procedure applies to the deposit referred to in section 40.3.

“40.11. The Minister must return the thing seized, the deposit referred to in the second paragraph of section 40.3 or the sale proceeds referred to in section 40.4 to the person from whom the thing was seized as soon as retention of the thing is no longer necessary in the interests of justice.

However, the judge may reduce the amount if the judge is satisfied that the Minister unduly delayed instituting proceedings or caused the commencement of proceedings to be delayed without sufficient cause.

On an application of the Minister made within 30 days after a judgment has been rendered in proceedings to impose a penal sanction for an offence against a fiscal law or a regulation made by the Government under a fiscal law or, in cases where the defendant is deemed to have been convicted of the offence, within 90 days after service of the statement of offence, a judge may also order the confiscation of the thing seized under any of sections 40, 40.1, 40.1.0.1, 40.1.1 and 40.1.3 if the unlawful possession of the thing prevents it from being returned to the person from whom it was seized or to a person who claims to have a right in the thing, and, in cases where a defendant has been convicted of, or is deemed to have been convicted of, an offence against a fiscal law or a regulation made by the Government under a fiscal law, in addition to any penalty otherwise prescribed for the offence, the confiscation of any thing seized under any of sections 40, 40.1, 40.1.0.1, 40.1.1 and 40.1.3, of the deposit referred to in the second paragraph of section 40.3 or of the sale proceeds referred to in section 40.4.
