## **EXPLANATORY NOTES**

*This Act amends the Act respecting land use planning and development in order to require metropolitan communities and regional county municipalities whose territory is not situated within the territory of a metropolitan community to maintain in force at all times a statement of their strategic vision for cultural, economic, environmental and social development in their territory, and in order to provide a process for its adoption and amendment.*

*That Act is further amended to give each metropolitan community the power to establish a metropolitan land use and development plan that defines policy directions, objectives and criteria to ensure the competitiveness and attractiveness of the territory of the community, in keeping with sustainable development. It also specifies the subjects that are to be covered by such policy directions, objectives and criteria.*

*As well, regional county municipalities all or part of whose territory is situated within the territory of a metropolitan community are given the same power with respect to a land use and development plan as other regional county municipalities.*

*This Act provides that the land use and development plan of a metropolitan community must be consistent with the land use policy directions of the Government, and establishes processes for amending and revising the plan as well as processes for ascertaining whether it is consistent with government policy directions. It provides that the land use and development plan of a regional county municipality must be consistent not only with government policy directions but also with the metropolitan plan, and makes the amendments to the Act that are needed to allow the authorities concerned to ascertain whether the plan is consistent in both respects.*

*This Act further provides that an interim control resolution or by-law of a metropolitan community is to prevail over an interim control resolution or by-law of a regional county municipality all or part of whose territory is situated within the territory of the metropolitan community and over an interim control resolution or by-law of a local municipality whose territory is situated within the territory of the metropolitan community.*

*In addition, it groups together, in the Act respecting land use planning and development, the provisions that specify that the cities of Laval, Mirabel, Montréal, Québec, Gatineau, Longueuil, Lévis and La Tuque and Municipalité des Îles-de-la-Madeleine are also subject to the provisions of that Act that apply to regional county municipalities.*

*It repeals the provisions of the Act respecting the Communauté métropolitaine de Montréal and the Act respecting the Communauté métropolitaine de Québec that have to do with metropolitan land use and development plans, since those plans are from now on to be provided for in the Act respecting land use planning and development.*

*Finally, this Act amends a number of Acts and Orders in Council to reflect the amendments to the Act respecting land use planning and development, and to provide for the concurrent powers, over the same territory, of a metropolitan community and a regional county municipality with respect to land use planning and development.*

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

ACT RESPECTING LAND USE PLANNING AND DEVELOPMENT

**1.** Section 1 of the Act respecting land use planning and development (R.S.Q., chapter A-19.1) is amended

(1) by inserting the following paragraph after paragraph 7:

“(7.1) “responsible body” means a metropolitan community that must maintain a metropolitan land use and development plan in force or a regional county municipality that must maintain a land use and development plan in force;”;

(2) by inserting the following paragraphs after paragraph 8:

“(8.3) “RCM plan” means the land use and development plan of a regional county municipality;”;

(3) by replacing paragraph 9 by the following paragraph:

“(9) “secretary” means,

(b) in the case of a regional county municipality or local municipality, the secretary-treasurer, the clerk or any other officer the council designates for that purpose; and

(c) in the case of a school board, the director general;”.

**2.** Section 2 of the Act is amended by replacing “A land use planning and development plan and an interim control by-law adopted by a regional county municipality and put into force in accordance with this Act” in the first paragraph by “A metropolitan plan, an RCM plan and an interim control by-law related to the process of amendment or revision of such a metropolitan plan or RCM plan”.

**3.** The Act is amended by inserting the following after the heading of Title I:

**“CHAPTER 0.1**

**“RESPONSIBLE BODY**

**“2.1.** Every metropolitan community is a responsible body with respect to a metropolitan plan.

For the purposes of the functions of the Communauté métropolitaine de Québec as a responsible body, the territory of the metropolitan community is deemed to include any unorganized territory situated within the territory of Municipalité régionale de comté de La Jacques-Cartier or Municipalité régionale de comté de La Côte-de-Beaupré.

**“2.2.** Every regional county municipality is a responsible body with respect to an RCM plan.

**“CHAPTER 0.2**

**“STRATEGIC VISION STATEMENT**

**“DIVISION I**

**“OBLIGATION TO MAINTAIN STATEMENT**

**“2.3.** In order to facilitate the coherent exercise of its powers under the law, a responsible body is required to maintain in force at all times a statement of its strategic vision for cultural, economic, environmental and social development in its territory.

However, a regional county municipality all or part of whose territory is situated within the territory of a metropolitan community is not required to maintain a statement in force for the common territory.

When determining the content of its statement, the regional county municipality must take the metropolitan community’s statement into consideration.

## **“DIVISION II**

### **“STATEMENT ADOPTION AND AMENDMENT PROCESS**

#### **“§1. — *Application***

**“2.4.** The process provided for in this division aims at maintaining in force a strategic vision statement.

In the following provisions, a reference to a statement includes, in addition to the first or a replacement statement, any amendment made to the statement in force.

**“2.5.** For the purposes of this division, the following are partner bodies:

(1) in every case, each municipality whose territory is situated within the territory of the responsible body;

(2) in the case of the statement of a metropolitan community, each regional county municipality all or part of whose territory is situated within the territory of the metropolitan community; and

(3) in the case of the statement of a regional county municipality all or part of whose territory is situated within the territory of a metropolitan community, that metropolitan community.

#### **“§2. — *Adoption of draft statement and opinion of partner bodies***

**“2.6.** The council of the responsible body shall initiate the process by adopting a draft strategic vision statement.

As soon as practicable after the adoption of the draft statement, the secretary shall serve on the Minister, and send to every partner body, a certified copy of the draft statement and of the resolution adopting it.

**“2.7.** The council of any partner body may give its opinion on the draft statement.

The opinion shall be given by means of a resolution, of which a certified copy must be sent to the responsible body within 120 days after a copy of the draft statement and of the resolution is sent to the partner body under the second paragraph of section 2.6.

#### **“§3. — *Public consultation***

##### **“A. — *Provisions common to all responsible bodies***

**“2.8.** The responsible body must, as provided in sections 2.14, 2.15 and 2.18, hold at least one public meeting on the draft strategic vision statement.

The council of the responsible body shall specify every municipality in whose territory a public meeting must be held in accordance with the section applicable to it among those sections.

**“2.9.** The public meetings held by the responsible body shall be conducted by a committee established by the council, composed of the council members it designates and presided over by the senior officer or another committee member designated by the senior officer.

**“2.10.** The council of the responsible body shall set the date, time and place of every public meeting; it may, however, delegate all or part of that power to the secretary.

**“2.11.** Not later than 15 days before a public meeting is held, the secretary shall publish a notice of the date, time and place and the purpose of the meeting in a newspaper circulated in the territory of the responsible body.

The notice must contain a summary describing the main effects of the draft statement on the territory concerned; that territory is the territory determined in section 2.13 or 2.17, as the case may be.

If all the meetings concern the whole territory of the responsible body, the secretary may give a single notice for all of them not later than 15 days before the first meeting is held.

If the council of the responsible body so chooses, the summary, rather than being included in the notice provided for in the first paragraph, may be mailed or distributed to every address in the territory concerned not later than 15 days before the first or only meeting is held. In that case, a notice of the date, time and place and the purpose of every meeting planned shall be enclosed with the summary.

Every notice must mention that a copy of the draft statement may be consulted at the office of the responsible body and, if applicable, at the office of every partner body.

**“2.12.** At a public meeting, the committee shall explain the draft statement and hear the persons and organizations wishing to be heard.

*“B. — Provisions specific to metropolitan communities*

**“2.13.** For the purposes of section 2.11, in the case of a metropolitan community, the territory concerned is the territory referred to or described in any of paragraphs 1 to 5 of section 2.14 or any of paragraphs 1 to 5 of section 2.15, as applicable.

*“C. — Provisions specific to regional county municipalities*

**“2.17.** For the purposes of section 2.11, in the case of a regional county municipality, every public consultation meeting concerns the whole territory of the regional county municipality, unless meetings are planned in all the local municipal territories situated within the territory of the regional county

municipality, or unless the regional county municipality, in its decision under section 2.8, specifically identified the local municipal territories that each meeting concerns, so as to ensure that no territory is overlooked.

**“2.18.** A regional county municipality must hold at least one public consultation meeting in its territory.

The regional county municipality must also hold a public meeting in the territory of every municipality whose representative on the council so requests during the sitting at which the draft strategic vision statement is adopted.

It must also hold a public meeting in the territory, situated within its own territory, of every other municipality whose council so requests within 20 days after it is sent a copy of the draft statement. A certified copy of the resolution setting out the request must be sent to the regional county municipality within the same period.

For the purposes of the second and third paragraphs, if the sittings of the council of a municipality are held in the territory of another municipality, that territory is deemed to be the territory of the first municipality and, if applicable, to be situated within the territory of the regional county municipality.

The population of the municipality in whose territory the meeting is held or the total population of the municipalities in whose territories meetings are held must make up at least two thirds of the population of the regional county municipality.

**“2.19.** In the case of a regional county municipality, the secretary shall also have a copy of the notice required under the first paragraph of section 2.11 posted in the office of every municipality whose territory is situated within the territory concerned not later than the time prescribed in that section.

However, the statement may not be adopted before the later of

(1) the day after the day on which the last of the partner bodies that were sent the draft statement gives an opinion on the draft statement or the day after the last day of the allotted period; and

(2) the day after the public meeting, or the last of the public meetings, is held.

**“2.21.** The strategic vision statement comes into force on the passage of the resolution adopting it.

As soon as practicable after the coming into force of the statement, the secretary shall serve on the Minister, and send to every partner body, a certified copy of the statement and of the resolution adopting it.

**“2.22.** In the case of a metropolitan community, the decision to adopt the strategic vision statement must be made by a two-thirds majority of the votes cast.

In the case of the Communauté métropolitaine de Québec, the majority must also include a majority of the votes cast by the representatives of Ville de Lévis and a majority of the votes cast by all the representatives of Municipalité régionale de comté de L’Île-d’Orléans, Municipalité régionale de comté de La Côte-de-Beaupré and Municipalité régionale de comté de La Jacques-Cartier.

If the opinion states that the proposed amendment is not consistent with government policy directions, it must include reasons. In that case, the Minister may, in the opinion, require the responsible body to replace the by-law.

**“53.8.** If the opinion of the Minister states that the proposed amendment is not consistent with government policy directions, the council of the responsible body may replace the by-law amending the metropolitan plan or the RCM plan with another which is consistent with those policy directions.

Sections 48 to 53.4 do not apply to a new by-law that differs from the by-law it replaces only so as to take account of the Minister’s opinion.

**“53.9.** The by-law amending the metropolitan plan or the RCM plan comes into force on the day the Minister serves an opinion on the responsible body declaring that the by-law is consistent with government policy directions or, in the absence of an opinion, at the expiry of the period prescribed in section 53.7.”

**15.** Section 53.10 of the Act is repealed.

**“53.11.2.** When the council of a metropolitan community adopts a draft by-law amending its metropolitan plan, it shall also adopt a document specifying the nature of the amendments a regional county municipality will be required to make to the RCM plan should the metropolitan plan be so amended. A certified copy of the document shall be served on the Minister and sent to every partner body at the same time as the draft by-law.

After the coming into force of the by-law amending the metropolitan plan, the council shall adopt a document specifying the nature of the amendments a regional county municipality will actually be required to make to take account of the amendment of the metropolitan plan. A certified copy of the document shall be sent to every partner body at the same time as the by-law.

The council may adopt the document described in the second paragraph by reference to the document adopted under the first paragraph.

**“53.11.3.** The decision to adopt the by-law amending the metropolitan plan must be made by a two-thirds majority of the votes cast.

In the case of the Communauté métropolitaine de Québec, the majority must also include a majority of the votes cast by the representatives of Ville de Lévis and a majority of the votes cast by all the representatives of Municipalité régionale de comté de L’Île-d’Orléans, Municipalité régionale de comté de La Côte-de-Beaupré and Municipalité régionale de comté de La Jacques-Cartier.

“A. — *Provisions applicable to all RCM plans*

**“53.11.4.** When the council of a regional county municipality adopts a draft by-law amending its RCM plan, it shall also adopt a document specifying the nature of the amendments a municipality will be required to make to its planning program, its zoning, subdivision and building by-laws and any of its by-laws under Divisions VII to XI of Chapter IV should the RCM plan be so amended. The document shall also specify the nature of the amendments a municipality will be required to make to its by-law under section 116 or identify every municipality that, in such a case, will be required to adopt a by-law under that section. A certified copy of the document shall be served on the Minister and sent to every partner body at the same time as the draft by-law.

After the coming into force of the by-law amending the RCM plan, the council shall adopt a document specifying the nature of the amendments a municipality will actually be required to make to take account of the amendment of the RCM plan, and identifying every municipality that is required to adopt a by-law under section 116 to take account of that amendment. A certified copy of the document shall be sent to every partner body at the same time as the by-law.

The council may adopt the document described in the second paragraph by reference to the document adopted under the first paragraph.

**“53.11.5.** In the case of the amendment of an RCM plan, if the territory of the regional county municipality includes an agricultural zone established under the Act respecting the preservation of agricultural land and agricultural activities (chapter P-41.1), the ministerial opinion as to consistency with government policy directions required under section 51 or 53.7 shall include the guidelines relating to the objectives set out in subparagraph 2.1 of the first paragraph of section 5. It shall also indicate the parameters to serve in determining separation distances to reduce the inconvenience caused by odours from certain agricultural activities.

**“53.11.6.** For the purposes of section 53.3, in the case of a regional county municipality, the secretary shall also have a copy of the notice posted in the office of every municipality whose territory is situated within the territory concerned not later than the time prescribed in that section.

*“B. — Provisions applicable in metropolitan territories*

**“53.11.7.** If the by-law amending the RCM plan concerns part of the territory of a metropolitan community, the council of the metropolitan community must, within 60 days after the copy of the by-law is sent, approve the by-law if it is in conformity with the metropolitan plan or withhold approval if it is not.

A resolution by which the council withholds approval of the by-law must include reasons and specify which provisions of the by-law are not in conformity with the metropolitan plan.

As soon as practicable after the passage of the resolution approving or withholding approval of the by-law, the secretary of the metropolitan community shall, in the first case, issue a certificate of conformity in respect of the by-law and send a certified copy of the certificate to the regional county municipality or, in the second case, send the regional county municipality a certified copy of the resolution.

If the council of the metropolitan community does not resolve to approve or withhold approval of the by-law within the period prescribed in the first paragraph, the by-law is deemed to be in conformity with the metropolitan plan.

**“53.11.8.** If the council of the metropolitan community withholds approval of the by-law, the council of the regional county municipality may apply to the Commission for an assessment of the conformity of the by-law with the metropolitan plan.

The secretary of the regional county municipality shall serve a certified copy of the resolution requesting the assessment and of the by-law concerned on the Commission and on the metropolitan community.

The copies sent to the Commission must be received within 45 days after a copy of the resolution withholding approval of the by-law is sent to the regional county municipality.

**“53.11.9.** If the council of the metropolitan community withholds approval of the by-law, the council of the regional county municipality may, instead of applying for an assessment of the Commission, adopt

(1) a single by-law containing only the elements of the original by-law that did not cause approval to be withheld; or

(2) both a by-law containing only the elements of the original by-law that did not cause approval to be withheld and another by-law containing only the elements of the original by-law that caused approval to be withheld.

Sections 48 to 53.4 do not apply to a by-law adopted under the first paragraph.

If the council of the regional county municipality adopts a by-law containing only the elements that caused approval to be withheld, it may apply to the Commission for an assessment of the conformity of that by-law with the metropolitan plan. A certified copy of the resolution requesting the assessment and of the by-law concerned must be received by the Commission within 15 days after the by-law is adopted.

**“53.11.10.** The Commission must give its assessment within 60 days after receiving a copy of the resolution requesting the assessment.

An assessment stating that the by-law is not in conformity with the metropolitan plan may include suggestions of the Commission on how to ensure such conformity.

The secretary of the Commission shall send a copy of the assessment to the regional county municipality and to the metropolitan community.

If the assessment states that the by-law is in conformity with the metropolitan plan, the secretary of the metropolitan community shall, as soon as practicable after receiving a copy of the assessment, issue a certificate of conformity in respect of the by-law and send a certified copy of the certificate to the regional county municipality.

**“53.11.11.** Where the regional county municipality is required to amend its RCM plan under section 58 or 58.1, if the assessment of the Commission states that the by-law is not in conformity with the metropolitan plan or if the Commission did not receive an application for assessment in respect of the by-law within the period prescribed in section 53.11.8, the council of the metropolitan community shall request that the regional county municipality replace the by-law within the period it prescribes by another by-law that is in conformity with the metropolitan plan.

As soon as practicable after the passage by the council of the metropolitan community of the resolution requesting the replacement of the by-law, the secretary of the metropolitan community shall send a certified copy of the resolution to the regional county municipality.

The period prescribed for replacement of the by-law may not end before the expiry of a period of 45 days after the copy of the resolution is sent under the second paragraph.

**“53.11.12.** Sections 48 to 53.4 do not apply to a new by-law that differs from the by-law it replaces only so as to ensure its conformity with the metropolitan plan.

**“53.11.13.** If the council of a regional county municipality fails to adopt a by-law amending its RCM plan within the period prescribed in section 58 or 58.1 or in section 53.11.11, as the case may be, the council of the metropolitan community may adopt the by-law in its place.

Sections 48 to 53.4 and 53.11.7 to 53.11.12 do not apply to a by-law adopted by the council of the metropolitan community under the first paragraph, which is deemed to be a by-law adopted by the council of the regional county municipality and approved by the council of the metropolitan community. As soon as practicable after the adoption of the by-law, the secretary of the metropolitan community shall issue a certificate of conformity in respect of the by-law.

As soon as practicable after the by-law is adopted and the certificate is issued, the secretary of the metropolitan community shall send the regional county municipality a certified copy of the by-law, of the resolution adopting it and of the certificate. The certified copy of the by-law sent to the regional county municipality stands in lieu of the original when the regional county municipality itself issues certified copies of the by-law.

The expenses incurred by the metropolitan community to act in the place of the regional county municipality are reimbursed by the regional county municipality.

**“53.11.14.** The by-law amending the RCM plan comes into force either on the date determined under section 53.9 or the date on which the certificate of conformity in respect of the by-law is issued, whichever is later. The by-law is deemed to be in conformity with the metropolitan plan.

*“§5. — Ministerial requests*

**“53.12.** If the Government has approved an amendment to the land use plan for the lands in the domain of the State situated in the territory of a responsible body in accordance with section 25 of the Act respecting the lands in the domain of the State (chapter T-8.1), the Minister, if of the opinion that the metropolitan plan or the RCM plan is not consistent with the amended land use plan, may request that the metropolitan plan or the RCM plan be amended.

The Minister shall in that case serve an opinion on the responsible body, giving reasons and stating what amendments must be made to the metropolitan plan or the RCM plan to bring it into conformity with the land use plan.

Within 90 days after service of the Minister's opinion, the council of the responsible body shall adopt a by-law amending the metropolitan plan or the RCM plan so as to take account of the Minister's opinion. Sections 48 to 53.4 do not apply to the by-law if it amends the metropolitan plan and the RCM plan only to the extent necessary to take account of the Minister's opinion. For the purposes of sections 53.7 to 53.9, the Minister shall give an opinion as to the conformity of the proposed amendment with the land use plan. If the Minister requests the amendment of both a metropolitan plan and an RCM plan applicable to part of the territory of the metropolitan community concerned, sections 53.11.7 to 53.11.14 do not apply to the by-law amending the RCM plan that the council of the regional county municipality adopts to comply with the request.

If the council fails to adopt a by-law for the purpose of bringing the metropolitan plan or the RCM plan into conformity with the land use plan, the Government may, by order, adopt such a by-law. The by-law is deemed to be a by-law adopted by the council. As soon as practicable after the adoption of the order, the Minister shall send a copy of the order and of the by-law to the responsible body. The by-law comes into force on the date mentioned in the order.

**“53.13.** The Minister of Sustainable Development, Environment and Parks may, by way of an opinion giving brief reasons and setting out the nature and purpose of the amendments to be made, request the amendment of the metropolitan plan or the RCM plan in force if the Minister is of the opinion that the metropolitan plan or the RCM plan is not consistent with the policy of the Government referred to in section 2.1 of the Environment Quality Act (chapter Q-2), does not respect the limits of a floodplain situated within the territory of the responsible body or, considering the distinctive features of the locality, fails to provide adequate protection for lakeshores, riverbanks, littoral zones and floodplains.

The third and fourth paragraphs of section 53.12 apply, with the necessary modifications, to a request under the first paragraph.

**“53.14.** The Minister may, by means of an opinion, giving reasons, and for reasons of public security, request amendments to the metropolitan plan or the RCM plan in force. The opinion must state the nature and purpose of the amendments to be made.

The third and fourth paragraphs of section 53.12 apply, with the necessary modifications, to a request under the first paragraph.”

**17.** Division VI.1 of Chapter I of Title I of the Act becomes Division III and its heading is replaced by the following heading:

“REVISION OF METROPOLITAN PLAN OR RCM PLAN”.

**18.** Sections 54 and 55 of the Act are replaced by the following:

“§1. — *Application*

“**53.15.** The special provisions of subdivisions 3 and 4 complement the provisions of this subdivision and subdivision 2; however, the latter apply subject to the former.

“**53.16.** In this division, the opinion of the Minister as to consistency with government policy directions means an opinion as to consistency with the policy directions that the Government, its ministers, mandataries of the State and public bodies are pursuing or intend to pursue with respect to land use development in the territory of the responsible body, including the land use plan provided for in section 21 of the Act respecting the lands in the domain of the State (chapter T-8.1), and with the equipment, infrastructure and land use development projects they intend to carry out in that territory.

“**53.17.** For the purposes of this division, the following are partner bodies:

(1) for the purposes of the revision of a metropolitan plan, every regional county municipality all or part of whose territory is situated within the territory of the metropolitan community and every regional county municipality whose territory is contiguous to the territory of the metropolitan community;

(2) for the purposes of the revision of an RCM plan, every municipality whose territory is situated within the territory of the regional county municipality and every regional county municipality whose territory is contiguous to the territory of the regional county municipality, as well as every school board all or part of whose territory is situated within the territory of the regional county municipality, except with respect to the sending of a copy of a resolution determining the date on which the revision begins, a copy of the by-law adopting the revised RCM plan, the ministerial opinion as to consistency with government policy directions and the notice of coming into force; and

(3) in addition to those referred to in paragraph 2, for the purposes of an RCM plan applicable to part of the territory of a metropolitan community, the metropolitan community.

“**53.18.** For the purposes of this division, the council of a school board is the council of commissioners of the school board.

“§2. — *Process common to metropolitan plan and RCM plan*

“A. — *Mandatory periodical revision*

“**54.** The council of the responsible body must revise its metropolitan plan or RCM plan according to the procedure prescribed in this division.

“**55.** The revision period of the metropolitan plan or the RCM plan begins on the fifth anniversary of the coming into force of the current metropolitan plan or RCM plan, as the case may be.

However, the council of the responsible body may have the revision period begin before the date provided in the first paragraph.

As soon as practicable after the passage of the resolution by which the council makes a decision under the second paragraph, the secretary shall serve on the Minister, and send to every partner body, a certified copy of the resolution.”

**19.** Sections 56.1 and 56.2 of the Act are repealed.

**20.** Sections 56.3 to 57 of the Act are replaced by the following:

“B. — *Adoption of first draft of revised metropolitan plan or RCM plan*

“**56.3.** Within two years after the beginning of the revision period, the council of the responsible body shall adopt a first draft of the revised metropolitan plan or RCM plan, designated as the “first draft”.

As soon as practicable after the adoption of the first draft, the secretary shall serve on the Minister, and send to every partner body, a certified copy of the draft and of the resolution adopting it.

The Minister shall notify the responsible body in writing of the date on which the Minister received the copy of the first draft.

“**56.4.** Within 120 days after receiving a copy of the first draft of the revised RCM plan or within 180 days after receiving a copy of the first draft of the revised metropolitan plan, the Minister shall serve on the responsible body an opinion stating the government policy directions that concern its territory.

The opinion may also mention any objections to the first draft in view of the stated policy directions, giving reasons.

“**56.5.** The council of any partner body may give its opinion on the first draft.

The opinion shall be given by means of a resolution, of which a certified copy must be sent to the responsible body within 120 days after copies of the first draft and of the resolution are sent to the partner body under the second paragraph of section 56.3.

*“C. — Adoption of second draft of revised metropolitan plan or RCM plan*

**“56.6.** After the consultation period on the first draft, the council of the responsible body shall adopt, with or without changes, a second draft of the revised metropolitan plan or RCM plan for public consultation, designated as the “second draft”. However, if the Minister, in accordance with section 56.4, has served on the responsible body an opinion mentioning objections to the first draft, the second draft must contain all the changes needed to remove the reasons for the objections.

However, the second draft may not be adopted before the day after the day on which the last of the Minister and all the partner bodies that were sent the first draft gives an opinion on the first draft or the day after the last day of the allotted period.

As soon as practicable after the adoption of the second draft, the secretary shall send a certified copy of the second draft and of the resolution adopting it to every partner body.

**“56.7.** The council of any partner body may give its opinion on the second draft.

The opinion shall be given by means of a resolution, of which a certified copy must be sent to the responsible body within 120 days after copies of the second draft and of the resolution are sent to the partner body under the third paragraph of section 56.6.

*“D. — Public consultation*

**“56.8.** The responsible body must, in accordance with the applicable section from among sections 56.12.5 to 56.12.8, hold at least one public meeting on the second draft.

**“56.9.** The public meetings held by the responsible body shall be conducted by a committee established by the council, composed of the council members it designates and presided over by the senior officer or another committee member designated by the senior officer.

**“56.10.** The council of the responsible body shall set the date, time and place of every public meeting.

However, it may delegate all or part of that power to the secretary.

**“56.11.** Not later than 30 days before a public meeting is held, the secretary shall publish a notice of the date, time and place and the purpose of the meeting in a newspaper circulated in the territory of the responsible body.

The notice must contain a summary describing the main effects of the second draft on the territory concerned.

If all the meetings concern the whole territory of the responsible body, the secretary may give a single notice for all of them not later than 30 days before the first meeting is held.

If the council of the responsible body so chooses, the summary, rather than being included in the notice provided for in the first paragraph, may be mailed or distributed to every address in the territory concerned not later than 30 days before the first or only meeting is held. In that case, a notice of the date, time and place and the purpose of every meeting planned shall be enclosed with the summary.

Every notice must mention that a copy of the second draft and of the summary may be consulted at the office of the responsible body and at the office of every partner body.

**“56.12.** At a public meeting, the commission shall explain the second draft and hear the persons and organizations wishing to be heard.

**“56.12.1.** In the case of a metropolitan community, a public meeting referred to in section 56.11 concerns the territory referred to or described in any of paragraphs 1 to 5 of section 56.12.6 or any of paragraphs 1 to 5 of section 56.12.7, as applicable.

**“56.12.2.** Despite section 56.9, the public meetings held by the Communauté métropolitaine de Montréal and the Communauté métropolitaine de Québec may be conducted by a committee established under section 50 of the Act respecting the Communauté métropolitaine de Montréal (chapter C-37.01) or section 41 of the Act respecting the Communauté métropolitaine de Québec (chapter C-37.02), respectively.

**“56.12.3.** In the case of a regional county municipality, the secretary shall also have a copy of the notice required under the first paragraph of section 56.11 posted in the office of every municipality whose territory the meeting concerns not later than the time prescribed in that section.

**“56.12.4.** In the case of a regional county municipality, every public meeting referred to in section 56.11 concerns the whole territory of the regional county municipality, unless meetings are planned in all the local municipal territories situated within the territory of the regional county municipality, or unless the regional county municipality, in its decision under section 56.12.5, specifically identified the local municipal territories that each meeting concerns, so as to ensure that no territory is overlooked.

**“56.12.5.** The council of a responsible body to which any of sections 56.12.6 to 56.12.8 applies shall identify every municipality in whose territory a public meeting must be held in accordance with the applicable section from among those provisions.

**“56.12.6.** The Communauté métropolitaine de Montréal must hold a public meeting in

- (1) the urban agglomeration of Montréal;
- (2) the urban agglomeration of Longueuil;
- (3) the territory of Ville de Laval;

(4) the part of the territory of the metropolitan community that is made up of the territory of Ville de Mirabel and the territories of the municipalities listed in Schedule I to the Act respecting the Communauté métropolitaine de Montréal (chapter C-37.01) that are situated within the territories of the regional county municipalities listed in Schedule III to that Act; and

(5) the part of the territory of the metropolitan community that is made up of the territories of the municipalities listed in Schedule I to the Act respecting the Communauté métropolitaine de Montréal that are situated within the territories of the regional county municipalities listed in Schedule IV to that Act.

**“56.12.7.** The Communauté métropolitaine de Québec must hold a public meeting in

- (1) the urban agglomeration of Québec;
- (2) the territory of Ville de Lévis;
- (3) the territory of Municipalité régionale de comté de L’Île-d’Orléans;

(4) the territory of Municipalité régionale de comté de La Côte-de-Beaupré;  
and

- (5) the territory of Municipalité régionale de comté de La Jacques-Cartier.

**“56.12.8.** A regional county municipality must hold at least one public meeting in its territory.

The regional county municipality must also hold a public meeting in the territory of every municipality whose representative on the council so requests during the sitting at which the second draft is adopted.

It must also hold a public meeting in the territory, situated within its own territory, of every other municipality whose council so requests within 20 days after it is sent a copy of the draft. A certified copy of the resolution setting out the request must be sent to the regional county municipality within the same period.

For the purposes of the second and third paragraphs, if the sittings of the council of a municipality are held in the territory of another municipality, that territory is deemed to be the territory of the first municipality and, if applicable, to be situated within the territory of the regional county municipality.

The population of the municipality in whose territory the meeting is held or the total population of the municipalities in whose territories meetings are held must make up at least two thirds of the population of the regional county municipality.

*“E. — Adoption and coming into force of a revised metropolitan plan or RCM plan*

**“56.13.** After the consultation period concerning the draft, the council of the responsible body shall adopt a by-law establishing a revised metropolitan plan or RCM plan, with or without changes.

However, the by-law may not be adopted before the later of

(1) the day after the day on which the last of the Minister and the partner bodies that were sent the draft by-law gives an opinion on the draft by-law sent or the day after the last day of the allotted period; and

(2) the day after the public meeting, or the last of the public meetings, is held.

As soon as practicable after the adoption of the by-law establishing the revised metropolitan plan or RCM plan, the secretary shall serve on the Minister, and send to every partner body, a certified copy of the by-law and of the resolution adopting it.

The Minister shall notify the responsible body in writing of the date on which the Minister received the copies of the by-law and of the resolution.

**“56.14.** Within 120 days after receiving a copy of the by-law establishing the revised RCM plan or within 180 days after receiving a copy of the by-law establishing the revised metropolitan plan, the Minister shall give an opinion as to the consistency of the revised metropolitan plan or RCM plan with government policy directions.

The opinion stating that the by-law establishing the revised metropolitan plan or RCM plan is not consistent with the policy directions must include reasons. In that case, the Minister shall, in the opinion, request that the responsible body replace the by-law.

The Minister shall serve the opinion on the responsible body. If the opinion states that the by-law establishing the revised metropolitan plan or RCM plan is not consistent with government policy directions, the Minister shall send a copy to every partner body.

**“56.15.** If the opinion of the Minister states that the by-law establishing the revised metropolitan plan or RCM plan is not consistent with government policy directions, the council of the responsible body must, within 120 days after service of the opinion, replace the by-law with another establishing a revised metropolitan plan or RCM plan that is consistent with those policy directions.

Sections 56.3 to 56.12 do not apply to the new by-law if the revised metropolitan plan or RCM plan it establishes differs from the plan it replaces only so as to take account of the Minister’s opinion.

If, in accordance with section 239, the Minister extends the period prescribed in the first paragraph of this section or gives the responsible body additional time to replace the by-law establishing the revised metropolitan plan or RCM plan, the Minister may give a new opinion, in accordance with section 56.14, despite the expiry of the period prescribed in that section. In that case, the council must replace the by-law establishing the revised metropolitan plan or RCM plan by a new one which takes account of the new opinion, before the end of the later of

(1) the one hundred and twentieth day after service of the new opinion; and

(2) the last day of the period determined by having the extension period or additional time granted by the Minister begin on the date of service of the new opinion.

**“56.16.** If, on the expiry of the period applicable under section 56.15, the council of the responsible body has not adopted a by-law establishing a new revised metropolitan plan or RCM plan, the Government may, by order, amend the revised metropolitan plan or RCM plan on which the Minister gave an opinion to ensure that it is consistent with government policy directions.

If, before the expiry of that period, the council adopts a by-law establishing a new revised metropolitan plan or RCM plan that is still inconsistent with government policy directions, the Minister may either again require the responsible body to replace the revised metropolitan plan or RCM plan, or recommend that the Government exercise its power under the first paragraph.

The metropolitan plan or RCM plan, as amended by the Government, is deemed to be a revised metropolitan plan or RCM plan adopted in its entirety by a by-law of the council of the responsible body.

As soon as practicable after the order is made, the Minister shall serve a copy on the responsible body. The copy of the order shall stand in lieu of the original for the purpose of issuing certified copies of the revised metropolitan plan or RCM plan.

**“56.17.** The revised metropolitan plan or RCM plan comes into force on the day of service on the responsible body of the Minister’s opinion stating that the plan is consistent with government policy directions or, if the Minister did not give an opinion within the prescribed period, on the expiry of that period.

However, a revised metropolitan plan or RCM plan amended by the Government comes into force on the date specified in the order made under section 56.16.

**“56.18.** As soon as practicable after the coming into force of the revised metropolitan plan or RCM plan, the secretary shall publish a notice of the date of coming into force in a newspaper circulated in the territory of the responsible body.

At the same time, the secretary shall send a certified copy of the revised metropolitan plan or RCM plan to every partner body.

**“57.** Within 90 days after the coming into force of the revised metropolitan plan or RCM plan, the secretary shall publish a summary, mentioning the date of coming into force, in a newspaper circulated in the territory of the responsible body.

However, rather than being published in a newspaper, the summary may be sent by mail or distributed, as decided by the council, within the same period to every address in the territory of the responsible body.”

**21.** The Act is amended by inserting the following before Division VI.2 of Chapter I of Title I:

*“§3. — Provision specific to metropolitan plan*

**“57.2.** The decision to adopt a by-law amending a metropolitan plan must be made by a two-thirds majority of the votes cast.

In the case of the Communauté métropolitaine de Québec, the majority must also include a majority of the votes cast by the representatives of Ville de Lévis and a majority of the votes cast by all the representatives of Municipalité régionale de comté de L’Île-d’Orléans, Municipalité régionale de comté de La Côte-de-Beaupré and Municipalité régionale de comté de La Jacques-Cartier.

“§4. — *Provisions specific to RCM plan*

“A. — *Provision applicable to all RCM plans*

“**57.3.** In the case of the revision of an RCM plan, if the territory of the regional county municipality includes an agricultural zone established under the Act respecting the preservation of agricultural land and agricultural activities (chapter P-41.1), the ministerial opinion under section 56.4 or 56.14 shall include the guidelines relating to the objectives set out in subparagraph 2.1 of the first paragraph of section 5. It shall also specify the parameters to serve in determining separation distances to reduce the inconvenience caused by odours from certain agricultural activities.

“B. — *Provisions applicable in metropolitan territories*

“**57.4.** If the revised RCM plan concerns part of the territory of a metropolitan community, the council of the metropolitan community must, within 60 days after it is sent a copy of the by-law establishing the revised RCM plan, approve the by-law if it is in conformity with the metropolitan plan or withhold approval if it is not.

A resolution withholding approval of the by-law must include reasons and specify which provisions of the by-law are not in conformity with the metropolitan plan.

As soon as practicable after the passage of the resolution approving or withholding approval of the by-law, the secretary of the metropolitan community shall, in the first case, issue a certificate of conformity in respect of the by-law and send a certified copy of the certificate to the regional county municipality or, in the second case, send the regional county municipality a certified copy of the resolution.

If the council of the metropolitan community does not resolve to approve or withhold approval of the by-law within the period prescribed in the first paragraph, the by-law is deemed to be in conformity with the metropolitan plan.

“**57.5.** If the council of the metropolitan community withholds approval of the by-law, the council of the regional county municipality may apply to the Commission for an assessment of the conformity of the by-law with the metropolitan plan.

The secretary of the regional county municipality shall serve a certified copy of the resolution requesting the assessment and of the by-law concerned on the Commission and on the metropolitan community.

The copies sent to the Commission must be received within 45 days after a copy of the resolution withholding approval of the by-law is sent to the regional county municipality.

**“57.6.** The Commission must give its assessment within 60 days after receiving a copy of the resolution requesting the assessment.

An assessment stating that the by-law is not in conformity with the metropolitan plan may include suggestions of the Commission on how to ensure such conformity.

The secretary of the Commission shall send a copy of the assessment to the regional county municipality and to the metropolitan community.

If the assessment states that the by-law is in conformity with the metropolitan plan, the secretary of the metropolitan community shall, as soon as practicable after receiving a copy of the assessment, issue a certificate of conformity in respect of the by-law and send a certified copy of the certificate to the regional county municipality.

**“57.7.** If the revised RCM plan established by the by-law is recognized as not being in conformity with the metropolitan plan, the council of the regional county municipality must replace the by-law with another that establishes a revised RCM plan that is in conformity with the metropolitan plan.

Sections 56.3 to 56.12 do not apply to the new by-law if the revised RCM plan it establishes differs from the plan it replaces only so as to ensure its conformity with the metropolitan plan.

**“57.8.** In the case of the revision of an RCM plan applicable to part of the territory of a metropolitan community, the revised RCM plan comes into force on the latest of all the dates determined under section 56.17 and the date on which its certificate of conformity is issued. The revised RCM plan is deemed to be in conformity with the metropolitan plan.”

**22.** Division VI.2 of Chapter I of Title I of the Act becomes Division IV and its heading is replaced by the following heading:

“EFFECTS OF AMENDMENT OR REVISION OF METROPOLITAN PLAN OR RCM PLAN”.

**23.** Section 58 of the Act is replaced by the following section:

**“58.** The council of every regional county municipality or municipality mentioned in the document adopted under section 53.11.2 or 53.11.4 shall adopt any necessary concordance by-law within six months after the coming into force of the by-law amending the metropolitan plan or the RCM plan.

In the case of the amendment of a metropolitan plan, “concordance by-law” means any by-law amending an RCM plan applicable to part of the territory of the metropolitan community that is needed to take account of the amendment of the metropolitan plan.

In the case of the amendment of an RCM plan, “concordance by-law” means any by-law among the following that is needed to take account of the amendment of the RCM plan:

(1) any by-law amending the planning program of a municipality, its zoning, subdivision or building by-laws or any of its by-laws under Divisions VII to XI of Chapter IV; and

(2) the by-law adopted by the council of a municipality under section 116 or any by-law amending it.”

**24.** The heading of subdivision A of subdivision 2 of Division VI.2 of Chapter I of Title I of the Act is amended by replacing “*the objectives of the revised plan and with the provisions of the complementary document*” by “*the revised metropolitan plan*”.

**25.** The Act is amended by inserting the following after the heading of subdivision A of subdivision 2 of Division VI.2 of Chapter I of Title I:

#### TRANSITIONAL AND FINAL PROVISIONS

**159.** For the purposes of sections 160 to 170,

(1) except in the title of an Act, “Act” means the Act respecting land use planning and development (R.S.Q., chapter A-19.1);

(2) the words defined in section 1 of that Act, amended by section 1, have the meaning given to them by those definitions;

(3) the words “regional county municipality” mean any body responsible, under that Act, a charter, another law or an order, for maintaining an RCM plan in force.

**160.** For the purposes of sections 238 and 239 of the Act, amended by sections 98 and 111, any period prescribed by any of sections 162 to 168 is considered to be a period prescribed by a provision of the Act.

**161.** A metropolitan community’s strategic vision statement referred to in subparagraph 9 of the first paragraph of section 5 of the Act, struck out by section 5, and in force on 1 June 2010 is deemed to have been adopted under section 2.20 of the Act, enacted by section 3.

The acts performed by the metropolitan community to adopt that statement under any of sections 131 to 136 of the Act respecting the Communauté métropolitaine de Montréal (R.S.Q., chapter C-37.01) or sections 123 to 128 of the Act respecting the Communauté métropolitaine de Québec (R.S.Q., chapter C-37.02), as they existed before being repealed by sections 123 and 129, are deemed to have been performed under the corresponding provision of any of sections 2.4 to 2.16 of the Act, enacted by section 3.

**162.** In the case of a regional county municipality no part of whose territory is situated within the territory of a metropolitan community, the first strategic vision statement provided for in section 2.3 of the Act, enacted by section 3, must be adopted, at the latest during the first period of revision of the RCM plan beginning after 18 December 2002.

**163.** The provisions of the Act that relate to a revised metropolitan plan, in particular those concerning the revision process, interim control related to that process and the effects of the revision, also apply to the first metropolitan plan of each metropolitan community.

However, for the purposes of those provisions,

(1) the revision period provided for in section 55 of the Act is deemed to have begun on the day of the passage of the resolution provided for in section 129 of the Act respecting the Communauté métropolitaine de Montréal or section 121 of the Act respecting the Communauté métropolitaine de Québec, as the case may be;

(2) not later than 30 April 2011, the council of the metropolitan community must adopt a draft metropolitan plan that is deemed to constitute both the first and second drafts provided for in sections 56.3 and 56.6 of the Act; the second and third paragraphs of section 56.3 and sections 56.4, 56.7 to 56.12.2 and 56.12.5 to 56.12.7 of the Act apply to that draft metropolitan plan, with the necessary modifications;

(3) the by-law establishing the metropolitan plan must be adopted under section 56.13 of the Act not later than 31 December 2011.

A reference to provisions of the Act in this section is a reference to those provisions as amended or enacted by sections 18 and 20. A reference to the provisions of the Act respecting the Communauté métropolitaine de Montréal or the Act respecting the Communauté métropolitaine de Québec in this section is a reference to those provisions as they existed before being repealed by sections 123 and 129.

**164.** A metropolitan perimeter delimited under the third paragraph of section 2.24 of the Act, enacted by section 3, may not exclude, on the date of coming into force of the first metropolitan plan, any part of the territory of the metropolitan community which, on 30 April 2011, is situated within an urbanization perimeter determined in an RCM plan.

**165.** The first biennial report provided for in section 2.26 of the Act, enacted by section 3, must be adopted by a metropolitan community not later than three years after the coming into force of its first metropolitan plan.

**166.** A person who is an officer or an employee of a metropolitan community on 1 June 2010 and who became an officer or employee by reason of section 265.1 of the Act respecting the Communauté métropolitaine de Montréal or section 229 of the Act respecting the Communauté métropolitaine de Québec does not cease to hold the position and will not be given new work conditions solely because that provision is repealed by section 126 or 131.

An agreement on the sharing of the services of an officer or an employee in force on 1 June 2010 and entered into under section 265.2 of the Act respecting the Communauté métropolitaine de Montréal or section 230 of the Act respecting the Communauté métropolitaine de Québec will not cease to have effect solely because that provision is repealed by section 126 or 131.

**167.** Sections 53.11.7 to 53.11.14, the fourth sentence of the third paragraph of section 53.12 and sections 57.4 to 57.8 of the Act, enacted by sections 16 and 21, have effect in respect of an RCM plan applicable to part of the territory of the metropolitan community from the coming into force of the first metropolitan plan of that community.

**168.** Until the coming into force of the first metropolitan plan of a metropolitan community, the Minister, before giving an opinion under any of sections 51, 53.7, 56.4, 56.14 and 65 of the Act to a regional county municipality with respect to an RCM plan applicable to a part of the territory of the metropolitan community, must request that the latter give its opinion on the document submitted to the Minister.

The opinion of the metropolitan community must be received by the Minister, respectively, within 45 or 60 days after it is applied for, depending on whether the ministerial opinion is applied for under section 51, 53.7 or 65

of the Act, or under section 56.4 or 56.14 of the Act. Despite section 47 of the Act respecting the Communauté métropolitaine de Montréal or section 38 of the Act respecting the Communauté métropolitaine de Québec, as the case may be, the council of the metropolitan community may delegate to the executive committee the power to prepare the opinion requested by the Minister.

Aside from inconsistency with the government policy directions referred to in the sections mentioned in the first paragraph, an objection or disapproval expressed by the Minister under any of those sections may be based on a reason set out in the opinion of the metropolitan community. For the purposes of the provisions of the Act that concern the process of amendment or revision of the RCM plan or an interim control by-law related to that process and that refer to consistency or inconsistency with government policy directions, that reference also comprises the solution or lack of a solution offered to the problems raised in the ministerial opinion and based on the opinion of the metropolitan community.

The first three paragraphs do not apply when the Minister gives an opinion

(1) under section 53.7 of the Act on a replacement by-law referred to in the second paragraph of section 53.8 of the Act;

(2) under section 53.7 of the Act if the proposed amendment to the RCM plan arises from the application of any of sections 53.12 to 53.14 of the Act;

(3) under section 56.14 of the Act on a by-law enacting a revised replacement RCM plan adopted pursuant to a request by the Minister under the second paragraph of that section; or

(4) under section 65 of the Act on a replacement interim control by-law adopted pursuant to a request by the Minister under the second paragraph of that section.

A reference in this section to the provisions of the Act is a reference to the provisions as amended by sections 14, 16, 20 and 36.

**169.** The planning programs and by-laws provided for in the Act that were adopted by the municipalities to which Ville de Gatineau succeeded and that were in force on 31 December 2001 have constituted the planning program and the by-laws of Ville de Gatineau since 1 January 2002 and continue to constitute them until being replaced or repealed by the council of the city.

**170.** Sections 77 and 79 of the Act, repealed by section 47, continue to apply for the purpose of completing any process underway on 1 June 2010 under those repealed provisions.

**171.** Despite the repeal of section 190 of Schedule C to the Charter of Ville de Québec (R.S.Q., chapter C-11.5) by section 120, Ville de Québec continues to be a member of the Agence des forêts privées de Québec 03, established under the Forest Act (R.S.Q., chapter F-4.1), until 31 August 2010.

The first paragraph does not prevent the city from applying for and obtaining admission as a member of the agency before that date, under the admission process prescribed under that Act. The city will then become a member in good standing rather than an *ex officio* member of the agency, which is the status temporarily maintained under the first paragraph.

**172.** This Act comes into force on 2 June 2010, except

(1) section 155, which comes into force on 1 April 2013 or on the earlier date set by the Government for the coming into force of section 138 of the Sustainable Forest Development Act (2010, chapter 3); and

(2) section 156, which comes into force on 1 April 2013 or on the earlier date set by the Government for the coming into force of section 150 of the Sustainable Forest Development Act.
