AN ACT TO PROCLAIM QUÉBEC PERINATAL BEREAVEMENT AWARENESS DAY

AS Québec society remains largely unaware of perinatal bereavement despite the prevalence of perinatal deaths and their psychosocial impacts;

AS, in Québec, elsewhere in Canada and internationally, several civil society stakeholders and States already recognize 15 October as the day for perinatal bereavement awareness;

AS it is appropriate to show support to families affected by perinatal bereavement and to raise awareness about this reality among Quebecers;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

- 1.** The fifteenth day of October is proclaimed Québec Perinatal Bereavement Awareness Day.
- 2.** This Act comes into force on 1 February 2024.
