Cessation of operation.

The council of the city may, by by-law, compel the operator of an establishment referred to in the first paragraph, the occupancy of which has become a departure from the by-law following the adoption of a by-law respecting the establishment, to cease, without compensation, the operation of that establishment within a period of two years.

Chapter 92

AN ACT TO AMEND THE CHARTER OF THE CITY OF LAVAL

[Assented to 20 December 1999]

Preamble. WHEREAS it is in the interest of Ville de Laval that its charter, chapter 89 of the statutes of 1965 (1st session), and the Acts amending it be again amended and that the city be granted certain powers ;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

Tax credit. 1. Ville de Laval may, by by-law, adopt a program to grant, subject to the terms and conditions determined in the by-law, a tax credit related to the setting up or enlarging of a high technology establishment in the territory described in the schedule.

“high technology”. For the purposes of this section, “high technology” refers in particular to the aerospace, telecommunications, biotechnology, pharmacology, computer, electronics, microelectronics, optoelectronics, robotics, optics and laser fields. “High technology” means a use having as its main activity

- (1) scientific or technological research or development ;
- (2) scientific or technological training ;
- (3) the administration of a technological enterprise ; or
- (4) the manufacturing of technological products, including scientific research and experimental development activities.

Period of eligibility. A by-law made under this section may not provide for a tax credit for a period exceeding five years ; the period of eligibility for the program may not extend beyond 31 December 2004.

Tax credit. The effect of the tax credit shall be to offset any increase in property taxes that may result from a reassessment of the immovables after completion of the work. For the fiscal year in which the work is completed and for the next two fiscal years, the amount of the tax credit shall be the difference between the amount of the property taxes that would be payable had the assessment of the immovables not been changed and the amount of the property taxes actually payable. For the next two fiscal years, the amount of the tax credit shall be, respectively, 80 per cent and 60 per cent of the amount of the tax credit for the first fiscal year.

- By-law.** The by-law provided for in the first paragraph may be adopted and, where applicable, applies, only if the city's zoning by-law provides that in the case of the main activities referred to in subparagraphs 1 and 4 of the second paragraph, the use must occupy a gross floor area reserved and intended for scientific research and experimental development activities that is equal to at least 15 per cent of the total gross floor area occupied or intended to be occupied by that use. The zoning by-law must also provide that no use having as its main activity one of the activities referred to in subparagraphs 2 and 3 of the second paragraph may be authorized in respect of more than 30 per cent of the territory described in the schedule.
- Municipal taxes.** **2.** Where municipal taxes on an immovable situated in an agricultural zone determined by decree under the Act to preserve agricultural land and agricultural activities (R.S.Q., chapter P-41.1) have not been paid for three consecutive years, the city may, for the purpose of a consolidation of immovables suitable for genuine and sustained agricultural use, be declared the owner of that immovable by the Superior Court sitting in the district in which the immovable is situated.
- Application.** **3.** The application is made by a motion.
- Motion.** The motion may concern more than one immovable belonging to different owners.
- Motion.** The motion may be granted only after publication in a newspaper distributed in the territory of the city of a notice requesting all persons who may have rights respecting the immovables to appear in court within 60 days after the publication in order to claim an indemnity equal to the value of their rights, after deduction of an amount sufficient to pay all outstanding municipal and school taxes, any accrued interest and the costs pertaining to the motion, including publication costs. Before the deduction, the indemnity claimed may not exceed the actual value of the immovable on 20 December 1999.
- Publication.** Publication of the notice replaces service. The notice shall indicate that it is given under this Act. The description of the immovables concerned that are parts of a lot is deemed to be sufficient if it mentions the lot number and the area of the part of the lot concerned as well as the name of its owner.
- Description.** However, in the motion, the immovables concerned must be described in accordance with article 3033 and, where applicable, article 3036 of the Civil Code of Québec.
- Appeal.** No appeal lies from the judgment rendered on the motion.
- Ownerships.** **4.** The city becomes the owner of the immovables described in the judgment declaring ownership on publication of the judgment at the registry office and no claim may be subsequently made in respect of the immovables. The real rights that may affect the immovables concerned, including prior claims, hypothecs, resolute clauses or clauses that give rights of cancellation, and servitudes other than servitudes of public utility are extinguished.

Real rights.	The clerk of the city may draw up a list of the real rights other than servitudes of public utility that encumber the immovables described in the judgment declaring ownership that have been published and that are extinguished under this section, and, upon an application to that effect, the registrar shall cancel the registration of those rights.
Alienation.	5. Acquisitions, by agreement or expropriation, and exchanges and alienations of parcels of land for the purposes of land consolidation or the restoration of original lots in the agricultural zone determined by decree under the Act to preserve agricultural land and agricultural activities do not constitute an alienation within the meaning assigned to that word in the definition in section 1 of that Act.
Provisions not applicable.	6. The Act respecting duties on transfers of immovables (R.S.Q., chapter D-15.1) does not apply to the transfer of an immovable in view of a consolidation of immovables in the agricultural zone.
Provisions not applicable.	7. The Act respecting the acquisition of farm land by non-residents (R.S.Q., chapter A-4.1) does not apply to an immovable that is exchanged in view of a consolidation of immovables in the agricultural zone.
Provisions not applicable.	8. Sections 26, 27 and 1094 of the Taxation Act (R.S.Q., chapter I-3) do not apply to immovables exchanged in view of a consolidation of immovables in the agricultural zone.
Applicability.	9. This Act does not apply to any immovable real right which may be held by the Minister of Revenue in respect of an immovable that is part of a consolidation, nor shall it, subject to section 8, operate to limit or prevent the total or partial application of the provisions of a fiscal law within the meaning of section 1 of the Act respecting the Ministère du Revenu (R.S.Q., chapter M-31).
Agricultural zone.	10. In the agricultural zone, any immovable appearing in the plan and book of reference as a public road, street or lane, park or playground, pedestrian passage or other thoroughfare is declared to be the property of the city if no property tax has been paid on that immovable for three years before the coming into force of this Act.
Valid title.	The city may grant valid title to such an immovable.
Cadastral numbering.	The cancellation or replacement of the cadastral numbering of a public road, street or lane, park or playground, pedestrian passage or other thoroughfare or the deposit of any plan allocating, otherwise than by subdivision, a new number to such a lot or part of a lot without reference to the purpose assigned to it, confirms the assignment of another purpose.
Publication of notice.	The clerk of the city shall cause to be published once in the <i>Gazette officielle du Québec</i> and once in a newspaper distributed in the territory of the city, a notice containing

(1) the text of this section ;

(2) a summary description, by way of a sketch, of the thoroughfares mentioned in the first paragraph.

Claim.

Any claim not brought by an action before the Superior Court within one year from the last publication of the notice referred to in the fourth paragraph is extinguished and prescribed. The third paragraph of section 3, with the necessary modifications, applies to the amount of a claim.

Ownership.

The city becomes the owner of the immovables referred to in this section on publication, at the registry office, of a notice by the clerk of the city evidencing the existence of the conditions described in the first paragraph, and the observance of the formalities set out in the fourth paragraph. Any real rights affecting the immovables concerned, including prior claims, hypothecs, resolutive clauses or clauses that give rights of cancellation, and servitudes other than servitudes of public utility are extinguished.

Provisions applicable.

The second paragraph of section 4 applies, with the necessary modifications, to the immovables of which the city has become the owner under this section.

1996, c. 84, ss. 6 and 7, replaced.

11. Sections 6 and 7 of the Act to amend the charter of the City of Laval (1996, chapter 84) are replaced by the following sections :

Plan.

“6. Where the city, under provisions enacted by this Act, becomes the owner of immovables sufficient to be used for genuine and sustained agricultural purposes, it shall submit to the Minister of Natural Resources a plan entailing the striking out or replacement of the numbers of the lots it owns in accordance with article 3043 of the Civil Code of Québec.

Authorization.

“7. Every operation carried out under section 6 must be authorized by the Minister of Agriculture, Fisheries and Food after the advice of the Commission de protection du territoire agricole du Québec is obtained.”

c. C-19, s. 415.2, added for the city.

12. The Cities and Towns Act (R.S.Q., chapter C-19) is amended, for the city, by inserting the following section after section 415.1 :

Public roadway.

“415.2. The city may, by by-law, prescribe that the owner of an immovable to which a public roadway is appurtenant must improve and maintain, according to the conditions determined by the by-law, any part of the roadway’s right of way not used by the city on which the immovable fronts or abutts.

Right of ownership.

The city may, notwithstanding the by-law, exercise its right of ownership in respect of that part and, in particular, may withdraw from the owner of the appurtenant immovable the right to improve the part, or remove any improvement already made to it. In either case, the city must first notify the owner in writing.

- Removal costs. The by-law may provide that the costs for removing any improvement that is not in conformity with the by-law may be charged to the owner.
- Applicability. This section does not apply to underground structures belonging to the city or public utility companies.”
- Title. **13.** The title obtained by Ville de Laval under this Act and the Act to amend the charter of the City of Laval (1996, chapter 84) in respect of immovables situated in the agricultural zone determined by decree under the Act to preserve agricultural land and agricultural activities may not be contested.
- Effect. **14.** The by-law under section 1 takes effect on 1 January 2000.
- Coming into force. **15.** This Act comes into force on 20 December 1999.

Preamble. WHEREAS it is in the interest of Ville de Saint-Hubert that certain powers be granted to the town ;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

Declaration of ownership. **1.** Where municipal taxes on an immovable comprised in the territory described in Schedule I have not been paid for three consecutive years, the town may be declared the owner of that immovable by the Superior Court sitting in the district in which the immovable is situated.

Application. **2.** The application is made by a motion.

Motion. The motion may concern more than one immovable belonging to different owners.

Publication of notice. The motion may be granted only after publication in a newspaper distributed in the territory of the town of a notice requesting all persons who may have rights respecting the immovables to appear in court within 60 days after the publication in order to claim an indemnity equal to the value of their rights, after deduction of an amount sufficient to pay all outstanding municipal and school taxes, any accrued interest and the costs pertaining to the motion, including publication costs. Before the deduction, the indemnity claimed may not exceed the actual value of the immovable on 4 March 1999.

Notice. Publication of the notice replaces service. The notice shall indicate that it is given under this Act. The description of immovables concerned that are parts of a lot is deemed to be sufficient if it mentions the lot number and the area of the part of the lot concerned as well as the name of its owner.

Description. However, in the motion, the immovables concerned must be described in accordance with article 3033 and, where applicable, article 3036 of the Civil Code.

Appeal. No appeal lies from the judgment rendered on the motion.

Publication. **3.** The town becomes the owner of the immovables described in the judgment declaring ownership on publication of the judgment at the registry office and no claim may be subsequently made in respect of the immovables. The real rights that may affect the immovables concerned, including prior claims,

hypothecs, resolutive clauses or clauses that give rights of cancellation, and servitudes other than servitudes of public utility are extinguished.

List of real rights.

The clerk of the town may draw up a list of the real rights other than servitudes of public utility that encumber the immovables described in the judgment declaring ownership that have been published and that are extinguished under this section, and, upon an application to that effect, the registrar shall cancel the registration of those rights.

Land consolidation.

4. The town may, to consolidate land or to reconstitute the original lots in the part of the territory described in Schedule I that is situated in an agricultural zone established by decree under the Act to preserve agricultural land and agricultural activities (R.S.Q., chapter P-41.1) and in respect of which it wishes to promote, ensure or maintain agricultural operations,

(2) hold and manage the immovable ;

(3) carry out the required development, restoration, demolition or clearing work on the immovable ;

(4) alienate or lease the immovable ;

(5) exchange an immovable it owns in its territory for another immovable it wishes to acquire, if their value is comparable. It may also, where it considers that an unconditional exchange would not be appropriate, offer as consideration an amount of money in lieu of or in addition to an immovable.

Land consolidation.

The town may, to consolidate land in the part of the territory described in Schedule I not situated in such an agricultural zone, exercise the powers provided for in the first paragraph.

Alienation.

5. Acquisitions by agreement or expropriation and exchanges provided for in the first paragraph of section 4 and alienations referred to in section 27 do not constitute an alienation within the meaning assigned to that word in the definition in section 1 of the Act respecting the preservation of agricultural land and agricultural activities.

Offer of exchange.

6. An offer of exchange is made by service on the owner of a notice to that effect together with the text of sections 4 to 22 and 35 of this Act. Section 40.1 of the Expropriation Act (R.S.Q., chapter E-24) applies to the service of the notice. The notice shall then be published in the registry office.

Holders of real rights in the immovable and, in particular, holders of claims secured by a prior claim or hypothec on the immovable have the same right within that time.

Objection. In addition, every owner, lessee or occupant of an immovable upon which there is a servitude other than a servitude of public utility may, within the same time, file an objection with the town, in writing and with reasons, for the purpose of claiming an indemnity.

Expiry. No objection may be filed after the expiry of that time.

Exchange. At the expiry of the time set out in the first paragraph, the town shall carry out the exchange with the owners of the immovables if no objection to the consideration offered has been filed.

Agreement. **8.** Where the owner of the immovable that the town wishes to acquire, or the holder of a real right in the immovable other than a servitude, files, within the time mentioned in section 7, an objection in writing and with reasons, the town may enter into an agreement with the owner or holder in relation to the exchange.

Agreement. As well, if the owner, lessee or occupant of an immovable that the town wishes to acquire and upon which there is a servitude other than a servitude of public utility files an objection in writing and with reasons, the town may enter into an agreement with that person in relation to the indemnity.

Exchange. Where an agreement is reached, it shall be evidenced in writing. After payment or deposit in the Superior Court of the sum of money agreed upon, if any, the town shall carry out the exchange.

Fair consideration. **9.** Failing agreement within 30 days after the expiry of the time for filing a notice of objection, the owner of the immovable that the town wishes to acquire, or the holder of a real right in the immovable other than a servitude, may, within 15 days after the expiry of the 30-day period, by a motion served

on the town, apply to the Administrative Tribunal of Québec to have the Tribunal fix the amount of fair consideration resulting from the exchange.

Indemnity.

Within the 15-day period, the owner, lessee or occupant of an immovable that the town wishes to acquire and upon which there is a servitude other than a servitude of public utility may apply to the Tribunal to have the Tribunal fix the amount of the indemnity resulting from the extinction of the servitude.

Exchange.

Where, at the expiry of the 15-day period provided for in the first paragraph, no application has been made to the Tribunal in relation to the consideration, the town may carry out the exchange as proposed.

Hearing.

10. Where a person has made an application under section 9, the Tribunal shall hear the parties and fix the consideration or the indemnity payable to that person.

Consideration.

The consideration fixed to give effect to an application made under the first paragraph of section 9 may consist, in whole or in part, in an immovable.

Indemnity.

The indemnity fixed to give effect to an application made under the second paragraph of section 9 may consist only in a sum of money.

Exchange.

Following the decision of the Tribunal and, as the case may be, the payment of the sum ordered or of its deposit in the Superior Court, the town shall carry out the exchange.

11. Sections 40.1, 48 and 58 of the Expropriation Act apply to the proceedings, with the necessary modifications.

Servitudes of public utility shall continue to encumber the immovable acquired by the town, but the other servitudes are extinguished.

Copy of notice.

13. The town shall send to the owner with whom an exchange has been made a certified true copy of, or extract from, the notice referred to in section 12 concerning the owner. The document must mention the number under which the notice has been published at the registry office and is valid as title of ownership.

Immovables.

14. From the transfer of the right of ownership resulting from an exchange, the immovables affected by the exchange are subject only to the rights and actions which the new owner may exercise.

Registration.	15. Registration of the real rights that affected the immovable acquired by the town and that may be transferred to the immovable transferred as consideration pursuant to section 12 must be carried over to the immovable by a notice published at the registry office within six months of the transfer of ownership.

Withdrawal.	22. The town may withdraw wholly or partly from a measure taken for the purpose of exchanging an immovable under this Act, before publication of the notice referred to in section 12.

For the fiscal year in which the work is completed and for the next two fiscal years, the amount of the tax credit shall be the difference between the amount of the property taxes that would be payable had the assessment of the immovables not been changed and the amount of the property taxes actually payable. For the next two fiscal years, the amount of the tax credit shall be, respectively, 80 per cent and 60 per cent of the amount of the tax credit for the first fiscal year.

- Surety.** **3.** Notwithstanding the Act respecting municipal industrial immovables (R.S.Q., chapter I-0.1) and the Municipal Aid Prohibition Act (R.S.Q., chapter I-15), the city may become surety for Technoparc Saint-Laurent and subsidize that body provided that at no time the security or subsidy is used to provide financial assistance to an industrial or commercial establishment.
- Illegality or irregularity.** **4.** No illegality or irregularity may result from the fact that, before 1 January 1999, the city made and applied By-law 1160 or became surety for or subsidized the body mentioned in section 2.
- Effect.** **5.** Sections 1 to 3 and any by-law made under section 1 have effect from 1 January 1999.

Act respecting the town of Saint-Basile-le-Grand (1991, chapter 97)

Chapter 97

AN ACT RESPECTING VILLE DE SAINT-BASILE-LE-GRAND

[Assented to 19 June 1999]

Preamble.	WHEREAS it is in the interest of Ville de Saint-Basile-le-Grand that certain powers be granted to the town ;
	THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :
Declaration of ownership.	1. Where municipal taxes on an immovable comprised in the territory described in the schedule have not been paid for three consecutive years, the town may be declared the owner of that immovable by the Superior Court sitting in the district in which the immovable is situated.
Application.	2. The application is made by a motion.
Motion.	The motion may concern more than one immovable belonging to different owners.
Publication of notice.	The motion may be granted only after publication in a newspaper distributed in the territory of the town of a notice requesting all persons who may have rights respecting the immovables to appear in court within 60 days after the publication in order to claim an indemnity equal to the value of their rights, after deduction of an amount sufficient to pay all outstanding municipal and school taxes, any accrued interest and the costs pertaining to the motion, including publication costs. Before the deduction, the indemnity claimed may not exceed the actual value of the immovable on 19 March 1991.
Notice.	Publication of the notice replaces service. The notice shall indicate that it is given under this Act. The description of immovables concerned that are parts of a lot is deemed to be sufficient if it mentions the lot number and the area of the part of the lot concerned as well as the name of its owner.
Description.	However, in the motion, the immovables concerned must be described in accordance with article 3033 and, where applicable, article 3036 of the Civil Code.
Appeal.	No appeal lies from the judgment rendered on the motion.
Publication.	3. The town becomes the owner of the immovables described in the judgment declaring ownership on publication of the judgment at the registry office and no claim may be subsequently made in respect of the immovables. The real

rights that may affect the immovables concerned, including prior claims, hypothecs, resolutive clauses or clauses that give rights of cancellation, and servitudes other than servitudes of public utility are extinguished.

List of real rights.

The clerk of the town may draw up a list of the real rights other than servitudes of public utility that encumber the immovables described in the judgment declaring ownership that have been published and that are extinguished under this section, and, upon an application to that effect, the registrar shall cancel the registration of those rights.

Land consolidation.

4. The town may, to consolidate land or to reconstitute the original lots in the part of the territory described in the schedule that is situated in an agricultural zone established by decree under the Act to preserve agricultural land and agricultural activities (R.S.Q., chapter P-41.1) and in respect of which it wishes to promote, ensure or maintain agricultural operations,

(1) acquire an immovable by agreement or by expropriation ;

(2) hold and manage the immovable ;

(3) carry out the required development, restoration, demolition or clearing work on the immovable ;

(4) alienate or lease the immovable ;

(5) exchange an immovable it owns in its territory for another immovable it wishes to acquire, if their value is comparable. It may also, where it considers that an unconditional exchange would not be appropriate, offer as consideration an amount of money in lieu of or in addition to an immovable.

Land consolidation.

The town may, to consolidate land in the part of the territory described in the schedule not situated in such an agricultural zone, exercise the powers provided for in the first paragraph.

Alienation.

5. Acquisitions by agreement or expropriation and exchanges provided for in the first paragraph of section 4 and alienations referred to in section 27 do not constitute an alienation within the meaning assigned to that word in the definition in section 1 of the Act respecting the preservation of agricultural land and agricultural activities.

Offer of exchange.

6. An offer of exchange is made by service on the owner of a notice to that effect together with the text of sections 4 to 22 and 32 of this Act. Section 40.1 of the Expropriation Act (R.S.Q., chapter E-24) applies to the service of the notice. The notice shall then be published in the registry office.

Notice.

The notice must also be published in the *Gazette officielle du Québec* at least 10 days before being served on the owner.

Content.	<p>The notice must indicate that it is given under this Act and contain, in particular, the following information :</p> <ol style="list-style-type: none">(1) the description of the immovable that the town wishes to acquire ;(2) the name of the owner of the immovable ;(3) the description of the immovable offered as consideration ;(4) the period for filing an objection with the town.
Sum of money.	<p>In the case provided for in subparagraph 5 of section 4, the notice must mention the sum of money, if any, offered by the town as consideration.</p>
Objection.	<p>7. The owner of the immovable that the town wishes to acquire may, within 60 days of the date of service of the notice referred to in section 6, file with the town an objection, in writing and with reasons, to the consideration offered. Holders of real rights in the immovable and, in particular, holders of claims secured by a prior claim or hypothec on the immovable have the same right within that time.</p>
Objection.	<p>In addition, every owner, lessee or occupant of an immovable upon which there is a servitude other than a servitude of public utility may, within the same time, file an objection with the town, in writing and with reasons, for the purpose of claiming an indemnity.</p>
Expiry.	<p>No objection may be filed after the expiry of that time.</p>
Exchange.	<p>At the expiry of the time set out in the first paragraph, the town shall carry out the exchange with the owners of the immovables if no objection to the consideration offered has been filed.</p>
Agreement.	<p>8. Where the owner of the immovable that the town wishes to acquire, or the holder of a real right in the immovable other than a servitude, files, within the time mentioned in section 7, an objection in writing and with reasons, the town may enter into an agreement with the owner or holder in relation to the exchange.</p>
Agreement.	<p>As well, if the owner, lessee or occupant of an immovable that the town wishes to acquire and upon which there is a servitude other than a servitude of public utility files an objection in writing and with reasons, the town may enter into an agreement with that person in relation to the indemnity.</p>
Exchange.	<p>Where an agreement is reached, it shall be evidenced in writing. After payment or deposit in the Superior Court of the sum of money agreed upon, if any, the town shall carry out the exchange.</p>
Fair consideration.	<p>9. Failing agreement within 30 days after the expiry of the time for filing a notice of objection, the owner of the immovable that the town wishes to</p>

acquire, or the holder of a real right in the immovable other than a servitude, may, within 15 days after the expiry of the 30-day period, by a motion served on the town, apply to the Administrative Tribunal of Québec to have the Tribunal fix the amount of fair consideration resulting from the exchange.

Indemnity.	Within the 15-day period, the owner, lessee or occupant of an immovable that the town wishes to acquire and upon which there is a servitude other than a servitude of public utility may apply to the Tribunal to have the Tribunal fix the amount of the indemnity resulting from the extinction of the servitude.
Exchange.	Where, at the expiry of the 15-day period provided for in the first paragraph, no application has been made to the Tribunal in relation to the consideration, the town may carry out the exchange as proposed.
Hearing.	10. Where a person has made an application under section 9, the Tribunal shall hear the parties and fix the consideration or the indemnity payable to that person.
Consideration.	The consideration fixed to give effect to an application made under the first paragraph of section 9 may consist, in whole or in part, in an immovable.
Indemnity.	The indemnity fixed to give effect to an application made under the second paragraph of section 9 may consist only in a sum of money.
Exchange.	Following the decision of the Tribunal and, as the case may be, the payment of the sum ordered or its deposit in the Superior Court, the town shall carry out the exchange.
Provisions applicable.	11. Sections 40.1, 48 and 58 of the Expropriation Act (R.S.Q., chapter E-24) apply to the proceedings, with the necessary modifications.
Transfer of ownership.	12. The ownership of an immovable designated in a notice under section 6 is transferred by the publication of a notice of the transfer at the registry office. The notice shall contain the description of the immovable concerned and refer to the notice served pursuant to section 6 by indicating its publication number at the registry office.
Real rights.	The real rights in the immovable acquired by the town other than the servitudes shall be transferred to the immovable transferred as consideration.
Servitudes.	Servitudes of public utility shall continue to encumber the immovable acquired by the town, but the other servitudes are extinguished.
Copy of notice.	13. The town shall send to the owner with whom an exchange has been made a certified true copy of, or extract from, the notice referred to in section 12 concerning the owner. The document must mention the number under which the notice has been published at the registry office and is valid as title of ownership.

Immovables.	14. From the transfer of the right of ownership resulting from an exchange, the immovables affected by the exchange are subject only to the rights and actions which the new owner may exercise.
Registration.	15. Registration of the real rights that affected the immovable acquired by the town and that may be transferred to the immovable transferred as consideration pursuant to section 12 may be carried over to the immovable by a notice published at the registry office within six months of the transfer of ownership.
Rights.	At the expiry of the six months, any rights that have been registered but not carried over are extinguished and any notice of carrying over consequent to a requisition presented more than six months after the transfer of ownership is without effect.
Prior claims and hypothecs.	The prior claims and hypothecs that have been registered and carried over to the immovable transferred as consideration retain the initial order they had on the immovable acquired by the town.
Notice.	16. Upon publication of a notice referred to in section 12, the clerk of the town shall send, by registered or certified mail, to the holders of real rights in the immovable acquired by the town other than servitudes, including claims secured by a prior claim or hypothec on the immovable, a notice advising them to carry over, within six months after the transfer of ownership, the registration of the real right in the immovable transferred as consideration by the town in respect of which they appear as holders.
Provision applicable.	17. The second paragraph of section 3 applies, with the necessary modifications, to the notice of transfer referred to in section 12.
Cancellation.	Cancellation of the registration relating to real rights other than servitudes shall not preclude the application of section 15.
Provisions not applicable.	18. The Act respecting duties on transfers of immovables (R.S.Q., chapter D-15.1) does not apply to the transfer of an immovable under section 4.
Provisions not applicable.	19. The Act respecting the acquisition of farm land by non-residents (R.S.Q., chapter A-4.1) does not apply to an immovable that is exchanged in accordance with the first paragraph of section 4.
Provisions not applicable.	20. Sections 26, 27 and 1094 of the Taxation Act (R.S.Q., chapter I-3) do not apply to immovables exchanged by the town under section 4.
Applicability.	21. This Act does not apply to any immovable real right which may be held by the Minister of Revenue in respect of an immovable subject to consolidation, nor shall it, subject to section 20, operate to limit or prevent the total or partial application of the provisions of a fiscal law within the meaning of section 1 of the Act respecting the Ministère du Revenu (R.S.Q., chapter M-31).

Withdrawal.	22. The town may withdraw wholly or partly from a measure taken for the purpose of exchanging an immovable under this Act, before publication of the notice referred to in section 12.
Damages.	No damages that may be granted following the withdrawal may exceed the value of the immovable entered on the assessment roll in force on the date on which the notice under section 6 is sent, multiplied by the factor established for that roll under the Act respecting municipal taxation (R.S.Q., chapter F-2.1).
c. C-19, ss. 486.1-486.3, added for the town.	23. The Cities and Towns Act (R.S.Q., chapter C-19) is amended, for the town, by inserting the following sections after section 486 :
Surtax.	“486.1. In addition to any real estate tax that it may impose and levy on vacant land, whether or not it is serviced, the council may impose and levy annually on land situated in the territory described in the schedule to the Act respecting Ville de Saint-Basile-le-Grand (1999, chapter 97), a surtax that may be equal to the total of the real estate taxes that may be imposed and levied on such land for the fiscal year concerned. The council may by by-law order that the amount of the surtax for such land shall not be less than a minimum amount it fixes in the by-law and that may not exceed \$200.
By-law.	The by-law may provide for categories of land subject to the surtax and impose a surtax whose rate may vary according to the category.
General real estate tax.	Such surtax ranks, in every respect, as a general real estate tax of the town. It applies to the land entered on the assessment roll in force as part of the categories fixed in the by-law.
Land.	“486.2. The following land is not subject to the surtax provided for in section 486.1 : (1) land on which there is a building whose real estate value exceeds 25% of the real estate value of the land according to the assessment roll in force ; (2) land owned by a railway undertaking and on which there is a railway track ; (3) land used for overhead electric power lines ; (4) land forming part of an agricultural operation registered in accordance with a regulation made under section 36.15 of the Act respecting the Ministère de l’Agriculture, des Pêcheries et de l’Alimentation (R.S.Q., chapter M-14) ; (5) land that may be used for purposes other than agriculture under an authorization of the Commission de la protection du territoire agricole du Québec or that benefits from acquired rights within the meaning of Chapter VII of the Act to preserve agricultural land and agricultural activities.

In particular, the sums may be used for the purpose of acquiring land by agreement or by expropriation and of exchanging or alienating land.”
Provisions applicable.	24. The first two paragraphs of section 57 and paragraph 13 of section 174 of the Act respecting municipal taxation apply, with the necessary modifications, to the surtax that the council, under section 486.1 of the Cities and Towns Act, enacted for the town by section 23, may impose and levy on vacant land, whether or not it is serviced, in the territory described in the schedule. The roll must indicate which category, among the categories provided for in the by-law adopted by the council for that purpose, a unit of assessment subject to the surtax referred to in this section is part of.
Plan.	25. Where the town, under this Act, becomes the owner of immovables sufficient to be used for genuine and sustained agricultural purposes, in the part of the territory described in the schedule that is situated in an agricultural zone established by decree under the Act to preserve agricultural land and agricultural activities, it shall submit to the Minister of Natural Resources a plan entailing the striking out or replacement of the numbers of the lots it owns in accordance with article 3043 of the Civil Code of Québec.

Offer for sale.	27. The town shall, within two years following the authorization provided for in section 26, offer for sale, at its actual value, the lot concerned by the cadastral amendment to enable it to be used for agricultural purposes, and shall so advise the Minister of Agriculture, Fisheries and Food and the Fédération régionale de l’Union des producteurs agricoles.
Lot unsold.	If the town fails to find a purchaser for a lot at its actual value within the required time, it shall so advise the Minister of Agriculture, Fisheries and Food who may grant an extension for the selling of the lot or, at the request of the council, authorize the town to retain it permanently.
Work.	The town may, in respect of an immovable it is authorized to retain, carry out thereon development, restoration, demolition or clearing work, operate it or lease it.

- Property of the town. **28.** Any immovable situated in the territory described in the schedule and appearing in the plan and book of reference as a public road, street or lane, park or playground, pedestrian passage or other thoroughfare is declared to be the property of the town if no real estate tax has been paid on that immovable for three years before the coming into force of this Act.

The cancellation or replacement of the cadastral numbering of a public road, street or lane, park or playground, pedestrian passage or other thoroughfare or the deposit of any plan allocating, otherwise than by subdivision, a new number to such a lot or part of a lot without reference to the purpose assigned to it, confirms the assignment of another purpose.
- Notice. The clerk of the town shall cause to be published once in the *Gazette officielle du Québec* and once in a newspaper distributed in the territory of the town, a notice containing
- (1) the text of this section ;
 - (2) a summary description, by way of a sketch, of the thoroughfares mentioned in the first paragraph.

Claim.

The claim of any person who, were it not for this section, could have legally claimed any real right in all or part of the immovables referred to in this section, is converted into a personal claim against the town. The amount of the claim shall not exceed the actual value of the real right calculated on the date of publication of the notice in which the immovable on which the claim is based is mentioned, after deduction of the applicable municipal taxes and school taxes and the costs related to the sale incurred in its respect. Such a personal claim is prescribed three years after 19 June 1999.

Real right.

Neither the amount of the claim nor the claim itself is a real right in or a charge on the immovables or any part thereof.

Transfer of title.

30. The title of the town or of its assigns to the immovables acquired by the town under the terms of the deed published in the registry office of the registration division of Chambly under number 362,654 and, where that is the case, transferred by the town under deeds published in the same registry office may not be challenged on the ground that the town had undertaken to use the immovables for park, playground or street purposes.

Case pending.

31. This Act shall not affect a case pending on 15 February 1999.

Title.

32. The title obtained by Ville de Saint-Basile-le-Grand under this Act in respect of the immovables situated in the territory described in the schedule may not be contested.

1991, c. 97, repealed.

33. The Act respecting the town of Saint-Basile-le-Grand (1991, chapter 97) is repealed.

Personal claims.

This section does not operate to cancel the recourses under that Act on personal claims which replace immovable real rights extinguished under that Act or to shorten the prescription periods applicable to those recourses.

By-laws and resolutions.

All the by-laws or resolutions adopted by the town under the Act respecting the town of Saint-Basile-le-Grand (1991, chapter 97) remain in force until the date on which it is provided they will cease to have effect, until their object has been achieved or until they are replaced or repealed.

AN ACT RESPECTING THE COMMISSION DE L'AQUEDUC DE LA VILLE DE LA TUQUE

[Assented to 19 June 1999]

Preamble. WHEREAS the Act to amend the charter of the town of La Tuque and ratify by-law No. 229 of the said town and the contract thereunder entered into by the said town and the Brown Corporation (1937, chapter 117) ratified a contract and by-law pursuant to which a permanent committee was created to manage certain works required to ensure the water supply of the town and the company ;

Whereas the contract has expired but it is expedient to maintain a committee to manage certain municipal works used in the operation of the water supply system of the town ;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

Commission. **1.** Notwithstanding any inconsistent provision, certain municipal works of Ville de La Tuque shall be placed under the authority of the Commission de l'aqueduc de la Ville de La Tuque, which shall exercise on behalf of the municipal council all the powers of the council in respect of those works, with the exception of the power to levy taxes or compensations and the power to adopt by-laws.

Municipal works. The municipal works used in the operation of the water supply system of the town to which the first paragraph applies are

(1) the dam and water intake on Grand Lac Wayagamac ;

(2) the water supply line between Grand Lac Wayagamac and the company's plant ; and

(3) the Saint-Joseph pumping station.

"company". In this Act, "company" means the owner of the cardboard manufacturing plant located at 1000, chemin de l'Usine, La Tuque.

Composition. **2.** The Commission de l'aqueduc de la Ville de La Tuque is a legal person directed by a board of directors composed of five members, of whom two shall be designated by the town from among the members of the town's council, two shall be designated by the company, and one shall be co-opted by

the other four members or, if no person is so co-opted, designated by the Commission municipale du Québec.

- Term.** **3.** Each member of the board of directors shall serve for a two-year renewable term. At the expiry of their terms, the members shall remain on the board until replaced or reappointed.
- Term.** Notwithstanding the above, the term of a member designated by the town shall end upon the termination of the member's term as a member of the town's council, and any member designated by the company may be replaced at any time.
- Remuneration.** **4.** The members of the board of directors of the Commission shall receive no remuneration; however, they may be reimbursed for the actual amount of any expense incurred in performing functions on behalf of the Commission, subject to presentation of a statement and supporting vouchers.
- Secretary and treasurer.** **5.** The clerk and the treasurer of the town shall act, respectively, as the secretary and treasurer of the Commission.
- Quorum.** **6.** The quorum at meetings of the board of directors of the Commission shall be four members.
- Decisions.** The decisions of the board of directors shall be made by a majority vote. The board shall determine the place, time and frequency of its meetings by way of a resolution.
- Expenses.** **7.** A contract entered into by the town and the company may determine the proportions of the Commission's expenses to be borne respectively by the town and by the company; the proportions applicable in the case of operating and running costs may differ from the proportions applicable as regards capital expenditure.
- Budget.** **8.** Before 15 September each year, the Commission shall forward a budget for the following year concerning the works under its authority to the town and to the company. The budget shall state the contributions payable by the town and by the company, established in accordance with the proportions, if any, determined in a contract entered into under section 7, and the manner in which the contributions are to be paid. If no such contract is in force at the time the budget is drawn up, the proportions shall be determined by the Commission in the budget; the proportions shall be based on the records of the Commission, the water consumption of each party, and an objective of a fair and stable apportionment of the overall costs. The Commission may provide, in particular, for the use of instruments to measure the actual water consumption of the town and of the company.
- Assessment of budget.** The town and the company shall file their assessment of the budget with the Commission not later than the following 1 November. If no negative assessment

is filed by that date, the budget shall be considered to have been adopted as submitted by the Commission.

Amended budget.

9. If a negative assessment is filed by the town or the company, the Commission may produce an amended budget; the town and the company shall file their assessment of the amended budget before the date mentioned in a notice to accompany the amended budget.

Presumption.

If no budget has been adopted by 1 January, one-twelfth of the amounts allocated in the budget for the preceding year for the operating and running costs of the Commission shall be deemed to have been adopted for the month of January. The same procedure applies at the beginning of each ensuing month until the budget is adopted.

Contributions.

10. The town and the company shall pay the contributions established in the budget to the Commission in the manner provided for in the budget.

Budget not adopted.

11. If, on 1 January of a given year no budget has been adopted for that year, the Commission municipale du Québec may, on application by the town or the company with notice to the other party, adopt the budget of the Commission after hearing the parties. The provisions of the Code of Civil Procedure (R.S.Q., chapter C-25) relating to the homologation of arbitration awards, adapted as required, apply to the decision of the Commission municipale du Québec.

Permanent committee.

12. Notwithstanding the contract entered into by Ville de La Tuque and the Brown Corporation on 14 May 1935 and by-law No. 229 of Ville de La Tuque, ratified by chapter 117 of the statutes of 1937, the permanent committee created by that Act shall cease to exist on 19 June 1999 and shall be succeeded by the Commission established under this Act. By virtue of their office, the members of the former permanent committee on that date become members of the board of directors of the new Commission; their terms shall end on 31 December 1999.

Chapter 103

AN ACT RESPECTING CERTAIN IMMOVABLES OF THE CADASTRE OF THE PARISH OF SAINT-ESPRIT

[Assented to 19 June 1999]

Preamble.

WHEREAS by a deed made on 13 August 1876 by H.-D. Grégoire, notary, and registered in the registry office of the registration division of Montcalm under number 8512, Michel Charron, priest, made a gift to the community of the Filles de Sainte-Anne (now known as “Les Soeurs de Sainte-Anne”) of an immovable now consisting of lots 185, 186 and 180-2 of the cadastre of the parish of Saint-Esprit and of the remainder of lot 180 of that cadastre, being the original lot 180 excluding lot 180-2 of that cadastre, whereas the deed of gift provided that the immovable so given could be used only for the purpose of the education of girls and whereas, if the donee community could not use the immovable for that purpose, ownership of the immovable reverted to the Catholic bishop of the diocese who, as well, could not use it but for the same purpose ;

Whereas considering the circumstances described in the preamble to the Act respecting an immoveable situated in the municipality of the parish of Saint-Esprit (1969, chapter 127), the National Assembly, by that Act, authorized Les Soeurs de Sainte-Anne to alienate the immovable described in the deed of gift in favour of L’Oasis St-Esprit inc., for the purpose of providing lodging for aged persons ;

Whereas Les Soeurs de Sainte-Anne availed themselves of that authorization and transferred the said immovable to L’Oasis St-Esprit inc. by a deed registered in the registry office of the registration division of Montcalm under number 125373 ;

Whereas by deeds registered in the registry office of the registration division of Montcalm under numbers 188493 and 264622, L’Oasis St-Esprit inc. sold certain parts of lot 180 of the cadastre of the parish of Saint-Esprit which now form lot 180-2 of that cadastre to the Société d’habitation du Québec ;

Whereas L’Oasis St-Esprit inc. considers that the lodging requirements of aged persons have been satisfied in particular by Villa Sainte-Anne, a residence for elderly persons built on lot 180-2 of the cadastre of the parish of Saint-Esprit, and whereas L’Oasis St-Esprit inc. no longer needs, for that purpose, the part of the immovable it acquired from Les Soeurs de Sainte-Anne and of which it remains the owner, which part is described in the schedule ;

Whereas L'Oasis St-Esprit inc. was constituted for the purpose of providing lodging for aged persons and whereas it plans to apply for dissolution after disposing of its property, in particular the immovable described in the schedule which forms the largest part thereof;

Whereas Municipalité de la Paroisse de Saint-Esprit wishes to establish a childcare centre on the land currently owned by L'Oasis St-Esprit inc. and whereas the municipality does not consider it expedient to be subject to restrictions on the use of the land or affecting its power to dispose of the land;

Whereas the Société d'habitation du Québec does not intend, in the short or medium term, to cease using lot 180-2 of the cadastre of the parish of Saint-Esprit for the purpose of lodging aged persons, whereas, in the long term, the expediency and even the necessity of such a decision cannot be excluded, and whereas it wishes to take advantage of the consideration of this Act to be granted authorization to apply to a court should such a decision later be contemplated;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

- | | |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Obligations set aside. | 1. Every obligation to use the immovable described in the schedule for the purpose of lodging aged persons which may arise from the Act respecting an immovable situated in the municipality of the parish of Saint-Esprit (1969, chapter 127) is hereby set aside. |
| Transfer | 2. L'Oasis St-Esprit inc. is authorized to transfer the immovable described in the schedule to Municipalité de la Paroisse de Saint-Esprit for any consideration and subject to any conditions agreed upon by both parties, in particular for a nominal sum and without the municipality being bound to fulfil any obligation or being subject to any restriction with regard to the use of the immovable or the power to dispose of it. |
| Obligation continued. | 3. This Act shall not affect the obligation arising from the Act respecting an immovable situated in the municipality of the parish of Saint-Esprit requiring the owner of lot 180-2 of the cadastre of the parish of Saint-Esprit to use the lot for the purpose of lodging aged persons. |
| Authorization. | The owner of the lot may, subject to the conditions prescribed in article 1294 of the Civil Code, obtain authorization from the court to use the lot for any public purpose other than the lodging of aged persons or the setting aside of the obligation to use the lot for public purposes. |
| Coming into force. | 4. This Act comes into force on 19 June 1999. |

Chapter 108

AN ACT RESPECTING THE FÉRIQUE FUNDS

[Assented to 20 December 1999]

Preamble.

WHEREAS the Ordre des ingénieurs du Québec is empowered to establish and administer a pension fund for the members of the Order;

Whereas in exercising that power, the Order has adopted the Regulation respecting the retirement fund of engineers (R.R.Q., 1981, c. I-9, r.2), which is still in force;

Whereas the regulation provides that the Bureau of the Order is to establish and supervise the administration of a retirement savings plan, and that the terms and conditions of the retirement savings plan must provide, *inter alia*, that the plan be registered within the meaning of the income tax laws and that the plan be divided into several sections at various risk levels;

Whereas various mutual funds at various risk levels have been established and are known as the “FÉRIQUE funds”; and whereas those funds are substantially consistent with the Regulation respecting the retirement fund of engineers, but doubts subsist as to whether a mutual fund is a pension fund and whether the Order may establish and administer more than one pension fund;

Whereas engineers have invested sums of money in the FÉRIQUE funds for purposes other than retirement purposes;

Whereas persons who are not members of the Order have invested in the FÉRIQUE funds;

Whereas it is expedient to regularize the investments of the members of the Order and those of non-members as regards the legislative provisions authorizing the Order to establish and administer a pension fund;

Whereas Gestion FÉRIQUE has applied to the Commission des valeurs mobilières du Québec for the authorizations necessary to manage the FÉRIQUE funds (File No. 197);

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

- Presumption.** **1.** Each of the FÉRIQUE funds in existence on 20 December 1999 is deemed to be, from its establishment, a pension fund within the meaning of the legislative provisions authorizing the Ordre des ingénieurs du Québec to establish and administer a pension fund for the members of the Order, and the Order is deemed to have been authorized to establish and administer more than one pension fund for its members from the establishment of the first of such funds.
- Investment by members.** **2.** The investments made by certain members of the Ordre des ingénieurs du Québec before 20 December 1999 in one or more of the FÉRIQUE funds for purposes other than retirement purposes may not be annulled on the ground that they were made for purposes other than retirement purposes.
- Investment by non-members.** **3.** The investments made by persons who are not members of the Ordre des ingénieurs du Québec in one or more of the FÉRIQUE funds before 20 December 1999 may not be annulled on the ground that the Engineers Act (R.S.Q. 1964, chapter 262), the Engineers Act (R.S.Q., chapter I-9) or the Professional Code (R.S.Q., chapter C-26) did not authorize the Order to receive contributions, from non-members, to the pension fund or funds that the Order was authorized to establish and administer, or on the ground that the investments were made for purposes other than retirement purposes.
- Permitted investment.** **4.** Until 15 April 2000,
- (1) the members of the Ordre des ingénieurs du Québec may make investments in one or more of the FÉRIQUE funds for purposes other than retirement purposes; and
- (2) the Ordre des ingénieurs du Québec is authorized to accept contributions to one or more of the FÉRIQUE funds from non-members who, before 20 December 1999, have made at least one investment in one or more of the FÉRIQUE funds, whether or not the investments are made for retirement purposes and whether or not the investments made before 20 December 1999 were made for retirement purposes.

AN ACT RESPECTING MAGOG SOCIAL AND CURLING CLUB, LIMITED

[Assented to 19 June 1999]

Preamble.

WHEREAS Magog Social and Curling Club, Limited, was constituted on 15 November 1937 under Part I of the Quebec Companies' Act (R.S.Q., 1925, chapter 223);

Whereas its capital stock consists of 800 common shares of a value of \$25 each, all of which have been issued;

Whereas the chief aim of the company is to operate a curling club solely for social and sporting purposes;

Whereas its mode of operation and the objects it has pursued until this time are similar to those of a non-profit legal person;

Whereas it appears to the company necessary to be continued as a non-profit legal person governed by the Companies Act (R.S.Q., chapter C-38);

Whereas a notice stating the company's intention of being continued as such a legal person has been sent to all shareholders of record;

Whereas in addition, for the benefit of the shareholders who cannot be otherwise located, the company has caused a notice stating that intention to be published in the local newspaper;

Whereas the decision to continue the company as a non-profit legal person has been duly ratified by a special general meeting of the shareholders;

Whereas all the shareholders located, holding 237 shares, have returned their shares to the company or have relinquished their rights as shareholders;

Whereas the company is unable to locate the holders of the remaining shares;

Whereas the shares issued have an approximate value of \$30 each;

Whereas the provisions of the Companies Act do not permit a legal person having capital stock and governed by Part I of that Act to be continued under Part III of that Act;

Whereas it is expedient that the company be authorized to apply for continuation under Part III of the Companies Act;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

- Letters patent. **1.** Magog Social and Curling Club, Limited, is authorized to apply for the issue of letters patent under section 221 of the Companies Act (R.S.Q., chapter C-38) to establish its members as a legal person governed by Part III of that Act. For that purpose, the shareholders of the company are deemed to be its members.
- Effect. **2.** On the date any such letters patent are issued:
- (a) the authorized capital stock of the company and all its issued shares shall be cancelled, without the shareholders being reimbursed;
 - (b) the holders of shares that have not been surrendered to the company shall, once they have proven that they are shareholders in accordance with the procedure established by the company, be entitled
 - i. to become members of the company upon returning their shares and waiving the right to receive any monetary consideration therefor;
 - ii. to claim from the company, following the surrender of their shares, the amount of \$30 per share.
- Coming into force. **3.** This Act comes into force on 19 June 1999.
