### AN ACT RESPECTING VILLE DE SAINT-HYACINTHE

[Assented to 14 June 2002]

Preamble. WHEREAS it is in the interest of Ville de Saint-Hyacinthe that certain powers be granted to the city ;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

Program. 1. Ville de Saint-Hyacinthe may, by by-law, adopt a program for the purpose of granting a tax credit related to the setting up or enlarging of high technology establishments in the territory described in the schedule, subject to the terms and conditions determined in the by-law.

“high technology”. For the purposes of this section, “high technology” refers in particular to the agri-food, veterinary and agri-environmental biotechnology fields. “High technology” means a use having as its main activity

(1) scientific or technological research or development ;

(2) scientific or technological training ;

(3) the administration of a technological enterprise ; or

(4) the manufacturing of technological products, including scientific research and experimental development activities.

Tax credit. A by-law adopted under this section may not provide for a tax credit for a period exceeding five years ; the period of eligibility for the program may not extend beyond 31 December 2007.

Effect of tax credit. The effect of the tax credit shall be to offset any increase in property taxes that may result from a reassessment of the immovables after completion of the work. For the fiscal year in which the work is completed and for the next two fiscal years, the amount of the tax credit shall be the difference between the amount of the property taxes that would be payable had the assessment of the immovables not been changed and the amount of the property taxes actually payable. For the next two fiscal years, the amount of the tax credit shall be, respectively, 80 per cent and 60 per cent of the amount of the tax credit for the first fiscal year.

By-law.

The by-law provided for in the first paragraph may be adopted and, where applicable, applies only if the city's zoning by-law provides that, in the case of the main activities referred to in subparagraphs 1 and 4 of the second paragraph, the use must occupy a gross floor area reserved and intended for scientific research and experimental development activities that is equal to at least 15 per cent of the total gross floor area occupied or intended to be occupied by that use. The zoning by-law must also provide that no use having as its main activity an activity referred to in subparagraph 2 or 3 of the second paragraph may be authorized in respect of more than 30 per cent of the territory described in the schedule.

Coming into force.

2. This Act comes into force on 14 June 2002.

Order in Council 705-2001 dated 13 June 2001

## Chapter 92

### AN ACT RESPECTING VILLE DE CHANDLER

[Assented to 14 June 2002]

Preamble. WHEREAS it is in the interest of Ville de Chandler that it be granted certain powers ;

Whereas Ville de Chandler results from the amalgamation of Ville de Chandler and the municipalities of Newport, Pabos, Pabos Mills and Saint-François-de-Pabos under Order in Council 705-2001 made on 13 June 2001 ;

Whereas Ville de Chandler considers it necessary for the amalgamation order to be amended ;

Whereas the Act respecting municipal territorial organization (R.S.Q., chapter O-9) does not allow amendment of the order except in the case of an error in writing or an obvious omission ;

#### THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

- Revitalization program. 1. Ville de Chandler may, by by-law, adopt a revitalization program for any sector it delimits within the industrial zone where the paper plant of 9112-9189 Québec inc. (hereinafter called “Gaspésia”) is situated.
- Financial assistance. The program shall determine the nature of the financial assistance, including a tax credit, that may be granted and the duration of the assistance, which in no case may exceed 31 December 2010.
- Financial assistance. The amount of the financial assistance may not exceed \$3,000,000. The town may, by by-law approved by the Minister of Municipal Affairs and Greater Montréal, increase that amount.
- Terms and conditions. The council shall fix the terms and conditions that apply to the administration of the program.
- McGrath street. 2. The town may, by by-law, move McGrath street to permit the construction of new buildings and contract loans for that purpose. Instead of collecting the tax imposed or the compensation required under such a by-law, to defray the expenses incurred each year in connection with the payment of interest and repayment of the principal on the loan, the council shall appropriate, during the term of the loan, the proceeds of the duties collected on the transfers of immovables effected in the sector covered by the revitalization program

adopted under section 1, and that power is granted to the town notwithstanding the Act respecting duties on transfers of immovables (R.S.Q., chapter D-15.1).

“red chalet”.

3. The town may acquire from Gaspésia the “red chalet”, an immovable the technical description and plan of which were prepared by Pierrot Joncas, land surveyor in Chandler, dated 3 June 2002 under number 3912 of his minutes, and the curling rink and the golf course, immovables the technical descriptions and plans of which were prepared by Bernard Quirion, land surveyor in Chandler, dated 1 December 2000 under number 1091 of his minutes. The town may operate those immovables.

Agreement.

The town may enter into an agreement with a non-profit organization in order to transfer the immovables to it, gratuitously or for a consideration, lend it money to acquire the immovables, and grant it an annual subsidy in an amount not exceeding the amount of the property taxes and compensations to which the immovables are subject.

Hypothec or security.

To secure the performance of the commitments made in an agreement with a non-profit organization, the town may be granted such hypothec or other security it considers sufficient.

Advantages.

By reason of the assistance it provides, the town may also be granted other advantages, in particular an interest in the revenues and increase in value of the immovables.

O.C. 705-2001, s. 24, repealed.

4. Section 24 of Order in Council 705-2001 dated 13 June 2001 is repealed.

Financial reserve.

5. The town may, by by-law, establish a financial reserve for the benefit of the sectors formed by the territories of the former municipalities of Newport, Pabos, Pabos Mills and Saint-François-de-Pabos for the purpose of granting a credit for property taxes or compensations so as to enable the staggering of tax account standardization.

Term.

The by-law establishing the reserve must determine its term which may not exceed eight fiscal years beginning on 1 January 2002. The by-law may fix categories of tax or compensations for each sector, grant a different credit according to category, establish the duration of the credit and the terms and conditions of its application.

Reserve.

The portion of the reserve established for the benefit of a sector shall be made up only of sums established by the Regulation respecting the equalization scheme made under paragraph 7 of section 262 of the Act respecting municipal taxation (R.S.Q., chapter F-2.1), which shall be paid to the town up to an annual maximum of the sums allocated for the fiscal year 2001 in each of the sectors formed by the territories of the former municipalities under the scheme. The ceilings are in force for the five fiscal years subsequent to the fiscal year 2001. For the sixth fiscal year, the ceilings shall be reduced by one-quarter of the sums allocated in 2001, for the seventh fiscal year, they shall be reduced by one-half, and for the eighth fiscal year, by three-quarters.

- Balance of reserve. Any unused balance in the reserve shall be paid into the town's general fund.
- Powers. 6. The town is deemed to have had the powers granted to it by section 5 of this Act since the date of its constituting order.
- Validity. By-laws Nos. V-14-2001 and V-22-2002 of the town may not be invalidated on the ground that the town did not have jurisdiction to adopt the by-laws and no illegality or irregularity may result from the fact that the town applied them, insofar as the by-laws are amended in accordance with section 5 of this Act.
- Coming into force. 7. This Act comes into force on 14 June 2002.

## Chapter 95

### AN ACT RESPECTING VILLE DE CONTRECOEUR

[Assented to 19 December 2002]

Preamble. WHEREAS it is in the interest of Ville de Contrecoeur that certain powers be granted to it ;

#### THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

Unpaid municipal taxes. 1. Where municipal taxes on an immovable comprised in the sector described in the schedule have not been paid for three consecutive years, the town may be declared the owner of that immovable by the Superior Court sitting in the district in which the immovable is situated.

Application. 2. The application is made by a motion.

More than one immovable. The motion may concern more than one immovable belonging to different owners.

Publication. The motion may be granted only after publication in a newspaper distributed in the territory of the town of a notice requesting all persons who may have rights respecting the immovables to appear in court within 60 days after the publication in order to claim an indemnity equal to the value of their rights, after deduction of an amount sufficient to pay all outstanding municipal and school taxes, any accrued interest and the costs pertaining to the motion, including publication costs. Before the deduction, the indemnity claimed may not exceed the actual value of the immovable on 1 January 1981.

Description of immovables. Publication of the notice replaces service. The notice shall indicate that it is given under this Act. The description of immovables concerned that are parts of a lot is deemed to be sufficient if it mentions the lot number and the area of the part of the lot concerned as well as the name of its owner.

Presumption. However, in respect of the remainder of the immovables registered at the registry office of the registration division of Verchères in the name of American Industrial Research Corp. or Can-Am Industrial Development Corp. that are parts of lots, the description of the immovables concerned is deemed to be sufficient notwithstanding articles 3036 and 3037 of the Civil Code of Québec if it mentions the name of either of those companies, the number of the original lot, the cadastre and if it indicates the number under which the instrument of acquisition of the company was published and the fact that the company did not transfer those immovables after having so acquired them.

- Judgment. Where the judgment grants the motion, it shall order the registrar to enter the judgment in the land register of the immovables so described to stand in lieu of title for the town even though the description of the immovables is not in conformity with the rules of the Civil Code of Québec in the matter.
- Appeal. No appeal lies from the judgment rendered on the motion.
- Ownership. 3. The town becomes the owner of the immovables in respect of which publication of the judgment declaring ownership is effected at the registry office, and no claim may be subsequently made in respect of the immovables. The real rights that may affect the immovables concerned, including prior claims, hypothecs, resolute clauses or clauses that may give rights of cancellation, and servitudes other than servitudes of public utility are extinguished.
- Real rights. The clerk of the town may draw up a list of the real rights other than servitudes of public utility that encumber the immovables described in the judgment declaring ownership that have been published and that are extinguished under this section and, on an application to that effect, the registrar shall cancel the registration of those rights.
- Title. The publication gives title to the town, the validity of which cannot be contested for any reason.
- Powers. 4. The town may, to consolidate land or to reconstitute the original lots in the sector described in the schedule and in respect of which it wishes to promote, ensure or maintain agricultural operations,
- (1) acquire an immovable by agreement or by expropriation ;
  - (2) hold and manage the immovable ;
  - (3) carry out the required development, restoration, demolition or clearing work on the immovable ;
  - (4) alienate or lease the immovable ;
  - (5) exchange an immovable it owns in its territory for another immovable it wishes to acquire, if their value is comparable. It may also, where it considers that an unconditional exchange would not be appropriate, offer as consideration an amount of money in lieu of or in addition to an immovable.
- Alienation. 5. Acquisitions by agreement or expropriation, exchanges provided for in section 4 and alienations referred to in section 26 do not constitute an alienation within the meaning assigned to that term in the definition in section 1 of the Act respecting the preservation of agricultural land and agricultural activities (R.S.Q., chapter P-41.1).

Notice.	<p>6. An offer of exchange is made by service on the owner of a notice to that effect together with the text of sections 4 to 22 and 28 of this Act. Section 40.1 of the Expropriation Act (R.S.Q., chapter E-24) applies to the service of the notice. The notice shall then be published at the registry office.</p>
Publication.	<p>The notice must also be published in the <i>Gazette officielle du Québec</i> at least 10 days before being served on the owner.</p>
Content.	<p>The notice must indicate that it is given under this Act and contain, in particular, the following information :</p> <ol style="list-style-type: none"><li>(1) a description of the immovable that the town wishes to acquire ;</li><li>(2) the name of the owner of the immovable ;</li><li>(3) a description of the immovable offered as consideration ;</li><li>(4) the time limit for filing an objection with the town.</li></ol>
Particular entry.	<p>In the case provided for in paragraph 5 of section 4, the notice must mention the sum of money, if any, offered by the town as consideration.</p>
Objection.	<p>7. The owner of the immovable that the town wishes to acquire may, within 60 days of the date of being served the notice referred to in section 6, file with the town an objection, in writing and with reasons, to the consideration offered. Holders of real rights in the immovable and, in particular, holders of claims secured by a prior claim or hypothec on the immovable also have the same right within that time.</p>
Indemnity.	<p>In addition, every owner, lessee or occupant of an immovable upon which there is a servitude other than a servitude of public utility may, within the same time, file an objection with the town, in writing and with reasons, for the purpose of claiming an indemnity.</p>
Restriction.	<p>No objection may be filed after the expiry of that time.</p>
Exchange.	<p>At the expiry of the time set out in the first paragraph, the town shall make the exchange with the owners of the immovables if no objection to the consideration offered has been filed.</p>
Agreement relating to exchange.	<p>8. Where the owner of the immovable that the town wishes to acquire, or the holder of a real right in the immovable other than a servitude files, within the time mentioned in section 7, an objection in writing and with reasons, the town may enter into an agreement with the owner or holder in relation to the exchange.</p>
Agreement relating to indemnity.	<p>As well, if the owner, lessee or occupant of an immovable upon which there is a servitude other than a servitude of public utility upon the immovable that the town wishes to acquire files an objection in writing and with reasons, the town may enter into an agreement with that person in relation to the indemnity.</p>

Evidence in writing.	Any agreement entered into must be evidenced in writing. After payment or deposit in the Superior Court of the sum of money agreed upon, if any, the town shall make the exchange.
Application relating to consideration.	9. Failing agreement within 30 days after the expiry of the time for filing a notice of objection, the owner of the immovable that the town wishes to acquire, or the holder of a real right in the immovable other than a servitude may, within 15 days after the expiry of the 30-day period, by a motion served on the town, apply to the Administrative Tribunal of Québec to have the Tribunal fix the amount of fair consideration resulting from the exchange.
Application relating to indemnity.	Within that 15-day period, the owner, lessee or occupant of an immovable upon which there is a servitude other than a servitude of public utility upon the immovable that the town wishes to acquire may apply to the Administrative Tribunal of Québec to have the Tribunal fix the amount of the indemnity resulting from the extinction of the servitude.
End of period.	Where, at the expiry of the 15-day period provided for in the first paragraph, no application has been made to the Administrative Tribunal of Québec in relation to the consideration, the town may make the exchange as proposed.
Hearing.	10. Where a person has made an application under section 9, the Administrative Tribunal of Québec shall hear the parties and fix the consideration or the indemnity payable to that person.
Consideration.	The consideration fixed to give effect to an application made under the first paragraph of section 9 may consist, in whole or in part, of an immovable.
Indemnity.	The indemnity fixed to give effect to an application made under the second paragraph of section 9 may consist only of a sum of money.
Exchange.	Following the decision of the Administrative Tribunal of Québec and, as the case may be, the payment of the sum ordered or its deposit in the Superior Court, the town shall make the exchange.
Provisions applicable.	11. Sections 40.1, 48 and 58 of the Expropriation Act apply to the proceedings, with the necessary modifications.
Notice of transfer.	12. The ownership of an immovable described in a notice under section 6 is transferred by the publication of a notice of the transfer at the registry office. The notice of transfer shall contain the description of the immovable referred to therein and contain a reference to the notice served pursuant to section 6 consisting of the publication number at the registry office.
Real rights.	The real rights in the immovable acquired by the town other than the servitudes shall be transferred to the immovable transferred as consideration.
Servitudes.	Servitudes of public utility shall continue to encumber the immovable acquired by the town, but the other servitudes are extinguished.

- Copy or extract. 13. The town shall send to the owner with whom an exchange has been made a certified true copy of, or extract from, the notice referred to in section 12 concerning the owner. The document must mention the number under which the notice was published at the registry office and is valid as title of ownership.
- Rights and actions. 14. As of the transfer of the right of ownership resulting from an exchange, the immovables affected by the exchange are subject only to the rights and actions which the new owner may exercise.
- Registration. 15. Registration of the real rights that affected the immovable acquired by the town and that may be transferred to the immovable transferred as consideration pursuant to section 12 must be carried over to the immovable by a notice published at the registry office within six months of the transfer of ownership.
- Rights and notice. At the expiry of the six months, any rights that have been registered but not carried over are extinguished and any notice of carrying over consequent to a requisition presented more than six months after the transfer of ownership is without effect.

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

Authorization. **1.** The Régie de gestion des matières résiduelles de la Mauricie is authorized, for the exploitation of biogas and biogas by-products and the operation of sorting centres,

(1) to form an association with any person, partnership or association representing public or private interests ;

(2) to acquire shares of the capital stock of any legal person whose activities involve only the carrying out of a project relating to the exploitation of biogas or biogas by-products and thermal or electrical energy generated by residual materials disposal sites, provided that the sites belong to the Régie or are under its authority, or to loan money to such a legal person in return for interest, with security on the loan ;

(3) to acquire shares of the capital stock of any legal person whose activities involve only the carrying out of a project relating to the operation of sorting centres, provided that the centres are situated in the territory of a municipality in which the Régie has authority, or to loan money to such a legal person in return for interest, with security on the loan.

Private partner. In the exercise of the powers provided for in the first paragraph, the Régie must first obtain the authorization of the Minister of Municipal Affairs and Greater Montréal for any association with a private partner other than a non-profit organization. Such an authorization may be granted only to the extent that the intergovernmental agreements on the opening of public procurement applicable to the municipal bodies are respected.

Provisions applicable. Sections 573 to 573.3.4 of the Cities and Towns Act (R.S.Q., chapter C-19) apply to partnerships, legal persons and associations referred to in the first paragraph 50% or more of the shares or capital stock of which is held by the Régie or of which at least half of the members of the board of directors are appointed by the Régie. ## Chapter 98

### **AN ACT RESPECTING LOT 599 OF THE CADASTRE OF THE PARISH OF SAINT-POLYCARPE, REGISTRATION DIVISION OF VAUDREUIL**

*[Assented to 19 December 2002]*

Preamble.

WHEREAS the Fabrique of the parish of Saint-Polycarpe possesses lot 599 of the cadastre of the parish of Saint-Polycarpe, registration division of Vaudreuil, containing an area of 5 arpents and 70 rods, after acquiring it by a deed of gift made by Mr John McDonald and Madam Marie-Anne McGillis on 6 November 1815 before J. Mailloux, notary, and registered at the registry office of the county of Vaudreuil on 22 October 1844 under number 673; and whereas it also erected its church in 1818 and its rectory in 1852 on that lot, and localized thereon the greater part of its cemetery;

Whereas the aforementioned gift was made in favour of the future Fabrique of the Seigneurie de la Nouvelle Longueuil thereof accepting by the appointed rector and three syndics;

Whereas the aforementioned gift being prior to the cadastre, the description of the lot of land being the subject of the gift does not enable it to be identified with lot 599;

Whereas the aforementioned gift is made subject to the resolutive condition that the given lot of land be used "...for the erection or building of a Church, Rectory, Cemetery, or for the divine service in the said Seigniorie or mission. And the surplus of the said lot of land will belong to Monsieur Le Curé (Rector) and all his successors thereafter... For the enjoyment of the said lot of land by Monsieur Le Curé or Missionnaire (Missionary) for so long as the said Church and Rectory remain thereon with no other charges to the said donors... And subject only to the event that, in time, it is deemed suitable to build or move the said Church elsewhere than on the land currently given, in which case the said John McDonald, his heirs and assigns shall resume possession of the said lot of land as of right, on pain." (translation);

Whereas the Fabrique of the parish of Saint-Polycarpe cannot identify the "heirs and assigns" of the said John McDonald;

Whereas the Fabrique of the parish of Saint-Polycarpe is bound by the provisions of the deed of gift and, consequently, can begin to prescribe the ownership of lot 599 for its own benefit only upon the occurrence of the said resolutive condition;

Whereas by reason of the aforementioned, the title of the Fabrique of the parish of Saint-Polycarpe to lot 599 is questionable and will be annulled by the occurrence of the resolutive condition stipulated therein;

Whereas by reason of the aforementioned, the Fabrique of the parish of Saint-Polycarpe can neither use all or part of lot 599 for purposes other than those stipulated in the deed of gift, nor alienate lot 599 in favour of third parties;

Whereas notwithstanding the foregoing, under the terms of a deed dated 3 February 1977 published in the registration division of Soulanges (now Vaudreuil) under number 68649, the Fabrique of the parish of Saint-Polycarpe sold part of the said lot 599 containing an area of 19,225 square feet, English measure, to Municipalité de Saint-Polycarpe;

Whereas under the terms of a deed dated 13 April 1995 published in the registration division of Vaudreuil under number 305424, Municipalité de Saint-Polycarpe sold to the Fabrique of the parish of Saint-Polycarpe the whole of the part of lot 599 it had acquired under the terms of the deed published in the registration division of Soulanges (now Vaudreuil) under number 68649 and established a real servitude of right of way on the part of lot 599 described in the schedule;

Whereas by reason of the aforementioned, the validity of that servitude of right of way is questionable;
