## Chapter 52

### AN ACT RESPECTING VILLE DE THETFORD MINES

[Assented to 17 June 2005]

Preamble.

AS, on 3 October 2001, the Government adopted Order in Council 1166-2001 respecting the amalgamation of Ville de Thetford Mines, Ville de Black Lake, Partie sud du Canton de Thetford, Village de Robertsonville and Municipalité de Pontbriand;

As sections 26 and 27 of the Order in Council provide that the cost of work done under Loan By-law 1841 of the former Ville de Thetford Mines (drinking water prospecting and supply) are to be apportioned between the former Ville de Thetford Mines and the former Partie sud du Canton de Thetford based on the proportions indicated in those sections;

As it has been proven that the work also benefits the owners of immovables of the sectors served in the former Village de Robertsonville and the former Municipalité de Pontbriand;

As it is therefore expedient to provide for a different apportionment of the cost of work done under that by-law;

As it is expedient to amend Order in Council 1166-2001 to that end;

As it is also in the interest of Ville de Thetford Mines that it be able to contribute to more than 50% of the cost of the extension of the electric power distribution system in a sector of its territory;

#### THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

O.C. 1166-2001, s. 25, replaced.

As this project is in the public interest and its realization requires that Ultramar Ltd. be granted expropriation powers and the right of access to certain immovables;

#### THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

Expropriation. **1.** Ultramar Ltd., in the absence of an agreement, may acquire an immovable or real right by expropriation with a view to the construction, operation or maintenance of a pipeline for transporting petroleum and petroleum products from the Ville de Lévis region to the corporation's existing facilities in Ville de Longueuil, borough of Boucherville.

## Chapter 57

### AN ACT RESPECTING VILLE DE GASPÉ

[Assented to 17 June 2005]

Preamble.

AS it is in the interest of Ville de Gaspé that certain powers be granted to it;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

2003, c. 32, s. 1, am.

**1.** Section 1 of the Act respecting Ville de Gaspé (2003, chapter 32) is amended by adding the following paragraph at the end:

Sectors.

“The city may also adopt an industrial revitalization program for sectors it delimits within the industrial zone of the Parc des Augustines described in the description and shown on the accompanying plan prepared by Christian Roy, land surveyor in Gaspé, dated 26 April 2005 and bearing number 5989 of his minutes.”

Leasing or alienation of immovables.

**2.** The city may lease or alienate immovables, in all or in part, gratuitously or for a consideration, for the benefit of the Government or a minister or government body. Despite section 12 of the Act respecting municipal industrial immovables (R.S.Q., chapter I-0.1), the city may thus lease or alienate an immovable it has acquired, built or converted for industrial purposes.

Parc des Augustines.

The city may also lease or alienate an immovable situated in the industrial zone of the Parc des Augustines for the benefit of a person who has entered into an agreement with the Government or a minister or government body regarding all or part of the immovable. Agreement with non-profit organizations.

The city may enter into an agreement with a non-profit organization pursuing the same purposes as those referred to in the first paragraph, lend money or grant subsidies to such an organization, or transfer or lease to such an organization, gratuitously or for a consideration, immovables owned by the city. To secure the performance of the commitments made in the agreement, the city may be granted any hypothec or other security it considers sufficient or may be granted other advantages.

Validity of agreements.

**3.** Neither the agreements entered into by the Minister of Agriculture, Fisheries and Food and Ville de Gaspé since 3 November 1995 regarding the Rivière-au-Renard fisheries industrial park and certain vacant lots in the Sandy Beach sector, nor the agreements on the management of a seawater supply system for industry, may be invalidated on the grounds that it was not within the jurisdiction of the city to make them.

Seawater supply system.

**4.** The city may acquire and operate a seawater supply system and a waste seawater treatment system to service the industries located in the Rivière-au-Renard fisheries industrial park.

Preferential rate.

Despite the Municipal Aid Prohibition Act (R.S.Q., chapter I-15), the city may assist the industries referred to in the first paragraph by granting them a preferential rate for the provision of the services referred to in that paragraph for a period of not more than five years from the coming into force of this Act.

Presumption.

**5.** The city is deemed to have had the powers granted under section 4 of this Act since 3 November 1995.

As zone 40-REC extends from lot 19 to lot 33 inclusively, all of which are in Saguenay Range 1, cadastre of the township of Albert;

#### THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

Subdivisions and permits validated. **1.** The subdivision of lots erroneously authorized and the building and enlargement permits erroneously issued by Municipalité de Sacré-Cœur from 8 May 1974 to 31 December 1989 in the “Anse de Roche”, “Anse au Sable” and “Anse à Pierrot” sectors in that they did not comply with the subdivision, building and zoning by-laws of the municipality and the interim control of the Municipalité régionale de comté de La Haute-Côte-Nord are deemed valid.

Location. **2.** The sectors referred to in section 1 are located in zone 40-REC established in the zoning plan that is part of by-law 210, in force since 26 July 1993.

Non-conforming structures. **3.** Non-conforming riverbank structures built in the sectors mentioned in section 1 may not be expanded so as to increase their footprint on the riverbank.

Rebuilding prohibited. The municipality may not authorize a structure on that riverbank that has been destroyed or become unsafe to be rebuilt on the same site if another site available on the same land reduces riverbank encroachment.

Interpretation. In this section, “riverbank” has the meaning assigned by the protection policy for lakeshores, riverbanks, littoral zones and floodplains adopted under section 2.1 of the Environment Quality Act (R.S.Q., chapter Q-2).

Cases pending. **4.** This Act does not affect cases pending on 15 April 2005.

Coming into force. **5.** This Act comes into force on 13 December 2005.

### AN ACT RESPECTING MUNICIPALITÉ DE SAINT-DONAT

[Assented to 13 December 2005]

Preamble. AS it is in the interest of Municipalité de Saint-Donat that it be granted certain powers and that certain acts be validated;

#### THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

Real servitude. **1.** Municipalité de Saint-Donat may prescribe in its zoning or subdivision by-law, as a prerequisite condition for the issue of a building permit or for the approval of a plan relating to a cadastral operation, that the owner undertake to gratuitously create a real servitude in favour of an immovable of the municipality for the purposes referred to in section 117.1 of the Act respecting land use planning and development (R.S.Q., chapter A-19.1).

Contribution. The servitude may also be created prior to an application for the issue of a building permit or for the approval of a plan relating to a cadastral operation. Any such contribution is to be credited when an application for the issue of a building permit or for the approval of a plan relating to a cadastral operation is filed.

Reference values. In all cases, the reference values are those that apply on the date the application for the issue of a building permit or for the approval of a plan relating to a cadastral operation is filed.

Interpretation. For the purposes of sections 117.1 to 117.15 of that Act,

(1) a corridor for recreational and sports activities is considered to be a park;

(2) the development of a parcel of land includes the construction of works related to pedestrian and vehicular traffic in a corridor referred to in subparagraph 1; and

(3) a servitude created in favour of an immovable of the municipality is considered to be a parcel of land transferred to the municipality.

Validity of deeds. **2.** A deed under which a servitude was created, on or after 13 June 2002, in favour of an immovable of the municipality for the purposes referred to in section 117.1 of the Act respecting land use planning and development, or in

anticipation of such purposes, and the acts performed by the municipality to achieve those purposes may not be invalidated on the ground that the law did not enable the municipality to require the creation of a servitude.

Illegality or irregularity.

No illegality or irregularity may result from the fact that the municipality spent on the site of such a servitude amounts taken out of the fund referred to in section 117.15 of the Act respecting land use planning and development.

Coming into force.

Renewal program. “The town may also adopt an industrial renewal program for any other industrial sectors in its territory.”

Town participation. **2.** The town may participate with the Société de développement économique et industriel de Chandler in a project to re-open the Gaspésia plant, and in the acquisition and conservation, or disposal, if necessary, of the assets of Papiers Gaspésia, Limited Partnership.

Renewal fund. **3.** The town may act as general partner of a limited partnership formed to manage an economic renewal fund made up of the contributions that SGF Rexfor Inc., Investissement Québec, the Fonds de solidarité des travailleurs du Québec (F.T.Q.) and Tembec Inc. have undertaken to pay to the Société de développement économique et industriel de Chandler and to any other bodies formed for that purpose as part of the transfer of the assets of Papiers Gaspésia, Limited Partnership. The town’s participation in the fund is limited to 25% of the total amount of those contributions. Section 1 of the Act respecting municipal industrial immovables (R.S.Q., chapter I-0.1) applies to that contribution, with the necessary modifications.

Non-profit body. The town may entrust the power devolved to it under the first paragraph to a non-profit body.

Designating powers. **4.** The town designates the members, directors and executive officers of the Société de développement économique et industriel de Chandler, the Société de développement de Chandler and any non-profit body mandated to manage the economic renewal fund or act as general partner of a limited partnership formed for that purpose.

Insurance and protection plans. **5.** The town may make its group insurance plan and the protection plan provided for in sections 604.6 to 604.13 of the Cities and Towns Act (R.S.Q., chapter C-19) applicable to the directors, executive officers and employees of the bodies referred to in section 4.

Supramunicipal  
bodies.

**6.** For the purposes of the Act respecting the remuneration of elected municipal officers (R.S.Q., chapter T-11.001) and the Act respecting the Pension Plan of Elected Municipal Officers (R.S.Q., chapter R-9.3), the bodies referred to in section 4 are deemed to be supramunicipal bodies.

Remuneration.

With regard to the directors of such a body who are not members of the town council, the town may, by by-law, provide for the payment of a remuneration to be determined on the basis of the directors' attendance at meetings of the body, and for the reimbursement of their expenses.

### AN ACT RESPECTING VILLE DE GRANDE-RIVIÈRE

[Assented to 13 December 2005]

Preamble. AS it is in the interest of Ville de Grande-Rivière that certain powers be granted to it;

#### THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

Industrial recovery program. **1.** The town may, by by-law, adopt an industrial recovery program with respect to all or part of the sectors the town delimits within the industrial zones contiguous to the Rocher-Percé airport industrial zone and with respect to the Grande-Rivière wharf industrial zone.

Amount of expenses. The by-law must determine the amount of the expenses the town may incur within the framework of the program. It must be submitted for approval to the qualified voters of the entire territory of the town.

Financial assistance. **2.** A by-law made under section 1 determines the nature of the financial assistance, including a tax credit, that may be granted and the duration of the assistance, which may not exceed five years or 31 December 2011.

Maximum amount. The total financial assistance granted under a program referred to in section 1 may not exceed \$1,000,000. The town may increase that amount and extend the duration of the program by a by-law approved by the Minister of Municipal Affairs and Regions.

Provisions applicable. The second paragraph of section 85.2 of the Act respecting land use planning and development (R.S.Q., chapter A-19.1) and section 85.3 of that Act apply to the program.

Carrefour national de l'aquaculture et des pêches. **3.** The town may participate in the Carrefour national de l'aquaculture et des pêches de Grande-Rivière project in the wharf industrial zone.

Agreements. **4.** The town may enter into agreements with the Minister of Agriculture, Fisheries and Food to municipalize the Grande-Rivière industrial fishery park.

Validity of agreement. **5.** The agreement the Minister of Industry and Commerce of Québec and Ville de Grande-Rivière entered into on 10 November 1977 with respect to the drinking water supply in the Grande-Rivière industrial fishery park may not be invalidated on the grounds that the town was not competent to enter into the agreement. In addition, the transfer to the Minister of the waterworks system

and road rights of way provided for in that agreement and municipal by-law V-20 ordering that the roads in question be closed are declared valid.

Sea water supply system.

**6.** The town may acquire and operate a sea water supply system to serve the industries in the Grande-Rivière industrial fishery park, as well as a disposal system for waste sea water.

Preferential rate.

Despite the Municipal Aid Prohibition Act (R.S.Q., chapter I-15), the town may assist the industries referred to in the first paragraph by granting a preferential rate for the services referred to in that paragraph, for a period not exceeding five years following the municipalization of the Grande-Rivière industrial fishery park.

As this amalgamation by absorption was unanimously approved by resolutions adopted by the boards of directors of the Fondation and the Association on 12 September 2005, and by resolutions adopted by special meetings of the members of the Association and the members of the Fondation on 12 September 2005 and 28 October 2005 respectively;
