An Act respecting prescription drug insurance (R.S.Q., c. A-29.01)

Basic prescription drug insurance plan — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting the basic prescription drug insurance plan, the text of which appears below, may be made by the Government upon the expiry of 45 days following this publication.

The purpose of the draft Regulation is to determine the rules pursuant to which the Régie de l'assurance maladie du Québec shall fix the rate of adjustment of the maximum amount of the annual premium within the framework of the basic prescription drug insurance plan.

To date, study of this matter has shown the following major impact on the public:

— the annual premium payable by insured persons will be fixed on the basis of costs incurred by the plan according to recent experience, taking into account the anticipated cost of changes to coverage under the plan and any other factor liable to have a direct effect on the cost of the plan.

Further information may be obtained from Mrs. Marie-Andrée Pelletier or Mr. Marc Duclos, Régie de l'assurance maladie du Québec, 1125, chemin Saint-Louis, mail drop-off 84, Sillery (Québec) G1S 1E7, telephone: (418) 682-5172, fax: (418) 643-7312.
