**1.** The purpose of this Regulation is to specify the standards of ethics and discipline applicable to public servants provided for in the Public Service Act (R.S.Q., c. F-3.1.1), to establish new standards and to stipulate the measures applicable, among other things to protect and strengthen public confidence in the integrity and impartiality of the public service and to maintain a high level of quality in the services offered to the general public.

**2.** In case of doubt, public servants shall act in accordance with the spirit of the applicable standards of ethics and discipline.

#### **CHAPTER II** DUTIES OF PUBLIC SERVANTS

**3.** The duty of discretion set out in section 6 of the Public Service Act, which includes non-disclosure of confidential information, also extends to information obtained by public servants in the performance of their duties.

**4.** Public servants may not obtain confidential information not required for the performance of their duties, nor try to obtain such information.

**5.** Public servants shall avoid placing themselves in a situation where their personal interest enters into conflict with the duties of their position.

Public servants who believe they may be in a situation referred to in the first paragraph shall inform the deputy minister of their department or the chief executive officer of the body or agency for which they work, who may seek an opinion from the Ministère de la Justice and shall advise the public servants of the proper attitude to take.

Where the conflict of interest involves a deputy minister or the secretary of the Conseil du trésor, disclosure shall be made to the Secretary General of the Conseil exécutif.

**6.** Public servants shall not accept gifts, tokens of hospitality or benefits other than customary benefits of modest value.

All other gifts, tokens of hospitality or benefits received must be returned to the giver or handed to the State.

**10.** Public servants who cease to perform their duties within the public service shall conduct themselves so as not to obtain undue benefit from their prior position.

The deputy minister or chief executive officer shall take the necessary measures so that the government department, body or agency abstains from dealing with that public servant within the context of that proceeding, negotiation or other transaction, if he or she comes to the same conclusion.

### CHAPTER III PROVISIONAL SUSPENSION

**15.** A writing indicating the decision to suspend a public servant provisionally from his or her duties must be sent or given to the public servant within two working days following the day on which the decision was made.

The writing must indicate any appeal available to the public servant and the procedure for lodging such an appeal.

**16.** Subject to the applicable conditions of employment, the salary of a public servant shall be continued while he or she is on provisional suspension.

**17.** The decision to suspend a State administrator provisionally from his or her duties shall be made by the deputy minister to whom that State administrator reports and the decision to suspend a deputy minister provisionally from his or her duties shall be made by the Secretary General of the Conseil exécutif.

30.7.7 There shall be an annual communal bank of days comprising the sum of the days that can be remunerated through the contributions collected during the program year pursuant to paragraph 30.7.20 less the total number of days allocated to the beneficiaries of the program during the program year pursuant to paragraph 30.7.4.

30.7.8 The maximum number of days that can be included in the communal bank each year shall be 2000.

30.7.9 The days included in the communal bank shall first be used to remunerate losses due to disasters up to a maximum of 500 days for each program year. *d)* the days remunerated shall not have the effect of increasing benefits payable to a beneficiary unit beyond the number of days normally remunerated for that unit as determined by the Board and in any event shall not result in an individual receiving remuneration for days exceeding the total number of days for which each adult in a beneficiary unit may receive payments as stipulated at sub-paragraph 30.4.3 *c)*;

*e)* the days paid shall not be included in the total number of remunerated person/days stipulated at paragraph 30.11.1;

*a)* up to the number of days corresponding to his or her share of the days allocated to the unit for the program year in a case where the consort has not consented to the use of his or her individual bank of sick leave days as provided in paragraph 30.7.6; or

*b)* up to the number of days allocated to the unit for the program year in a case where the consort has consented to the use of his or her individual bank of sick leave days, as provided in paragraph 30.7.6, and those days have been used.

30.7.14 A beneficiary may retain the sick days he or she has accumulated for 3 consecutive program years during which his or her unit is not enrolled under the program or during the time the unit is granted a temporary leave after which the beneficiary who is still not part of a unit that is enrolled under the program shall lose the days that he or she has accumulated.

30.7.15 A consort in a unit enrolled under the program shall lose his or her accumulated sick leave days after 5 consecutive program-years of not making contributions to the Insurance Fund.

30.7.16 Except where otherwise provided in this Section, no compensation or reimbursement shall be made as a result of loss or cancellation of accumulated sick leave days.

30.7.17 A beneficiary unit is entitled to the payment of sick leave benefits under this Sub-Section provided that:

*a)* a document signed by a doctor or other person recognized for this purpose by the Board, certifies that the beneficiary was unable, during a given period, to practice harvesting or related activities because he or she was sick or injured;

*b)* the days remunerated are days in a period of time during which the beneficiary usually conducts harvesting or related activities determined with reference to the preceding year, unless the Board determines a different reference period;

*c)* the days for which a claim is made under this Sub-Section have not been remunerated and are not eligible to be remunerated in virtue of other provisions of the program;

*d)* the number of days remunerated pursuant to this Sub-Section added to the number of days remunerated pursuant to paragraph 30.4.3 shall not exceed the number of days for which a beneficiary unit was remunerated during the previous year, or such previous years as may be determined by the Board, but in no case shall exceed the number of days for each adult specified at subparagraph 30.4.3 *c*;

*e)* payments of sick leave benefits shall be made at the end of the program year, or on such other date as may be determined by the Board, at which time the beneficiary unit must be informed of the amounts and number of days that have been remunerated pursuant to this Sub-Section and must also be informed of the number of days that both the head and the consort have remaining in their individual banks.

2) if the accumulated surplus is between 10% and 19% of the amount required to meet the obligations under this Sub-Section, the Board may chose to reduce contributions;

3) if the accumulated surplus is 20% of the amount required to meet the obligations under this Sub-Section or greater, the Board shall reduce the contributions;

*b)* the Board may, rather than modifying the contributions, increase the number of sick days to which an individual is entitled annually or modify, in a manner consistent with this Sub-Section, the provisions relating to the communal bank;

30.7.25 The Board may determine from time to time amounts in the Insurance Fund not required at the time for payments to beneficiaries in virtue of this Sub-Section or for other purposes specifically provided for in this Sub-Section and may invest such sums in securities ensuring the protection of the capital and, subject to protection of the capital, a reasonable return.

#### 30.7.26 **The assets of the Insurance Fund :**

*a)* shall not be part of the Board's assets and cannot be used by the Board for purposes other than those stipulated in this Sub-Section;

*b)* are not seizable;

*c)* may be used in respect of the execution of a judgment by a court of competent jurisdiction against the Board in respect of its management or administration of the Insurance Fund.

30.7.27 The Board shall determine from time to time the amounts required to pay the administrative costs related to the Insurance Fund and such administrative costs shall be paid out of the Insurance Fund.

30.7.28 The Board shall be responsible for maintaining distinct books and accounts for the Insurance Fund.

30.7.29 The fiscal year for the Insurance Fund shall correspond to the program year.

30.7.30 The Board shall each year report to the Cree Regional Authority and to Québec respecting the operations of the Insurance Fund.

30.7.31 Notwithstanding paragraph 30.12.1,

*a)* the provisions of this Sub-Section and other provisions of this Section related to sick leave, disasters and the Insurance Fund shall cease to have effect and shall be considered rescinded at the end of the program year in which a notice in writing is given by the Cree Regional Authority to Québec stating that the program beneficiaries no longer wish to participate in a sick leave plan provided that such notice shall not be given within the first 5 years of the implementation of this Sub-Section and may only be given within 5 years following that fifth anniversary of the implementation of this Sub-Section;

*b)* after the provisions of this Sub-Section and of this Section relating to sick leave have been in force for a period of 5 years, they may be modified in whole or in part by agreement between the Chairman of the Cree Regional Authority and the Minister but only after receiving advice from the Board.

30.7.32 In the event that the provisions relating to sick leave, disasters and the Insurance Fund are rescinded as provided at sub-paragraph 30.7.31 *a*, the Board shall pay all amounts due from the Insurance Fund for the period prior to the rescinding of the sick leave and disaster provisions and shall distribute any balance remaining in the Insurance Fund after such payments in the following proportions:

*b)* 50% to Québec.

#### 30.8 **Catastrophe**

30.8.1 For the purposes of this Sub-Section:

*b)* the Board shall determine, in a manner consistent with the provisions of this Section and particularly this Sub-Section, what specific events shall constitute a catastrophe.

30.8.2 With respect to payment of benefits in the case of catastrophes:

*i.* the appropriateness of applying the provisions related to catastrophes;

*b)* no contribution need be paid in respect of benefits paid pursuant to this paragraph and no days for sick leave shall be allocated for the days compensated pursuant to this paragraph;

*d)* all individual claims by a beneficiary unit made pursuant to this paragraph must be approved by the Board;

### 30.9 Examination, Review and Appeals

30.9.1 Notwithstanding sub-paragraphs 30.3.3 *a* to *n*, if a Cree believes that, consistent with the nature and purposes of the program, he or she should be considered eligible and should receive benefits under the program, the Board may, upon request from such person, examine or review the case and determine if the grounds given by this person are consistent with the nature and purposes of the program and decide if such person shall be considered eligible and benefit under the program. The decision of the Board must be by unanimous vote of the members present at the meeting considering the matter.

30.9.2 If the head of a beneficiary unit or his consort believes himself or herself aggrieved because the beneficiary unit has been refused income security benefits, because he or she considers the beneficiary unit is entitled to higher income security benefits, because the income security benefits of the beneficiary unit have been reduced, suspended or discontinued, or because the Board has refused to make payments directly to a consort as provided in sub-paragraphs 30.6.8 *d* and *e*, he or she may appeal to the Board to review its decision.

30.9.3 An application for a review by the Board shall be made in writing within sixty (60) days after the complainant is notified of the decision he or she applies to have reviewed. The application for review must contain a brief account of the grounds invoked and must be sent to the Board.

30.9.4 Upon receipt of the application for review, the Board shall verify the facts and circumstances of the case, examine the grounds invoked and render its decision within sixty (60) days of receiving the application for review. The Board shall immediately give notice in writing to the complainant of the decision rendered, the reasons on which it is based and any right to further appeal.

30.9.5 If a person feels aggrieved by a decision of a Local Income Security Program Committee which he or she has not appealed, he or she may request that the Committee review its decision in accordance with the following procedures:

*a)* the request for revision must be presented to the Committee within 15 days following the posting of the list contemplated at paragraph 30.5.19;

*b)* the Committee must, before deciding on its review, give the person an opportunity to be heard;

*c)* the Committee may maintain or reverse its original decision;

*d)* any decision rendered pursuant to sub-paragraph *c* that is unfavorable to the person who requested the review shall be in writing and include reasons and must be transmitted to the said person together with information on his or her right to appeal the decision;

*e)* in the case of a decision favorable to the person who requested the review, the Committee shall modify the list provided for in paragraph 30.5.14 and submit it to the Board no later than September 15.

30.9.6 If a person feels aggrieved by a decision of the Local Income Security Program Committee pursuant to a review in virtue of paragraph 30.9.5, he or she may appeal to the Board. Paragraphs 30.9.3 and 30.9.4 apply with the necessary changes to an appeal made pursuant to this paragraph.

30.9.7 The Board may maintain or reverse a decision submitted to it.

30.9.8 An appeal may be made to the Tribunal administratif du Québec or its successor concerning a decision rendered by the Board pursuant to paragraph 30.9.7.

30.9.9 Any appeal made pursuant to this Sub-Section does not suspend the application of a decision made by the Local Income Security Program Committee or the Board, as the case may be.

### 30.10 Review of the Program

30.10.1 Québec and the Cree Regional Authority shall from time to time review the operation of the program, procedures and benefits established by and in accordance with this Section and may by mutual consent make any adjustments necessary for the proper functioning of or to give effect to the program, procedures and benefits provided for in this Section including more particularly the provisions of paragraphs 30.2.3, 30.2.8 and 30.2.9.

30.10.2 With respect to the basic guarantee under the program:

*a)* in the event that the basic guarantee for families without other income under any social aid, social assistance for Indians or Inuit, or guaranteed annual income program of general application existing in Québec is increased, the program shall be modified by the Board so as to assure that, on the basis of a family of two (2) adults, the present ratio between the basic guarantee under such programs and the basic guarantee under the program is maintained by increasing proportionally each of the amounts provided for at sub-paragraphs 30.4.2 *a* and *b*;

*b)* if a guaranteed annual income program of general application is introduced which includes basic guarantees for persons with earned incomes distinct from basic guarantees for persons with no income, the program shall be modified by the Board so as to assure that on the basis of a family of two (2) adults, the basic guarantee under the program and such basic guarantee for persons with earned income under the guaranteed annual income program of general application are equal by increasing proportionally each of the amounts provided for at sub-paragraphs 30.4.2 *a* and *b*. In no case shall such revision reduce the amounts provided for at sub-paragraphs 30.4.2 *a* or *b*;

*c)* the provisions of sub-paragraph 30.10.2 *a* shall apply unless the Board by unanimous decision of the members present at the meeting considering the matter decides to apply the provisions of sub-paragraph 30.10.2 *b* in which case sub-paragraph 30.10.2 *a* and paragraph 30.10.5 shall not apply for such time as the guaranteed annual income program structure contemplated in sub-paragraph 30.10.2 *b* exists.

30.10.3 In the event that the weighted average benefits per child under sub-paragraph 30.4.2 *c* and under family and youth allowances due to families eligible under the program is less than equal to the weighted average benefits per child that would be due under the basic guarantee in virtue of any social aid, transfer payment or guaranteed annual income program in Québec and family and youth allowances to the same families if they were eligible under such programs, the program shall be modified by the Board by increasing the amount provided for at sub-paragraph 30.4.2 *c* by the amount of the difference between the two (2) weighted averages.

30.10.4 Subject to paragraph 30.10.3, in the event that family allowances provided to citizens of Québec at the date of the execution of the Agreement are increased over and above the increase due to indexation, the dollar amount provided for at sub-paragraph 30.4.2 *c*) shall not be indexed by the Board pursuant to paragraph 30.4.10 until such time as the cumulative increase which would have resulted from the indexing of the amounts provided for at sub-paragraph 30.4.2 *c* equals the amount indexed on the same basis, of such increase in family allowances.

30.10.5 In the event that any social aid, social assistance for Indians or Inuit or guaranteed income program of general application which exists in Québec is revised, including increases due to indexation, the program will be modified, in accordance with the provisions of paragraph 30.10.7, if the break-even point for a family of two adults in the program is less than the break-even point for the same family size in such program of general application in Québec. Such modification will never reduce the break-even point in the program.

30.10.6 In the event that any social aid program existing from time to time in Québec is modified or a guaranteed annual income program of general application is established or modified, the Board may request a review of the program if in its opinion it would have been more expensive for Québec, during any period of one (1) year running from July 1 to June 30, to enroll all beneficiaries of the program in such social aid program or such guaranteed income program of general application and in such case the program shall be modified in accordance with the provisions of paragraphs 30.10.7 and 30.10.9.

30.10.7 In the case of modifications to the program effected pursuant to and in accordance with paragraphs 30.10.5 and 30.10.6, Québec shall effect such modifications only after prior consultation with and upon recommendations of the Board. Such modifications to the program not contemplated by paragraphs 30.10.2 and 30.10.3 shall assure that the basic guarantee established by and in accordance with paragraph 30.4.2 for the program shall not be reduced and the exemptions and the reduction rate established by and in accordance with paragraphs 30.4.4 and 30.4.5 for the program shall not be modified unless the Board otherwise decides by unanimous decision of the members present at the meeting considering the matter.

30.10.8 In the event that the benefits of any social aid or guaranteed annual income program of general application existing from time to time in Québec are indexed to an index other than the cost of living index in Québec, the program shall be adjusted by the Board to provide that such index is applied to the dollar amounts provided for at paragraph 30.4.2 and that the index applied to other dollar amounts provided for in the program shall be comparable to the index applied to comparable benefits in such program of general application if same would result in a better maintenance of the relative benefits of the program over the years than would the index currently in use in the program.

30.10.9 In the event that any other guaranteed annual income, transfer payment, or income security programs of general application are established, or are significantly modified from time to time in Québec, whether such programs are established or funded by Canada or Québec:

*a)* subject to the provisions of this Sub-Section, Québec and the Cree Regional Authority shall review the program and shall by mutual consent make any adjustments necessary to ensure the continued existence of the program and the maintenance of the purpose and principles of the program;

*b)* a lack of agreement between Québec and the Cree Regional Authority on a matter contemplated in sub-paragraph 30.10.9 *a* shall not prejudice the rights of beneficiaries under the program including those set forth in paragraphs 30.2.3, 30.2.8 and 30.2.9 and failing such agreement the necessary adjustments shall be effected through binding arbitration in accordance with the laws of Québec and upon the basis of the principles set forth in this Section. For the purposes of such arbitration, Québec and the Cree Regional Authority shall each appoint one arbitrator. The arbitrators so appointed shall together appoint a third arbitrator.

30.10.10 In addition to the process provided in paragraphs 30.10.1 to 30.10.9, a mechanism for review of the implementation and application of this Section is established as follows:

*a)* Québec and the Cree Regional Authority may initiate a review by submitting to the Board, with a copy to the other party, a written notice signed by, in the case of Québec, the Minister or one of the members of the Board appointed by Québec and, in the case of the Cree Regional Authority, its Chairman or one of the members of the Board appointed by the Cree Regional Authority, requesting the review of any aspect of the program;

*b)* the Board shall consider the request within the 90 days following receipt of the written notice referred to at sub-paragraph *a* or within any other period agreed to by the Minister and the Chairman of the Cree Regional Authority;

*c)* if the Board does not arrive at a solution satisfactory to both the Minister and the Chairman of the Cree Regional Authority, it shall again consider the matter within 150 days of the date of the receipt of the notice referred to in sub-paragraph *a* or within any other period agreed to by the Minister and the Chairman of the Cree Regional Authority;

*d)* should the Board, after considering the matter as provided in sub-paragraph *c*, fail to reach a position acceptable to the Minister and the Chairman of the Cree Regional Authority, it shall so notify the Minister and the Chairman of the Cree Regional Authority who may within 45 days following the date of the receipt of such notice from the Board or within any other period agreed to by the Minister and the Chairman of the Cree Regional Authority:

- i.* determine an agreed upon solution;
- ii.* designate a third party to inquire, collect relevant information and draft recommendations;
- iii.* institute a mediation process agreed upon; or
- iv.* institute the binding arbitration process provided for at sub-paragraph 30.10.9 *b*;

*e)* if an agreement between the Minister and the Chairman of the Cree Regional Authority is achieved, the parties shall within a reasonable delay take the necessary measures to implement their agreement;

f) if there is no agreement between the Minister and the Chairman of the Cree Regional Authority pursuant to sub-paragraph *d* and the parties have not instituted the binding arbitration process provided for at sub-paragraph 30.10.9 *b*, Québec, the Cree Regional Authority and the Board shall include the issue in question in the next review of the program held pursuant to paragraph 30.10.1.

### 30.11 Final Provisions

30.11.1 Subject to modification by the mutual consent of Québec and the Cree Regional Authority, the total number of remunerated person/days contemplated at paragraph 30.4.3 in each program-year shall not exceed three hundred and fifty thousand (350 000) person/days and the total number of remunerated person/days contemplated at paragraph 30.4.7 in each program-year shall not exceed one hundred thousand (100 000) person/days or, in either case, such greater number of person/days as may be fixed by Québec after consultation with the Board.

30.11.2 At least one hundred and eighty-five thousand (185 000) person/days or any greater number of such days as may be fixed by Québec after consultation with the Board, must be spent in harvesting or related activities while other days may be spent in such activities or in land development activities having been the subject of a decision of the Minister pursuant to paragraph 30.3.8.

30.11.3 In the event that, at the commencement of a program year, the Board determines that the estimated total person/days to be remunerated under paragraph 30.4.3 exceeds three hundred and fifty thousand (350 000), it shall review the operation of the program and recommend appropriate measures to be implemented in succeeding years in order to give effect to the provisions of paragraph 30.11.1 or any modifications pursuant thereto.

30.11.4 If, for any program year, the demand for days to be remunerated under paragraph 30.4.7 exceeds 100 000 days, the Board shall, in order to comply with paragraph 30.11.1, determine how the available 100 000 days shall be allocated to beneficiary units claiming such days under paragraph 30.4.7 for that program year.

30.11.5 If, for any program year, the demand against the communal bank for the payment of sick days exceeds the number of days in the communal bank after the payment of days lost due to disasters, the Board shall determine how the days available in the communal bank shall be allocated to beneficiary units claiming such days for that program year.

30.11.6 If, for any program year, the demand for payments due to disasters pursuant to paragraph 30.7.9 exceeds 500 days, the Board shall determine how the days available shall be allocated to beneficiary units claiming such days for that program year.

30.11.7 In the event that the Minister does not receive the recommendation referred to at paragraph 30.11.3 before December 31 of any given year or if he has cause to believe that such recommendations will not give proper effect to the provisions of paragraph 30.11.1, he may, after further consultation with the Board, effect such modifications as are necessary to give proper effect to the provisions of the said paragraph.

30.11.8 Notwithstanding any other Act, the Board may when appropriate obtain from any government department or body any information that it considers necessary respecting the benefits of any kind which such department or body has paid, is paying or would be authorized to pay to any person who receives or applies for benefits under the program.
