## Decision No. 1

CONCERNING the suspension of the issue of bingo licences for the 2004-2005 period

WHEREAS, under section 50.0.1 of the Act respecting lotteries, publicity contests and amusement machines (R.S.Q., c. L-6), hereinafter called "the Act", the Régie des alcools, des courses et des jeux (the board) may, in plenary session, if the public interest so requires, suspend the issue of licences for all or part of the territory of Québec for the period, not exceeding one year, determined by the board;

WHEREAS a suspension measure taken under that section applies to licence applications filed before the measure becomes effective and in respect of which the board has not made a decision;

WHEREAS a suspension measure may indicate the licence applications that are exempted from its application;

WHEREAS a suspension measure must be submitted to the Government for approval and shall take effect on the date of its publication in the *Gazette officielle du Québec* or on any later date mentioned therein;

WHEREAS the board is the body responsible for issuing the licences necessary to conduct bingo as a lottery scheme, for establishing the conditions attached to the licences and monitoring their use, and for seeing to the protection and safety of the public;

WHEREAS in the last few years the bingo sector has been undergoing major reform aimed at providing a solution to the various problems faced by charitable and religious organizations;

WHEREAS the main problems encountered with this lottery scheme are deficiencies in control measures affecting the integrity of the game, the existence of tensions between the various stakeholders, and the saturation of the market, especially in some cities or regions of Québec, because of an excessive number of outstanding licences, which has had the effect of decreasing the percentage of profits going to the recipient organizations;

WHEREAS the reform was initiated in 1997 by the coming into force of the Act to amend the Act respecting lotteries, publicity contests and amusement machines (1997, c. 54), which among other things empowered the board to suspend the issue of bingo licences on certain conditions;

WHEREAS the power to suspend the issue of licences was maintained on the passage in December 2001 of the Act to amend the Act respecting lotteries, publicity contests and amusement machines and the Act respecting the Régie des alcools, des courses et des jeux (2001, c. 65), although the conditions for doing so were modified by that Act;

WHEREAS since 27 September 1997, the board has suspended the issue of bingo licences and, since 25 November 2000, the issue of bingo hall manager's licences, on the conditions prescribed by the applicable texts as they read at all material times, with a view to re-establishing an orderly development of the bingo industry in Québec;

WHEREAS in association with the taking of the suspension measures, the board consulted extensively in the spring of 1999, which resulted in the submission to the Minister of Public Security of a report entitled "Le Bingo au Québec, État de la question et pistes de solution", made public on 12 April 2000;

WHEREAS the report was an assessment of the bingo reform accomplished up to that date and identified the remaining problems associated with this area of activity;

WHEREAS the report proposed a plan of action aimed at pursuing the impetus given to bingo activities in Québec, particularly where bingo serves as a fund-raising mechanism for charitable and religious organizations ;

WHEREAS the primary objective of the plan of action was to enable bingo to develop harmoniously as a lottery scheme, to enhance the integrity of the game and to maximize the financial benefits for the eligible charitable and religious organizations ;

WHEREAS in December 2001, the Act to amend the Act respecting lotteries, publicity contests and amusement machines and the Act respecting the Régie des alcools, des courses et des jeux introduced new provisions ;

WHEREAS section 57.0.1 of the Act established two consultative bodies in the bingo sector, namely the Forum des organismes de charité ou religieux titulaires de licence de bingo and the Secrétariat du bingo, each composed of partners in this field of activity, thereby creating exchange and coordination groups, with the additional objective of creating representative consultative bodies for dealings with the board ;

WHEREAS an interim board of directors was named for each of the consultative bodies on 17 April 2002, following the appointment by the Minister of Public Security of members from the industry, although neither body has as yet elected its board of directors ;

WHEREAS in order to implement the plan of action, the board has on occasion seen fit to maintain the application of the suspension measures pertaining to the issue of bingo licences and bingo hall manager's licences, the last two measures being effective from 23 December 2003 to 22 December 2004 ;

WHEREAS, despite several consultations with the stakeholders in the industry and the amendments to the Act, there continues to be disagreement as to how bingo should be developed ;

WHEREAS the survival of bingo as a lottery scheme intended to be a fund-raising mechanism for charitable and religious organizations requires an in-depth rationalization of the market in order for a balance to be achieved ;

WHEREAS enhanced integrity of the lottery scheme and improved relations among the various stakeholders are elements in the reform that remain to be accomplished ;

WHEREAS accomplishing the reform undertaken requires maintaining the suspension measures in certain areas that have been especially affected by the different problems the reform is seeking to solve ;

WHEREAS it is therefore essential to the fulfilment of the above-mentioned objectives that the board once again suspend the issue of bingo licences in part of the territory of Québec ;

WHEREAS certain Native communities maintain their desire to assume greater autonomy as regards the issue of bingo licences on their reserve or in their settlement determined by regulation, as authorized by the second paragraph of section 34 of the Act ;

WHEREAS there is no need to deprive all charitable or religious organizations of the attendant benefits from the issue of a bingo licence when circumstances allow for the presence of new bingo licences because of the satisfactory profitability of the licences already in operation ;

WHEREAS the issue of recreational bingo licences under which the total maximum value of the prizes is \$200 or less has no significant impact on the profitability of the other bingo licences issued in the surrounding area ;

THEREFORE, the board, meeting in plenary session on 6 December 2004, hereby decides to suspend the issue of bingo licences for a period of one hundred eighty days, calculated from the effective date of this suspension measure, for all of the territory of Québec, except :

(1) a territory where a Native community referred to in the second paragraph of section 34 of the Act resides and for which a local body is duly designated ;

(2) the territory consisting of the territory of the following regional county municipalities :

Rimouski-Neigette, Charlevoix-Est, Charlevoix, L'Île d'Orléans, La Jacques-Cartier, La Nouvelle-Beauce, Robert-Cliche, L'Érable, Mékinac, Bécancour, Coaticook, Memphrémagog, La Haute-Yamaska, Maskinongé, Le Haut-Saint-Laurent, La Vallée-de-la-Gatineau, Témiscamingue, Sept-Rivières, Minganie ;

(3) the territory consisting of the territory of the following local municipalities :

Les Îles-de-la-Madeleine, Ville de Shawinigan, Ville de Mirabel, Ville de Lévis, Côte-Nord-du-Golfe-du-Saint-Laurent, Gros-Mécatina, Saint-Augustin, Blanc-Sablon, Bonne-Espérance ;

(4) the territory consisting of the territory of the Kativik Regional Government ; and

(5) the territory consisting of the territory of the Reserve of La Romaine and the territory of the Native Settlement of Pakuashipi.

The suspension measure does not apply to an application for a recreational bingo licence under which the total maximum value of the prizes is \$200 or less.

The suspension measure applies to bingo licence applications received before or after the date on which the suspension measure becomes effective and in respect of which the board has not made a decision.

The suspension measure shall not prevent the board from modifying the operating conditions for a bingo licence in force on the date on which the suspension measure becomes effective, particularly with regard to the number of events, the hours, days and place of operation and the value of the prizes offered.

The suspension measure shall not prevent the board from issuing a bingo licence to a holder of a bingo licence in force on the date on which the suspension measure becomes effective.

Subject to its approval by the Government, this suspension measure becomes effective on 23 December 2004 or on the date of its publication in the *Gazette officielle du Québec* if that date is later.

and occupational diseases  
(R.S.Q., c. A-3.001)

### Table of income replacement indemnities for 2005

Notice is hereby given that the Commission de la santé et de la sécurité du travail adopted the final text of the “Regulation respecting the table of income replacement indemnities for 2005”, the text of which appears below.

This Regulation was prepublished in accordance with the Regulations Act (R.S.Q., c. R-18.1) on page 2068 of the *Gazette officielle du Québec* of 30 June 2004 with a notice that, upon the expiry of 45 days following that publication, the Commission de la santé et de la sécurité du travail could adopt the final text.

In accordance with section 18 of the Regulations Act (R.S.Q., c. R-18.1), a regulation may come into force in a shorter time period than the one stipulated in section 17 of said Act when the authority that has made the regulation is of the opinion that the urgency of the situation warrants it;

Pursuant to section 18 of said Act, the reason justifying such coming into force shall be published with the regulation;

In the opinion of the Commission, the urgency of the following circumstances justifies such a coming to force of the “Regulation respecting the table of income replacement indemnities for 2005”

— That the Commission was unable to adopt this regulation before 16 December 2004;

— That this regulation must be in force on 1 January 2005 to allow the Commission to pay the indemnities to which workers are entitled effective from that date;

Pursuant to section 63 of the Act respecting industrial accidents and occupational diseases, the “Regulation respecting the table of income replacement indemnities for 2005” has effect from 1 January 2005.

## Draft Regulations

### Draft Regulation

Forest Act

(R.S.Q., c. F-4.1 ; 2004, c. 6)

#### Forestry fund

#### — Contribution of holders of certain contracts and agreements

#### — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting the contribution of holders of certain contracts and agreements to the forestry fund, the text of which appears below, may be made on the expiry of 45 days following this publication.

The purpose of the draft Regulation is to set a rate per cubic metre of timber applicable to the volume of timber acquired from the holder of a timber supply and forest management agreement by the holder of a wood processing plant operating permit under section 92.0.2 of the Forest Act (R.S.Q., c. F-4.1), amended by section 4 of chapter 6 of the Statutes of 2004. It also sets a rate per cubic metre of timber applicable to the volume of round timber indicated in the accreditation of the holder of a wood processing plant operating permit for the purpose of obtaining, for a forest management unit, a forest management permit for the supply of the permit holder's wood processing plant, in particular where a volume of timber is made available following a person's waiver of the right provided for in a reservation agreement or by reason of the failure by that person to exercise that right in a previous year, under sections 92.0.3 and 92.0.11 of the Forest Act.

One of the effects of the draft Regulation on businesses, particularly on small and medium-sized businesses, will be to increase by approximately \$350,000 per year their possible contribution to the forestry fund insofar as they request the additional timber made available as holders of wood processing plant operating permits.

Further information on the draft Regulation may be obtained by contacting Daniel Saint-Onge, Direction de la coordination sectorielle, Ministère des Ressources naturelles, de la Faune et des Parcs, 880, chemin Sainte-Foy, 10<sup>e</sup> étage, Québec (Québec) G1S 4X4, telephone : (418) 627-8658, fax : (418) 528-1278.

Any interested person having comments to make on the draft Regulation is asked to send them in writing, before the expiry of the 45-day period, to the Minister of Natural Resources, Wildlife and Parks, 5700, 4<sup>e</sup> Avenue Ouest, bureau A-308, Charlesbourg (Québec) G1H 6R1.

**Operating permits for wood processing plants**  
**— Various regulatory provisions in penal matters**  
**made under the Act**  
**— Amendments**

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting operating permits for wood processing plants and various regulatory provisions in penal matters made under the Forest Act, the text of which appears below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation amends the Regulation respecting operating permits for wood processing plants to reflect the amendments made to section 165 of the Forest Act by section 43 of chapter 16 of the Statutes of 2003 concerning the validity period of operating permits for wood processing plants. It also clarifies the conditions to be met by holders of operating permits for wood processing plants, in particular when they apply for a permit renewal.

The draft Regulation modifies the fines provided for in the Regulation respecting operating permits for wood processing plants and in certain other regulations made under the Forest Act. The fines are determined on the basis of the seriousness of the offence. The draft Regulation determines, pursuant to subparagraph 19 of the first paragraph of section 172 of the Forest Act, replaced by paragraph 7 of section 119 of chapter 6 of the Statutes of 2001, which of the fines provided for in the new section 186.9 of the Forest Act apply in the case of a person contravening a regulatory provision.

The draft Regulation has no significant impact on the public or on enterprises, apart from an increase in the amount of certain fines.

Further information on the draft Regulation may be obtained by contacting Pierre Cornellier, Bureau du sous-ministre associé aux Forêts, Ministère des Ressources naturelles, de la Faune et des Parcs, 880, chemin Sainte-Foy, 10<sup>e</sup> étage, Québec (Québec) G1S 4X4; telephone: (418) 627-8658 extension 4003; fax: (418) 646-3387; e-mail: pierre.cornellier@mrnfp.gouv.qc.ca
