EXPLANATORY NOTES

This bill authorizes the Government to pay out of the consolidated revenue fund, for the fiscal year 2007-2008, a sum not exceeding \$30,535,668,120.00, including \$449,000,000.00 for the payment of expenditures chargeable to the 2008-2009 fiscal year, representing the estimates in respect to each of the programs in the portfolios listed in Schedules 1 and 2, less the amounts already provided by the special warrant, issued as a result of section 51 of the Public Administration Act.

Moreover, the bill indicates which programs are covered by a net voted appropriation and specifies the amount of appropriations not entirely expended that may be carried over to 2008-2009. It establishes to what extent the Conseil du trésor may authorize the transfer of appropriations between programs or portfolios.

Bill 14

APPROPRIATION ACT NO. 1, 2007-2008

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

1. The Government may draw out of the consolidated revenue fund a sum not exceeding \$30,535,668,120.00 to defray a part of the Expenditure Budget of Québec tabled in the National Assembly for the fiscal year 2007-2008, for which provision has not otherwise been made, including an amount of \$449,000,000.00 for the payment of expenditures chargeable to the fiscal year 2008-2009.

This maximum amount, as well as the amounts provided by the 2006-2007 special warrant No. 1, issued on 21 February 2007, are broken down by program in the following Schedules 1 and 2.

2. Notwithstanding sections 86 and 92 of the Financial Administration Act (R.S.Q., chapter A-6.001), expenditures and other costs associated with the special warrant specified in section 1 are part of the detailed presentation of accounts for each of the programs concerned in accordance with the Expenditure Budget tabled in the National Assembly by the chair of the Conseil du trésor for the 2007-2008 fiscal year.

3. The balance of any appropriations allocated for the fiscal year 2007-2008 that are not entirely used may, subject to the conditions stipulated in the Expenditure Budget, be carried over in 2008-2009, up to the equivalent of \$139,384,800.00. Moreover, the Conseil du trésor may authorize the carry-over of an additional \$126,394,900.00 subject to the conditions and procedures stipulated in the Expenditure Budget.

4. In the case of programs in respect of which a net voted appropriation appears in the Expenditure Budget, the amount of the appropriation pertaining to the programs concerned may be increased, subject to the stipulated conditions, when the revenues associated with this net voted appropriation exceed revenue forecasts.

5. In the case of programs in which a provision has been made to this effect, the Conseil du trésor may authorize the transfer of a portion of an appropriation between programs or portfolios, for the reasons and, if need be, under the conditions described in the Expenditure Budget.

6. Except for the programs covered by section 5, the Conseil du trésor may authorize the transfer of a portion of an appropriation between programs in a given portfolio, provided that such a transfer does not increase or reduce by more than 10% the amount of the appropriation authorized by statute.

7. This Act comes into force on 20 June 2007.

Regulation to amend the Regulation respecting the standards for diploma or training equivalence for the issuing of a permit by the Ordre professionnel des denturologistes du Québec*

Professional Code
(R.S.Q., c. C-26, s. 93, pars. c and c.1)

1. The Regulation respecting the standards for diploma or training equivalence for the issuing of a permit by the Ordre professionnel des denturologistes du Québec is amended by striking out “by the Bureau of the Order” in paragraphs 1 and 2 of section 2.

2. Section 4 is replaced by the following:

“**4.** Despite section 3, where the diploma for which an equivalence application has been made was issued more than three years before the application and, considering the developments in the profession, the knowledge and skills certified by the diploma no longer correspond to the knowledge and skills being taught at the time of the application in a program of study leading to a diploma giving access to the permit issued by the Order, the candidate is granted a training equivalence pursuant to section 5 if the candidate has attained the required level of knowledge and skills since being awarded the diploma.”

3. Section 6 is revoked.

4. Section 7 is amended by replacing “candidate’s experience” in paragraph 1 by “candidate’s relevant work experience in the field of denturology”.

5. Sections 10 to 13 are replaced by the following:

“**10.** As regards diplomas obtained outside Québec, the secretary may require a candidate to obtain a comparative evaluation of studies outside Québec, issued by the Ministère de l’Immigration et des Communautés Culturelles.

* The Regulation respecting the standards for diploma or training equivalence for the issuing of a permit by the Ordre professionnel des denturologistes du Québec, approved by Order in Council 1025-2002 dated 4 September 2002 (2002, G.O. 2, 4769), has not been amended since.

11. The secretary must send the documents referred to in section 8 to the committee formed by the Bureau pursuant to paragraph 2 of section 86.0.1 of the Professional Code (R.S.Q., c. C-26) to examine applications for diploma or training equivalence and make an appropriate recommendation.

For the purposes of the recommendation, the committee may require a person making an equivalence application to successfully undergo an interview, pass an examination or complete a training period, or do all three.

12. At the first meeting following the date of receipt of a recommendation from the committee, the Bureau must decide, in accordance with this Regulation, whether it will grant the diploma or training equivalence and inform the candidate in writing within 30 days of its decision.

If the Bureau refuses to grant the equivalence or grants it in part, it must at the same time inform the candidate in writing of any programs of study, bridging programs, training periods or examinations which if successfully completed within the allotted time would enable the candidate to be granted the equivalence.

13. A candidate who is informed of the Bureau's decision not to grant the equivalence or to grant it in part may apply to the secretary in writing, with reasons, for a review within 30 days of receiving the decision.

The decision must be reviewed within 90 days of receipt of the application by a committee formed by the Bureau pursuant to paragraph 2 of section 86.0.1 of the Professional Code made up of persons other than members of the Bureau or the committee referred to in section 11. Before disposing of the review application, the committee must allow the candidate to make submissions.

A candidate who wishes to be present to make submissions must inform the secretary at least five days before the date set for the meeting. The candidate may, however, send written submissions to the secretary at any time before the date set for the meeting.

The decision of the committee is final and must be sent to the candidate in writing within 30 days following the date of the meeting.”.

6. A diploma or training equivalence application for which a recommendation was made pursuant to section 10 of the Regulation respecting the standards for diploma or training equivalence for the issuing of a permit by the Ordre professionnel des denturologistes du Québec approved by Order in Council 1025-2002 dated 4 September 2002, as it reads on (*insert the date that precedes the date of coming into force of this Regulation*), must be examined on the basis of the provisions replaced by this Regulation.

The person who made the recommendation to the Bureau in relation to a decision whose review is applied for cannot be a member of the committee formed to conduct the review.

7. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.
