EXPLANATORY NOTES

The purpose of this bill is to allow the Government to make a regulation creating a uniform framework governing residential swimming pool safety while making it possible for municipalities to adopt stricter standards than those thus set by the Government. The bill stipulates that municipalities will be responsible for ensuring compliance with the rules prescribed.

Bill 18

THE RESIDENTIAL SWIMMING POOL SAFETY ACT

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

1. The object of this Act is to promote the protection of persons by creating a uniform framework governing residential swimming pool safety.

To that end, the Government may, by regulation,

- (1) set residential swimming pool safety standards; and
- (2) determine when non-compliance with a standard set under subparagraph 1 constitutes an offence and establish the fines for such offences.

The first regulation made under the second paragraph must be examined by the competent committee of the National Assembly before it is adopted by the Government.

2. Local municipalities are to be responsible for ensuring compliance with the regulation made under section 1.

3. This Act does not prevent a local municipality from adopting safety standards stricter than those set out in the regulation made under section 1, provided they are not incompatible with them.

A municipal by-law containing a standard that is less strict than the standard set by the regulation made under section 1 is deemed to have been amended, and the standard set out in the by-law is deemed to have been replaced by the standard set by the regulation made under section 1.

4. The Minister of Municipal Affairs and Regions is responsible for the administration of this Act.

5. This Act comes into force on 25 October 2007.

GÉRARD BIBEAU,

Regulation respecting equivalence standards for the issue of a permit by the Ordre des opticiens d'ordonnances

Professional Code
(R.S.Q., c. C-26, s. 93, pars. *c* and *c.1*)

DIVISION I
GENERAL

1. This Regulation determines the diploma and training equivalence standards for the issue of a permit by the Ordre des opticiens d'ordonnances.

2. In this Regulation,

“diploma equivalence” means recognition, in accordance with subparagraph *g* of the first paragraph of section 86 of the Professional Code (R.S.Q., c. C-26), that a diploma awarded by an educational institution outside Québec certifies that the candidate’s level of knowledge and skills is equivalent to the level attained by the holder of a diploma recognized by the Government as giving access to the permit; and

“training equivalence” means recognition, in accordance with subparagraph *g* of the first paragraph of section 86 of the Code, that a candidate’s training has enabled the candidate to attain a level of knowledge and skills equivalent to the level attained by the holder of a diploma recognized by the Government that gives access to the permit.

DIVISION II
DIPLOMA EQUIVALENCE STANDARDS

3. A candidate who holds a diploma awarded by an educational institution outside Québec is granted a diploma equivalence if the diploma was obtained upon completion of studies at a level equivalent to college level comprising a minimum of 2,670 hours, including at least 2,010 hours of training specific to optics, apportioned as follows:

4. Despite section 3, if the diploma for which an equivalence application is made was obtained more than five years before the application and, considering the developments in the profession, the knowledge and skills certified by the diploma no longer correspond to the knowledge and skills being taught at the time of the application in the program of studies leading to a diploma recognized by the Government as giving access to a permit, the candidate is granted a training equivalence pursuant to section 5 if the candidate has attained the required level of knowledge and skills since being awarded the diploma.

DIVISION III
TRAINING EQUIVALENCE STANDARDS

5. A candidate is granted a training equivalence if the candidate demonstrates having a level of knowledge and skills equivalent to the level attained by the holder of a diploma recognized by the Government as giving access to a permit.

6. In assessing the training equivalence of a candidate, the following factors are taken into particular account:

(1) the nature and duration of the candidate’s work experience;

(2) the fact that the candidate holds one or more post-secondary diplomas awarded in Québec or elsewhere;

(3) the nature, content and duration of courses taken and the results obtained;

(4) training periods in the field of eye and vision care and other continuing training or upgrading activities; and

(5) the total number of years of schooling.

To complete the assessment of the level of knowledge and skills, the candidate may be required to come to an interview, sit for an examination or undergo a training period, or to satisfy any combination of those conditions.

DIVISION IV
DIPLOMA AND TRAINING EQUIVALENCE
RECOGNITION PROCEDURE

7. A candidate wishing to have a diploma or training equivalence recognized must

(1) make a written application to the secretary of the Order and submit the application examination fees prescribed by the Bureau of the Order under paragraph 8 of section 86.0.1 of the Professional Code;

(2) provide, if applicable, to the secretary of the Order,

(a) the original or a certified true copy of any diploma obtained;

(b) the candidate's academic record, including the official transcript of the results obtained bearing the seal of the educational institution, or a certified true copy thereof, a description of courses taken and the number of credits or hours for each course;

(c) an attestation by the educational institution that issued the diploma certifying the candidate's successful completion of training periods;

(d) an attestation of the candidate's participation in continuing training or upgrading activities in the field of eye and vision care;

(e) an attestation and description of the candidate's work experience in the field of eye and vision care;

(f) a certified true copy of the candidate's birth certificate or, failing that, a certified true photocopy of the candidate's passport; and

(g) a recent passport-type photo.

Documents in a language other than French or English submitted in support of an application must be accompanied by a French or English translation certified under oath by the translator.

8. The secretary must send the documents referred to in section 7 to a committee formed by the Bureau under paragraph 2 of section 86.0.1 of the Professional Code to examine diploma or training equivalence applications and make an appropriate recommendation.

9. At the first meeting following the date of receipt of the committee's recommendation, the Bureau must decide

(1) to grant the diploma or training equivalence;

(2) to grant the training equivalence in part; or

(3) to refuse to grant the diploma or training equivalence.

The Bureau must send the decision to the candidate in writing within 30 days of the decision.

If the Bureau refuses to grant the equivalence applied for or grants a training equivalence in part, it must at the same time inform the candidate in writing of any programs of study, bridging programs, training periods or examinations which if successfully completed within the allotted time would enable the candidate to be granted the training equivalence.

10. A candidate who is informed of the Bureau's decision not to grant the equivalence applied for or to grant it in part may apply to the Bureau for a review, provided that the candidate applies to the secretary in writing within 30 days of receiving the decision and submits the fees determined under paragraph 8 of section 86.0.1 of the Professional Code. The secretary must forward the application to the committee formed by the Bureau under paragraph 2 of section 86.0.1 of the Professional Code to examine review applications for diploma or training equivalence. The committee is composed of persons other than members of the Bureau or the committee referred to in section 8.

The committee must meet and examine the application within 60 days following the date of receipt of the application by the secretary and, before disposing of the application, allow the candidate to make submissions at the meeting.

A candidate who wishes to be present at the meeting to make submissions must notify the secretary at least five days before the date set for the meeting. The candidate may, however, send written submissions to the secretary at any time before the date set for the meeting.

The decision of the committee is final and must be sent to the candidate in writing by certified mail within 30 days following the date of the decision. The Bureau must also be informed of the committee's decision.

COOPERATION AGREEMENT

BETWEEN

THE ORDRE DES COMPTABLES AGRÉÉS DU QUÉBEC, "THE ORDRE"

AND

THE CANADIAN PUBLIC ACCOUNTABILITY BOARD "CPAB"

WHEREAS the Ordre carries out a mandate to protect the public in Quebec and, to this end, is entrusted by law with the duty to supervise the practice of the profession by its members, in particular the audit of companies by chartered accountants;

WHEREAS the mission of CPAB is to contribute to public confidence in the integrity of financial reporting of reporting issuers that are subject to securities regulation in one or more provinces in Canada by promoting high-quality, independent auditing of these companies and, to this end, CPAB develops and implements an oversight program that includes regular and rigorous inspections of accounting firms that audit reporting issuers and agree to take part in the program (the "participating firms");

WHEREAS Quebec securities regulations require reporting issuers to have the audit report on their financial statements prepared by a participating firm;

WHEREAS the Ordre and CPAB agree to cooperate in Quebec in discharging their respective mandates and responsibilities and, to this end, wish to exchange the information required to carry out their inspection, investigation and monitoring activities in respect of chartered accountants and firms providing audit services to reporting issuers, with a view to improve their efficiency and effectiveness and to minimize duplication of efforts;

WHEREAS the Parties wish to preserve their independence in carrying out their respective missions;

WHEREAS the Ordre and CPAB agree to discharge their respective mandates and responsibilities in accordance with the laws of Quebec;

WHEREAS the professional secrecy obligations of Quebec chartered accountants are recognized in Quebec's Charter of Human Rights and Freedoms;

WHEREAS the Act to amend the Chartered Accountants Act (2006, c. 19) came into force on June 14, 2006 and the Parties wish to enter in an agreement contemplated by such Act to authorize the exchange of information between the Parties and disclosure of information by Québec chartered accountants despite their obligation of professional secrecy;

WHEREAS the Parties recognize that the information to be transmitted by each of them to the other pursuant to this Agreement is needed solely for the purpose of permitting the receiving Party to execute its independent inspection, discipline, review proceeding, dispute resolution process and any investigation or inquiry functions;

THE PARTIES HERETO AGREE TO THE FOLLOWING PROVISIONS:

SECTION 1 GENERAL PROVISION

The Parties agree that CPAB shall operate in Quebec, in accordance with its rules and by-laws, a program to monitor, inspect and investigate participating firms.

SECTION 2 INSPECTION AND INVESTIGATION

1. The Parties shall strive to coordinate their respective inspections of participating firms. To this end, each Party shall forward to the other its inspection program in respect of the Quebec operations of participating firms on a timely basis, so that each Party can take it into account in preparing its own program, and shall also forward its inspection schedule.

2. CPAB shall require that all participating firms notify all of their reporting issuer clients that the audit file of such reporting issuers may be reviewed by CPAB in the course of it carrying out its operations in accordance with its mission. In addition, CPAB shall not, in the course of its inspection and investigation of the Quebec operations of a participating firm, examine the files of any non-reporting issuer clients of such participating firm, and shall not require the disclosure of confidential information relating to any specific non-reporting issuer client without the consent of such non-reporting issuer having been obtained by the participating firm.

3. CPAB agrees to transmit to the Ordre, promptly upon becoming aware of it, any information that appears to reveal a breach of the Ordre's rules of professional conduct.

4. Each Party shall transmit to the other Party, promptly upon becoming aware of it, any information obtained during an inspection or investigation into the competence of a member when such information reveals a serious departure from generally accepted accounting principles, generally accepted auditing standards, assurance standards, applicable independence standards or the general standards of quality control of a participating firm.

5. CPAB shall inform the Ordre of its intention to launch an investigation into a violation of CPAB rules involving a participating firm in Quebec, together with the reasons that would justify such investigation. CPAB shall inform the Ordre of the essential steps involved in the investigation process.

SECTION 3 INSPECTION AND INVESTIGATION REPORTS

1. CPAB shall send the Ordre the final inspection reports and investigation decisions it prepares on the Quebec operations of participating firms and shall provide the Ordre with access to the related working papers.

2. The Ordre shall transmit to CPAB the information contained in the final report on an inspection or an investigation into the competence of a member conducted by the Ordre within a participating firm, where such information deals with the firm's activities in respect of a reporting issuer or with the quality control applied by the firm, and provided that any portion of such information that permits the identification a specific non-reporting issuer client of such firm shall be redacted from the information provided to CPAB. The Ordre shall provide CPAB with access to the working papers related to this information.

3. CPAB shall agree that it does not intend to ask a participating firm to provide to it any inspection or investigation reports produced by the Ordre.

SECTION 4 MEASURES IMPOSED BY THE PARTIES

1. CPAB shall inform the Ordre about the results of an inspection or investigation of a participating firm in regard to its Quebec operations, in particular of any requirement, restriction or sanction CPAB shall impose, or gives notice to a participating firm that it intends to impose, as a result of such participating firm's operations in Quebec. CPAB shall also inform the Ordre about any application for a review proceeding made by a participating firm in respect of such imposition or intended imposition.

2. The Ordre shall inform CPAB about any complaint lodged with the Committee on Discipline of the Ordre, and about any measure taken in respect of a member of a participating firm resulting from an inspection.

3. The Ordre shall inform CPAB about any limitation or suspension of the right to practice imposed on a member of a participating firm, or whether such member has been struck off the membership Roll.

4. The Parties shall agree that each Party is entitled to take any measure it deems useful in exercising its rights or powers, without being required to consider actions taken by the other Party.

SECTION 5 CONFIDENTIALITY

1. The Parties shall agree not to use any confidential information obtained pursuant to this Agreement other than for purposes of carrying out their respective missions, which, in the case of CPAB, it carries out in accordance with its rules and by-laws through inspections, investigations or review proceedings or the imposition of recommendations, requirements, restrictions or sanctions.

2. The Parties shall agree to exchange confidential information only by secure means and to take any measures required to safeguard confidentiality.

Such information may only be disclosed to persons within a Party whose functions or duties include receiving, using or consulting such information.

3. Each Party shall agree to maintain at least the same confidentiality regarding confidential information obtained pursuant to this Agreement as it would for information of the same nature it holds.

More particularly, CPAB shall agree to maintain the same confidentiality regarding confidential information obtained pursuant to this Agreement, as would be required for the Ordre for information obtained or held by the Ordre in the exercise of the powers granted by the Professional Code (R.S.Q., c. C-26).

4. In the event of any demand being received by a Party to disclose any confidential information obtained pursuant to this Agreement, which demand the Party receiving it believes it might be compelled to comply with, the Party receiving the demand shall promptly notify the other Party of the details of the demand and shall cooperate with such other Party in exercising all available rights and remedies.

5. No consent or disclosure pursuant to this Agreement shall be deemed to constitute or authorize the waiver of any confidentiality or privilege granted to such information under applicable laws.

The disclosure pursuant to this Agreement of information protected by the professional secrecy of chartered accountants in Québec does not constitute a waiver of such professional secrecy.

Except as otherwise provided for the members of the Ordre in this Agreement or in the Chartered Accountants Act (R.S.Q. c. C-48), nothing in this Agreement is intended to or shall limit or restrict any professional secrecy that may exist in respect of information held by a participating firm or a chartered accountant.

SECTION 6 MISCELLANEOUS PROVISIONS

1. CPAB shall agree to keep the Ordre informed about any amendments to CPAB's rules and operations that may affect the Ordre in fulfilling its mission among the members of participating firms or the application of this Agreement.

2. The Parties agree that they are separate and independent bodies and are entering into this Agreement solely for the purposes of facilitating their independent operations while meeting the requirements of sections 22.1, 22.2 and 22.3 of the Chartered Accountants Act. Furthermore, the Parties confirm that, after entering into this Agreement, they will continue to be operating independently and neither Party will be acting on behalf of or as agent for the other Party and the documents held by each Party will not be held for the benefit of or on behalf of the other Party.

3. CPAB shall agree to provide information reasonably requested by the Ordre in order to assist the Ordre to prepare its annual report on the implementation of this Agreement.

SECTION 7 FINAL PROVISIONS

1. The Agreement shall be in effect for five years commencing on the date that it comes into force. The Parties shall agree that, at least eighteen months prior to the expiry of the Agreement, they will consult with each other on the advisability of its renewal, with or without amendments.

2. The Parties shall agree that, despite the termination of this Agreement, whatever the cause, they shall remain bound by the obligation of confidentiality and professional secrecy set out herein.

3. The Parties shall consult promptly, at the request of either, concerning any question or difficulty arising as to the interpretation or the application of this Agreement.

4. This Agreement shall come into force after approval of the Government, ten days following its second publication in the *Gazette Officielle du Québec*.

5. This Agreement is governed by the laws applicable in Quebec. In the event of a dispute, the courts of the District of Montreal have competent jurisdiction to dispose of the matter.

6. Either Party may, upon a three-month written notice to the other Party, terminate this Agreement, if it is of the opinion that changes made to the rules governing either Party may jeopardize the continued pursuit of the Agreement. Before giving such a notice, a Party must have entered into consultation with the other Party with a view to resolve the concern.

Signed in Montreal, on this ____ day of _____, 2007, in duplicate, in French and English. Both versions of this Agreement are equally authentic.
