Declaration of a special planning zone in the territory

WHEREAS, under section 158 of the Act respecting land use planning and development (R.S.Q., c. A-19.1), the Government may, by order, declare any part of the territory of Québec to be a special planning zone for the purpose of solving a development or environmental problem whose urgency or seriousness, in the opinion of the Government, warrants its intervention;

WHEREAS the absence of a hospital facility suited to adequately meet current health needs is a serious situation, likely to harm the citizens of the greater Montréal area and of Québec as a whole in matters of health;

WHEREAS it is in the public interest to offer the population concerned a new large-scale hospital centre as soon as possible;

WHEREAS the by-laws applicable in the part of the territory of the city where the hospital centre is to be built have been, prior to their adoption, the subject of public consultations by the Office de consultation publique de Montréal in accordance with section 89.1 of the Charter of Ville de Montréal (R.S.Q., c. C-11.4);

WHEREAS the hospital centre project cannot be carried out under the applicable municipal by-laws;

WHEREAS the Government is of the opinion that it is a development problem whose seriousness warrants the Government's intervention;

WHEREAS it is important, in the public interest, to amend the land use planning and development by-laws to allow the construction of the hospital centre as soon as possible and in the best conditions;

IT IS ORDERED, therefore, on the recommendation of the Minister of Municipal Affairs, Regions and Land Occupancy:

(2) to allow the carrying out of the project in the part of the city best suited for the project and in the best building conditions given the surrounding environment in terms of planning and development;

(3) to avoid that the health of the population concerned be put at risk by the absence of a hospital facility suited to adequately meet current health needs;

(5) article 14 is replaced by the following:

“14. Despite section 12, any construction erected on the site of building 10 shown on schedule E must integrate the bell tower of the existing building.”;

(6) the number of 1,100 parking units mentioned in paragraph 1 of article 19 is replaced by 2,052;
