Regulation respecting continuing education for certified general accountants holding a public accountancy permit

Professional Code
(R.S.Q., c. C-26, s. 187.10.2, 2nd para.;
2009, c. 35, s. 22)

DIVISION I CONTINUING EDUCATION

1. A member of the Ordre des comptables généraux accrédités du Québec holding a public accountancy permit shall, unless exempt pursuant to division IV, accrue at least 60 hours of continuing education activities per three-year reference period, with a minimum of 20 hours in each reference year. The 60 hours shall relate to the audit engagement, the review engagement and other activities related to public accountancy.

The member shall choose the continuing education activities that are best suited to his needs. He shall choose continuing education activities among those provided for in the program developed by the Order in accordance with section 4.

Continuing education activities shall include:

(1) continuing education courses organized or offered either by the Order or by a person or organization recognized by the Board of Directors;

(2) courses offered by educational institutions or by other professional orders;

(3) symposiums, seminars or conferences of a technical or educational nature;

(4) participation in courses or structured training activities offered in the workplace;

(5) participation in various structured training sessions, particularly seminars or case studies;

(6) participation in distance learning activities;

(7) acting as a lecturer, instructor or preparer for activities contemplated in paragraphs 1 to 6;

(8) participation in research projects;

(9) authorship of specialized published articles.

However, as part of the 60 hours to be accumulated in a given reference period, the Board of Directors may impose on a member holding a public accountancy permit a specific continuing education activity listed among the activities provided for in the program contemplated in section 4.

2. A member to whom the Order issues a public accountancy permit more than 4 months after the start of a year in the reference period shall, unless exempt pursuant to division IV, accumulate a minimum of 1.5 continuing education hours for each full calendar month by the end of the current reference year. Such person shall also accumulate at least 20 hours per full reference year.

DIVISION II CONTINUING EDUCATION ACTIVITIES PROGRAM

3. A continuing education activity must allow members to maintain and develop skills and professional, legal or ethical knowledge relating to the practice of public accountancy.

4. The Order shall establish the program of continuing education activities to be followed by the member holding a public accountancy permit. The Order shall:

(1) set the start and end date of the reference period contemplated in the first paragraph of section 1;

(2) determine which continuing education activities shall be provided as part of the program in the sectors referred to in the first paragraph of section 1 and the persons, organizations or educational institutions that may organize or offer them;

(3) determine, as appropriate, the activities it will impose under paragraph 4 of section 1;

(4) establish, where appropriate, criteria for calculating the eligible duration of these activities for the computation of the number of hours required under section 1, where that number differs from the actual duration of the activity.

When determining the activities that are included in the program and, where appropriate, establishing the criteria for calculating the eligible duration of an activity, the Order shall take into consideration the following criteria:

(1) the relevance of the training activity;

(2) the competence and qualifications of the instructor in relation to the subject matter;

(3) the fact that the training activity meets a need;

(4) compliance with the continuing education objectives set out in section 3;

(5) the fact that the training activity objectives are verifiable and set out in a clear and concise manner;

(6) the framework within which the training activities are provided;

(7) if applicable, the quality of the materials provided;

(8) the existence of a certificate of attendance or of an evaluation;

(9) the fact that the continuing education activity has been developed, supervised or provided by the Order, an instructor or a team of competent instructors recognized by the Board of Directors.

DIVISION III VERIFICATION

5. Members shall submit to the Order, no later than 60 days after the end of each reference year within a reference period, a duly completed and signed training activity report using the form provided by the Order. They shall indicate therein the training activities engaged in during the reference year, the name of the person,

body or educational institution organizing or offering the activity, the marks obtained, the number of hours completed, as well as the activities in respect of which they have obtained an exemption in accordance with division IV.

To determine whether the member has met the requirements of this Regulation, the Order may require relevant and reliable supporting documents in addition to the training activity report, including receipts identifying the activities engaged in, their duration and content, the organization and/or person offering the activity and, if applicable, a certificate of attendance or attestation of results obtained.

6. Successful completion of the training activity or, if there is no evaluation, the member's attendance, are the criteria by which the Order recognizes that members have engaged in a training activity for the purposes of meeting the requirements of this Regulation.

However, where the activity is not evaluated and attendance is not required, the Order shall recognize that members have engaged in a training activity if the members attest to having acquired sufficient knowledge of the activity's content to adequately carry out their professional activities.

Where the Order has identified training activities that members are required to attend, their attendance may be verified by any means established by the Order, in particular an attendance sheet signed by the member.

7. No later than 180 days following the ultimate deadline for filing of the training activity report, the Order shall send a notice to the member specifying the hours which it recognizes and does not recognize as well as a statement listing the cumulative number of training activity hours for the previous year and for the given reference year.

8. Members may request a review of the Order's decision by submitting a written application to the committee set up by the Board of Directors within 30 days of receipt of the notice provided for in section 7.

This committee shall be made up of persons who have not taken part in the decision in respect of which a review is requested.

9. Members shall keep the documents in support of their reported hours, including the attendance sheet and proof of registration, for 24 months following the end of the reference period in question.

DIVISION IV **EXEMPTIONS FROM CONTINUING EDUCATION** **ACTIVITIES**

10. Members who have attended or intend to attend a training activity that is not listed in the program of activities adopted by the Order are exempted, for a given reference period, from having to attend a training activity provided for in this program as long as the content of the unlisted activity is equivalent to that of an activity listed in the program.

11. Members may be exempted pursuant to section 10 if they submit a written request for recognition of the activity to the Secretary of the Order, at least 30 days before the scheduled date of the activity or within 60 days of having attended such activity, as the case may be.

In the latter case, a certification of the attendance of the activity by the member or of his successful completion thereof or, if need be, of the transcript indicating the grade received shall be sent along with the request.

The request shall include the following information:

- (1) a description of the training activity in question;
- (2) the duration of the activity;
- (3) the number of continuing education hours requested for this activity;
- (4) if the request is made prior to the training activity taking place, the name and address of the person, organization or institution responsible for the activity;
- (5) any other information deemed relevant for the purposes of recognition of the training activity.

12. Members shall be exempted, for a given reference period, from having to attend training activities provided for in the program of activities adopted by the Order if they are able to demonstrate that they are unable to attend.

The fact that the Disciplinary Board or the Professions Tribunal has suspended or struck a member off the Roll, or that the Board of Directors has suspended or imposed limitations on a member's right to engage in professional activities, does not constitute an inability to attend.

Exemptions are not to exceed a maximum period of one year and are renewable.

13. Members may obtain an exemption pursuant to section 12 if they notify the Secretary of the Order in writing specifying the reasons for the exemption request and providing, as the case may be, a doctor's note or any other evidence attesting to the fact that they are unable to attend.

As soon as the inability to attend shall have ceased, the member shall notify forthwith the Secretary of the Order in writing and satisfy the obligations provided for in this Regulation, according to the terms and conditions set by the executive committee.

14. Where the executive committee grants an exemption to a member, it shall determine the number of hours which the latter is not required to complete during a given reference period.

The executive committee shall provide the member with its written decision setting out its reasons within 60 days following receipt of the application for exemption.

DIVISION V **PENALTIES**

15. The Order shall send a notice to those members who fail to comply with their continuing education requirements, which notice shall set out the unfulfilled obligations and the penalties members face and the timeframe allowed for remedial action, which cannot be less than 30 days or more than 60 days and begins with the receipt of the notice.

Training hours completed after receiving a default notice may only be credited to the reference period during which the member was in default.

16. The Order shall send a final notice to members who fail to cure their default before the deadline determined by the Order, specifying that they have an additional 15 days from the date of receipt of the final notice to comply.

17. The Order shall suspend or revoke the public accountancy permit of those members who have not cured the default described in the notice provided for in section 16 before the deadline set out therein.

The Order shall notify members in writing of the penalty imposed.

18. The suspension or revocation of the public accountancy permit shall remain in effect until the member provides evidence to the Order that he has met the requirements listed in the default notice provided for in section 16, and the penalty is lifted by the Order.

DIVISION VI **FINAL PROVISION**

19. This Regulation comes into force on the fifteenth day following its publication in the *Gazette officielle du Québec*.

DIVISION I STANDARDS FOR ISSUE OF THE PUBLIC ACCOUNTANCY PERMIT

§1. General provisions

1. The Board of Directors of the Ordre des comptables généraux accrédités shall issue a public accountancy permit to a member who:

(1) has met the requirements concerning the public accountancy training period in accordance with subdivision 2 of the present division or has successfully completed a training fulfilling the requirements contemplated in sections 2 and 3 and in the second paragraph of section 4 of subdivision 2 of the present division and recognized by the committee set up by the Board of Directors.

§2. Training period

2. The training period shall enable the member to assimilate, in a concrete occupational environment, the overall knowledge acquired, in particular in public accountancy, and to develop the skills required for the application of that knowledge in a decision-making setting.

This training period shall facilitate the attainment of the following objectives:

The training period required to obtain a public accountancy permit shall be of a duration of 24 months and shall consist of not less than 2,500 hours of professional services rendered to the public. Of those 2,500 hours, 100 hours shall be rendered in taxation and not less than 1,250 hours shall involve certification.

An Act respecting off-highway vehicles
(R.S.Q., c. V-1.2)

Pilot project concerning add-on seats for single-seat snowmobiles

THE MINISTER FOR TRANSPORT,

CONSIDERING the provisions of section 47.1 of the Act respecting off-highway vehicles, which provides that the Minister may by order

(1) authorize the carrying out of pilot projects aimed at testing the use of an off-highway vehicle or of equipment related to its functioning or safety, or at improving or elaborating traffic rules or standards for equipment or safety;

(2) make, during any pilot project, any rule concerning the use of a vehicle and authorize any person or body to use a vehicle according to standards and rules the Minister makes that differ from those provided for by the Act and its regulations;

CONSIDERING the second paragraph of that section, which provides that

(1) such pilot projects are established for a maximum of three years, a period which the Minister may, if the Minister judges it necessary, extend for a maximum of two years;

(2) the Minister may modify or terminate a pilot project at any time;

(3) the Minister may also determine, among the provisions of an order made under that section, those whose violation constitutes an offence, and fix the minimum and maximum fines to which the offender is subject. This amount may not be less than \$50 or more than \$1,000;

CONSIDERING the third paragraph of that section, which provides that an order made under that section is not subject to the publication requirement set out in section 8 of the Regulations Act (R.S.Q., c. R-18.1);

CONSIDERING that it is appropriate to implement a pilot project aimed at allowing the use of add-on seats on single-seat snowmobiles;

CONSIDERING that it is expedient to authorize the implementation of such a project;

ORDERS THE FOLLOWING:

**DIVISION I
GENERAL**

1. The implementation of the pilot project concerning add-on seats for single-seat snowmobiles is authorized on the following grounds:

(1) to try out the use of such equipment, mainly on the trails of snowmobile clubs, while ensuring the safety of snowmobile users;

(2) to collect information on the use of such equipment to assess its relevancy and, if so, to make minimum standards for its design and traffic safety rules.

2. For the purposes of this Order, an add-on seat is a seat designed to allow a passenger to take place on a single-seat snowmobile and made by a manufacturer other than the snowmobile's manufacturer.

**DIVISION II
DESIGN AND INSTALLATION STANDARDS**

3. In addition to a backrest, an add-on seat must have molded handles intended for the passenger.

However, two handles reachable by the passenger may replace molded handles provided that each handle is firmly affixed to each side of the snowmobile frame.

4. An add-on seat must bear at all times a mark affixed by the manufacturer including its name or, as the case may be, its trademark.

The mark affixed by the manufacturer must be readable even when the seat is installed on the snowmobile.

5. An add-on seat must be firmly affixed, according to the manufacturer's instructions and recommendations, to a snowmobile for which it was designed.

6. An add-on seat must allow the passenger to use the snowmobile's running board or footrests firmly affixed to each side of the frame.

DIVISION III
STANDARDS OF USE

7. When transporting a passenger, the driver of a snowmobile equipped with an add-on seat must comply with the load limit specified by the snowmobile manufacturer and drive only

(1) on a snowmobile trail referred to in section 15 of the Act respecting off-highway vehicles (R.S.Q., c. V-1.2);

(2) on a public highway within the meaning of the Highway Safety Code (c. C-24.2), under the conditions set out in the Act respecting off-highway vehicles;

(3) on a snowmobile trail laid out on a road situated on land in the domain of the State and operated by a snowmobile club under the conditions provided for in section 8.1 of the Act respecting off-highway vehicles or, if there is no such trail on such a road, on the road itself, but only for the distance necessary to reach a snowmobile trail referred to in section 8.1 or section 15 of the Act; or

(4) on a private road open to public traffic, but only for the distance necessary to reach a snowmobile trail referred to in section 8.1 or section 15 of the Act.

DIVISION IV
COLLECTION OF INFORMATION

8. The Minister of Transport is responsible for collecting information on the use of add-on seats.

9. Where a bodily injury is sustained by a person in an accident involving a snowmobile equipped with an add-on seat, snowmobile clubs must immediately send a copy of any accident report to the Department or the Fédération des clubs de motoneigistes du Québec.

10. Any person who provides his or her identify may send the Department written observations on this pilot project.

DIVISION V
PENAL

11. The owner of a single-seat snowmobile transporting a passenger on his or her snowmobile equipped with equipment not complying with sections 3 to 6 commits an offence and is liable to a fine from \$100 to \$200.

12. A snowmobile driver who contravenes the provisions of section 7 commits an offence and is liable to a fine from \$100 to \$200.

DIVISION VI
MISCELLANEOUS AND FINAL

13. This Order has precedence over any incompatible provision of the Act respecting off-highway vehicles.

14. This Order takes effect on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*. It is revoked on the third anniversary of that date.

Draft Regulations

Draft Regulation

An Act respecting municipal taxation
(R.S.Q., c. F-2.1)

Compensations in lieu of taxes — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting compensations in lieu of taxes, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The purpose of the draft Regulation is to amend the Regulation respecting compensations in lieu of taxes to provide rules for the weighing of a municipality's aggregate taxation rate. Those rules would apply for the time of the property assessment rolls coming into force in 2009 or from 2010 to 2013. That rate is used to determine the amount of compensations paid by the Government in respect of the immovables of educational, health and social services establishments.

The draft Regulation keeps the rules that are currently applicable in respect of assessment rolls that came into force from 2006 to 2008. Those rules are temporarily provided for in sections 130 to 137 of chapter 31 of the Statutes of 2006. Those rules neutralize the effects of the decrease in the aggregate taxation rate, which is likely to occur following the coming into force of a new property assessment roll if the raise in the value of residential immovables is greater than the raise for other immovables.

The new rules that will apply for the 2009-2013 rolls ensure the recurrence of that neutralization without neutralizing the effects of new reductions in the aggregate taxation rate that are likely to result from the new assessment rolls coming into force in 2009 or as of 2010.

Further information may be obtained by contacting Bernard Guay, 10, rue Pierre-Olivier-Chauveau, 2^e étage, Aile Chauveau, Québec (Québec) G1R 4J3 (telephone: 418 691-2035; fax: 418 643-4749).

Any person wishing to make comments on the draft Regulation is requested to submit written comments within the 45-day period to the Minister of Municipal Affairs, Regions and Land Occupancy, 10, rue Pierre-Olivier-Chauveau, 4^e étage, Québec (Québec) G1R 4J3.

LAURENT LESSARD,
*Minister of Municipal Affairs,
Regions and Land Occupancy*

Regulation to amend the Regulation respecting compensations in lieu of taxes*

An Act respecting municipal taxation
(R.S.Q., c. F-2.1, s. 262, par. 2, and s. 263.1)

1. The Regulation respecting compensations in lieu of taxes is amended by replacing Division 2 by the following:

“DIVISION 2 WEIGHTED AGGREGATE TAXATION RATE

3. The provisions of this Division provide rules for the establishment of a municipality's weighted aggregate taxation rate for the purposes of the comparison provided for in the third paragraph of section 256 of the Act with the effective aggregate taxation rate, as the case may be, established under Subdivisions 4 and 5 of Division III of Chapter XVIII.1 of the Act.

In the case of a central municipality within the meaning of section 15 of the Act respecting the exercise of certain municipal powers in certain urban agglomerations (R.S.Q., c. E-20.001), the provisions must be applied so as to establish an urban agglomeration weighted aggregate taxation rate and a regular weighted aggregate taxation rate in order to take into account the distinction made by sections 100 to 102 of that Act.

4. A municipality's weighted aggregate taxation rate is established, after the deposit of the municipality's property assessment roll, for all the fiscal years to which the roll applies.

* The Regulation respecting compensations in lieu of taxes, made by Order in Council 1086-92 dated 22 July 1992 (1992, *G.O.* 2, 4058), was last amended by the regulation made by Order in Council 1170-2001 dated 3 October 2001 (2001, *G.O.* 2, 5723). For previous amendments, refer to the *Tableau des modifications et Index sommaire*, Québec Official Publisher, 2009, updated to 1 March 2009.

That roll is called “current roll” and the first property assessment roll preceding the newly deposited roll is called “preceding roll”.

5. The weighted aggregate taxation rate of a local municipality is the quotient obtained by dividing, by the divisor applicable for the fiscal years to which the current roll applies, the municipality’s weighted aggregate taxation rate that was established for the last fiscal year to which the preceding roll applied.

Subject to sections 5.3 and 5.4, the divisor applicable for the fiscal years to which the current roll applies is the product obtained by multiplying the quotient obtained in accordance with section 5.1 by the increase factor obtained in accordance with section 5.2.

For the purposes of the first paragraph, where the expenditures incurred by a central municipality in the exercise of an urban agglomeration power, for a fiscal year, are financed by aliquot shares paid by the related municipalities of the urban agglomeration, the local municipality’s weighted agglomeration taxation rate that was established for the last fiscal year to which the preceding roll applies corresponds to the total of the urban agglomeration’s weighted aggregate taxation rate and the municipality’s, as a related municipality, that were established for that fiscal year.

5.1. The quotient referred to in the second paragraph of section 5 is the quotient obtained by dividing

(1) the total established according to the current roll, as it exists on the day of the roll’s deposit, by adding the products obtained by multiplying the non-taxable values of the immovables referred to in any of the last three paragraphs of section 255 of the Act by the percentage mentioned in that paragraph; by

(2) the total established according to the preceding roll, as it exists on the day before the current roll’s deposit, by making the addition provided for in subparagraph 1.

For the purposes of subparagraph 2 of the first paragraph, the values used are those that, if a summary of the current roll reflecting its state on the day of its deposit was accompanied by the summary of the preceding roll reflecting its state on the day before, would appear in lines 605 to 615 under the heading “VALEURS” in the section “INVENTAIRE PAR DISPOSITION FISCALE” of the form provided for in the regulation made under paragraph 1 of section 263 of the Act and is related to such a summary.

The assessor who has deposited the current roll gives the quotient obtained under this section to the municipality, upon request.

5.2. The increase factor referred to in the second paragraph of section 5 is equivalent to the highest between 1 and the quotient obtained as follows:

(1) multiply the divisor total established in accordance with subparagraph 2 of the first paragraph of section 5.1 by the effective aggregate taxation rate established for the last fiscal year to which the preceding roll applied;

(2) multiply the total to be divided established in accordance with subparagraph 1 of the first paragraph of section 5.1 by the effective aggregate taxation rate established, without taking into account the application of Division IV.3 of Chapter XVIII and section 261.5.10 of the Act, for the first fiscal year to which the current roll applies;

(3) subtract the product obtained in paragraph 1 by the product obtained in paragraph 2;

(4) multiply the divisor total established in accordance with subparagraph 2 of the first paragraph of section 5.1 by the weighted aggregate taxation rate established for the last fiscal year to which the preceding roll applied;

(5) subtract the difference obtained in paragraph 3 from the product obtained in paragraph 4;

(6) divide the product obtained in paragraph 4 by the difference obtained in paragraph 5.

5.3. If the municipality avails itself of the power provided for in section 253.27 of the Act in respect of its current roll, the operations provided for in the second and third paragraphs are performed to adjust the divisor applicable under the second paragraph of section 5 for the purposes of establishing the weighted aggregate taxation rate for either of the first two fiscal years to which the current roll applies. The operations vary depending on whether the product calculated under that paragraph is greater than 1 or not.

The first operation consists, in the first case, in subtracting 1 from the product and, in the second case, in subtracting the product from 1.

The second operation consists, in the first case, in adding to 1 and, in the second case, in subtracting from 1, the number corresponding to one third or two thirds, depending on whether the fiscal year for which the weighted aggregate taxation rate is the first or the second to which the current roll applies, of the difference resulting from the subtraction provided for in the second paragraph.

Where the current roll in respect of which the municipality avails itself of the power provided for in section 253.27 of the Act does apply only to two fiscal years, an adjusted divisor is calculated only for the first fiscal year. To that end, for the purposes of the third paragraph, half the difference resulting from the subtraction provided for in the second paragraph is taken into account instead of one third or two thirds.

5.4. The weighted aggregate taxation rate is established on the basis of data available to the Minister when the Minister is required, under Division V, to make a payment or to demand refund of the amount collected in excess.

If, at that time, all the data necessary for establishing the weighted aggregate taxation rate are not available, that rate is deemed to be equal to the aggregate taxation rate to which it is compared under the third paragraph of section 256 of the Act.”

2. Section 9 is amended by replacing “its provisional aggregate taxation rate established in accordance with section 10” in the first paragraph by “the rate applicable under section 10”.

3. Section 10 is replaced by the following:

“**10.** To calculate the amount of the payment provided for in section 9, the highest of the following rates is used:

(1) the municipality’s projected aggregate taxation rate established for the fiscal year for which the compensation is payable;

(2) the municipality’s weighted aggregate taxation rate established for that fiscal year.

Despite the foregoing, if that fiscal year is the first fiscal year to which the current roll applies, the multiplier used in the operations provided for in paragraphs 1 and 2 of section 5.2 is, in the first case, the projected aggregate taxation rate established for the last fiscal year to which the preceding roll applied and, in the second case, the projected aggregate taxation rate established, without taking into account the application of Division IV.3 of Chapter XVIII and section 261.5.10 of the Act, for the first fiscal year to which the current roll applies.”

4. Section 12 is amended by replacing the first paragraph by the following:

“**12.** Within 90 days following receipt by the Minister of the municipality’s financial report for the fiscal year for which the compensation is payable, the Minister pays the municipality the balance of the amount to which

it is entitled based on the highest of its rates between the effective and the weighted aggregate taxation rates established for that fiscal year.”

5. Section 16 is amended by replacing the second paragraph by the following:

“Despite the foregoing, the aggregate taxation rate used to calculate the amount of the compensation referred to in Subdivision 1 and established for a fiscal year, whether it is the effective, projected or weighted rate, is not affected by an alteration to the roll that is made after the date on which the roll is taken into consideration in establishing the rate.”

6. Section 27 is replaced by the following:

“**27.** Where the amount of the compensation payable or of any payment, additional compensation, amount collected in excess or interest related to the compensation is a decimal number, the decimal part of the number is struck out and, where the first decimal would have been a figure greater than 4, the whole number is increased by 1.”

7. Division 6, including sections 28 to 30, is revoked.

8. The following is inserted after section 32:

“**32.1.** Subject to the second paragraph, Division 2 applies for the purposes of establishing a weighted aggregate taxation rate for each of the fiscal years to which a property assessment roll applies if its coming into force coincides with the beginning of any fiscal year from 2009 to 2013.

In the case of a municipality of which no property assessment roll came into force in 2006, 2007 or 2008, the rules applicable to establish the weighted aggregate taxation rate, for each of the fiscal years to which a property assessment roll that came into force in 2009 applies, are the rules referred to in paragraph 1 of section 32.2.

32.2. For the fiscal years to which a property assessment roll that came into force in 2006, 2007 or 2008 applies, the rules to establish the weighted aggregate taxation rate of the municipality are,

(1) subject to paragraph 2, the rules provided for in sections 130 to 132, as amended by section 13 of chapter 33 of the Statutes of 2007, 133 to 135 and 137 of chapter 31 of the Statutes of 2006, account being taken of any modification made to section 134 of that chapter by section 144 and the schedule to chapter 60 of the Statutes of 2006;

(2) if the Minister set that rate under section 136 of chapter 31 of the Statutes of 2006, the rules used by Minister for that purpose.

32.3. If the modifications provided for in the schedule to chapter 60 of the Statutes of 2006 apply to a municipality, under section 144 of that chapter, for a fiscal year for which the weighted aggregate taxation rate of the municipality must be established by applying section 5.3, that section is modified

(1) by replacing “two” in the first paragraph by “three”;

(2) by replacing “third or two thirds, depending on whether the fiscal year for which the weighted aggregate taxation rate is the first or the second” in the third paragraph by “quarter, half or three quarters, depending on whether the fiscal year for which the weighted aggregate taxation rate is established is the first, the second or the third”;

(3) by striking out the fourth paragraph.

9. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.
