- **14.** Immigration consultants may not, by any means whatsoever, make false or misleading representations to a person who resorts to their services, in particular as regards their level of competence or the extent or effectiveness of their services and those generally provided by immigration consultants.
- **15.** Immigration consultants may not communicate or contribute to the communication of information they know or should have known to be false or misleading to the Minister, an investigator or an inspector.

DIVISION IVMISCELLANEOUS

The amounts are reduced to the nearest dollar if they contain a fraction of a dollar less than \$0.50; they are increased to the nearest dollar if they contain a fraction of a dollar equal to or greater than \$0.50.

The Minister informs the public of the adjustment by such means as the Minister considers appropriate.
