Projet de loi n° 84
(2010, chapitre 8)

Loi modifiant la Loi sur la Régie de l'énergie relativement à la fiabilité du transport d'électricité

Présenté le 10 mars 2010
Principe adopté le 20 avril 2010
Adopté le 19 mai 2010
Sanctionné le 21 mai 2010

Éditeur officiel du Québec
2010

NOTES EXPLICATIVES

Cette loi propose d'assujettir tout utilisateur d'un réseau de transport d'électricité en vertu d'une convention de service de transport d'électricité aux normes de fiabilité applicables et d'assujettir le coordonnateur de la fiabilité du Québec au pouvoir d'inspection et d'enquête de la Régie de l'énergie.

La loi permet de plus à la Régie de l'énergie, lorsqu'une inspection ou une enquête révèle que la non-conformité à une norme de fiabilité compromet sérieusement la fiabilité du transport d'électricité, d'ordonner que des mesures soient prises pour corriger la situation.

Enfin, le pouvoir réglementaire du gouvernement de déterminer la capacité maximale d'une installation de production d'électricité admissible à un programme d'achat par Hydro-Québec Distribution est élargi de manière à ce que la capacité puisse varier non seulement selon les sources d'énergie renouvelable mais également en fonction des catégories de clients ou de producteurs d'électricité.

LOI MODIFIÉE PAR CETTE LOI:

- Loi sur la Régie de l'énergie (L.R.Q., chapitre R-6.01).

Projet de loi n° 84

LOI MODIFIANT LA LOI SUR LA RÉGIE DE L'ÉNERGIE RELATIVEMENT À LA FIABILITÉ DU TRANSPORT D'ÉLECTRICITÉ

« 1° entrer à toute heure raisonnable dans l'établissement ou la propriété du transporteur d'électricité, d'une entité visée à l'article 85.3, d'un distributeur ou du coordonnateur de la fiabilité; ».

2. L'article 85.3 de cette loi est modifié par l'addition, à la fin, du paragraphe suivant :

« 5° une personne qui utilise un réseau de transport d'électricité en vertu d'une convention de service de transport d'électricité intervenue avec le transporteur d'électricité ou avec tout autre transporteur au Québec. ».

3. L'article 85.6 de cette loi est modifié par le remplacement du paragraphe 3° par le suivant :

« 3° l'identification de toute entité visée à l'article 85.3. ».

4. L'article 85.12 de cette loi est modifié, dans le texte anglais, par le remplacement du mot « program » par le mot « plan ».

5. Cette loi est modifiée par l'insertion, après l'article 85.12, du suivant :

« **85.12.1.** Lorsqu'une inspection ou une enquête révèle qu'une entité ne se conforme pas à une norme de fiabilité et que cela compromet sérieusement la fiabilité du transport d'électricité, la Régie peut ordonner que des mesures soient prises sur-le-champ ou dans le délai qu'elle indique pour corriger la situation. ».

6. L'article 85.13 de cette loi est modifié :

1° par le remplacement, dans le paragraphe 1°, des mots « propriétaires ou exploitants ou les distributeurs visés » par les mots « entités visées »;

2° par le remplacement, dans le texte anglais du paragraphe 3°, du mot « guidelines » par le mot « directives ».

7. L'article 112 de cette loi est modifié par l'ajout, à la fin du paragraphe 2.3° du premier alinéa, des mots « ou en fonction des catégories de clients ou de producteurs qu'il prévoit ».

Bill 87
(2010, chapter 7)

An Act respecting the legal publicity of enterprises

Introduced 16 March 2010
Passed in principle 25 March 2010
Passed 18 May 2010
Assented to 19 May 2010

**Québec Official Publisher

EXPLANATORY NOTES

This Act consolidates the Act respecting the legal publicity of sole proprietorships, partnerships and legal persons and the Act respecting the enterprise registrar, and contains many of their provisions, including those relating to the designation and functions of the enterprise registrar, the keeping of the register of sole proprietorships, partnerships and legal persons, the names that can be declared and used by registrants, the registration of registrants and their obligation to keep the information contained in the register up to date.

Under the Act, formalities for updating the information in the register are simplified: for instance, the period for declaring a change is extended and the information required to be included in various declarations is harmonized. Registrants may be exempted from certain obligations in specific cases, and the enterprise registrar is granted discretionary power in the processing and correction of a filed document. The registrar may in certain cases restrict access to certain information contained in the register if a person's safety is threatened.

Rules are introduced to facilitate the electronic transmission of documents required to be filed with the registrar under various Acts.

The register will be enhanced to contain more information on registrants, such as the effective date of changes on the board of directors, the registrant's bankrupt status, if applicable, and the filing deadline for the annual update.

To ensure compliance, new measures are introduced, including the cancellation of a registrant's registration for failure to comply with obligations under the Act, and the possible cancellation of the deposit of a declaration in the register if the information it contains was not declared in accordance with the applicable legislative provisions. Additional powers are granted to the registrar to ensure that the names declared by registrants are compliant.

All fees payable to the registrar are set out in one statute and are subject to indexation.

Lastly, a number of provisions are designed to ensure coherence with other laws, including the replacement of the right to appeal decisions of the registrar before the Court of Québec by access to a remedy before the Administrative Tribunal of Québec. The Act also contains consequential, transitional and final provisions.

Bill 87

AN ACT RESPECTING THE LEGAL PUBLICITY OF ENTERPRISES

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

CHAPTER I

ENTERPRISE REGISTRAR

1. A public servant is appointed by the Minister of Revenue to act as enterprise registrar. The registrar is a public officer.

2. The registrar exercises the functions provided for in this Act and assumes the responsibilities conferred on the enterprise registrar by other Acts.

The registrar must engage exclusively in the work and duties relating to those functions and responsibilities.

3. The registrar is responsible, among other things, for

(1) keeping and preserving the register described in Chapter II, receiving documents to be deposited in the register and making the register accessible to the public;

(2) registering natural persons who operate a sole proprietorship, partnerships, legal persons and groups of persons; and

(3) conferring legal existence on legal persons and recording their legal existence in the cases provided for by law, and drawing up certificates recognizing amendments to their constituting instrument.

4. Public servants are designated by the Minister to assist the registrar in the functions of office. The public servants must engage exclusively in the work and duties relating to the functions of the registrar.

5. If the registrar is absent or unable to act, the Minister may designate a person from among the public servants designated under section 4 to act in the registrar's place.

6. The registrar may, by order and with the concurrence of the Minister, delegate powers to public servants designated under section 4. The order is published in the *Gazette officielle du Québec*.

7. The registrar may, by order and with the concurrence of the Minister, delegate to public servants other than those designated under section 4 or to other employees, subject to the restrictions and conditions determined by the registrar, the power to register, to make corrections under sections 93 to 95 and to issue copies, extracts or attestations or certify copies or extracts under sections 105 to 108. The order is published in the *Gazette officielle du Québec*.

A delegation to public servants or employees who are not under the responsibility of the Minister must be the subject of an agreement.

8. No deed, document or writing is binding on or attributable to the registrar unless it is signed by the registrar or by a public servant designated under section 4 and authorized by the registrar.

A reproduction of the signature of a person referred to in the first paragraph affixed by means of a facsimile, automatic device or electronic process has the same force as the person's signature.

9. A document issued by the registrar or a public servant designated under section 4, or a copy of such a document, is authentic if the document is signed or the copy certified by a person referred to in the first paragraph of section 8.

10. Except on a question of jurisdiction, no recourse under article 33 of the Code of Civil Procedure (R.S.Q., chapter C-25) or extraordinary recourse within the meaning of that Code may be exercised nor any injunction granted against the registrar or a person authorized by the registrar to investigate or act as inspector.

A judge of the Court of Appeal may, on a motion, summarily annul any decision rendered or any order or injunction issued or granted contrary to the first paragraph.

11. The registrar or a person referred to in section 4 or 7 may not be prosecuted for official acts performed in good faith in the exercise of the functions of office.

CHAPTER II

REGISTER OF SOLE PROPRIETORSHIPS, PARTNERSHIPS AND LEGAL PERSONS

12. The registrar keeps the register of sole proprietorships, partnerships and legal persons.

13. The register comprises all the information recorded and documents deposited in it, and includes, for each registrant and former registrant, an index of documents, a statement of information and an index of names.

14. Indexes of documents, statements of information and indexes of names are drawn up by the registrar. They must be updated regularly on the basis of the documents deposited and bear the date on which they were last updated.

Every index of documents must group documents by category, make it possible to reconstitute the chronological order in which documents were deposited and contain a reference allowing each document to be retrieved.

Every statement of information must contain the elements prescribed by regulation of the Minister.

Every index of names must contain any name the registrant has previously declared and the name that identifies the registrant.

15. The registrar may reproduce all or part of the register for preservation or consultation purposes.

16. The Minister determines the medium and technology used to keep the register.

CHAPTER III

NAME

17. A registrant may not declare or use in Québec a name

(1) that is not in conformity with the Charter of the French language (R.S.Q., chapter C-11);

(2) that includes an expression which the law reserves for another person or prohibits the registrant from using;

(3) that includes an expression that evokes an immoral, obscene or scandalous notion;

(4) that incorrectly states the registrant's juridical form or fails to state its juridical form when required by law, particularly in view of the standards for the composition of names determined by regulation of the Government;

(5) that falsely suggests that the registrant is a non-profit group;

(6) that falsely suggests that the registrant is, or is related to, a public authority mentioned in the regulation of the Government;

(7) that falsely suggests that the registrant is related to another person, partnership or group of persons, particularly in the cases and in view of the criteria determined by regulation of the Government;

(8) that is confusingly similar to a name used in Québec by another person, partnership or group of persons, particularly in view of the criteria determined by regulation of the Government; or

(9) that is misleading in any other manner.

A registrant whose name is in a language other than French must declare the French version of that name used by the registrant in Québec in carrying on an activity, which includes the operation of an enterprise, or for the purpose of the possession of an immovable real right, other than a prior claim or hypothec.

The second paragraph does not apply to a natural person registered under a name comprising only his or her surname and given name.

18. For the purposes of this Act, “registrant” means any person or group of persons registered voluntarily or any person or partnership required to be registered.

19. No right to a name is conferred on a registrant solely by the recording of the name in the register or the deposit of a document containing the name in the register.

20. The registrar may request that a registrant replace or change a name declared by the registrant if it is contrary to any of subparagraphs 1 to 6 of the first paragraph of section 17 or the second paragraph of that section.

If the registrant fails to comply with the request within 60 days, the registrar may, as applicable,

(1) cancel the registrant’s registration, if the name concerned is the registrant’s name; or

(2) delete the name from the register, if the name concerned is another name declared by the registrant under subparagraph 2 of the first paragraph of section 33.

The registrar records in the register that the name has been refused and informs the registrant.

All information relating to a refused name appearing in a declaration is deemed unwritten.

CHAPTER IV

REGISTRATION, UPDATING OF INFORMATION AND CANCELLATION OF REGISTRATION

DIVISION I

REGISTRATION

21. The following are required to be registered:

(1) natural persons who operate a sole proprietorship, whether or not a commercial enterprise, in Québec under a name that does not include their surname and given name;

(3) partnerships not constituted in Québec if they carry on an activity in Québec, which includes the operation of an enterprise, or possess an immovable real right, other than a prior claim or hypothec, in Québec;

(4) legal persons established for a private interest and constituted in Québec;

(5) legal persons established for a private interest not constituted in Québec, or legal persons constituted in Québec and continued under the laws of a jurisdiction other than Québec, if they are domiciled in Québec, carry on an activity in Québec, which includes the operation of an enterprise, or possess an immovable real right, other than a prior claim or hypothec, in Québec;

(6) legal persons established for a private interest described in subparagraph 4 or 5 and resulting from an amalgamation other than a short-form amalgamation within the meaning of the Business Corporations Act (2009, chapter 52); and

Despite subparagraph 1 of the first paragraph, natural persons who operate a tobacco retail outlet, within the meaning of the Tobacco Act (R.S.Q., chapter T-0.01), under a name that includes their surname and given name are also required to be registered.

22. A natural person or a group of persons not required to be registered may request registration. They are registrants from the time they are registered until their registration is cancelled.

23. Despite subparagraph 1 of the first paragraph of section 21, natural persons are not required to be registered solely because they use a pseudonym in the pursuit of an artistic, literary or other cultural activity.

24. If an application is presented before a court or a body exercising an adjudicative function by an unregistered person or partnership who is required to be registered, an interested person may, before the hearing, demand that the examination of the application be suspended until the person or partnership is registered.

However, in the case of an unregistered natural person, no such suspension may be granted if the application presented does not concern the activity requiring registration.

25. For the purposes of section 21, a person or partnership who has an address in Québec or, either directly or through a representative acting under a general mandate, has an establishment, a post office box or the use of a telephone line in Québec or performs any act for profit in Québec is presumed to be carrying on an activity or operating an enterprise in Québec.

26. A registrant who is neither domiciled nor has an establishment in Québec must designate an attorney residing in Québec, unless exempted from that requirement by regulation of the Minister.

27. A registrant who invokes an exemption, established by regulation of the Minister, from declaring the information required under subparagraph 4 of the first paragraph of section 33 and subparagraphs 1 and 8 of the second paragraph of that section must designate an attorney residing in Québec.

28. The attorney of a registrant represents the registrant for the purposes of this Act.

Any legal proceeding against the registrant may be served on the attorney, even after the registrant's registration has been cancelled.

29. A person who, as administrator of the property of others, is entrusted with the administration of all of a registrant's property has the rights and obligations conferred by this Act on registrants.

30. The registrar registers a registrant on the filing of a registration declaration or, in the case of a legal person constituted in Québec, on the deposit in the register of its constituting instrument in accordance with the law applicable to legal persons of its kind.

If the original of the constituting instrument is unavailable, the registrar deposits a certified copy of the instrument in the register.

31. For the purposes of this Act, "legal person constituted in Québec" means a legal person constituted under the laws of Québec and includes, except for the purposes of the second paragraph of section 36, a legal person constituted under the laws of a jurisdiction other than Québec that is continued under the laws of Québec.

32. The registration declaration, along with the fee set out in this Act, must be filed with the registrar not later than 60 days after the date on which registration becomes compulsory.

33. Unless an exemption established by regulation of the Minister applies, the registration declaration must state

(1) the registrant's name and, if the registrant was previously registered, the registrant's Québec business number;

(2) any other name used by the registrant in Québec in carrying on an activity, which includes the operation of an enterprise, or for the purpose of the possession of an immovable real right, other than a prior claim or hypothec, if applicable;

(3) the registrant's status as a natural person operating an enterprise or, as applicable, the registrant's juridical form, the title of and reference to the statute under which the registrant was constituted and the date of constitution; and

(4) the registrant's domicile.

The declaration must also state, if applicable,

(1) the domicile elected by the registrant and the name of the person mandated by the registrant to receive documents for the purposes of this Act;

(2) the names and domiciles of the directors, and the positions they hold or, if all powers have been withdrawn from the board of directors by a unanimous shareholder agreement entered into in accordance with the laws of Québec or a Canadian jurisdiction other than Québec, the names and domiciles of the shareholders or third persons having assumed those powers;

(3) the date of entry into office and, if applicable, the date of cessation of office of the persons referred to in subparagraph 2;

(4) the names and domiciles of the president, the secretary and the chief executive officer, if they are not members of the board of directors, and the positions they hold;

(5) the name and address of the registrant's attorney;

(6) the name, address and capacity of the person acting for the registrant as administrator of the property of others;

(7) in order of importance, the registrant's two main activities and the code corresponding to each of them according to the classification system determined by regulation of the Minister;

(8) the addresses of the registrant's establishments in Québec, specifying which is the principal establishment, the name designating them and the two main activities carried on in the establishments and the code corresponding to each of them according to the classification system determined by regulation of the Minister;

(9) any activity required by law to be declared and the corresponding code according to the classification system determined by regulation of the Minister and the address of the establishment in which the registrant carries on that activity;

(10) the number of employees of the registrant whose workplace is in Québec, based on the brackets determined by the Minister;

(11) the date on which the registrant expects to cease to exist; and

(12) any other information determined by regulation of the Minister.

34. The registration declaration of a partnership must also contain, if applicable,

(1) the name and domicile of each partner, a statement that no other person is a member of the partnership and, in the case of a limited partnership, the name and domicile of each general partner and the names and domiciles of the three greatest contributors to the partnership among the special partners;

(2) the object pursued by the partnership;

(3) if the partnership is a limited liability partnership or is not constituted in Québec, a statement that the liability of some or all of the partners is limited; and

35. The registration declaration of a legal person must also contain, if applicable,

(1) the name of the State, province or territory in which the legal person was constituted;

(2) the name of the State, province or territory in which the amalgamation or division that resulted in the formation of the legal person took place, the date of amalgamation or division and the name, domicile and Québec business number of every legal person involved in the amalgamation or division;

(3) the date of the continuance or other transformation of the legal person;

(4) the title of and reference to the statute under which the amalgamation, division, continuation or other transformation took place;

(6) a statement as to the existence or not of a unanimous shareholder agreement, entered into in accordance with the laws of Québec or a Canadian jurisdiction other than Québec, that restricts the powers of the directors or withdraws all powers from the directors.

36. The registrar must refuse to register a registrant

(1) if the registrant's name is contrary to any of subparagraphs 1 to 6 of the first paragraph of section 17 or the second paragraph of that section;

(2) if the registrant's registration declaration is incomplete or inaccurate, or is contrary to section 68 or the requirements determined by the Minister under any of sections 109, 112 or 114.

The registrar must also refuse to register a registrant who is already registered or, in the case of a partnership or legal person constituted in Québec, whose registration has been cancelled *ex officio* by the registrar.

The registrar informs the registrant of the reasons for the refusal.

37. The registrar registers a registrant by assigning a Québec business number to the registrant and recording in the register the date of registration and the information concerning the registrant.

The registrar records the Québec business number and the date of registration on the registration declaration or, as applicable, on the constituting instrument.

The registrar deposits the declaration in the register and informs the registrant that the registration is complete.

38. If a legal person is registered on the deposit of its constituting instrument in the register, the legal person must file with the registrar, within 60 days after the date of registration, an initial declaration in compliance with the form and content prescribed for a registration declaration.

If the initial declaration is filed after that period, the penalty prescribed in section 86 must be paid at the time of the filing.

DIVISION II

UPDATING INFORMATION

39. Registrants are responsible for verifying the legality and accuracy of the declarations filed with the registrar and the documents transferred to the registrar under an agreement entered into under section 117 or 118.

40. If a registrant discovers or is informed that a declaration filed, or a document transferred under an agreement entered into under section 117 or 118, is incomplete or contains inaccurate information, the registrant must make the appropriate correction by filing an updating declaration without delay.

The correction is deemed to have taken effect on the date the declaration or document that is being corrected was deposited in the register.

41. The registrant must update the information required by sections 33 to 35 to be contained in the register concerning the registrant by filing an updating declaration within 30 days after the date on which any change occurs, unless a shorter period is prescribed by law.

The same applies to a legal person resulting from a short-form amalgamation within the meaning of the Business Corporations Act with respect to the information concerning the registrant whose Québec business number the legal person retains.

42. A registered legal person who has decided to liquidate its affairs or apply for liquidation, or to dissolve or apply for dissolution, must file a declaration to that effect without delay.

It is exempted from filing such a declaration if notice to that effect has been filed with the registrar for the purposes of another Act.

43. A registrant who becomes a bankrupt within the meaning of the Bankruptcy and Insolvency Act (Revised Statutes of Canada, 1985, chapter B-3) must file a declaration to that effect without delay.

44. A legal person registered on the deposit of its constituting instrument in the register is exempted from the requirement of section 41 if the specific Act applicable to legal persons of its kind requires the change to be made by means of a document amending its constituting instrument.

The same applies if the change is made by the registrant in a document deposited in the register following its transfer under an agreement entered into under section 117 or 118.

45. Once a year, during the period determined by regulation of the Minister, a registrant must file an updating declaration stating that the information required by sections 33 to 35 to be contained in the register concerning the registrant is accurate or, as applicable, stating what changes should be made.

This obligation begins the year following the year in which the registrant is first registered.

The declaration of a registrant, other than a registrant described in section 46, must be filed with the annual registration fee set out in this Act.

46. A registrant who is required to file a fiscal return with the Minister under section 1000 of the Taxation Act (R.S.Q., chapter I-3) or, in the case of a natural person operating a sole proprietorship, would be required to file such a return if tax were payable by the person under Part I of that Act may, during the period determined by regulation, declare in the registrant's fiscal return whether the information required by sections 33 to 35 to be contained in the register concerning the registrant is up to date.

If the registrant declares that the information is up to date, the registrar records in the statement of information that the registrant has met the annual updating obligation for the current year.

If the registrant declares that the information is not up to date, the registrant must file an updating declaration in accordance with section 45.

47. If, by operation of the Taxation Act, the period determined by regulation of a registrant referred to in section 46 who is a legal person is modified, the registrant is required to meet the annual updating obligation only once during a calendar year.

48. A legal person whose period determined by regulation begins in one calendar year and ends in the next and who updates the information concerning the legal person in accordance with section 45 or 46 during the part of that period that is in the second calendar year without having done so during the preceding one is deemed to have met the annual updating obligation for the preceding calendar year.

49. A registrant who, during the period determined by regulation, filed a document containing the same information as required under sections 33 to 35 which was deposited in the register following its transfer under an agreement entered into under section 117 or 118 is exempted from the updating obligation for the year concerned.

50. A registrant who is a legal person constituted in Québec in respect of whom a declaration was filed under section 43 is exempted from the updating obligation for any year subsequent to the year in which the declaration required under section 43 was filed and during which the registrant acted only for the purposes of its liquidation.

51. A registrant who files an updating obligation for the purposes of section 41 during the period determined by regulation and who, in the case of a registrant described in section 46, has paid the annual registration fee set out in this Act for the year, is deemed to have met the annual updating obligation in accordance with section 45 for the year concerned.

52. A registrant who fails to file a declaration for the purposes of section 45 or 46 is deemed to have met the annual updating obligation for the year concerned if, before the beginning of the period determined by regulation following the period concerned, the registrant files a declaration for the purposes of section 41 and pays the penalty prescribed in section 87 and, if applicable, the annual registration fee set out in this Act and the penalty prescribed in section 88 for the year.

53. For the purposes of sections 48, 51 and 52, the registrar records in the statement of information that the registrant has met the annual updating obligation for the year concerned.

DIVISION III

CANCELLATION OF REGISTRATION

§1. — Cancellation on filing of declaration

54. The registration of a registrant is cancelled on the filing of a cancellation declaration in the cases provided for in this subdivision.

The cancellation declaration must be filed with any amount owed by the registrant under this Act, except any amount to which section 85 applies.

The registrar informs the registrant that the registration has been cancelled.

55. A registrant for whom registration is no longer compulsory must file a cancellation declaration without delay.

If the registrant has ceased to exist, the cancellation declaration is filed by the last directors, the partners, the attorney or the administrator of the property of others.

56. Not later than six months after the death of the registrant, the liquidator of the succession must file a cancellation declaration, unless the activity requiring registration is continued for the benefit of the succession.

57. If a legal person constituted in Québec is a bankrupt within the meaning of the Bankruptcy and Insolvency Act, the trustee in bankruptcy must file a cancellation declaration after being discharged by the court on completion of the administration of the legal person's estate.

58. A person or group of persons who is registered without being required to be registered may file a cancellation declaration at any time.

§2. — *Ex officio cancellation*

59. The registrar may, after notifying the registrant in accordance with section 73, cancel ex officio the registration of a registrant who has failed to file updating declarations for two consecutive years in accordance with section 45 or 46.

The registrar may also cancel the registration of a registrant who has failed to comply with any other request under section 73.

The registrar deposits an order to that effect in the register and informs the registrant.

The cancellation of the registration of a legal person constituted in Québec entails the dissolution of the legal person.

However, the legal person is deemed to continue to exist in order to complete any judicial or administrative proceeding.

60. The registrar cancels ex officio the registration of any legal person having been amalgamated that is named in the declaration filed by the legal person resulting from the amalgamation. The registrar makes an entry to that effect in the register.

61. The registrar cancels ex officio the registration of a partnership or legal person when the date on which it is to cease to exist has been reached. The registrar makes an entry to that effect in the register.

62. The registrar cancels ex officio the registration of a dissolved legal person on the deposit in the register of the certificate of dissolution or of a notice to that effect. The registrar also cancels the registration of a liquidated or wound-up partnership or legal person by depositing the notice of closure or the notice of liquidation, as applicable, in the register.

If the legal person was dissolved under the Business Corporations Act, the registrar cancels ex officio the legal person's registration on the deposit of the certificate of dissolution or of the judgment ordering the dissolution. However, if the judgment also orders the liquidation of the legal person, the registrar cancels the registration on the deposit of the certificate of dissolution.

The registrar also cancels the registration of a legal person constituted in Québec if, under the specific Act applicable to legal persons of its kind, it has otherwise ceased to exist.

The registrar makes an entry to that effect in the register.

§3. — *Revocation of cancellation of registration*

63. The registrar may revoke a cancellation of registration under section 59 on an application by the registrant.

The registrant must file with the application the initial declaration and any annual updating declaration the registrant failed to file before the cancellation of registration and the annual updates for the years since the cancellation of registration.

The registrant must also file with the application

(1) the fee set out in this Act with respect to such an application;

(2) the annual registration fee set out in this Act, for every year prior to the cancellation of registration during which the registrant was in default, for the current year and for the years since the cancellation of registration, except any fee to which section 85 applies; and

(3) the penalty prescribed in sections 87 and 88, for each of the years referred to in subparagraph 2.

64. The registrar may, on an application by any interested person other than the registrant and subject to the conditions determined by the registrar, revoke a cancellation of registration under section 59.

The application must be filed with the fee set out in this Act for such an application.

65. The registrar revokes the cancellation of the registration of a legal person constituted in Québec who has resumed existence in accordance with the specific Act applicable to legal persons of its kind.

66. The registrar revokes the cancellation of the registration of a registrant by depositing an order to that effect in the register.

The registrar informs the registrant that the cancellation has been revoked.

In the case of a legal person constituted in Québec whose registration was cancelled under section 59, the revocation of the cancellation results in the legal person resuming existence on the date of deposit of the order.

67. Subject to the rights acquired by third persons, the registration of a registrant is deemed never to have been cancelled and a legal person constituted in Québec whose registration was cancelled under section 59 is deemed never to have been dissolved.

DIVISION IV**PROVISIONS RELATING TO DECLARATIONS**

68. A declaration must be signed by the registrant or the registrant's representative.

It is admissible once all fees, charges and penalties required under this Act have been paid.

69. The registrar deposits declarations, and documents transferred under an agreement entered into under section 117 or 118, in the register.

70. The registrar may refuse to deposit a declaration, or a document transferred under an agreement entered into under section 117 or 118, in the register if the declaration or document is incomplete or inaccurate or is contrary to section 68 or the requirements determined by the Minister under section 109, 112 or 114.

The registrar informs the registrant of the reasons for the refusal.

71. The registrar must refuse to deposit a declaration, or a document transferred under an agreement entered into under section 117 or 118, in the register if the registrant's name is contrary to any of subparagraphs 1 to 6 of the first paragraph of section 17 or the second paragraph of that section.

The registrar informs the registrant of the reasons for the refusal.

72. The registrar must refuse to record in the register any other name declared by the registrant under subparagraph 2 of the first paragraph of section 33 if that name is contrary to any of subparagraphs 1 to 6 of the first paragraph of section 17 or the second paragraph of that section.

The registrar records the refusal in the register and informs the registrant.

All information relating to that name in the declaration is deemed unwritten.

73. A registrant who fails to comply with any obligation imposed by this Act, including the obligation to file a declaration or a notice, must remedy the failure within 60 days after being requested to do so by the registrar.

The request must state, if applicable, that the registrant's registration may be cancelled unless the registrant complies with the request.

A copy of the request is deposited in the register.

74. The registrar may, subject to the conditions determined by the registrar, waive the communication of information or the filing of a document required under this chapter.

The waiver is recorded in the register.

However, the registrar retains the right to revoke the waiver and require the communication of the information or the filing of the document within the time determined by the registrar.

CHAPTER V

FEEES, CHARGES AND ADMINISTRATIVE PENALTIES

DIVISION I

GENERAL PROVISIONS

75. Unless otherwise provided, any fees payable under this Act are set out in Schedule I.

Similarly, any fees payable by reference to this Act are set out in Schedule II.

Charges prescribed by regulation of the Government may be payable in addition to those fees.

76. Unless the law already prescribes a fee payable to the registrar, any document required by law to be deposited in the register, other than a constituting instrument, initial declaration, updating declaration or cancellation declaration, must be filed with the fee prescribed in Schedule I for the deposit of any other document.

77. Fees and charges prescribed by government regulation are increased by 50% if priority processing is provided on request.

The additional fee for the priority processing of a document that can be deposited in the register free of charge is equal to 50% of the annual registration fee set out in this Act.

78. Fees, charges and administrative penalties are payable on the filing of the documents concerned and, unless otherwise provided by law, to the registrar.

Except with respect to situations described in sections 83 and 84 to which section 27.3 of the Act respecting the Ministère du Revenu (R.S.Q., chapter M-31) applies, the recovery of fees, charges and penalties owing by law to the registrar is prescribed 10 years after they become due.

79. The fees set out in Schedules I and II and the charges prescribed by government regulation are indexed on 1 January of each year in such a way that the amount applicable for the year is equal to the total of the amount applicable for the preceding year and the amount obtained by multiplying that amount by the factor determined by the formula

(A/B)-1.

In the formula in the first paragraph,

(1) A is the overall average Québec consumer price index without alcoholic beverages and tobacco products for the 12-month period that ended on 30 September of the year preceding that for which an amount is to be indexed; and

(2) B is the overall average Québec consumer price index without alcoholic beverages and tobacco products for the 12-month period that ended on 30 September of the year immediately before the year preceding that for which the amount is to be indexed.

If the factor determined under the first paragraph is less than zero, it is deemed to be equal to zero.

The amounts resulting from the indexation provided for in the first paragraph are rounded down to the nearest dollar if they include a fraction of a dollar that is less than \$0.50, or up to the nearest dollar if they include a fraction of a dollar that is equal to or greater than \$0.50.

The Minister informs the public of the indexed amounts, by whatever means the Minister considers appropriate, before 1 January of the year to which they apply.

DIVISION II

ANNUAL REGISTRATION FEE

80. A registrant registered on 1 January of a year must pay the annual registration fee set out in this Act that is applicable to the registrant's juridical form on that date.

This obligation begins the second year following the year in which the registrant is first registered.

81. A registrant who is a legal person constituted in Québec in respect of whom a declaration has been filed in accordance with section 43 is exempted from the annual registration fee for any year following the year of filing of the declaration during which the registrant acts only for the purposes of its liquidation.

82. A registrant must pay the annual registration fee on or before the first of the following dates:

(1) the date on which the period determined by regulation for meeting the annual updating obligation under Division II of Chapter IV expires; and

(2) the date on which the registrant files a document resulting in the cancellation of the registrant's registration.

83. Despite section 82, a registrant who is a natural person to whom section 46 applies must pay the annual registration fee to the Minister on or before the balance-due day determined in respect of the registrant for the purposes of Part I of the Taxation Act for the preceding taxation year.

84. Despite section 82, a registrant who is a legal person to whom section 46 applies must pay the annual registration fee to the Minister on or before the balance-due day determined in respect of the registrant for the purposes of Part I of the Taxation Act for the taxation year that includes 1 January of that year.

85. Section 80, in relation to a registrant described in section 46, and sections 83 and 84 constitute a fiscal law within the meaning of the Act respecting the Ministère du Revenu (R.S.Q., chapter M-31).

Sections 1000 to 1010, 1037, 1045 and 1052 of the Taxation Act apply, with the necessary modifications, to sections 83 and 84.

DIVISION III

ADMINISTRATIVE PENALTIES

86. A registrant who fails to file an initial declaration within the time prescribed in section 38 must pay a penalty equal to the annual registration fee set out in this Act that is applicable to the registrant's juridical form on the day after the day on which that time expires.

87. A registrant who fails to meet the annual updating obligation within the period prescribed by regulation must pay a penalty equal to 50% of the annual registration fee set out in this Act that is applicable to the registrant's juridical form on the day after the day on which that period expires.

The first paragraph does not apply to a registrant referred to in section 46 who has declared in a fiscal return that the information concerning the registrant is up to date.

88. A registrant who fails to pay the annual registration fee within the time prescribed by section 82 must pay a penalty equal to 5% of the unpaid amount and an additional penalty of 1% of that fee for each complete month for which payment is overdue, up to a maximum of 12 months.

The first paragraph does not apply to a registrant referred to in section 83 or 84.

89. The Minister may waive, in whole or in part, any penalty payable under this Act, except a penalty imposed under section 85, if the registrant shows that it was impossible to fulfill the obligations within the prescribed time due to exceptional circumstances beyond the registrant's control.

The Minister may also, on the same grounds, cancel, in whole or in part, a penalty payable under this Act, except if it was imposed under section 85.

The decision of the Minister cannot be appealed.

The Minister must include the waivers and cancellations in the statistical summary tabled by the Minister in the National Assembly under section 94.1 of the Act respecting the Ministère du Revenu.

CHAPTER VI

PUBLICITY

90. When depositing a document in the register, the registrar must record the date of deposit, record the document in the index of documents and add its content to or, as applicable, make an appropriate entry in the statement of information.

The deposit updates the information contained in the register.

91. If unable to integrate the information contained in a document on depositing the document in the register, the registrar must record in the statement of information and, if applicable, in the index of names that the document has been deposited but that its content has yet to be added.

92. The registrar records in the registrant's statement of information the date on which the period determined by regulation of the Minister for meeting the annual updating obligation expires.

93. The registrar may, *ex officio* or on request, correct an index of documents, a statement of information or an index of names that is inconsistent with the information declared by the registrant or the administrator of the property of others.

The registrar may also correct an incomplete or inaccurate address in a statement of information.

If the correction is substantial, the registrar makes the correction by depositing a notice to that effect in the register, and informs the registrant.

94. Unless otherwise provided by law, the registrar may, on request or *ex officio*, correct a document drawn up by the registrar if it is incomplete or contains a clerical error. The same applies to a document drawn up by another authority, if that authority requests the correction.

If the correction is substantial, the registrar makes the correction by depositing a notice to that effect in the register, and informs the registrant.

The correction is retroactive to the date of deposit of the document concerned.

95. If a document filed by a registrant is incomplete or contains a clerical error, the registrar may correct the document with the authorization of the registrant.

The registrar may also delete information that the registrar is required by law to refuse to record in the register.

In such cases, the registrar records the corrected or deleted information on the document and informs the registrant.

96. The registrar may cancel ex officio an entry or the deposit in the register of a declaration or of a document transferred under an agreement entered into under section 117 or 118 if the declaration or document that was the basis for the entry or was deposited was filed without right.

The same applies to the recording or deposit of a notice of closure or a notice of liquidation described in the first paragraph of section 62, a notice required under article 306, 358 or 359 of the Civil Code or a notice of liquidation filed under the Business Corporations Act.

The registrar informs the registrant of the cancellation.

97. The registrar may cancel ex officio the deposit of a declaration if the information it contains was not declared in accordance with the law.

The registrar informs the registrant of the cancellation.

The declaration is deemed never to have been filed by the registrant.

98. The following information relating to a registrant may be set up against third persons from the time it is recorded in the statement of information and is proof of its content for the benefit of third persons in good faith:

(1) the registrant's name and, if the registrant was previously registered, the registrant's Québec business number;

(2) any other name used by the registrant in Québec;

(3) the registrant's status as a natural person operating an enterprise or the registrant's juridical form and the statute under which the registrant was constituted;

(4) the registrant's domicile;

(5) the domicile elected by the registrant and the name of the person mandated by the registrant to receive documents for the purposes of this Act;

(6) the names and domiciles of the directors and the positions they hold or, if all powers have been withdrawn from the board of directors by a unanimous shareholder agreement entered into in accordance with the laws of Québec or a Canadian jurisdiction other than Québec, the names and domiciles of the shareholders or third persons having assumed those powers;

(7) the date of entry into office and, if applicable, the date of cessation of office of the persons referred to in subparagraph 2 of the second paragraph of section 33;

(8) the names and domiciles of the president, the secretary and the chief executive officer, if they are not members of the board of directors, and the positions they hold;

(9) the name and address of the registrant's attorney;

(10) the name, address and capacity of the person acting for the registrant as administrator of the property of others;

(11) the address of the registrant's establishments in Québec;

(12) the name and domicile of each partner, the fact that no other person is a member of the partnership and, in the case of a limited partnership, the name and domicile of each general partner and the names and domiciles of the three greatest contributors to the partnership among the special partners;

(13) the object pursued by the partnership;

(14) the name of the State, province or territory in which the registrant was constituted as a legal person and the date of constitution;

(15) the name of the State, province or territory in which the amalgamation or division that resulted in the formation of the registrant took place, the date of the amalgamation or division and the name, domicile and Québec business number of every legal person involved in the amalgamation or division; and

(16) the date of the continuance or other transformation of the registrant.

Third persons may submit any proof to refute information contained in a document filed with the registrar or transferred under an agreement entered into under section 117 or 118.

However, a registrant whose registration has been cancelled *ex officio* by the registrar may not dispute information declared by the registrant and contained in the statement of information.

99. Any person may consult the register.

The register may be consulted in the locations and during the hours designated by the Minister. It may also be consulted from a distance by means of technologies determined by the Minister.

Consultation of the register is free of charge. However, charges prescribed by regulation of the Government may apply in cases determined in the regulation of the Government.

100. The registrar may, for the period determined by the registrar, prevent access to personal information in the register concerning a registrant if the registrar has reasonable grounds to believe that making that information accessible represents a serious threat to the registrant's safety.

The same applies to personal information recorded in the register which a registrant declared about another person.

101. On payment of the fee set out in this Act, the registrar may provide to any person who so requests a compilation of the information contained in statements of information.

The name and address of a natural person may not, however, be part of or the basis for such a compilation unless the compilation is requested by a government department or body for the purposes set out in any of subparagraphs 1 to 3, 5 and 8 of the second paragraph of section 59 of the Act respecting Access to documents held by public bodies and the Protection of personal information (R.S.Q., chapter A-2.1).

102. For the purposes of this Act, a government body includes any body referred to in the first paragraph of section 2 of the Financial Administration Act (R.S.Q., chapter A-6.001), and a government enterprise includes any government enterprise referred to in the third paragraph of that section.

In addition, a person designated by the National Assembly to exercise a function under its authority is considered a government body.

103. Despite the first paragraph of section 101, the registrar may provide a compilation of information free of charge if it is requested by a government department or body or by an educational institution for research purposes.

“Educational institution” means an educational institution situated in Québec that is designated by the Minister of Education, Recreation and Sports for the purposes of the loans and bursaries program established under the Act respecting financial assistance for education expenses (R.S.Q., chapter A-13.3).

104. Despite the second paragraph of section 101, the Minister may compile information from the register in carrying out the Minister's responsibilities under the law.

105. The registrar must issue, free of charge, to any person who so requests a copy or extract of an index of documents, a statement of information or an index of names.

106. On payment of the charges prescribed by regulation of the Government, the registrar must issue to any person who so requests a copy or extract of a document deposited in the register.

In the case of a copy or extract of a document relating to a registrant who has invoked an exemption established by regulation of the Minister under paragraph 2 of section 149, the registrar deletes the information to which the exemption applies from the extract or copy.

The same applies to any personal information access to which is prevented under section 100 for a period determined under that section.

107. On payment of the charges prescribed by regulation of the Government, the registrar must, on request, issue a certified copy or extract.

108. On payment of the fee set out in this Act, the registrar must, on request, issue an attestation as to whether or not a person, partnership or group of persons

- (1) is registered;
- (2) has failed to meet the annual updating obligation;
- (3) has failed to comply with a request under section 73; or
- (4) has had their registration cancelled.

Subject to the same conditions, the registrar must also attest that a registrant is being liquidated or wound up or dissolved, provided a declaration, notice or judgment to that effect has been sent to the registrar.

For the purposes of subparagraph 2 of the first paragraph, an attestation in respect of a legal person described in section 46 is issued on the assumption that the annual updating period determined by regulation for the current year remains unchanged, unless the legal person gives the registrar written confirmation of a new period for the current year.

CHAPTER VII

POWERS OF MINISTER AND ADMINISTRATION

DIVISION I

DOCUMENT MANAGEMENT

§1. — *General provisions*

109. Despite any legislative provision to the contrary, the form of the documents required to be filed with or transferred to the registrar and the manner in which they are to be sent are determined by the Minister, according to the medium or technology used.

110. If a document is attached to or required by law to be filed with another, and they are sent separately, the registrar is deemed to have received the documents when the last is received.

111. The form of the documents required by law to be drawn up by the registrar and the manner in which they are to be sent are determined by the Minister.

§2. — *Filing of technology-based documents*

112. Signature requirements for technology-based documents, within the meaning of the Act to establish a legal framework for information technology (R.S.Q., chapter C-1.1), filed with the registrar, including what may stand in lieu of a signature, are determined by the Minister.

113. A person who sends to the registrar, by means of a technology-based medium, a document on behalf of a person required by law to sign and file the document, and who verifies the identity and consent of that person before sending the document, is presumed to be authorized to draw up, sign and send that document in that person's name.

If a representative of the person required to sign and file a document entrusts the sending of the document to a third person in the circumstances described in the first paragraph, it is the responsibility of the representative to verify the person's identity and consent in accordance with that paragraph.

114. The Minister may require that an intermediary who regularly sends documents to the registrar send a document required by law to be filed using a specific medium or a specific method of transmission, according to the terms determined by the Minister.

“Intermediary” means a person or group of persons engaged in the business of acting on behalf of others to draw up or send documents relating to legal persons or documents to be deposited in the register.

115. The time as of which a technology-based document is considered received by the registrar is determined by the Minister, according to the medium and the method of transmission used.

DIVISION II

AGREEMENTS

116. The Minister may enter into an agreement with a government department or body in order to facilitate the performance of the registrar's functions.

The Minister may, in accordance with the applicable legislative provisions, enter into an agreement with a government other than that of Québec, with a department of such a government, with an international organization or with a body of such a government or organization.

117. For the purpose of registering a registrant, the Minister may enter into an agreement with a government department or body to allow the communication of information declared under another Act or the transfer of a document filed under another Act by a person, partnership or group of persons.

The Minister may also enter into such an agreement for the purpose of updating the information a registrant must declare under this Act.

Only the information required under this Act may be communicated to the registrar by the department or body.

The department or body must inform the person, partnership or group of persons concerned before the information is communicated or the document is transferred to the registrar.

118. The Minister may, in accordance with the applicable legislative provisions, enter into an agreement for the purposes set out in section 117 with a government other than that of Québec, with a department of such a government, with an international organization or with a body of such a government or organization.

119. On the recommendation of the registrar, the Minister may enter into an agreement with a government department or body to allow it to register a natural person, partnership, legal person or group of persons. Such an agreement may also concern the exercise of the powers and duties conferred by sections 105 to 107.

A government department or body exercises all or some of the powers of the registrar subject to the conditions and within the limits stipulated in the agreement.

120. The Minister may enter into an agreement with a government department, body or enterprise to allow the registrar to communicate to the department, body or enterprise information declared by a registrant under this Act if it must also be declared to that department, body or enterprise under another Act.

The same applies to legal persons dissolved in a situation described in section 289 or in section 527 or 528 of the Act respecting the legal publicity of sole proprietorships, partnerships and legal persons.

The deposit of the order in the register effects the registration of the legal person, who resumes existence as of the date of the deposit.

Subject to the rights acquired by any person, the legal person is deemed never to have been dissolved.

292. A proceeding brought before the Court of Québec under section 90 of the Act respecting the legal publicity of sole proprietorships, partnerships and legal persons before (*insert the date of coming into force of section 139*) the hearing of which has not commenced is continued, without further formality, before the economic affairs division of the Administrative Tribunal of Québec.

If the hearing has already commenced, the remedy is continued before the Court of Québec, unless the parties consent to a new hearing before the Administrative Tribunal of Québec or agree to the hearing being continued before the Tribunal, relying, in the case of oral evidence already produced, on the notes and minutes of the hearing or, as applicable, on the stenographer's notes or the recording of the hearing.

The clerk of the Court of Québec must send the records relating to proceedings described in the first paragraph to the secretary of the Tribunal not later than (*insert the date that is 60 days after the date of coming into force of section 139*). Similarly, the clerk must, without delay, transfer the record relating to proceeding referred to in the second paragraph that is to be continued before the Tribunal.

293. Subparagraph 4 of the first paragraph of section 17 does not apply to the name used in Québec by a natural person described in paragraph 1 of section 21 who was operating an enterprise on 31 December 1993, or by a partnership described in paragraph 2 of that section that existed on 31 December 1993, if on that date, in accordance with article 1834*b* of the Civil Code of Lower Canada or section 10 of the Companies and Partnerships

Declaration Act (R.S.Q., chapter D-1), the name included the term “enregistré” or “et compagnie”, an abbreviation of either of those expressions or any other word or phrase indicating a plurality of members or that one or more persons were using the name of another person.

294. The registrar preserves and keeps available for public consultation the public registers and archives kept by the registrar before 1 January 1994 under any of the Acts listed in Schedule V or any private Act.

On payment of the fee set out in this Act, the registrar may issue copies or extracts of the preserved documents and certificates and the related attestations to any person who applies for them.

If access to a file or the issue of a copy or extract of a document is requested in respect of a registrant who has invoked an exemption established by regulation under the third paragraph of section 97 of the Act respecting the legal publicity of sole proprietorships, partnerships and legal persons or under paragraph 2 of section 149 of this Act, the enterprise registrar deletes from the file, extract or copy the information to which the exemption applies.

The same applies to any personal information to which the registrar prevents access in accordance with section 100.

A certified copy or extract of a preserved document is authentic and constitutes proof of its registration, if applicable.

Third parties in good faith are not presumed to have knowledge of the content of a document solely because the document is registered under Part 1A of the Companies Act. They may presume that such documents contain accurate information.

295. The provisions of the Regulation respecting the application of the Act respecting the legal publicity of sole proprietorships, partnerships and legal persons, approved by Order in Council 1856-93 (1993, G.O. 2, 7022), as they read on (*insert the date before the date of coming into force of section 281*), remain in force until repealed or replaced by a regulation made by the Minister under this Act, except Divisions II and VI, which are repealed, and Division III, which is replaced by the following division:

299. The Government may, by a regulation made within one year after (*insert the date of coming into force of section 281*), enact any other transitional measure required for the carrying out of this Act.

NATIONAL ASSEMBLY

FIRST SESSION

THIRTY-NINTH LEGISLATURE

Bill 90
(2010, chapter 9)

An Act concerning Parc national du Mont-Orford

Introduced 23 March 2010
Passed in principle 22 April 2010
Passed 25 May 2010
Assented to 26 May 2010

**Québec Official Publisher
2010**

EXPLANATORY NOTES

This Act provides that the buildings and equipment used to operate the Mont Orford ski centre and golf course are to be sold by public tender within the time and subject to the conditions set by the Minister. It also empowers the Minister to establish superficies in favour of the acquirer on the lands on which those buildings and equipment are situated. The proceeds of the sale are to be paid into the Green Fund.

In addition, the Act integrates within Parc national du Mont-Orford the lands that are occupied by the ski centre and the golf course. It also provides for the conditions on which the development and operation of passenger transportation systems may be authorized in the park in order to link the ski centre to real estate developments outside the park.

If the ski centre and the golf course cannot be sold, or if they are sold and subsequently return to the State, the Minister will be required to close the ski centre and the golf course within the time specified in the Act, and to dismantle the equipment and any buildings the Minister identifies. However, the Act allows Municipalité régionale de comté de Memphrémagog to request the Minister to postpone the closure in order to enter into an agreement under which it will acquire all or part of those assets.

Lastly, the rehabilitation program for degraded natural areas of the skiable terrain of the park is to be continued, subject to certain modifications.

LEGISLATION REPEALED BY THIS ACT:

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

DIVISION I

SALE OF MONT ORFORD SKI CENTRE AND GOLF COURSE ASSETS

1. The buildings and equipment situated on the lands identified in section 4 that are used for the operation of the ski centre and the golf course are to be sold by the Minister by public tender, subject to the conditions and within the time set by the Minister.

The conditions must pertain to

(1) the minimum period during which the acquirer will be required to operate the ski centre and the golf course;

(2) the environmental management of the ski centre and the golf course the acquirer will be required to implement, more particularly the obligation to submit to the approval of the Minister an environmental management plan that includes measures to preserve landscapes, water resources, wetlands and biodiversity, and measures to prevent or limit light pollution created by outdoor lighting equipment;

(3) the volume of water that may be taken from Étang aux Cerises and Rivière aux Cerises, in order not to adversely affect their biological productivity; and

(4) the guarantees and penalties to ensure compliance with the conditions of the sale.

Furthermore, the environmental management plan must provide for a protected zone at least 30 metres wide, measured from the high-water line along each side of Rivière aux Cerises and Orford, Giroux, Castle, de la Cuvette and du Grand-Rocher streams, within which there may be no new development work, except work for the purpose of restoring or protecting the natural environment.

2. The Minister may, on the lands identified in section 4, provide for the establishment of superficies in favour of the acquirer of the buildings and equipment used for the operation of the ski centre and the golf course, among other things through division of the object of the right of ownership.

Superficies may be established on those lands only for the purpose of operating the ski centre and the golf course.

Any parcelling resulting from the establishment of superficies on those lands and any subsequent transfer of the superficies are exempted from the application of the first paragraph of article 3030, the last paragraph of article 3043 and article 3054 of the Civil Code. An application for registration of such a right of superficies in the land register must refer to this section and specify that the immovable concerned is land identified in section 4.

3. Any sum received by the Minister by reason of the sale of assets referred to in section 1 is to be paid into the Green Fund established by section 15.1 of the Act respecting the Ministère du Développement durable, de l'Environnement et des Parcs (R.S.Q., chapter M-30.001).

DIVISION II

INTEGRATION OF LANDS INTO PARC NATIONAL DU MONT-ORFORD

4. The lands that were excluded from the boundaries of Parc national du Mont-Orford under section 2 of the Act to ensure the enlargement of Parc national du Mont-Orford, the preservation of the biodiversity of adjacent lands and the maintenance of recreational tourism activities (2006, chapter 14) and are occupied by the Mont Orford ski centre and golf course are integrated within the boundaries of the park.

5. Schedules A and B to the Regulation respecting the Parc national du Mont-Orford (R.R.Q., chapter P-9, r. 15), replaced by section 5 of chapter 14 of the statutes of 2006, are again replaced by the schedules appearing in Schedule I to this Act.

6. Schedule 5 to the Parks Regulation (R.R.Q., chapter P-9, r. 25), replaced by section 7 of chapter 14 of the statutes of 2006, is again replaced by the schedule appearing in Schedule II to this Act.

DIVISION III

LINKS BETWEEN THE SKI CENTRE AND THE AREA OUTSIDE THE PARK

7. The Minister may authorize, in the intensive recreation zones of Parc national du Mont-Orford and on the conditions the Minister determines, the development and operation of one or more passenger transportation systems that provide a link, by air or land, between the ski centre and real estate developments situated outside the park.

All applications for authorization to establish such a transportation system must include the following information and documents:

(1) a description of the project, with drawings and specifications, setting out among other things its location, the work schedule, the activities related to the construction, operation and maintenance of the transportation system, and any other technical data and characteristics necessary to determine the project's effects on the territory of the park;

(2) a study evaluating the individual and cumulative effects of the project on the park's natural environment, including ecosystems, biodiversity and landscapes, and containing a description of the measures to be taken to prevent or reduce the deterioration of that environment, particularly damage to ecosystems of special interest and to threatened or vulnerable plants or wildlife, as well as light pollution;

(3) a detailed cost estimate for the project, as well as a study setting out realistic viability and profitability outlooks and showing how the project will contribute to consolidating the ski centre's financial position;

(4) an agreement entered into between the applicant and the owner of the buildings and equipment of the ski centre by which the owner agrees to the facilities being linked to the area outside the park by the proposed transportation system; and

(5) a resolution of *Municipalité régionale de comté de Memphrémagog* supporting the project, accompanied by the consultation report required under section 8.

In addition to the information and documents listed in the second paragraph, the Minister may require the applicant to provide any other environmental, social or economic information the Minister considers necessary to make a decision.

The information and documents sent to the Minister under this section are public.

8. A person who intends to file with the Minister an application for authorization to establish a passenger transportation system must first submit the project to *Municipalité régionale de comté de Memphrémagog*, accompanied with the information and documents prescribed by subparagraphs 1 to 4 of the second paragraph of section 7.

The municipality must submit the project for public consultation in the manner it determines; the consultation must include a public meeting to hear individuals and organizations who wish to submit observations. The municipality then prepares a report on those observations.

9. In making a decision on an application for authorization to establish a passenger transportation system, the Minister must take into account, in particular,

(1) the need to prevent or reduce as much as possible the project's effects on the components of the park's environment and on light pollution, given the mission of Parc national du Mont-Orford and the obligation to preserve the natural environment and maintain the park's recreational potential;

(2) the social and economic consequences of a refusal for the applicant, the operator of the ski centre and the region concerned; and

(3) the observations made by the public.

10. The Government may, by regulation made under section 9 of the Parks Act (R.S.Q., chapter P-9), establish one or more intensive recreation zones in Parc national du Mont-Orford to allow for the construction of transportation systems described in section 7.

11. Work or activities authorized by the Minister under this division are exempted from the application of sections 6, 8 and 8.1 of the Parks Act and section 22 of the Environment Quality Act (R.S.Q., chapter Q-2).

DIVISION IV

CLOSING OF SKI CENTRE AND GOLF COURSE

12. Subject to section 13, if the assets described in section 1 cannot be sold, or are sold but later return to the State, the Minister must close the ski centre and the golf course within 12 months following, as applicable, the date on which it is established that the sale of assets will not come about or the date on which the assets return to the State.

As of the closing of the ski centre and the golf course, and until the Government has exercised its zoning power under section 9 of the Parks Act, the lands on which the buildings and equipment used for their operation are situated are deemed to be, as applicable, natural environment zones or services zones within the meaning of the Parks Regulation. As of the closing of the ski centre and the golf course, the Minister dismantles the equipment and any buildings the Minister identifies.

13. If the assets referred to in section 1 cannot be sold or if they return to the State after being sold, the Minister must so inform Municipalité régionale de comté de Memphrémagog without delay. On a request by the municipality within 30 days after receiving that information, the Minister may postpone the closure of the ski centre and the golf course.

Municipalité régionale de comté de Memphrémagog has 90 days following the decision to postpone the closure to enter into an agreement with the Minister under which the municipality will acquire and operate all or part of the assets. The agreement must include conditions ensuring the environmental management of the ski centre or golf course, as applicable, in accordance with subparagraphs 2 and 3 of the second paragraph and the third paragraph of section 1.

14. Municipalité régionale de comté de Memphrémagog is vested with the powers necessary to implement the agreement described in section 13, including the power to operate the ski centre or golf course so acquired. It may also entrust their operation to a third person. The contract entered into for that purpose may stipulate that the third person must finance the work carried out under the contract, in which case the Municipal Works Act (R.S.Q., chapter T-14) does not apply to the work.

15. Failing an agreement within the time specified in the second paragraph of section 13, the Minister must close and dismantle the buildings and equipment of the ski centre and the golf course as prescribed in section 12. The same applies to any building or equipment not acquired by the municipality under the agreement.

Deposit Insurance Act
(R.S.Q., c. A-26, s. 43, pars. *a, d, e, e.1, f, h.1* to *l, m, m.2* to *r, t* and *u*)

CHAPTER I SCOPE AND INTERPRETATION

1. The term “deposit of money” means the unpaid balance, including interest thereon, of funds received by an institution or a bank in the normal course of receiving cash deposits from the public for investment purposes, where the obligation of the institution or bank to repay is evidenced by a credit to the depositor’s account, by a deposit certificate or by any other document issued by the institution or bank.

A deposit of money does not include

(1) funds repayable upon the expiry of a term exceeding 5 years, unless the institution or bank is required to repay such funds, at any time, on demand by the depositor, after 5 years from the date of the deposit or unless such funds were received before July 1, 1970;

(2) funds used to acquire shares or equity securities issued by a financial services cooperative, an insurer, a trust company or a savings company;

(3) funds repayable, in the case of a winding-up, at a rank subordinate to other ordinary due debts of the institution or bank;

* The Regulation respecting the application of the Deposit Insurance Act, approved by Order-in-Council No. 819-93 dated June 9, 1993 (1993, *G.O.* 2, 3333), was amended by the regulation approved by Order-in-Council No. 820-2006 dated September 13, 2006 (2006, *G.O.* 2, 3065) and by Ministerial Order No. 2010-05 dated February 19, 2010 (2010 *G.O.* 2, 634).

(4) funds used to acquire shares of an investment fund.

A depositor is a person who makes a deposit of money within the meaning of the Deposit Insurance Act (R.S.Q., c. A-26) and this Regulation, or a person to whom an institution or a bank is required to repay such deposit.

2. In addition to the provisions in the first paragraph of section 1, the funds referred to therein constitute a deposit of money within the meaning of the Act and this Regulation where the document evidencing the obligation of the institution or bank to repay or to pay explicitly bears the name of the person entitled, as of the date of issue of the document, to payment or repayment of the funds received.

Where the document is assigned, the name of the assignor, the name of any assignee and the terms of assignment must be noted in the records of the institution or bank.

The first paragraph does not apply where the obligation to repay or to pay is evidenced by a draft, a certified cheque, a traveller's cheque, a letter of credit paid in advance or a money order.

3. The date of deposit is the date on which a sum of money is credited to the depositor, or the date appearing on the instrument issued by the depository.

A depository is a registered institution or a bank within the meaning of section 1.2 of the Act where deposits are guaranteed by the Autorité des marchés financiers.

4. A deposit is deemed to be made at the place where the funds are received by the depository, subject to the following provisions:

(1) where the funds are remitted to a branch or agent of the depository, the deposit is deemed to be made at the place where such branch or agent received the funds;

(2) where the depositor requests that the funds be credited to an account maintained at a particular office of the depository, the deposit is deemed to be made at such office;

(3) where the place at which the deposit was made is changed without the consent of the depositor, the deposit is deemed to have been made at the place where the funds were placed by the depositor;

(4) where a depository receives funds giving rise to the issue of a guaranteed investment certificate, a deposit certificate or another document evidencing the deposit, and where it is not possible to establish the place of deposit in accordance with paragraphs 1 to 3 hereof, the

deposit is deemed to be made at the office of the depository where the instrument was issued to the depositor or the place from which it was sent to the depositor;

(5) where it is not possible to establish the place of deposit in accordance with paragraphs 1 to 4 hereof, the deposit is deemed to have been made at the depository's head office.

5. An accounting period for premiums is the period from May 1 of every year to April 30 of the next year.

CHAPTER II PERMIT AND CONDITIONS FOR REGISTRATION

6. An institution applying for registration must complete the form prescribed by the Authority and submit it together with the following documents:

(1) a copy of the institution's constituting act and by-laws, and any amendments thereto;

(2) a certified copy of the institution's audited financial statements for each of the past three years, as well as those of its subsidiaries and of the entity that controls it, and a certified copy of the unaudited financial statements for a period ended not more than 90 days prior to the date of its application for a permit where the most recent fiscal year ended more than 120 days but less than one year before the date of the application;

(3) a copy of an insurance policy attesting that the institution is insured against fraud, misappropriation and theft;

(4) where applicable, a detailed statement, in the form prescribed by the Authority, of deposits held by the institution outside Québec.

In the case of a newly formed institution, a budgeted statement of assets and liabilities and an operating budget for the fiscal year during which the application for a permit is filed and for the subsequent two years replace the financial statements required under subparagraph 2 of the first paragraph hereof.

7. In addition to the requirements set out in section 6, the Authority issues a permit to any institution that fulfills the following conditions:

(1) it has provided all documents and information required by the Authority;

(2) it intends to solicit and receive deposits of money from the public within the meaning of the Act and this Regulation;

(3) it complies with the provisions of the laws and regulations applicable to it as well as any guidelines, written directions and undertakings made pursuant to such laws;

(4) it is in a position to discharge, when due, any obligation resulting from the receipt of a deposit of money;

(5) it follows sound commercial and financial practices;

(6) it holds an insurance policy covering fraud, misappropriation and theft;

(7) it is not insolvent or about to become so; and

(8) it is in a satisfactory financial position.

Where an institution is not constituted under an Act of Québec, the deposits it holds outside Québec must be insured in accordance with the Canada Deposit Insurance Corporation Act (Revised Statutes of Canada, 1985, chapter C-3) or under a guarantee policy issued by the Authority.

8. A registered institution must, at all times, fulfill the conditions required for the issue of a permit as set out in subparagraphs 3 to 8 of section 7.

CHAPTER III GUARANTEE AND PREMIUMS PAYABLE

DIVISION I SEPARATE GUARANTEE

9. A deposit made with the same institution or bank constitutes a deposit separate from any other deposits in the following cases:

(1) the deposit is the aggregate of a person's interests in one or more deposits received by an institution or bank under one or more registered retirement savings plans, registered retirement income funds or tax-free savings accounts in accordance with the Taxation Act (R.S.Q., c. I-3) or the Income Tax Act (Revised Statutes of Canada, 1985, c. 1 (5th Supp.);

(2) the deposit made with an institution or bank by a person acting as a trustee or mandatary with an institution or bank, and the existence of the trust or mandate as well as the name and address of the beneficiary are noted in the records of the institution or bank;

(3) the deposit made with an institution or bank in the interest of persons in respect of which a trustee or mandatary acts as a depositor, and the existence of the

trust or mandate, the names and addresses of each beneficiary and the breakdown of the deposit are noted in the records of the institution or bank, except for deposits received under registered retirement savings plans, registered retirement income funds or tax-free savings accounts;

(4) the deposit is the aggregate of the deposits in respect of which a person acts as a co-owner jointly with the same persons, where the existence of each person's interest is noted in the records of the institution or bank;

(5) the deposit is received by an institution or bank and the funds are used to pay the balance owing by a hypothecary debtor with respect to the property taxes on the hypothecated property.

10. An interest acquired by a person in a deposit after the date of the suspension or cancellation of an institution's permit or after the suspension, rescission or expiry of a policy issued by the Authority under section 34 of the Act does not constitute a new deposit for the purposes of the guarantee.

11. Where the Authority's obligation under a guarantee becomes enforceable before the date of expiry of a term deposit, the guarantee period provided for in the second paragraph of section 37 of the Act is extended by no more than two years from the date of expiry of such deposit.

Where the Authority's obligation under a guarantee becomes enforceable after the date of expiry of a term deposit, the guarantee period provided for in the second paragraph of section 37 of the Act is extended by no more than two years from the date on which the Authority's obligation under a guarantee becomes enforceable.

DIVISION II PREMIUM PAYABLE FOR GUARANTEE PURPOSES UNDER SECTION 33.1 OF THE ACT

§1. General provisions

12. The amount payable by a registered institution for each accounting period for premiums is equal to the greater of the following amounts:

(1) 1/25 of 1% of an amount equal to the total of the portion of each deposit that is guaranteed by the Authority under section 33.1 of the Act and that is on deposit with the registered institution on April 30 preceding the accounting period for premiums;

(1) a fraction of $\frac{1}{25}$ of 1% of an amount equal to the total of the portion of each deposit that is guaranteed by the Authority under section 33.1 of the Act and that is on deposit with the institution on the last day of the month during which it became a registered institution;

(2) a fraction of \$5,000.

The fraction is obtained by dividing by 365 the number of days in the accounting period for premiums during which the guarantee provided for in section 33.1 of the Act is in force.

During an accounting period for premiums, where a registered institution is continued pursuant to the Insurance Companies Act (Statutes of Canada, 1991, chapter 47) or the Trust and Loan Companies Act (Statutes of Canada, 1991, chapter 45), the portion of the unearned premium is reimbursed to the registered institution.

16. A registered institution referred to in section 15 determines the total deposits of money provided for in subparagraph 1 of the first paragraph of section 15 and informs the Authority of such total forthwith by completing the form prescribed by the Authority.

17. Where the premium calculated under section 15 does not exceed half the premium that would have been payable for the full accounting period for premiums, it must be paid to the Authority within 75 days following the end of the month during which the institution becomes a registered institution.

Where the premium calculated under section 15 exceeds half the premium that would have been payable for the full accounting period for premiums, the amount equal

to half the premium must be paid to the Authority within 75 days following the end of the month during which the institution becomes a registered institution and the balance not later than on December 15 of the current accounting period.

18. The Authority may charge interest, at the rate determined under section 28 of An Act respecting the Ministère du Revenu (R.S.Q., c. M-31), on any unpaid balance of a premium payable or portion thereof.

19. A security fund established under An Act respecting financial services cooperatives (R.S.Q., c. C-67.3) must send to the Authority, not later than on March 31 preceding the accounting period for premiums, its financial statements and a report of activities covering the period from January 1 to December 31 of the year preceding the accounting period for premiums.

The report must indicate:

(1) the list of financial services cooperatives that are members of such security fund;

(2) the method for calculating every assessment ordered or required by the security fund;

(3) the amount of any assessment established for each member cooperative of the security fund and the conditions for payment of such assessments;

(4) the amounts paid in respect of any assessment by each cooperative and a list of any of the cooperatives that have not paid amounts in respect thereof;

(5) the amounts of loans and grants made to each cooperative and the conditions for repayment of the loans;

(6) guarantees of repayment of an advance or loan made to a cooperative that is a member of the security fund;

(7) agreements made with each such cooperative under which its affairs are managed by the security fund for a fixed period, and the conditions of such agreements;

(8) the acquisition of some or all of the assets of a cooperative that is a member of the security fund and the conditions of such acquisition;

(9) the measures that the security fund determined when making a loan or grant to one or more cooperatives that must be implemented by each such cooperative in order to correct certain of its administrative and financial practices;

(10) the names of cooperatives for which the security fund has acted as liquidator or sequester;

(11) the names of cooperatives for which the security fund has acted as provisional administrator for the purposes of An Act respecting financial services cooperatives;

(12) a list of cooperatives inspected, the number of inspections, the dates of the inspections and a list of cooperatives not inspected;

(13) a detailed list of the security fund's investment portfolio and its investment portfolio management report;

(14) a description of the security fund's activities and a statement of its operations.

20. Where, during an accounting period for premiums, a registered financial services cooperative becomes or ceases to be a member of a security fund whose members benefit from a reduction in premiums, such cooperative benefits or ceases to benefit, as the case may be, from a reduction in premiums for the unexpired part of the accounting period.

§2. Premium payable by a registered extra-provincial institution resulting from an amalgamation

21. The amount of the premium payable by a registered extra-provincial institution resulting from an amalgamation of which any of the amalgamating institutions were already registered for the accounting period for premiums during which the amalgamated institution becomes a registered institution is equal to the amount provided for in the first paragraph of section 15 and calculated in accordance with the second paragraph thereof.

However, the amount of the premium payable by a registered institution or institutions that are part of an amalgamation for the number of days in this accounting period for premiums during which the guarantee prescribed under section 33.1 of the Act is in force must be subtracted from the amount of the premium determined in accordance with the first paragraph hereof.

An extra-provincial institution is an institution incorporated or continued in Canada under a law other than a law of Québec.

DIVISION III
GUARANTEE POLICY AND PREMIUMS

§1. Guarantee policy

22. A registered institution or a bank seeking to obtain a guarantee policy referred to in section 34 of the Act must file an application by completing the form prescribed by the Authority.

Such guarantee policy must be drafted in the form prescribed by the Authority and must be issued by the Authority. The guarantee policy is for a duration of one year as of the date of issue and is renewed automatically for the same duration until such time as it is suspended, cancelled or rescinded.

23. Subject to the reasons for suspension, cancellation or rescission provided for in the Act and in regulations, a guarantee policy may be terminated where the registered institution or bank involved, together with the Authority, agree to rescind the guarantee after giving the competent authorities of the government of the province in which the deposits were made not less than 90 days' notice of the intention of the registered institution or bank to rescind the guarantee.

And likewise where the Canada Deposit Insurance Corporation, incorporated under the Canada Deposit Insurance Act, issues to the registered institution or the bank a guarantee policy that, in the opinion of the competent authorities of the government of the province in which the deposits were made, provides insurance at least equivalent to the guarantee of the Authority. In such case, the guarantee terminates only once the Authority has been duly informed by the government of the province in which the deposits were made that, in its opinion, the insurance granted to the registered institution or bank by the Canada Deposit Insurance Corporation is at least equivalent to the guarantee of the Authority.

§2. Determination of premium

24. The premium payable by a registered institution or a bank holding a guarantee policy is equal to 1/25 of 1% of the aggregate deposits held on the last day of the preceding accounting period for premiums.

25. The premium payable by a registered institution or a bank for the accounting period for premiums during which its deposits become guaranteed is equal to a fraction of 1/25 of 1% of the aggregate deposits held on the last day of the month during which its deposits became guaranteed, established on the basis of the number of days in such accounting period for premiums during which the guarantee is in force, divided by 365.

26. For premium calculation purposes, each deposit must be included in the aggregate deposits guaranteed by a policy, to a maximum of \$100,000.

27. Half the premium payable by a registered institution or a bank under section 25 hereof must be paid to the Authority not later than on July 15 of the accounting period for which the premium was established. The balance must be paid not later than on December 15 of the same period.

28. The Authority may charge interest, at the rate determined under section 28 of An Act respecting the Ministère du Revenu, on any unpaid balance of a premium payable or portion thereof.

CHAPTER IV CLAIMS

29. Any person requiring a payment in execution of the guarantee provided for in the Act must file with the Authority a claim by completing the form prescribed by the Authority, accompanied by instruments and other documents supporting his application. As applicable, the claim must also be accompanied by proof of the existence of a trust or mandate where the payment claimed in execution of the guarantee results from a deposit referred to in the second paragraph of section 9.

30. Where an institution or bank is in either of the situations provided for in subparagraph *e* of the first paragraph of section 34.1 of the Act and where the Authority is required, in execution of its obligation under a guarantee, to make payments to persons who made deposits with such institution or bank, it is not necessary to file the claim provided for under section 29 where the following conditions are fulfilled:

(1) an agreement has been entered into between the Authority and the liquidator of the institution or bank, or between the Authority and the Canada Deposit Insurance Corporation, or between the Authority and another body that administers a similar plan, or another compensation body;

(2) under such agreement, the Authority is provided with documents that enable it to identify the persons entitled to payments in execution of the guarantee of the Authority and to determine any amount to which such persons are entitled under the Act and this Regulation.

31. An application for the payment of any claim based on a negotiable instrument issued by an institution or bank must include, in addition to the detailed statement under section 29, a statement indicating the date on which the claimant acquired such instrument.

32. For the purposes of section 34.4 of the Act, the interest rate calculated on a deposit of money for the period beginning on the winding-up date and ending on the date of full payment of such deposit of money is equal to the rate determined under section 28 of An Act respecting the ministère du Revenu.

CHAPTER V ADVERTISING

33. Every registered institution must display the official logo supplied by the Authority in a conspicuous place at the entrance to and inside any establishment where it carries on its activities.

34. The official logo attesting to registration with the Authority is as follows:

35. A registered institution wishing to inform the public that deposits made with it are guaranteed by the Authority may use only the phrase “Registered under the Deposit Insurance Act with the Autorité des marchés financiers” in its advertising.

36. Every document issued by a registered institution and evidencing the receipt of funds referred to in section 1 hereof must contain the following statement: “This is a deposit within the meaning of the Deposit Insurance Act.”

37. The statement “The funds of which receipt is evidenced by this document do not constitute a guaranteed deposit within the meaning of the Deposit Insurance Act.” must be included in any document attesting that a registered institution has received funds that do not constitute a deposit for any of the following reasons:

(1) the term of the deposit is longer than 5 years and repayment may not be required on demand at any time after 5 years from the date of deposit;

(2) the document evidencing the institution’s obligation to repay does not explicitly bear the name of the person entitled to repayment as of the date of issue of the document;

(3) the deposit is payable in foreign currency.

CHAPTER VI
MISCELLANEOUS, TRANSITIONAL
AND FINAL PROVISIONS

DIVISION I
MISCELLANEOUS PROVISIONS

38. Every registered institution must deliver to the Authority a certified copy of the annual report and statement of its operations and financial position. These documents must be accompanied by a report from the institution's auditor.

The delivery to the Authority of the documents referred to in the first paragraph hereof as required under An Act respecting insurance (R.S.Q., c. A-32), An Act respecting trust companies and savings companies (R.S.Q., c. S-29.01) or An Act respecting financial services cooperatives fulfills the requirement set out in the first paragraph hereof.

39. The report on the inspection conducted in respect of a registered institution's affairs under section 42 of the Act must pertain, in particular, to:

- (1) the receipt of deposits of money within the meaning of the Act and this Regulation;
- (2) the fact that it complies with the Act governing its activities, and with regulations and guidelines;
- (3) the holding of an insurance policy covering fraud, misappropriation and theft;
- (4) its obligations with respect to the deposits held by the institution;
- (5) its administrative, financial and commercial practices;
- (6) the security measures related to the funds deposited with the institution.

40. An institution that is continued, converted or amalgamated must apply to the Authority for a review of the permit held by the registered institution.

Such institution must comply with the requirements set out in sections 6 and 7 of this Regulation.

41. Any notice intended for a registered institution or a bank or for any directors or officers of such institution or bank must be delivered by any means attesting to its delivery to the last known address of the head office or principal establishment in Québec of such institution or bank, or to the domicile of the director or officer.

DIVISION II
TRANSITIONAL AND FINAL PROVISIONS

42. This Regulation replaces the Regulation respecting the application of the Deposit Insurance Act approved by Order-in-Council No. 819-93 dated June 9, 1993, except for sections 12 and 50 of the Regulation, which continue to be in force until they are replaced by a regulation approved by the government.

43. This Regulation comes into force on July 15, 2010.

Draft Regulations

Draft Regulation

An Act respecting transportation services by taxi (R.S.Q., c. S-6.01)

Taxi owner's permits per taxi servicing area — Maximum number and certain conditions of operation

Notice is given, pursuant to sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation respecting the maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation, the text of which is printed below, can be enacted by the Commission des transports du Québec at the end of a 45-day period from the date this notice is issued.

This draft regulation replaces the Order in Council respecting the maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation (Order in Council 736-2002) of June 12, 2002 (2002, *G.O.* 2, 4168), pursuant to section 19 of the Act to amend the Act respecting transportation services by taxi (2009, c. 17).

The draft regulation maintains the maximum number of taxi owner's permits that can be delivered in the servicing areas listed in the schedule attached to Order in Council 736-2002, except for the maximums set for servicing areas A.50 La Tuque and Magog, which are amended pursuant to section 10.1 of the Act respecting transportation services by taxi (R.S.Q., c. S-6.01).

These amendments are aimed at reducing the maximum number of taxi owner's permits that can be delivered in these two servicing areas. The maximum for the A.50 La Tuque servicing area, currently at 13, will be lowered to 8, and the maximum for the Magog servicing area, currently at 25, will be lowered to 16.

Additional information on this draft regulation can be obtained from Mr. Christian Daneau, secretary and director of Services juridiques et secrétariat, at Commission des transports du Québec, 545, boulevard Crémazie Est, bureau 1000, Montréal (Québec) H2M 2V1, by phone at 514 906-0350, extension 3014, or by fax at 514 873-5947.

Any person who wishes to submit comments regarding this matter is invited to send them in writing, before the end of the 45-day period from the date this notice is issued, to Mr. Christian Daneau, secretary and director of Services juridiques et secrétariat, at Commission des

transports du Québec, 545, boulevard Crémazie Est, bureau 1000, Montréal (Québec) H2M 2V1. These comments will then be analyzed by the Commission des transports du Québec.

CHRISTIAN DANEAU,
*Secretary, Commission
des transports du Québec*

Regulation respecting the maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation

An Act respecting transportation services by taxi (R.S.Q., c. S-6.01)

1. The Commission des transports du Québec may not issue, for each area established and delimited under subparagraph 4 of the first paragraph of section 79 of the Act respecting transportation services by taxi (2001, c. 15), more taxi owner's permits than the maximum for each area indicated in the schedule attached to this Regulation.

2. The Commission des transports du Québec establishes as a condition applicable to seven taxi owner's permits among the maximum of 91 taxi owner's permits for the A.34 Hull servicing area that operations be restricted to limousine services only for four of them and to luxury limousine services only for the remaining three.

3. The Commission des transports du Québec establishes as a condition when granting a holder of a taxi owner's permit authorization to specialize services in order to offer transportation with personal attendants for beneficiaries of the health care system that those services be offered only between 7:00 a.m. and 11:00 p.m. on business days, except where the contract between the taxi owner's permit holder and the public institution or the health and social services regional council expressly stipulates other schedules.

4. This Regulation replaces the Order in Council respecting the maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation (Order in Council 736-2002) of June 12, 2002 (2002, *G.O.* 2, 4168).

5. This Regulation comes into force 15 days after the date of its publication in the *Gazette officielle du Québec*.
