EXPLANATORY NOTES

The purpose of this Act is mainly to enhance the verification that must be carried out in connection with private security licences.

It amends the procedure for the verification carried out by the Sûreté du Québec before the issue, renewal or maintenance of these licences. To that effect, it prescribes that the Sûreté du Québec must inform the Bureau de la sécurité privée of the results of its verification and give its opinion with regard to compliance with the conditions of the Act. It extends the verification to all partners or shareholders of a partnership or a legal person that is a partner or shareholder of the enterprise concerned. It authorizes the Sûreté du Québec to carry out verifications with respect to licence holders at any time during the term of their licence. It also provides that the Minister of Public Security may, after consulting the Bureau, issue a directive establishing the minimal verification that must be carried out.

It makes various other amendments to the Private Security Act. It divides the locksmith and electronic security systems class of both the agency licence and the agent licence into two separate categories. It also breaks down the electronic security systems class of the agent licence into three sectors of activity, namely, installing, repairing and maintaining, continuous remote monitoring, and technical consulting.

It increases the term for which an agent licence is issued or renewed from three to five years.

It gives the Bureau the power to adjust the annual fees that licence holders must pay according to the verification required. It also empowers the Government to establish by regulation the conditions subject to which the Minister, on the recommendation of the Bureau, may recognize training or a training instructor or a training body for the purposes of the Act.

It also amends the Regulation under the Private Security Act in order to adjust the annual fees charged for agent licences and, in the case of applications for the issue or renewal of agency or agent licences, to adjust the fees according to the verification required.

Lastly, this Act contains transitional provisions.

- Private Security Act (R.S.Q., chapter S-3.5).

Bill 23
(2011, chapter 24)

An Act to amend various pension plans in the public sector

Introduced 8 June 2011
Passed in principle 29 September 2011
Passed 2 November 2011
Assented to 2 November 2011

**Québec Official Publisher
2011**

EXPLANATORY NOTES

This Act amends the Act respecting the Government and Public Employees Retirement Plan in order to provide for a new contribution formula applicable to pensionable salary if the salary exceeds 35% of the maximum pensionable earnings within the meaning of the Act respecting the Québec Pension Plan. The Act respecting the Government and Public Employees Retirement Plan is also amended to provide for the Government's payment of an annual amount to the employees' contribution fund at the Caisse de dépôt et placement du Québec to cover the contributions certain members would have paid into the fund had they not benefited from a reduction of their contributions under the new contribution formula.

The Act respecting the Government and Public Employees Retirement Plan and the Act respecting the Pension Plan of Management Personnel are amended to allow the Government to prescribe by regulation the rules, terms and conditions for establishing the rate of contribution applicable each year to the plans concerned. The rate is to be based on the result of the actuarial valuation of each of the plans.

The Act respecting the Government and Public Employees Retirement Plan is also amended to provide for the indexation of the part of the pension attributable to service credited through employee contributions between 30 June 1982 and 1 January 2000 by one half of the rate of increase in the Pension Index within the meaning of the Act respecting the Québec Pension Plan instead of by the excess of that rate over 3%, if certain conditions are met. The Government is empowered to index in the same way the part of the pension attributable to that service credited through government contributions. In addition, procedures for the transfer of funds are provided in order to maintain the current sharing of the cost of the plan should the Government decide not to index it. Moreover, if the Government decides to go ahead with the indexation, certain pension plans that pay pensions out of the Consolidated Revenue Fund may also be indexed in a similar manner.

The Acts establishing certain pension plans in the public sector are amended to allow members to accrue years of service over and above the 35 years now used in computing the pension, up to a maximum of 38.

Lastly, various technical, consequential and transitional amendments are introduced.

LEGISLATION AMENDED BY THIS ACT:

- Act respecting the Pension Plan of Certain Teachers (R.S.Q., chapter R-9.1);
- Act respecting the Government and Public Employees Retirement Plan (R.S.Q., chapter R-10);
- Act respecting the Teachers Pension Plan (R.S.Q., chapter R-11);
- Act respecting the Civil Service Superannuation Plan (R.S.Q., chapter R-12);
- Act respecting the Pension Plan of Management Personnel (R.S.Q., chapter R-12.1).

Bill 23

AN ACT TO AMEND VARIOUS PENSION PLANS IN THE PUBLIC SECTOR

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

ACT RESPECTING THE GOVERNMENT AND PUBLIC EMPLOYEES RETIREMENT PLAN

1. Section 17.2 of the Act respecting the Government and Public Employees Retirement Plan (R.S.Q., chapter R-10) is amended by replacing “section 115.1” in the first paragraph by “sections 115.1, 115.10.1 and 115.10.4”.

2. Section 29 of the Act is amended

(1) by replacing everything after “an amount” in the first paragraph by “established in accordance with the formula provided in Schedule II.1.1 if the pensionable salary exceeds 35% of the maximum pensionable earnings within the meaning of the Act respecting the Québec Pension Plan (chapter R-9).”;

(2) by replacing “the exemption of 35% is multiplied, for the purposes of the amount withheld,” wherever it appears in the second paragraph by “the amount of the maximum pensionable earnings is multiplied, for the purposes of the first paragraph,”.

3. Section 73.1 of the Act is amended

(1) by inserting “before 1 July 2011” after “under this plan” in paragraph 1;

(2) by replacing “have been recognized” in paragraphs 2 and 3 by “was recognized before that date” and by replacing “has been designated” and “has been taken” in paragraph 3 by “was designated” and “was taken” respectively.

4. The Act is amended by inserting the following sections after section 77:

“77.0.1. The part of the pension attributable to service subsequent to 30 June 1982 but prior to 1 January 2000, paid out of the employees’ contribution fund, is indexed on 1 January following the receipt by the Minister of the report of the independent actuary or of the actuarial valuation update referred to in the first paragraph of section 174 by one half of the rate of increase in the

Pension Index determined in the Act respecting the Québec Pension Plan (chapter R-9) instead of being indexed in accordance with section 77 if

(1) the rate thus obtained is more advantageous;

(2) the actuarial valuation, the validity of whose assumptions has been confirmed by an independent actuary, or the actuarial valuation update shows a surplus that exceeds 20% of the actuarial value of the benefits payable out of the employees' contribution fund; and

(3) the part of the surplus that exceeds that 20% allows the financing of the additional cost of the indexation.

For the purposes of the first paragraph,

(1) "surplus" means any amount by which the actuarial value of the members' fund, within the meaning of the actuarial valuation, exceeds the actuarial value of the benefits accrued on the date of the valuation and payable out of the fund, as determined by that actuarial valuation or the update, as the case may be;

(2) "additional cost" means the value, established on 31 December of the year preceding the year during which the indexation applies, which corresponds to the difference between the actuarial value of the part of the pension referred to in the first paragraph that would be payable if it were indexed in accordance with the first paragraph and its actuarial value if it were indexed in accordance with subparagraph 2 of the first paragraph of section 77.

"77.0.2. If the indexation provided for in the first paragraph of section 77.0.1 applies, the Government may, not later than 1 July of the year during which the indexation applies, decide to index in accordance with that section the part of the pension referred to in that paragraph but payable out of the employers' contributory fund at the Caisse de dépôt et placement du Québec or, if that fund is exhausted, first out of the funds capitalized in accordance with section 32 and after that, out of the Consolidated Revenue Fund.

If the Government decides to index the part of the pension credited through government contributions under the first paragraph, the part of the pension attributable to service subsequent to 30 June 1982 but prior to 1 January 2000, paid out of the Consolidated Revenue Fund under the third paragraph of section 130, is indexed by one half of the rate of increase in the Pension Index determined in the Act respecting the Québec Pension Plan (chapter R-9)."

5. Section 85.2 of the Act is amended by adding " , as well as sections 77.0.1 and 77.0.2, where applicable" at the end of the first paragraph.

6. Section 85.35 of the Act is replaced by the following section:

“85.35. This division applies to an employee in respect of a pension credit the employee obtained under this division after filing an application for the redemption of prior service received by the Commission before 1 July 2011.”

7. Section 100.1 of the Act is replaced by the following section:

“100.1. This division applies to an employee in respect of a pension credit the employee obtained under this division as a result of the application of paragraph 1 of section 2 before 1 July 2011, following a poll held before that date or following the filing of an application for the redemption of prior service received by the Commission before that date.”

8. Section 115.10.1 of the Act is amended by replacing the first paragraph by the following paragraph:

“115.10.1. An employee who has held employment in a research centre within the meaning of section 6.2 is entitled to be credited, for pension purposes, with the years and parts of a year of service accumulated in that employment after 3 September 1991, at which time the research centre was subject to one of the sections to which the second paragraph of section 6.2 refers, if, on the date of the application for redemption, the employment is deemed to be pensionable employment or would be if the employee held the employment. For the purposes of this paragraph, any period in which the employee is entitled to salary insurance benefits or in which an employee avails herself of a maternity leave under the provisions concerning parental leave that form part of her conditions of employment is deemed to be a period of service.”

9. Section 115.10.4 of the Act is amended

(1) by replacing “after 30 June 2011 under section 220” in the first paragraph by “by an order made under section 220 after 30 June 2011”;

(2) by adding the following sentence at the end of the first paragraph: “For the purposes of this paragraph, any period in which the employee is entitled to salary insurance benefits or in which an employee avails herself of a maternity leave under the provisions concerning parental leave that form part of her conditions of employment is deemed to be a period of service.”

10. The Act is amended by inserting the following section after section 128:

“128.0.1. The Commission must, on or before 30 September of each year, establish the amount the Government must pay as compensation to the employees’ contribution fund at the Caisse de dépôt et placement du Québec in respect of the employees whose pensionable salary is lower than the maximum pensionable earnings within the meaning of the Act respecting the Québec Pension Plan (chapter R-9), such maximum being multiplied in accordance with the second paragraph of section 29.

The amount of the compensation is established in the manner prescribed by regulation. Its purpose is to compensate the difference between the amounts withheld as contributions by the employers and insurers, taking into account the application of section 29.3, and the amounts that would have been withheld if the contribution formula described in the first paragraph of section 29, as it read on 31 December 2010, had been maintained.

The Commission must, within three months following the establishment of the amount of compensation, transfer that amount from the employers' contributory fund at the Caisse de dépôt et placement du Québec to the employees' contribution fund at the Caisse. If the employers' contributory fund is exhausted, the sums required for the transfer are taken first out of the funds capitalized in accordance with section 32 and after that, out of the Consolidated Revenue Fund."

11. The Act is amended by inserting the following section after section 128.2:

"128.3. If the indexation provided for in the first paragraph of section 77.0.1 applies and if the Government has not availed itself of section 77.0.2, the Commission must, before 1 October of the year during which the indexation applies, transfer from the employees' contribution fund at the Caisse de dépôt et placement du Québec to the employers' contributory fund at the Caisse an amount equal to one half of the additional cost resulting from the indexation. The Commission establishes the cost at 31 December of the year preceding the year during which the indexation applies on the basis of the actuarial method and assumptions of the actuarial valuation."

12. Section 134 of the Act is amended

(1) by inserting the following subparagraph after subparagraph 15 of the first paragraph:

"(15.0.1) prescribe, for the purposes of section 128.0.1, the manner of establishing the amount of the compensation the Government must pay;";

(2) by replacing subparagraph 18 of the first paragraph by the following subparagraph:

"(18) establish, for the purposes of section 177, the rate of contribution applicable to the Government and Public Employees Retirement Plan each year, according to the rules, terms and conditions prescribed by the regulation, and prescribe the factor used each year for the contribution formula;".

13. Section 174 of the Act is amended

(1) by replacing “send the report to the Minister within 90 days of its receipt” in the third paragraph by “, within 90 days of receiving the report, send the actuarial valuation and the report to the Minister”;

(2) by adding the following paragraph at the end:

“In addition, the pension committee shall require the Commission to cause to be prepared by actuaries designated by the Commission an annual update of the actuarial valuation. The pension committee shall send the update to the Minister within 90 days of its receipt.”

14. Section 177 of the Act is amended by replacing the first paragraph by the following paragraph:

“**177.** The rate of contribution applicable to the Government and Public Employees Retirement Plan each year is determined according to the rules, terms and conditions prescribed by regulation. The rate is based on the result of the actuarial valuation referred to in the first paragraph of section 174 and is adjusted from 1 January following the receipt by the Minister of the report of the independent actuary and, for the two subsequent years, from 1 January of each year. The regulation may also prescribe a factor based on the actuarial valuation and adjusted in the same manner. ALAIN PAQUET,
Minister for Finance

Regulation respecting the compulsory professional development of financial planners

An Act respecting the distribution of financial products and services
(R.S.Q., c. D-9.2, s. 200)

DIVISION I SCOPE AND INTERPRETATION

1. This Regulation applies to every natural person who holds a certificate issued by the Autorité des marchés financiers (the “Authority”) authorizing the person to use the title of financial planner.

2. In this Regulation,

“PDU” means a professional development unit consisting of one hour of training activity developed and provided by or in partnership with the Institut québécois de planification financière (the “IQPF”) or recognized by the Authority pursuant to Division III;

“reference period” means any 24-month period beginning on December 1 of an odd-numbered year;

“trainer” means a natural person who acts as an instructor or facilitator and who provides a training activity.

DIVISION II TRAINING

§1. *Period, frequency and content of training*

3. A financial planner must, in respect of any reference period, take part in professional development activities and accumulate 40 PDUs apportioned as follows:

(1) 15 PDUs related to training activities developed and provided by or in partnership with the IQPF involving integrated financial planning in the following seven areas:

- (a) finance;
- (b) taxation;
- (c) legal aspects;
- (d) retirement planning;
- (e) estate planning;
- (f) investment;
- (g) insurance;

(2) 15 PDUs related to training activities recognized by the Authority in one or more of the seven areas listed in subparagraph 1; and

(3) 10 PDUs related to training activities recognized by the Authority in subjects pertaining to compliance with standards, ethics and business conduct, including five PDUs related directly to financial planning.

At the end of every second reference period, the 10 PDUs that the financial planner must accumulate under subparagraph 3 are to include five PDUs related to a training activity developed and provided by or in partnership with the IQPF in subjects pertaining to compliance with standards, ethics and business conduct or regarding developments in the rules of law governing financial planners.

§2. *Variations in the training requirement and exemptions*

4. A financial planner who is issued a certificate by the Authority during a reference period that has already begun must accumulate, according to the apportionment in section 3, a number of PDUs equal to the proportion that the number of full months for which the certificate has been held is to a reference period. In computing such proportion, the number of PDUs is rounded up to the nearest unit.

5. A financial planner who is issued a certificate by the Authority during the first year following the awarding of the IQPF diploma is exempt from the requirement to take part in professional development activities for a 12-month period following the date on which the diploma was awarded.

6. A financial planner is exempt from professional development requirements if he is absent or on leave during a period of at least four consecutive weeks, in particular owing to sickness or accident, or for family or parental reasons. For purposes of this section, the causes and terms of an absence are those set out in Divisions V.0.1 and V.1 of Chapter IV of An Act respecting labour standards (R.S.Q., c. N-1.1).

A financial planner may obtain an exemption in accordance with the first paragraph if he submits a written application to the Authority outlining the reasons for the exemption together with an explanatory document or medical certificate in support of the alleged situation.

Before refusing in whole or in part an application for an exemption, the Authority must give the financial planner written notice of his right to submit written observations within the time limit indicated by it.

7. The financial planner must notify the Authority in writing as soon as the situation giving rise to the exemption ceases to exist. He must then comply with the requirements prescribed by this Regulation and accumulate a number of PDUs equal to the proportion that the number of full months, whether or not elapsed, during which he was not exempted from the requirements during a reference period is to that reference period. In computing such proportion, the number of PDUs is rounded up to the nearest unit.

8. A financial planner who has been suspended or struck off the roll temporarily or whose certificate includes conditions or restrictions is not exempted from the requirements prescribed by this Regulation.

However, if the financial planner has been suspended or struck off the roll temporarily for more than one year, he is exempted from these requirements for the portion of such period that exceeds one year.

§3. Accumulation and assignment of PDUs

9. A financial planner who acts as an activity trainer is entitled, only once for the activity, to double the number of PDUs awarded for the activity.

A financial planner who has been suspended or struck off the roll or whose certificate has been cancelled, has not been renewed or includes conditions or restrictions may not provide professional development activities and be awarded PDUs as an activity trainer for such activities.

10. A financial planner who, in respect of a reference period, has accumulated more PDUs than the number required under subparagraphs 2 and 3 of section 3 may not carry the excess PDUs over to a subsequent reference period.

However, a financial planner who, in respect of a reference period, has accumulated more PDUs than the number required under subparagraph 1 of section 3 may include the excess PDUs as PDUs referred to under subparagraph 2 of section 3, but solely in respect of the same period.

11. A financial planner who, at the end of a reference period, has failed to comply with the professional development requirements prescribed by this Regulation, may not, for the purpose of remedying such failure, assign to the period in respect of which he is in default PDUs accumulated during the subsequent reference period until the Authority has rendered a suspension decision under the second paragraph of section 218 of An Act respecting the distribution of financial products and services (R.S.Q., c. D-9.2), and such decision has been fully executed.

§4. Notice from the Authority

12. At least 30 days before the end of a reference period, the Authority must send a notice to each financial planner who has not accumulated the required number of PDUs informing the financial planner of the consequences under the second paragraph of section 218 of An Act respecting the distribution of financial products and services (R.S.Q., c. D-9.2) or under sections 57 or 63 of the Regulation respecting the issuance and renewal of representatives' certificates (D-9.2, r. 7).

13. Within 30 days after the end of a reference period, the Authority must send a notice to each financial planner who has not accumulated the required number of PDUs informing the financial planner of the consequences of his failure under the second paragraph of section 218 of An Act respecting the distribution of financial products and services (R.S.Q., c. D-9.2) or under sections 57 or 63 of the Regulation respecting the issuance and renewal of representatives' certificates (D-9.2, r. 7).

§5. Keeping and sending of documents

14. A financial planner must keep, for a 24-month period following the end of a reference period, the supporting documents regarding each training activity in which he took part, in particular attendance vouchers, certificates of exam or test results or transcripts issued by the trainer, organization or educational institution that provided the professional development activities.

15. During a reference period or within 20 days after receipt of the notice referred to in section 13, a financial planner must, personally or through the firm for which the financial planner is acting or the independent partnership of which the financial planner is a partner or employee, send to the Authority a copy of the supporting documents for the activities in which he took part. If the financial planner fails to send the Authority a copy of the required supporting documents, the PDUs for the recognized activities in question are not to be considered valid for purposes of the professional development requirements prescribed by this Regulation.

However, a financial planner is exempt from the requirement under the first paragraph if the financial planner or the firm for which the financial planner is acting or the independent partnership of which the financial planner is a partner or employee registers his attendance at the professional development activities by means of secured access to the IQPF's website. The financial planner must send a copy of supporting documents only if the Authority so requires for data verification purposes, in which case paper copies must be provided within 30 days of the Authority's request.

DIVISION III RECOGNITION OF TRAINING ACTIVITIES

16. The Authority recognizes a training activity if it enables the following skills and competencies to be developed:

- (1) development and betterment of a comprehensive and integrated vision of personal financial planning;
- (2) acquisition, comprehension and application of theoretical and technical knowledge in the areas related to personal financial planning; and
- (3) acquisition, comprehension and application of theoretical and technical knowledge in subjects pertaining to compliance with standards, ethics and business conduct.

However, the Authority does not recognize activities pertaining to the sale of specific financial products or services, including securities.

17. An application for recognition must be submitted to the Authority before or not more than six months after the activity is held, but not later than the last day of the reference period during which the activity is held, by the trainer, organization or educational institution providing the activity.

No later than the last day of the reference period in effect, a financial planner may, in accordance with section 18, submit an application for recognition of a training activity in which he took part and which has not already been recognized. The recognition decision rendered further to such an application is valid only for the financial planner in question.

18. The application for recognition must include:

- (1) a description of the training activity in question;
- (2) the procedure for the activity and its duration;
- (3) the number of PDUs requested for the training activity;
- (4) a document explaining how the activity develops the skills and competencies referred to in the first paragraph of section 16;
- (5) if the application is submitted before the activity is held, the name and address of the person responsible for the activity;
- (6) if the application is submitted after the activity is held, by the financial planner personally, any supporting documents for the activity;
- (7) if the application is submitted after the activity is held, by the trainer, organization or educational institution providing the activity, a list of participants.

The application must be accompanied by payment of the fees determined by the Authority for an application for recognition.

19. The Authority must recognize or refuse to recognize an activity within 30 days of receipt of the application. If the recognition is refused or the activity is recognized for fewer PDUs than requested, the Authority must give written reasons therefor to the applicant.

20. The recognition is valid in respect of the reference period in effect when the activity is held. A person who wishes to renew the recognition must submit a new application to the Authority.

21. The person responsible for an activity must inform the Authority of any change in any of the items listed in section 18.

Further to the notice of change referred to in the first paragraph, the Authority may terminate recognition of the activity or increase or decrease the number of PDUs awarded for the activity. The Authority must then send its decision to the applicant.

22. The Authority may terminate recognition of an activity or increase or decrease the number of PDUs awarded for such activity if it becomes aware that the activity being provided is different from the activity that was recognized.

If the Authority terminates recognition of the activity or increases or decreases the number of PDUs awarded for such activity, it must give written notice thereof to the applicant concerned.

DIVISION IV TRANSITIONAL AND FINAL PROVISIONS

23. Section 8 of this Regulation applies to financial planners who, as at December 1, 2011, are suspended or struck off the roll temporarily or whose certificate includes conditions or restrictions.

24. This Regulation replaces the Regulation respecting the compulsory professional development of financial planners, approved by Order in Council 970-2007 dated November 14, 2007.

25. This Regulation comes into force on December 1, 2011.

Information concerning the adjustment columns (columns Y and Z)

Column Y

Employees have, as a rule, been entitled to a deduction for employment income, which is included in table TP-1015.TI-V. However, if you are paying remuneration as a payer, the beneficiary is not entitled to that deduction.

Likewise, if you are paying remuneration to an employee whose remuneration consists of only the value of taxable benefits relating to a former office or employment, the employee is not entitled to the deduction. Such taxable benefits include, for example,

- contributions paid to a private health services plan;
- benefits relating to the exercise of a security option; and
- loans granted without interest or at an interest rate lower than the prescribed rate.

In these cases, to ensure that the beneficiary's or employee's source deductions are not too low, add the amount of income tax in adjustment column Y to the income tax you are required to withhold according to the deduction code of the beneficiary or employee.

Note

If, according to the deduction code of the beneficiary or employee, you are not required to withhold income tax from the remuneration you pay, disregard the income tax provided for in adjustment column Y. The amount in that column is to be taken into account only if you are required to withhold income tax.

Column Z

If the amount on line 10 of form TP-1015.3-V exceeds \$33,000, subtract, for each increment of \$500 (or portion thereof), the amount in column Z of table TP-1015.TI-V from the amount in column N.

Draft Regulation

An Act respecting legal aid and the provision of certain other legal services (R.S.Q., c. A-14)

Legal aid

— Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting legal aid, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation will gradually increase, over a 3-year period, the eligibility thresholds for gratuitous legal aid or legal aid in return of a contribution. That increase will take place on 1 June of each of the 2012 to 2014 years.

That increase will be made in addition to the threshold increase, on 1 January of each of those years, already provided for in the Regulation respecting legal aid, which

is equivalent to the increase applicable to any benefits under the Social Solidarity Program, paid pursuant to the Individual and Family Assistance Act (R.S.Q., c. A-13.1.1) to persons who have a severely limited capacity for employment.

The draft Regulation will have an impact on the legal aid clientele. The new financial eligibility thresholds will make access to legal aid easier. On the other hand, the amount of the contributions to be paid by clients eligible for legal aid according to the contributory scale will remain the same, despite increased financial eligibility thresholds.

To date, study of the matter has revealed that the amendments will have no financial impact on enterprises, in particular small and medium-sized businesses.

Further information may be obtained by contacting Andrée Giguère, Bureau du sous-ministre, ministère de la Justice, 1200, route de l'Église, 9^e étage, Québec (Québec) G1V 4M1; telephone: 418 643-4090; fax: 418 643-3877; email: andree.giguere@justice.gouv.qc.ca

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to the Minister of Justice, 1200, route de l'Église, 9^e étage, Québec (Québec) G1V 4M1.

JEAN-MARC FOURNIER,
Minister of Justice

Regulation to amend the Regulation respecting legal aid

An Act respecting legal aid and the provision of certain other legal services
(R.S.Q., c. A-14, s. 80, 1st par., subpars. *a.4* and *a.5*)

1. The annual levels of income provided for in paragraph 1 of section 18 and section 20 of the Regulation respecting legal aid (c. A-14, r. 2), as established on 1 January of each of the 2012 to 2014 years in accordance with section 21.0.1 of the Regulation, are increased on 1 June of each of those years, by

(*a*) 1.65% for the annual levels of income provided for in paragraph 1 of section 18;

(*b*) 10.5% for the annual levels of income provided for in section 20.

The income provided for in section 21 of the Regulation respecting legal aid are adjusted, on 1 June of each of the 2012 to 2014 years, to take those increases into account.

2. The amounts resulting from the increases and adjustments provided for in section 1 of this Regulation are rounded off to the nearest dollar.

3. The Minister of Justice is to inform the public of the result of the increases and adjustments provided for in this Regulation by publishing a notice in the *Gazette officielle du Québec* showing, in a table, the financial eligibility thresholds thus increased for the year in question and giving the date on which they take effect. The Minister may also make that information available using any other means the Minister considers appropriate.

4. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.
