THE SOCIÉTÉ DE L'ASSURANCE AUTOMOBILE
DU QUÉBEC

represented by its President and Chief Executive Officer,
Mr. John Harbour,

hereinafter referred to as "SAAQ"

AND

THE FEDERAL MINISTRY OF TRANSPORT,
BUILDING AND URBAN DEVELOPMENT OF

behalf of the competent German authority for issuing
driver's licences,

DESIRING to facilitate licence exchange for the holder
of a valid driver's licence they have issued and who is
moving from one jurisdiction to the other, agree to
guarantee the recognition and facilitate the exchange of
drivers' licences according to the following provisions:

1. DEFINITIONS

Under this agreement:

1.1 "Jurisdiction" refers to Québec or Germany and
"jurisdictions" refers to both Québec and Germany;

"Authority" refers to the administrative entity that
issues drivers' licences, i.e., in Québec, the Société de
l'assurance automobile du Québec (SAAQ), and in
Germany, the competent German authority to issue
driver's licences, and "authorities" refers simultaneously
to both the Société de l'assurance automobile du Québec
and the competent German authority;

"Driver's licence" or "driving licence" refers to a

the holder to drive a motor vehicle, subject to the
terms and conditions specific to the licence class or
category and any other related conditions, and subject to
the laws and regulations in effect in the jurisdiction in
question;

"Valid" indicates that at the time the driver's licence
issued by one authority is submitted for exchange for a
driver's licence issued by the other authority, the original
driver's licence has not expired, been revoked, suspended
or cancelled by the issuing authority and is not subject
to any other restrictions that prevent the holder from
using it for the intended purpose.

2. DRIVER'S LICENCES COVERED

2.1 In Québec:

A Class 5 driver's licence issued by the SAAQ authorizes
the holder to drive a two-axle motor vehicle with a
net weight of less than 4,500 kg (cars, minivans, and
light trucks), a motor vehicle permanently converted
into a dwelling (motor home), a tool vehicle or a service
vehicle (service truck or tow truck).

In addition, Classes 6D (moped) and 8 (farm tractor)
are included in the Class 5 licence.

When an applicant is under 25 years of age and has
less than 24 months of driving experience, a Class 5
probationary licence is issued.

2.2 In Germany:

Category B driving licences issued by the competent
German authority authorizes the holder to drive a
motor vehicle – except a motorcycle – with a maximum
authorized weight of 3,500 kg, with no more than
eight passenger seats in addition to the driver's seat, and
to which a trailer of no more than 750 kg maximum authorized
weight may be hitched or with a maximum authorized
weight of no more than the tare weight of the towing
vehicle, insofar as the combined maximum authorized
weight is not more than 3,500 kg.

In addition, Categories M (two-wheeled mopeds and
motor bicycles with a built-in maximum speed of no
more than 45 km/h and equipped with an electric motor
or internal combustion engine with a cylinder capacity
of no more than 50 cm³), L (agricultural and forestry
tractors with a maximum design speed of no more than
32 km/h) and S (light tricycles and quadricycles with a
maximum design speed of no more than 45 km/h and a
cylinder capacity of no more than 50 cm³) are included
in Category B licences.

If the driving licence is obtained for the first time, it is issued on a probationary basis only; the probationary time period is set at two years as of the date of the licence is obtained. Where a driver's licence is issued to the holder of a licence issued abroad, the probationary time period shall be reduced based on the time elapsed since the latter was obtained.

3. RECOGNITION AND EXCHANGE OF LICENCES

3.1 In Québec:

The holder of a valid Category B German driving licence may, within 12 months after settling in Québec, exchange this licence for a Class 5 licence, including Class 6D and Class 8 privileges, without undergoing a proficiency test or an eye test.

The applicant will be issued a Québec driver's licence in exchange for his or her German licence upon presentation of the identification required by the SAAQ and payment of the fees prescribed by regulations and the personal injury accident insurance premiums.

An applicant under 25 years of age will be issued a probationary licence of the same class unless he or she has 24 months or more of driving experience.

3.2 In Germany:

An applicant who has not held a driver's licence for over two years will be issued a probationary licence of the same class.

3.3 Any time limits or restrictions on the original driver's licence are carried over to the licence issued in exchange, with equivalent codes.

3.4 Drivers' licences with or without photo submitted for exchange will match the licence specimens provided, as per the terms of this agreement.

3.5 The authority making the exchange will verify the applicant's identity and the validity of the original licence, if necessary by contacting the issuing authority.

3.6 The driving experience recorded on the applicant's licence or in the applicant's file by the issuing authority will be recognized by the other authority.

3.7 When an authority recovers an original driver's licence as the result of an exchange, it shall return it to the issuing authority.

4. FINAL PROVISIONS

4.1 Samples or copies of the various drivers' licences currently admissible for exchange and certified to be true copies by each issuing authority are appended to this agreement.

Any change by one or the other of the authorities to the sample drivers' licences in use at the time of the agreement will be communicated to the other authority without delay.

4.2 These provisions do not invalidate the provisions of any law or regulation applicable in Québec or in Germany with respect to the right to use a foreign driver's licence.

4.3 This agreement may be amended at any time to take into account in particular any legal changes that come into effect within the jurisdiction of either Québec or Germany.

The authorities will notify each other at the earliest opportunity of the nature of changes made and the date of their coming into effect. They agree to change the agreement accordingly and endorse it in writing.

4.4 The designated authorities responsible for enforcing this agreement undertake to set up all the necessary mechanisms, including those to exchange information and validate licences submitted to the other authority under this agreement.

4.5 The authorities will assist each other in applying this agreement and, when necessary, will share information on licences submitted for exchange. A contact point is established in order to directly validate submitted licences.

ARTICLE 1 DEFINITIONS

Under this agreement,

1.1 “Jurisdiction” refers to Québec or Northern Ireland, whereas “jurisdictions” refers simultaneously to both Québec and Northern Ireland.

“Authority” refers to the administrative entity that issues drivers’ licences, i.e., in Québec, the Société de l’assurance automobile du Québec (SAAQ), and in Northern Ireland, the Driver and Vehicle Agency (DVA), whereas “authorities” refers simultaneously to the SAAQ and DVA; the authorities are the signatory parties to this agreement.

1.2 Specific to Québec:

A class 5 licence issued by the SAAQ authorizes the holder to drive a two-axle motor vehicle with a net weight of under 4,500 kg (cars, minivans, and light trucks), a motor vehicle permanently converted into a dwelling (motor home), a tool vehicle or a service vehicle (service truck or tow truck), and includes classes 6D (moped) and 8 (farm tractor).

When an applicant has less than 24 months of driving experience, a class 5 probationary licence is mandatory before a full class 5 driver’s licence is issued.

In addition, categories F (agricultural and forestry tractors), K (mowing and pedestrian machines), and P (mopeds) are also included in category B licences.

ARTICLE 2 RECOGNITION AND EXCHANGE OF LICENCES

The NI licence given in exchange will authorize the holder to drive a vehicle with automatic transmission only, without undergoing a driving test, or an eye test.

An applicant who wishes to drive a vehicle with manual transmission must pass a NI driving test for this purpose.

DRIVER'S LICENCE EXCHANGE AGREEMENT

BETWEEN

THE SOCIÉTÉ DE L'ASSURANCE AUTOMOBILE
DU QUÉBEC

AND

THE ISLE OF MAN DEPARTMENT OF
INFRASTRUCTURE DRIVER AND VEHICLE
LICENSING OFFICE

THE SOCIÉTÉ DE L'ASSURANCE AUTOMOBILE
DU QUÉBEC

represented by its President and Chief Executive Officer,
Ms. Nathalie Tremblay, duly authorized by law,

hereinafter referred to as "the SAAQ"

AND

THE ISLE OF MAN DEPARTMENT OF
INFRASTRUCTURE DRIVER AND VEHICLE
LICENSING OFFICE

represented by its Director, Richard D. Pearson, duly
authorized,

hereinafter referred to as the "DLO",

DESIRING to facilitate licence exchange for the holder of a valid driver's licence they have issued and who is moving from one jurisdiction to the other;

AGREE to guarantee the recognition and facilitate the exchange of drivers' licences according to the following provisions:

ARTICLE 1
DEFINITIONS

Under this agreement,

1.1 "Jurisdiction" refers to Québec or the Isle of Man, whereas "jurisdictions" refers simultaneously to both Québec and the Isle of Man.

"Authority" signatory party to this agreement, refers to the administrative entity that issues drivers' licences, i.e., in Québec, the Société de l'assurance automobile du Québec (SAAQ), and for the Isle of Man, the Driver Licensing Office (DLO) of the Department of Infrastructure, whereas "authorities" refers simultaneously to the SAAQ and the DLO.

“Driver’s licence” or “driving licence” refers to a permit issued by either of the above authorities authorizing the holder to drive a motor vehicle, subject to the terms and conditions specific to the licence class or category and any other related conditions, and subject to the laws and regulations in effect in the jurisdiction in question.

“Valid” indicates that at the time the driver’s licence issued by one authority is submitted for exchange for a driver’s licence issued by the other authority, the original driver’s licence has not expired, been revoked, suspended or cancelled by the issuing authority and is not subject to any other restrictions that prevent the holder from using it for the intended purpose.

1.2 Specific to Québec:

A class 5 licence issued by the SAAQ authorizes the holder to drive a two-axle motor vehicle with a net weight of under 4,500 kg (cars, minivans, and light trucks), a motor vehicle permanently converted into a dwelling (motor home), a tool vehicle, or a service vehicle (service truck or tow truck), and includes classes 6D (moped) and 8 (farm tractor).

When an applicant has less than 24 months of driving experience, a class 5 probationary licence is mandatory before a full class 5 driver’s licence is issued.

1.3 Specific to the Isle of Man:

Category B licences issued by the DLO authorize the holders to drive:

— Motor vehicles with a maximum authorized weight of 3,500 kg, with no more than eight passenger seats in addition to the driver’s seat, and to which a trailer of no more than 750 kg maximum authorized weight may be hitched.

— Combinations of vehicles consisting of a category B tractor and a trailer having a combined maximum authorized weight not exceeding 3,500 kg, and with the towed unit not exceeding the net weight of the towing vehicle.

In addition, categories B1 (comprised within category B), F (agricultural, forestry and horticultural tractor), K (pedestrian controlled vehicle), L (electric vehicle), S (site-engineering vehicle or steam vehicle, up to 3,500 kg maximum authorised mass) W (works truck, up to 3,500 kg maximum authorised mass) are also granted with category B licences. Category P (moped) will be granted but limited to a tricycle only unless category A or A1 (motor bicycle) licence is held.

Note: Category A (motor bicycle licence), category A1 (light motor bicycle comprised within category A), and category P (moped– including bicycle moped) licence

will each be granted in the Isle of Man if the corresponding respective entitlement for a motor bicycle is held on the Québec licence.

ARTICLE 2 RECOGNITION AND EXCHANGE OF LICENCES

2.1 The holder of a class 5 Québec driver’s licence or probationary licence may, within 12 months of taking up residence in the Isle of Man, exchange this licence for a category B licence, together with categories B1, F, K, L, S, and W without undergoing a proficiency test, a knowledge test or an eye test.

However, if an applicant wishes to be authorized to drive a vehicle with a manual (standard) transmission, he or she will have to take a driving road test for that purpose.

The applicant will be issued a DLO driver’s licence in exchange for his or her Québec licence upon presentation of the identification required by the Isle of Man authority and payment of the fees prescribed by regulations.

2.2 The holder of a valid DLO category B driver’s licence may, within 12 months after settling in Québec, exchange the licence for a class 5 licence, including class 6D and class 8 privileges, without undergoing a proficiency test, a knowledge test or an eye test.

The applicant may exchange his or her licence upon presentation of the identification required by the Québec authority and payment of the fees prescribed by regulations and the personal injury accident insurance premiums.

However, an applicant with less than 24 months of driving experience will be issued a class 5 probationary licence.

2.3 Any restrictions on the original driver’s licence are carried over to the licence issued in exchange, with equivalent codes.

2.4 Drivers’ licences with photo submitted for exchange will match the licence specimens provided, as per the terms of this agreement.

2.5 The authority making the exchange will verify the applicant’s identity and the validity of the original licence, if necessary by contacting the issuing authority.

2.6 The driving experience recorded on the applicant’s licence or in the applicant’s file by the issuing authority will be recognized by the other authority.

2.7 When an authority recovers an original driver’s licence as the result of an exchange, it shall return it to the issuing authority.

ARTICLE 3
FINAL PROVISIONS

3.1 Samples or copies of the various drivers' licences currently admissible for exchange and certified to be true copies by each issuing authority are appended to this agreement.

Any change by one or the other of the authorities to the sample drivers' licences in use at the time of the agreement will be communicated to the other authority.

3.2 This understanding does not invalidate the provisions of any law or regulation applicable in Québec or in the Isle of Man with respect to the right to use a foreign driver's licence.

3.3 The authorities will notify each other at the earliest opportunity of the nature of legislative changes made in Québec and in the Isle of Man that may impact this agreement, and of the date of coming into force, and will change the agreement accordingly.

3.4 The designated authorities are responsible for enforcing this agreement. To this effect, they undertake to set up all necessary mechanisms, including those to exchange information and to formally validate the licences submitted to the other authority under this agreement.

3.5 The authorities will assist each other in applying this agreement and, when necessary, will share information on licences submitted for exchange. A contact point is established in order to directly validate submitted licences.

Both Québec and the Isle of Man will conform to any statutory provisions applicable to the access of records held by government institutions and to the protection of personal information. Personal information with respect to licence holders received by either licensing authority will be used only for purposes which are consistent with the uses for which it is held by the licensing authority.

The authority exchanging a licence may verify its validity with the issuing authority through the use of information technology, as per terms to be determined by said authorities.

Family mediation — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting family mediation, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation amends the conditions to be satisfied by a mediator for certification so as to include psychoeducators on the roll of the Ordre professionnel des psychoéducateurs et psychoéducatrices du Québec, and family and marital therapists on the roll of the Ordre professionnel des travailleurs sociaux et des thérapeutes conjugaux et familiaux du Québec. It also amends the tariff of fees payable to a mediator by the Family Mediation Service for services provided pursuant to articles 814.3 to 814.14 and the third paragraph of article 815.2.1 of the Code of Civil Procedure. In short, the purposes of the draft Regulation are to add contents to the group information session by increasing the duration of the session that will no longer be deductible from the free services, to set the fees payable for work done outside the sessions as part of a mediation and to include those fees in the free services, to reduce the fees payable where the mediator's report mentions a statement from a party that the party cannot attend an information session for a valid reason, to reduce the number of sessions up to which the fees are payable by the Family Mediation Service and to increase the fees payable for mediation sessions and information sessions on the mediation process. It also makes consequential amendments in respect of the fees payable by the parties.

Further information on the draft Regulation may be obtained by contacting Pierre Tanguay, Direction des orientations et politiques, 1200, route de l'Église, 9^e étage, Québec (Québec) G1V 4M1; telephone: 418 646-5580 extension 20197; fax: 418 646-4894.

Draft Regulation

Environment Quality Act
(R.S.Q., c. Q-2)

Protection of waters from pleasure craft discharges — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1) and section 124 of the Environment Quality Act (R.S.Q., c. Q-2), that the Regulation to amend the Regulation respecting the protection of waters from pleasure craft discharges (R.R.Q., c. Q-2, r. 36) may be made on the expiry of 60 days following this publication.

The draft Regulation is to subject the waters of Lac Kipawa in the Abitibi-Témiscamingue region and the waters of Grand Lac Saint-François in the Chaudière-Appalaches and Estrie regions to the provisions of the Regulation. The addition to the Regulation follows requests made by the municipalities that will be responsible for the enforcement of the Regulation on the lakes mentioned.

The Regulation respecting the protection of waters from pleasure craft discharges prohibits the discharge of organic and inorganic waste from pleasure craft into the waters designated in the Regulation. Owners of pleasure craft equipped with non-portable or portable toilets are

also required to fit them with watertight holding tanks that may only be emptied at stations intended for that purpose.

The municipalities listed in the Regulation are responsible for the enforcement of the Regulation.

The economic impact will be borne by the municipalities responsible for the enforcement of the Regulation on each of the lakes concerned and by pleasure craft owners who will need to upgrade their pleasure craft to standards. The estimated cost will be minimal.

Further information on the draft Regulation may be obtained by contacting Claire Poulin, Head, Service de la gestion intégrée de l'eau, Direction des politiques de l'eau, Ministère du Développement durable, de l'Environnement et des Parcs, édifice Marie-Guyart, 675, boulevard René-Lévesque Est, 8^e étage, boîte 42, Québec (Québec) G1R 5V7; telephone: 418 521-3885, extension 4994; fax: 418 643-0252; email: claire.poulin@mddep.gouv.qc.ca

(3) a person eligible by equivalence, namely, a person who is serving a training period or is registered in a program of studies determined by the board of directors of the Order for the purpose of being granted a training equivalence.

2. Any person engaging in professional activities under this Regulation must engage in those activities in compliance with the ethical obligations applicable to members of the Order.

Committee on Institutions

General consultation

Bill 81, an Act to amend the Civil Code and other legislative provisions as regards adoption and parental authority

The Committee on Institutions will be holding public hearings beginning September 19, 2012, as part of its general consultation on Bill 81, an Act to amend the Civil Code and other legislative provisions as regards adoption and parental authority. This bill is available on the Committee's web page at www.assnat.qc.ca; it may also be obtained by contacting the committee clerk. Any person wishing to voice an opinion on the subject may submit comments on line at www.assnat.qc.ca

Individuals and organizations wishing to express their views during the public hearings must submit a brief to the Committee clerk no later than September 6, 2012. Briefs must be on letter-size paper and include a summary of their contents. They may be sent by email (Word or unlocked PDF) or regular mail, or hand delivered at the reception desk of the Parliamentary Proceedings Directorate.

Individuals wishing to voice their views during the public hearings without submitting a brief must file a request to that effect with the Committee clerk no later than September 6, 2012. The request must include a short statement summarizing the nature of the presentation to be made.

On the basis of these briefs and requests, the Committee decides which individuals and organizations it will hear.

Unless the Committee decides otherwise, briefs will be made public and posted on the Committee's web page, along with any personal information they contain.

Deadlines for submitting briefs and requests are subject to change, as is the opening date for public hearings. If changes are made, the information will be made public via the National Assembly's website without further notice being published in the newspapers.

Briefs, requests, correspondence and inquiries should be addressed to Ms. Dany Hallé, Substitute Clerk of the Committee, Édifice Pamphile-Le May, 1035, rue des Parlementaires, 3^e étage, Québec (Québec), G1A 1A3.
