EXPLANATORY NOTES

This Act amends the Tobacco Act to further restrict tobacco use both in enclosed spaces and outdoors. It prohibits smoking in motor vehicles in which a minor under 16 years of age is present, in outdoor play areas intended for children, on the grounds of vacation camps and at skating rinks that are used by minors, and on terraces. It also prohibits smoking within a nine-metre radius from any door, air vent or window communicating with enclosed spaces to which the public has admittance.

The Act extends the scope of the Tobacco Act by including electronic cigarettes among the products considered to be tobacco. However, it allows the operator of a specialized retail outlet for electronic cigarettes to display such cigarettes subject to certain conditions, including the condition that they be visible only from the inside of the retail outlet. It also sets rules for tobacco use in certain places, in particular by determining standards for outdoor smoking shelters.

Standards applicable to the tobacco trade are tightened by, among other things, prohibiting the retail sale or distribution of tobacco products having a flavour or aroma other than that of tobacco, prohibiting adults from purchasing tobacco for minors and prohibiting tobacco product manufacturers or distributors from offering rebates related to the sale of a tobacco product to tobacco retail outlet operators.

The Act prescribes standards for tobacco product packaging in connection with the health warning that must be displayed on it by, among other things, setting a minimum surface area and requiring that such packaging contain a maximum quantity of the product.

In addition, new penal provisions are enacted, the amounts of fines already prescribed by the Tobacco Act are increased and certain other penal provisions are reinforced by making employers and the directors and officers of legal persons, partnerships and associations more accountable.

Lastly, the Act contains the amending, transitional and final provisions necessary for its implementation.

LEGISLATION AMENDED BY THIS ACT:

- Act respecting the Société des loteries du Québec (chapter S-13.1);
- Tobacco Act (chapter T-0.01).

REGULATION AMENDED BY THIS ACT:

- Regulation under the Tobacco Act (chapter T-0.01, r. 1).

An Act respecting the Government and Public Employees Retirement Plan
(chapter R-10)

Application of Title IV.2 of the Act — Amendment

Regulation to amend the Regulation respecting the application of Title IV.2 of the Act respecting the Government and Public Employees Retirement Plan

WHEREAS, under the first paragraph of section 215.11.13 of the Act respecting the Government and Public Employees Retirement Plan (chapter R-10), the amount of the pension and, where applicable, the amount of the pension credit of the person referred to in section 215.11.12 is to be increased, in accordance with the actuarial assumptions and methods determined by regulation, by an amount corresponding to the actuarial reduction applicable under the person’s plan, if the person pays to Retraite Québec the amount established at the date on which the person retires;

WHEREAS, under subparagraphs 2 and 3 of the first paragraph of section 215.13 of the Act, the Government may, by regulation, determine measures to allow the transfer of the actuarial value of the benefits of a person entitled to a deferred pension and measures designed to encourage retirement, and in particular measures designed to anticipate the payment of certain pension benefits;

WHEREAS the Government made the Regulation respecting the application of Title IV.2 of the Act respecting the Government and Public Employees Retirement Plan (chapter R-10, r. 4) by Order in Council 690-96 dated 12 June 1996;

WHEREAS section 5 of the Regulation provides that a person who ceases to be a member while being entitled only to a deferred pension may, where the person applies therefor, have transferred to a locked-in retirement account or a life income fund the actuarial value of the person's pension established on the date of receipt of the application for a pension;

WHEREAS section 9 of the Regulation provides that a person who ceases to be a member while being entitled only to a deferred pension may anticipate payment of the pension on the date of the person's fifty-fifth birthday or thereafter;

WHEREAS Schedule III to that Regulation provides that the interest rate applicable to actuarial assumptions when calculating the amount of compensation owing to the actuarial reduction of the pension is the interest rate applicable from the CANSIM series published by Statistics Canada in the Bank of Canada Review for the second month preceding the month in which the valuation is made;

WHEREAS it is expedient to amend the Regulation;

WHEREAS, under the first paragraph of section 215.17 of the Act, government regulations under Title IV.2 of the Act are made after Retraite Québec has consulted with the pension committees referred to in section 163 of the Act, section 139.3 of the Act respecting the Pension Plan of Peace Officers in Correctional Services (chapter R-9.2) and section 196.2 of the Act respecting the Pension Plan of Management Personnel (chapter R-12.1);

WHEREAS, in accordance with section 40 of the Public Administration Act (chapter A-6.01), the Conseil du trésor, after consulting the Minister of Finance, exercises the powers conferred on the Government by an Act that establishes a pension plan applicable to personnel of the public and parapublic sectors, except certain powers;

WHEREAS those consultations have taken place;
