An Act respecting the Government and Public Employees Retirement Plan (chapter R-10)

Regulation — Amendment

Regulation to amend the Regulation under the Act respecting the Government and Public Employees Retirement Plan

WHEREAS, under subparagraph 18 of the first paragraph of section 134 of the Act respecting the Government and Public Employees Retirement Plan (chapter R-10), the Government may, by regulation, establish, for the purposes of section 177 of the Act, the rate of contribution applicable to the Government and Public Employees Retirement Plan each year, according to the rules, terms and conditions prescribed by the regulation, and prescribe the factor used each year for the contribution formula;

WHEREAS, under the first paragraph of section 177 of the Act, the rate of contribution applicable to the Government and Public Employees Retirement Plan each year is determined according to the rules, terms and conditions prescribed by regulation, and the rate is based on the result of the actuarial valuation referred to in the first paragraph of section 174 of the Act and is adjusted from 1 January following the receipt by the Minister of the report of the independent actuary and, for the two subsequent years, from 1 January of each year;

WHEREAS the Minister received the report of the independent actuary on 24 October 2016;

WHEREAS, under the first paragraph of section 177 of the Act, the regulation may also prescribe a factor based on the actuarial valuation and adjusted in the same manner. The factor is to be used for the contribution formula described in section 29 of the Act so that the contributions withheld during the year by employers or insurers with respect to a pensionable salary which does not exceed the maximum pensionable earnings of the year will be comparable to the contributions that would have been withheld if the contribution formula described in that section, as it read on 31 December 2010, had been maintained;

WHEREAS the most recent actuarial valuation of the retirement plan indicates that the applicable rates of contribution and the factors used for the years 2017, 2018 and 2019 should be adjusted;

WHEREAS, under the first paragraph of section 134 of the Act, the Government is to make the regulation after Retraite Québec has consulted the pension committee referred to in section 163 of the Act;

WHEREAS the pension committee has been consulted;

WHEREAS the Government made the Regulation under the Act respecting the Government and Public Employees Retirement Plan (chapter R-10, r. 2);

WHEREAS it is expedient to amend the Regulation;

IT IS ORDERED, therefore, on the recommendation of the Minister responsible for Government Administration and Ongoing Program Review and Chair of the Conseil du trésor:

THAT the Regulation to amend the Regulation under the Act respecting the Government and Public Employees Retirement Plan, attached to this Order in Council, be made.

(2) For the part of income exceeding \$200,000, the percentage indicated is shown for information purposes only. The court may, if it deems it appropriate, fix for that part of the disposable income an amount different from the amount that would be obtained using that percentage (s. 10 of the Regulation respecting the determination of child support payments (chapter C-25.01, r. 0.4)).
