---	-------

## Regulations and other Acts

**M.O., 2019**

**Order number 2019-16 of the Minister of Transport  
dated 15 July 2019**

An Act respecting transportation services by taxi  
(chapter S-6.01)

Extension of the Pilot project to promote the use of  
new fully electric automobiles in the taxi transporta-  
tion industry

THE MINISTER OF TRANSPORT,

CONSIDERING the first paragraph of section 89.1 of the  
Act respecting transportation services by taxi (chapter  
S-6.01), which provides that the Minister of Transport  
may, by order, authorize pilot projects designed to exper-  
iment or innovate in the area of taxi transportation services  
or to study, improve or define standards applicable to that  
area;

CONSIDERING the first paragraph of section 89.1 of the  
Act, which provides that the Minister may also, within  
the scope of such pilot projects, authorize any person or  
body that is a holder of a taxi owner's permit or a taxi  
transportation service intermediary's permit issued under  
the Act, or a business partner of such a holder, to offer or  
provide taxi transportation services in compliance with  
standards and rules prescribed by the Minister that differ  
from those set out in the Act and the regulations or any  
other Act or regulation whose administration falls under  
the Minister's responsibility, for the purpose of increasing  
the safety of users, improving the quality of the services  
offered, ensuring supply management of taxi transporta-  
tion services that takes into consideration the public's  
needs or fostering the development of the taxi transporta-  
tion services industry, all in compliance with the principle  
of equity toward holders operating under any permit at the  
time the pilot project is implemented and with the appli-  
cable privacy protection rules;

CONSIDERING the Pilot project to promote the use of  
new fully electric automobiles in the taxi transportation  
industry (chapter S-6.01, r. 2.1.1), which came into force  
on 10 August 2017;

CONSIDERING the second paragraph of section 89.1 of  
the Act respecting transportation services by taxi, which  
provides that such pilot projects are to be conducted for a  
period of up to two years, which the Minister may extend  
by up to one year;

CONSIDERING section 4 of the Pilot project, which  
provides that the project terminates on 10 August 2019;

CONSIDERING the fourth paragraph of section 89.1 of  
the Act respecting transportation services by taxi, which  
provides that a pilot project made under that section is not  
subject to the publication requirement set out in section 8  
of the Regulations Act (chapter R-18.1);

CONSIDERING the orientation of the Government to  
promote electric transportation with the adoption of the  
Transportation Electrification Action Plan 2015-2020;

CONSIDERING that the electrification of taxi transporta-  
tion shows great potential for the reduction of greenhouse  
gases and that experimentation with certain electric auto-  
mobiles appears necessary;

CONSIDERING that it is expedient to extend the Pilot  
project for one year;

ORDERS AS FOLLOWS:

1. Section 4 of the Pilot project to promote the use of  
new fully electric automobiles in the taxi transportation  
industry (chapter S-6.01, r. 2.1.1) is amended by replacing  
"2019" by "2020".

2. This Order comes into force on 10 August 2019.

Québec, 15 July 2019
