Draft Regulation

An Act respecting occupational health and safety (chapter S-2.1)

Joint sector-based associations on occupational health and safety — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the draft Regulation to amend the Regulation respecting joint sector-based associations on occupational health and safety, appearing below, may be made by the Commission des normes, de l'équité, de la santé et de la sécurité du travail and submitted to the Government for approval, in accordance with section 224 of the Act respecting occupational health and safety (chapter S-2.1), on the expiry of 45 days following this publication.

The draft Regulation amends Schedule A to the Regulation respecting joint sector-based associations on occupational health and safety (chapter S-2.1, r. 2) to group in only one sector of activities the textile and knitting sector, as well as the printing and allied industries sector, the metal fabricating industries sector, the electrical products industries sector and the clothing industries sector. The amendments would come into force on 1 January 2021.

To date, study of the matter has shown no impact on enterprises, including small and medium-sized businesses, and on Government departments and bodies, since the employers covered by the draft Regulation remain the same and will see no increase in their contributions.

Further information may be obtained by contacting Alexandre Therrien, concertation counselor, Direction des partenariats, Commission des normes, de l'équité, de la santé et de la sécurité du travail, 1199, rue de Bleury, 2^e étage, Montréal (Québec) H3B 3J1; telephone: 514 906-3020, extension 2077; fax: 514 906-3021.

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to Luc Castonguay, vice-president for prevention, Commission des normes, de l'équité, de la santé et de la sécurité du travail, 524, rue Bourdages, bureau 220, Québec (Québec) G1K 7E2.
