“Item 10 Reportable activities

1. Activities with your sponsoring firm

Instructions: Describe all of your roles and responsibilities with your sponsoring firm, whether these roles and responsibilities are securities-related or not (e.g., sale of securities, review of marketing materials, IT help desk, negotiation of employment contracts, sales of banking and insurance products and services). Include any other information about your position with your sponsoring firm that is relevant for the regulator or, in Québec, the securities regulatory authority to know (e.g., if your role is specialized). For example, if you are applying as an advising representative limited to client relationship management, indicate this by including the following statement in Schedule G: “Individual is seeking registration as CRM AR”.

Complete a Schedule G with respect to your roles and responsibilities with your sponsoring firm.

2. Reportable outside activities

Instructions: Consider all of the activities that you participate in outside of your sponsoring firm, whether or not you receive compensation for such activities and whether or not any such activity is business-related. Activities performed for an affiliated entity are considered activities outside of your sponsoring firm. If any of the categories below describes one or more activities that you participate in, complete a separate Schedule G for each activity or entity. If multiple activities are performed for one entity, complete a single Schedule G identifying all the activities performed.

Uncompensated activities that do not fall within Categories 1 to 5 (i.e., generally activities that do not involve securities or financial services and are not a position of influence, such as being a little league soccer coach) are not reportable.

Category 1 - Activities with another registered firm

Instructions: Report activities with registered firms, other than your sponsoring firm. All activities in this category are reportable whether or not you receive compensation for such activities. Major shareholder means a shareholder who, in total, directly or indirectly owns voting securities carrying 10 percent or more of the votes carried by all outstanding voting securities.

If you are a director, officer, employee, contractor, consultant, agent, or service provider of a registered firm other than your sponsoring firm, or are in any other equivalent position with or for that registered firm, or are a major shareholder or partner of that registered firm, complete a separate Schedule G for the registered firm.

Category 2 - Activities with an entity that receives compensation from a registered firm

If you are a director, officer, employee, contractor, consultant, or agent of a specified entity, or are in any other equivalent position with or for a specified entity, or are a shareholder or partner of a specified entity, complete a separate Schedule G for the specified entity.

For the purposes of this category, “specified entity” means an entity that receives compensation from a registered firm for activities that you provide for your sponsoring firm or another registered firm.

Category 3 - Other securities-related activities

Instructions: All activities in this category are reportable whether or not you receive compensation for such activities. Charitable or other fundraising activities that do not involve the issuance of securities or derivatives are not reportable.

If you have been at any time in the last 7 years directly involved in raising money for an entity through the issuance of securities or derivatives or promoting the sale of an entity’s securities or derivatives outside of your activities with your sponsoring firm or another registered firm, complete a separate Schedule G for each entity for which you performed these activities.

Directors and officers of reporting issuers and of entities that have been at any time in the last 7 years raising money through the issuance of securities or derivatives are considered to be directly involved in raising money for that entity.

Category 4 - Provision of financial or finance-related services

Instructions: All activities in this category are reportable whether or not you receive compensation for such activities. For example, volunteer activities pertaining to your securities or financial services knowledge must be reported under this category. Also report if you are the owner or management of an entity that provides these services. Major shareholder means a shareholder who, in total, directly or indirectly owns voting securities carrying 10 percent or more of the votes carried by all outstanding voting securities.

Complete a separate Schedule G for each activity, as applicable, if you

- sell or negotiate insurance, including being an insurance broker or agent,

- provide other financial or finance-related services not identified above.

Also complete a separate Schedule G for each activity, as applicable, if you are a director or officer, or are in any other equivalent position with or for, or are a major shareholder or active partner of, an entity that provides one or more of the services in the above list.

Category 5 - Positions of influence

Instructions: All positions of influence (e.g., medical doctor, leader in a religious organization) are reportable, whether or not you receive compensation for such activities. Guidance: see also section 13.4.3 of Regulation 31-103 respecting Registration Requirements, Exemptions and Ongoing Registrant Obligations (chapter V-1.1, r. 10) and the Policy Statement to Regulation 31-103 respecting Registration Requirements, Exemptions and Ongoing Registrant Obligations.

“GENERAL INSTRUCTIONS

Complete and submit this form to the relevant regulator(s) or, in Québec, the securities regulatory authority, or self-regulatory organization (SRO) if

- an individual has left a sponsoring firm and is seeking to reinstate the individual’s registration in one or more of the same categories or reinstate the same status of permitted individual as before with a new sponsoring firm, and

You only need to complete and submit one form regardless of the number of registration categories or permitted individual statuses you are seeking to be reinstated in.

3. if this form is submitted on or after June 6, 2023, on the date this form is submitted, the individual’s information in the National Registration Database does not state “there is no response to this question” for any item of the individual’s Form 33-109F4;
4. there have been no changes to the information previously submitted in respect of the following items of the individual’s Form 33-109F4 since the individual left the individual’s former sponsoring firm:

(5) by replacing item 7 with the following:

“Item 7 Reportable activities

Name of your new sponsoring firm: _____

1. Activities with your sponsoring firm

Instructions: Describe all of your roles and responsibilities with your sponsoring firm, whether these roles and responsibilities are securities-related or not (e.g., sale of securities, review of marketing materials, IT help desk, negotiation of employment contracts, sales of banking and insurance products and services). Include any other information about your position with your sponsoring firm that is relevant for the regulator or, in Québec, the securities regulatory authority to know (e.g., if your role is specialized). For example, if you are applying as an advising representative limited to client relationship management, indicate this by including the following statement in Schedule D: “Individual is seeking registration as CRM AR.”.

Complete a Schedule D with respect to your roles and responsibilities with your sponsoring firm.

2. Reportable outside activities

Instructions: Consider all of the activities that you participate in outside of your sponsoring firm, whether or not you receive compensation for such activities and whether or not any such activity is business-related. Activities performed for an affiliated entity are considered activities outside of your sponsoring firm. If any of the categories below describes one or more activities that you participate in, complete a separate Schedule D for each activity or entity. If multiple activities are performed for one entity, complete a single Schedule D identifying all the activities performed.

Uncompensated activities that do not fall within Categories 1 to 5 (i.e., generally activities that do not involve securities or financial services and are not a position of influence, such as being a little league soccer coach) are not reportable.

Category 1 - Activities with another registered firm

Instructions: Report activities with registered firms, other than your sponsoring firm. All activities in this category are reportable whether or not you receive compensation for such activities. Major shareholder means a shareholder who, in total, directly or indirectly owns voting securities carrying 10 percent or more of the votes carried by all outstanding voting securities.

If you are a director, officer, employee, contractor, consultant, agent, or service provider of a registered firm other than your sponsoring firm, or are in any other equivalent position with or for that registered firm, or are a major shareholder or partner of that registered firm, complete a separate Schedule D for the registered firm.

Category 2 - Activities with an entity that receives compensation from a registered firm

If you are a director, officer, employee, contractor, consultant, or agent of a specified entity, or are in any other equivalent position with or for a specified entity, or are a shareholder or partner of a specified entity, complete a separate Schedule D for the specified entity.

For the purposes of this category, “specified entity” means an entity that receives compensation from a registered firm for activities that you provide for your sponsoring firm or another registered firm.

Category 3 – Other securities-related activities

Instructions: All activities in this category are reportable whether or not you receive compensation for such activities. Charitable or other fundraising activities that do not involve the issuance of securities or derivatives are not reportable.

If you have been at any time in the last 7 years directly involved in raising money for an entity through the issuance of securities or derivatives or promoting the sale of an entity’s securities or derivatives outside of your activities with your sponsoring firm or another registered firm, complete a separate Schedule D for each entity for which you performed these activities.

Directors and officers of reporting issuers and of entities that have been at any time in the last 7 years raising money through the issuance of securities or derivatives are considered to be directly involved in raising money for that entity.

Category 4 - Provision of financial or finance-related services

Instructions: All activities in this category are reportable whether or not you receive compensation for such activities. For example, volunteer activities pertaining to your securities or financial services knowledge must be reported under this category. Also report if you are the owner or management of an entity that provides these services. Major shareholder means a shareholder who, in total, directly or indirectly owns voting securities carrying 10 percent or more of the votes carried by all outstanding voting securities.

Complete a separate Schedule D for each activity, as applicable, if you

- sell or negotiate insurance, including being an insurance broker or agent,
- provide loan or deposit or other banking products and services,
- carry on a money service business, including exchanging one type of currency for another, transferring money from one person to another, or issuing or redeeming money orders, traveller's cheques or anything similar,
- facilitate or administer mortgages, including acting as a mortgage broker, agent or administrator,
- prepare tax returns or provide tax advice,
- help create programs for persons to meet their long-term financial goals, including providing financial planning (including estate planning) or financial advice,

- provide oversight or independent review or expert opinion on the management of an entity's financial assets,

- lend money or accept deposits of money (e.g., alternative financing, non-bank financial institutions), or
- provide other financial or finance-related services not identified above.

Also complete a separate Schedule D for each activity, as applicable, if you are a director or officer, or are in any other equivalent position with or for, or are a major shareholder or active partner of, an entity that provides one or more of the services in the above list.

Category 5 - Positions of influence

Instructions: All positions of influence (e.g., medical doctor, leader in a religious organization) are reportable whether or not you receive compensation for such activities. Guidance: see also section 13.4.3 of Regulation 31-103 respecting Registration Requirements, Exemptions and Ongoing Registrant Obligations (chapter V-1.1, r. 10) and the Policy Statement to Regulation 31-103 respecting Registration Requirements, Exemptions and Ongoing Registrant Obligations.

Complete a separate Schedule D for each position of influence that you are in.”;

“2. Check the box below - ***I am eligible to file this Form 33-109F7*** - only if you satisfy all of the following conditions:
