IT IS ORDERED, therefore, on the recommendation of the Minister of Health and Social Services:

THAT the Board be entrusted with the Community pharmacy access program for certain COVID-19 pharmaceutical treatments, attached to this Order in Council.

YVES OUELLET
Clerk of the Conseil exécutif

COMMUNITY PHARMACY ACCESS PROGRAM FOR CERTAIN COVID-19 PHARMACEUTICAL TREATMENTS

1. To be eligible under this program, a person must be a person insured within the meaning of subparagraph g.1 of the first paragraph of section 1 of the Health Insurance Act (chapter A-29), that is, be a resident or temporary resident of Québec who is duly registered with the Régie de l'assurance maladie du Québec, hereafter referred to as the "Board", and produce his or her health insurance card, claim booklet or valid eligibility card to the pharmacist.

Despite the foregoing, insofar as a pharmacist complies with the provisions of the program and special agreement to be entered into between the Minister of Health and Social Services and the Association québécoise des

pharmaciens propriétaires concerning access in community pharmacies to certain COVID-19 pharmaceutical treatments, hereafter referred to as the "special agreement", the pharmacist is entitled to be remunerated by the Board for a service provided to a person, even if the person has not produced his or her health insurance card, claim booklet or eligibility card, in the following circumstances and cases:

(a) the person is a homeless person;

(b) the person ordinarily resides in Québec, or settles in Québec, but is ineligible for health insurance.

2. The pharmaceutical treatments covered by this program are supplied by a pharmacist under a prescription and are intended solely for a person eligible for the program because the person has a condition listed in Schedule A, which must be confirmed in the prescription.

3. The type, cost, format and quantity of pharmaceutical treatments covered by this program are listed in Schedule B to the program.

4. The Minister of Health and Social Services may agree at any time, in an agreement with the Board, to modify the conditions listed in Schedule A and the list of pharmaceutical treatments in Schedule B, in particular to reflect the arrival on the Canadian market of new COVID-19 drug therapies and the recommendations made by the Institut national d'excellence en santé et en services sociaux.

5. The Board assumes only the cost of professional services provided for in the special agreement, at the rate and on the conditions set out in that agreement and, for the pharmaceutical treatments listed in Schedule B, according to the type, format and quantity of pharmaceutical treatments supplied, the wholesaler's profit margin being set at 6.5% of the unit price of the treatments appearing in that Schedule, up to a maximum of \$49 per format.

6. The Minister of Health and Social Services is to reimburse the Board for the sums paid under this program, on such terms and conditions as may be agreed on.

7. For services provided, a pharmacist covered by this program may claim or receive from the Board only the remuneration provided for in the special agreement. In addition, no pharmacist may require any payment whatsoever from an eligible person.

8. No pharmacist or wholesaler who receives pharmaceutical treatments to be distributed pursuant to this program may sell or distribute them otherwise than in connection with the program.

9. Beneficiaries under the program are exempted from the payment of any contribution.

10. Services and goods obtained from outside Québec are not covered by this program except those provided by a pharmacist with whom the Board has entered into a special agreement for that purpose, if the pharmacy is situated in a region bordering on Québec and no Québec pharmacy within a radius of 32 kilometres of the pharmacy serves the public.

11. The Board is to periodically report to the Minister of Health and Social Services on the costs incurred in connection with this program, on such terms and conditions as may be agreed on. The reports are not to contain personal information.

12. The Board is to post this program on its website not later than the day the program takes effect. Any modifications under section 4 are also to be posted on the website not later than the day they take effect, so as to inform the public.
