(chapter P-10)

#### **Initiation and modification of medication therapy, administration of a medication and prescription of tests by a pharmacist — Amendment**

Regulation to amend the Regulation respecting the initiation and modification of medication therapy, the administration of a medication and the prescription of tests by a pharmacist

WHEREAS, under subparagraph *i* of the first paragraph of section 10 of the Pharmacy Act (chapter P-10), the board of directors of the Ordre des pharmaciens du Québec must, by regulation, determine the cases in which a pharmacist may prescribe a medication under subparagraph 2 of the third paragraph of section 17 of the Act, as well as the applicable conditions and procedures;

WHEREAS, in accordance with the third paragraph of section 10 of the Act, the board of directors of the Ordre des pharmaciens du Québec consulted the Collège des médecins du Québec, the Ordre des dentistes du Québec, the Ordre des infirmières et infirmiers du Québec, the Ordre des infirmières et infirmiers auxiliaires du Québec, the Ordre professionnel des inhalothérapeutes du Québec, the Ordre des optométristes du Québec, the Ordre des podiatres du Québec and the Ordre des sages-femmes du Québec before adopting the Regulation to amend the Regulation respecting the initiation and modification of medication therapy, the administration of a medication and the prescription of tests by a pharmacist on 23 March 2022;

WHEREAS, pursuant to section 95 of the Professional Code (chapter C-26), subject to sections 95.0.1 and 95.2 of the Code, every regulation made by the board of directors of a professional order under the Code or an Act constituting such an order must be transmitted to the Office des professions du Québec for examination and be submitted, with the recommendation of the Office, to the Government which may approve it with or without amendment;

WHEREAS, in accordance with section 95 of the Code, the Office examined the Regulation on 25 March 2022 then submitted it to the Government with its recommendation;

WHEREAS, under paragraph 1 of section 12 of the Regulations Act (chapter R-18.1), a proposed regulation may be approved without having been published in the *Gazette officielle du Québec* as set out in that Act if the authority approving it is of the opinion that the urgency of the situation requires it;

WHEREAS, under subparagraph 1 of the first paragraph of section 18 of that Act, a regulation may come into force on the date of its publication in the *Gazette officielle du Québec* where the authority that has approved it is of the opinion that the urgency of the situation requires it;

WHEREAS, under section 13 and the second paragraph of section 18 of that Act, the reason justifying the absence of such publication and such coming into force must be published with the regulation;

WHEREAS the Government is of the opinion that the urgency to contribute to a decrease in new hospitalizations due to COVID-19 by an enhanced access, as soon as it is marketed, to a preventive treatment for patients at risk of developing complications related to coronavirus justifies the absence of such publication and such coming into force of the Regulation to amend the Regulation respecting the initiation and modification of medication therapy, the administration of a medication and the prescription of tests by a pharmacist;

WHEREAS it is expedient to approve the Regulation without amendment;

IT IS ORDERED, therefore, on the recommendation of the Minister of Higher Education:

THAT the Regulation to amend the Regulation respecting the initiation and modification of medication therapy, the administration of a medication and the prescription of tests by a pharmacist, attached to this Order in Council, be approved.

WHEREAS, under section 13 and the second paragraph of section 18 of that Act, the reason justifying the absence of such publication and such coming into force must be published with the regulation;

WHEREAS the Government is of the opinion that the urgency to contribute to a decrease in new hospitalizations due to COVID-19 by increasing the accessibility of an initial medication that is effective in treating COVID-19, when administered rapidly after the onset of symptoms, justifies the absence of such publication and such coming into force of the Regulation to amend the Regulation respecting certain professional activities that may be engaged in by a pharmacist;

WHEREAS it is expedient to approve the Regulation without amendment;

IT IS ORDERED, therefore, on the recommendation of the Minister of Higher Education:

THAT the Regulation to amend the Regulation respecting certain professional activities that may be engaged in by a pharmacist, attached to this Order in Council, be approved.

Act respecting financial assistance  
for education expenses  
(chapter A-13.3)

### Interest rate to be applied to certain measures provided for in the Act respecting financial assistance for education expenses and the Regulation respecting financial assistance for education expenses for the 2021-2022 and 2022-2023 years of allocation

Regulation respecting the interest rate to be applied to certain measures provided for in the Act respecting financial assistance for education expenses and the Regulation respecting financial assistance for education expenses for the 2021-2022 and 2022-2023 years of allocation

WHEREAS, under subparagraphs 14 and 15 of the first paragraph of section 57 of the Act respecting financial assistance for education expenses (chapter A-13.3), the Government may, by regulation, on the recommendation of the Minister of Higher Education and after consultation with the Minister of Education for matters related to a level of education under the latter's jurisdiction, and for each financial assistance program, unless otherwise indicated,

—fix the rate of interest to be applied to the balance of a guaranteed loan and the terms and conditions of payment of interest to the financial institution;

—prescribe the terms and conditions of repayment of a guaranteed loan, require the capitalization of the interest accrued for any period determined by the Government and provide for the cases where a borrower is in default and the consequences of the default;

WHEREAS, under the first paragraph of section 90 of the Act respecting the Ministère de l'Enseignement supérieur, de la Recherche, de la Science et de la Technologie (chapter M-15.1.0.1), the Minister of Higher Education, after consulting with the Minister of Education when the matter relates to a level of education within that Minister's jurisdiction, must seek the advice of the Comité consultatif sur l'accessibilité financière aux études on any draft regulation respecting the financial assistance programs established by the Act respecting financial assistance for education expenses;

WHEREAS, under section 12 of the Regulations Act (chapter R-18.1), a proposed regulation may be made without having been published if the authority making it is of the opinion that the urgency of the situation requires it;

WHEREAS, under section 13 of that Act, the reason justifying the absence of such publication must be published with the regulation;

WHEREAS, under section 18 of that Act, a regulation may come into force on the date of its publication in the *Gazette officielle du Québec* or between that date and the date applicable under section 17 where the authority that has made it is of the opinion that the urgency of the situation requires it and the reason justifying such coming into force must be published with the regulation;

WHEREAS the Government is of the opinion that the urgency owing to the following circumstances justifies the absence of prior publication and such coming into force of the Regulation respecting the interest rate to be applied to certain measures provided for in the Act respecting financial assistance for education expenses and the Regulation respecting financial assistance for education expenses for the 2021-2022 and 2022-2023 years of allocation :

—the economic consequences of the COVID-19 pandemic and the significant increase of inflation and its pressure on the finances of Québec households require the implementation of the measure as soon as 1 April 2022;

—the regulatory amendment must come into force on 1 April 2022 so that the interest is not again borne by borrowers considering section 1 of the Regulation respecting the interest rate to be applied to certain measures provided for in the Act respecting financial assistance for education expenses and the Regulation respecting financial assistance for education expenses owing to the Covid-19 pandemic for the 2020-2021 and 2021-2022 years of allocation (chapter A-13.3, r. 2), which provides that the Minister of Higher Education pays to the financial institution, on behalf of the borrower, the interest owed on the borrower's student debt for the period from 1 April 2021 to 31 March 2022;

—the federal government announced similar measures applicable to Canadian borrowers until 31 March 2023;

WHEREAS the Comité consultatif sur l'accessibilité financière aux études has given its advice;

IT IS ORDERED, therefore, on the recommendation of the Minister of Higher Education :

THAT the Regulation respecting the interest rate to be applied to certain measures provided for in the Act respecting financial assistance for education expenses and the Regulation respecting financial assistance for education expenses for the 2021-2022 and 2022-2023 years of allocation, attached to this Order in Council, be made.
