(chapter I-13.3)

Basic school regulation for preschool, elementary and secondary education for the 2023-2024, 2024-2025 and 2025-2026 school years, the Basic adult general education regulation for the 2023- 2024 school year and the Basic vocational training regulation for the 2023-2024 school year

— **Amendment**

Regulation to amend the Basic school regulation for preschool, elementary and secondary education for the 2023-2024, 2024-2025 and 2025-2026 school years, the Basic adult general education regulation for the 2023-2024 school year and the Basic vocational training regulation for the 2023-2024 school year

WHEREAS, under the first paragraph of section 447 of the Education Act (chapter I-13.3), the Government may make regulations to be known as the “basic school regulation”;

WHEREAS, under subparagraph 1 of the second paragraph of section 447 of the Act, the basic school regulation relates to the nature and objectives of educational services, including preschool education, instructional services, student services and special educational services as well as the general organizational framework thereof;

WHEREAS, under subparagraphs 2, 4 and 5 of the third paragraph of section 447 of the Act, the basic school regulation may also:

- establish rules respecting the school calendar;
- establish rules on the evaluation of learning achievement and the certification of studies; and
- determine the diplomas, certificates and other official attestation awarded by the Minister of Education and prescribe the conditions under which they are to be awarded;

WHEREAS, under the first paragraph of section 448 of the Act, the Government must, by regulation, establish a basic vocational training regulation and a basic adult education regulation;

WHEREAS, under the second paragraph of section 448 of the Act, those basic regulations relate to the nature and objectives of instructional, training and student services and, in the case of adult education, literacy and popular education services, as well as to the general organization framework for those services;

WHEREAS, under subparagraphs 4 and 5 of the third paragraph of section 448 of the Act, those basic regulations may also:

- establish rules on the evaluation of learning achievement and the certification of prior learning; and
- determine the diplomas, certificates and other official attestations awarded by the Minister and prescribe the conditions under which they are to be awarded;

WHEREAS, in accordance with sections 10, 12 and 13 of the Regulations Act (chapter R-18.1), a draft Regulation to amend the Basic school regulation for preschool, elementary and secondary education for the 2023-2024, 2024-2025 and 2025-2026 school years, the Basic adult general education regulation for the 2023-2024 school year and the Basic vocational training regulation for the 2023-2024 school year was published in Part 2 of the *Gazette officielle du Québec* of 14 February 2024 with a notice that it could be made by the Government on the expiry of 7 days following that publication;

WHEREAS it is expedient to make the Regulation to amend the Basic school regulation for preschool, elementary and secondary education for the 2023-2024, 2024-2025 and 2025-2026 school years, the Basic adult general education regulation for the 2023-2024 school year and the Basic vocational training regulation for the 2023-2024 school year without amendment;

WHEREAS, under section 18 of the Regulations Act, a regulation may come into force on the date of its publication in the *Gazette officielle du Québec* where the authority that has made it is of the opinion that the urgency of the situation requires it and the reason justifying such coming into force must be published with the regulation;

WHEREAS, the Government is of the opinion that the urgency of the situation requires the coming into force of the Regulation to amend the Basic school regulation for preschool, elementary and secondary education for the 2023-2024, 2024-2025 and 2025-2026 school years, the Basic adult general education regulation for the 2023-2024 school year and the Basic vocational training regulation for the 2023-2024 school year on the date of its publication in the *Gazette officielle du Québec* because of the following circumstances:

— a number of students have not been able to receive educational services as a result of the strike days that were held in November and December 2023;

— the learning and evaluations that had been scheduled for the start of the second term have not been done;

— missing days of educational services has an important impact on student success, in particular for those students that are most vulnerable;

— it is necessary to allow for more teaching time between students' return to school and providing the second term report cards to the parents;

— without these amendments, the second term report cards would have to be provided not later than 15 March;

IT IS ORDERED, therefore, on the recommendation of the Minister of Education:

THAT the Regulation to amend the Basic school regulation for preschool, elementary and secondary education for the 2023-2024, 2024-2025 and 2025-2026 school years, the Basic adult general education regulation for the 2023-2024 school year and the Basic vocational training regulation for the 2023-2024 school year, attached to this Order in Council, be made.

Draft Regulation

Tourist Accommodation Act
(chapter H-1.01)

Terms and conditions for the verification of a registration — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Tourist Accommodation Regulation, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation sets out the terms and conditions for verification that a person operating a digital platform may apply to ensure that the tourist accommodation establishment a person intends to offer for rent on the digital platform is duly registered. The draft Regulation also determines that the address of the establishment must be entered in the register of tourist accommodation establishments.

The measures proposed in the draft Regulation would make available to businesses operating a digital platform technological means to verify the conformity of the registrations of tourist accommodation establishments for which the platforms disseminate accommodation offerings. Since the use of those technological means is not mandatory, only businesses that wish to avail themselves of them would have to make certain efforts toward their implementation.

Further information on the draft Regulation may be obtained by contacting Martine Pageau, Director, Direction de l'innovation et des politiques, Ministère du Tourisme, 900, boulevard René-Lévesque Est, bureau 400, Québec (Québec) G1R 2B5; email: martine.pageau@tourisme.gouv.qc.ca.

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to Marie-Ève Bédard, Assistant Deputy Minister, Prospective, politiques et performance partenariale, Ministère du Tourisme, 900, boulevard René-Lévesque Est, bureau 400, Québec (Québec) G1R 2B5, courriel: marie-eve.bedard@tourisme.gouv.qc.ca.
