Order 2026-1004 of Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks dated 10 September 2026

Prohibition against the transportation of certain animals in order to limit the propagation of raccoon rabies in Québec and the possession of certain animals for rehabilitation purposes

THE MINISTER OF THE ENVIRONMENT, THE FIGHT AGAINST CLIMATE CHANGE, WILDLIFE AND PARKS,

CONSIDERING the first paragraph of section 164.2 of the Act respecting the conservation and development of wildlife (chapter C-61.1), which provides that, if there is a real or apprehended threat of serious or irreversible damage or injury to wildlife or its habitat or to human health or safety, the Minister may, by order, for a period of not more than 60 days in the area or zone where it is necessary in order to avoid, limit or repair that damage or injury, prohibit or authorize under the conditions that the Minister determines all hunting and trapping activities as well as the possession, transportation, registration and disposal of an animal, fish, invertebrate or wildlife by-product;

CONSIDERING the third paragraph of section 164.2 of the Act, which provides that such an order is not subject to the publication requirement set out in section 8 of the Regulations Act (chapter R-18.1);

CONSIDERING the recent reintroduction of raccoon rabies in Québec and the significant increase in the number of cases of animals infected by that virus that have been recorded in the administrative regions of Centre-du-Québec, Estrie and Montérégie;

CONSIDERING the public health issue that the propagation of raccoon rabies represents as a deadly disease that can infect all mammals, including humans, and for which there is no treatment once symptoms appear;

CONSIDERING that this disease can be propagated in the territory by the movement of an infected animal, particularly during the asymptomatic incubation period, which can lead to the development of new epidemic outbreaks;

CONSIDERING that the rehabilitation of an infected animal involves in particular close contact with humans and with other animals as well as the release of the animal, which can also lead to the development of new epidemic outbreaks;

CONSIDERING that the measures taken to limit the propagation of raccoon rabies may involve moving certain animals, in particular within the territories at risk;

CONSIDERING the Order of the Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks dated 4 June 2025 by which the Minister prohibits the transportation of certain animals in certain municipalities for 60 days as of 18 June 2025;

CONSIDERING the Order of the Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks dated 28 July 2025 by which the Minister prohibits the transportation of certain animals in certain municipalities for 60 days as of 6 August 2025;

CONSIDERING the Order of the Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks dated 18 September 2025 by which the Minister prohibits the transportation of certain animals in certain municipalities for 60 days as of 6 October 2025;

CONSIDERING the Order of the Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks dated 20 November 2025 by which the Minister prohibits the transportation of certain animals in certain municipalities for 60 days as of 6 December 2025;

CONSIDERING the Order of the Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks dated 9 January 2026 by which the Minister prohibits the transportation of certain animals in certain municipalities for 60 days as of 5 February 2026;

CONSIDERING the Order of the Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks dated 16 March 2026 by which the Minister prohibits the transportation of certain animals in certain municipalities and their possession for rehabilitation purposes for 60 days as of 7 April 2026;

CONSIDERING the Order of the Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks dated 20 May 2026 by which the Minister prohibits the transportation of certain animals within certain municipalities and their possession for rehabilitation purposes for 60 days as of 7 June 2026;

CONSIDERING the Order of the Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks dated 23 July 2026 by which the Minister prohibits the transportation of certain animals within certain municipalities and their possession for rehabilitation purposes for 60 days as of 7 August 2026;

© Éditeur officiel du Québec, 2026

CONSIDERING that it remains expedient to prohibit the transportation of certain animals in the administrative regions concerned in order to avoid causing serious or irreversible damage or injury to human health or safety;

CONSIDERING that it remains expedient to prohibit the possession of certain animals that have been transported within the territories at risk for rehabilitation purposes in order to avoid causing serious or irreversible damage or injury to human health or safety;

ORDERS AS FOLLOWS:

The live animal transportation of coyotes (*Canis latrans*) and its hybrids, grey foxes (*Urocyon cinereoargenteus*), red foxes (*Vulpes vulpes*), striped skunks (*Mephitis mephitis*) and raccoons (*Procyon lotor*) is prohibited in the territory of the following municipalities:
