An Act respecting collective agreement decrees

— **Extension**

Decree to extend the Decree respecting solid waste removal in the Montréal region

WHEREAS the Government made the Decree respecting solid waste removal in the Montréal region (R.R.Q., 1981, c. D-2, r. 29);

WHEREAS the Association des entrepreneurs de services en environnement du Québec Inc., a contracting party to the Decree, is opposed to its automatic renewal;

WHEREAS under section 13.01 of the Decree, it remains in force until 1 January 1997;

WHEREAS the Government may extend that decree under section 8 of the Act respecting collective agreement decrees (R.S.Q., c. D-2);

WHEREAS it is expedient to extend the Decree until 1 January 1998;

WHEREAS under section 12 of the Regulations Act (R.S.Q., c. R-18.1), a proposed regulation may be made without having been published pursuant to section 8 of the Act where the authority making it is of the opinion that the urgency of the situation requires it;

WHEREAS under section 18 of that Act, a regulation may come into force on the date of its publication in the *Gazette officielle du Québec* where the authority making it is of the opinion that the urgency of the situation requires it;

WHEREAS under sections 13 and 18 of that Act, the reason justifying the absence of prior publication and such coming into force shall be published with the regulation;

WHEREAS in the opinion of the Government, the urgency due to the following circumstances justifies the absence of prior publication and such coming into force:

— the Decree respecting solid waste removal in the Montréal region is in force until 1 January 1997 and its automatic renewal clause is no longer effective because an employer contracting party has denounced the decree;

— after 1 January 1997, employers now covered by the Decree will no longer be required to grant the working conditions provided for in the Decree, and some of the working conditions of employees not governed by a collective agreement could be downgraded;

— it is essential to further extend the Decree so that it remains in force for the time required to analyze the economic impact of the amendments requested by the opponents to the automatic renewal of that Decree and to give the parties concerned an opportunity to meet with a view to reaching a consensus about the amendments to be made to the present Decree;

IT IS ORDERED, therefore, on the recommendation of the Minister of Labour:

THAT the Decree to extend the Decree respecting solid waste removal in the Montréal region, attached hereto, be made.

THAT the Regulation to amend the Income Stabilization Insurance Scheme for Lamb Producers, attached to this Order in Council, be made.

MICHEL CARPENTIER,  
*Clerk of the Conseil exécutif*

**Regulation to amend the Income Stabilization Insurance Scheme for Lamb Producers**

An Act respecting farm income stabilization insurance (R.S.Q., c. A-31, ss. 2, 6 and 6.1)

**1.** The Income Stabilization Insurance Scheme for Lamb Producers, made by Order in Council 1837-92 dated 16 December 1992 and amended by the Regulations made by Orders in Council 1516-93 dated 3 November 1993, 1749-94 dated 14 December 1994, 1158-95 dated 30 August 1995 and 1393-96 dated 13 November 1996, is further amended in section 1 by inserting the following definition before the definition “insurance year”:

“heavy lamb” means a slaughter lamb whose weight is equal to or greater than 36.3 kg on a live weight basis or 16.4 kg on a carcass weight basis;”.

**2.** The following is inserted after section 12:

“**12.2** The Fédération des producteurs d’agneaux et moutons du Québec shall transmit to the Régie on 1 March of each year the number of heavy lambs sold by a producer during the preceding insurance year. Where the Régie is notified of no sale to the benefit of a producer, all the insurable ewes of that producer shall be considered as sucking-lamb/ewes.”.

**3.** The following is inserted after section 13:

“**13.1** The annual volume of insurable ewes determined according to section 13 shall be apportioned as a “sucking-lamb/ewe” equivalent and a “heavy-lamb/ewe” equivalent. The number of heavy-lamb/ewes shall be obtained by dividing the number of heavy lambs sold during the insurance year by the productivity factor of 1.3 lambs sold per insurable ewe. The number of sucking-lamb/ewes shall be obtained by subtracting the number of heavy-lamb/ewes calculated from the number of insurable ewes.”.

**4.** The words “within 30 days following a request to that effect by the Régie” are inserted after the number “12” in section 14.1.

**5.** The following is substituted for the first paragraph of section 15:

“**15.** Beginning in the 1997 insurance year, a producer shall, in each insurance year, pay his assessment based on the number of heavy-lamb/ewes and sucking-lamb/ewes at the time and in the manner prescribed by the Regulation respecting the farm income stabilization insurance schemes.”.

**6.** The following is added after Division VII of Schedule I:

**“DIVISION VIII**

**ITEMS CONSIDERED IN APPORTIONING COSTS ATTRIBUTED TO PRODUCTION OF SUCKING LAMBS**

**17.** Beginning in the 1997 insurance year, for the purposes of calculating the net annual income, production costs for the “sucking-lamb/ewe equivalent” distinct from those of the current model shall be apportioned according to the following table:

Items 1995 insurance year	Current model 1995 Indexation (\$/ewes)	Sucking-lamb/ewe equivalent (\$/ewes)	Costs not incurred Sucking-lamb/ewe equivalent (\$/ewes)
Costs related to the ewe:	155.68	155.68	0.00

Fixed costs	4.25	2.99	1.26
Depreciation	2.52	1.78	0.74
Medications	0.87	0.61	0.26
Insurance	0.28	0.20	0.08
Short-term interest	0.47	0.30	0.17

Compensation	86.42	81.83	4.59

For the annual adjustment of the aforementioned items, the indices provided for in Division VII of the Schedule shall be used.

**18.** Where the net annual income is less than the stabilized net annual income, the compensation differential between the current model and the “sucking-lamb/ewe equivalent” calculated in section 17 of Schedule I shall be deducted from the compensation established according to the current model for the units defined as “sucking-lamb/ewes”. An amount equivalent to that compensation differential multiplied by the number of sucking-lamb/ewes and divided by the number of heavy-lamb/ewes shall be added to the compensation established according to the current model for “heavy-lamb/ewe” units.”.

**7.** This Regulation comes into force on 1 January 1997.

WHEREAS the parameters currently used to establish the insurable volumes of cattle may give rise to an overvaluation of the insurable volumes;

WHEREAS it is expedient to implement as a priority a new method for determining insurable volumes of cattle based on a permanent animal identification system, in particular, by the affixing of a numbered, non-reusable tag;

WHEREAS the implementation of such a permanent cattle identification system will provide access to the actual production data of each insured producer and the use of such data will improve the reliability and accuracy of the insured volumes of cattle;

WHEREAS it is also expedient to introduce a new form of insurance coverage that will give rise to a compensation paid not on the basis of the number of livestock units inventoried in feedlots on the farm, but instead based on the quantity of cattle meat actually marketed;

WHEREAS the implementation of such insurance coverage together with a permanent cattle identification system will promote improved productivity in the cattle production sector and will render compensation fairer since it will henceforth be paid according to each insured producer's actual production;

WHEREAS it is expedient to introduce certain provisions designed to facilitate the administration of the

Scheme and in particular for efficient operation of the permanent identification system;

WHEREAS it is expedient to make the Regulation to amend the Income Stabilization Insurance Scheme for Feeder Cattle and Slaughter Cattle Producers:

IT IS ORDERED, therefore, upon the recommendation of the Minister of Agriculture, Fisheries and Food:

THAT the Regulation to amend the Income Stabilization Insurance Scheme for Feeder Cattle and Slaughter Cattle Producers, attached to this Order in Council, be made.

(1) by substituting the following for the definition of “feeder cattle”:

““feeder cattle” means male or female bovine animals, except for female dairy animals, weighing at least 181 kilograms (400 pounds); (bouvillon);” and

(2) by substituting the number “18” for the number “17” in the definition of “insurable cattle”.

**2.** The following division is inserted after Division I:

### “DIVISION I.1 PURPOSE

**1.1** Subject to subparagraph 3 of the first paragraph of section 17, the stabilization insurance provided for in this Scheme covers the weight gain realized on the day of the sale of the animal for each head of feeder cattle weighing between 181 kilograms (400 pounds) and 794 kilograms (1 750 pounds).

The term “weight gain” means the difference between the weight of a head of feeder cattle on the day of the producer’s enrolment in the Scheme and subsequently on the day of its arrival at the livestock operation and its exit weight recorded on the day of sale. Subject to paragraph 7.1 of section 2, such exit weight may not, for a female animal for which the Régie holds no proof of slaughter, exceed 363 kilograms (800 pounds) on the day of its sale.”.

**3.** Section 2 is amended

(1) by substituting the following for paragraph 5:

“(5) insure all of his annual production of insurable feeder cattle tagged in accordance with section 17.1;”;

(2) by substituting the following for paragraph 7:

“(7) market, during each insurance year, a quantity of insurable feeder cattle established according to section 18 and whose cumulative weight gain totals at least 6 350 kilograms (14 000 pounds);”;

(3) by inserting the following after paragraph 7:

“7.1 in order to insure a female animal sold for breeding purposes whose weight is more than 363 kilograms (800 pounds) but whose exit weight does not exceed 454 kilograms (1 000 pounds):

(a) participate in the Programme d’analyse des troupeaux bovins du Québec (P.A.T.B.Q.);

(b) have obtained, for that female animal, a post-weaning gain index among the highest 70 % within a contemporary group;

7.2 in order to insure a male animal that is a head of feeder cattle sold for breeding purposes whose exit weight does not exceed 544 kilograms (1 200 pounds):

(a) participate in the Programme d’analyse des troupeaux bovins du Québec (P.A.T.B.Q.);

(b) have obtained from the Canadian Livestock Records Corporation a registration certificate certifying that that male animal is purebred;

(c) have obtained from the Programme d'analyse des troupeaux bovins du Québec (P.A.T.B.Q.) a post-weaning gain index for that male animal;"

**4.** The following is substituted for section 2.1:

"**2.1** Notwithstanding paragraph 7 of section 2, a producer who is enrolled in the Income Stabilization Insurance Scheme for Feeder Calf Producers, made by Order in Council 898-89 dated 14 June 1989, may participate in this Scheme if he markets, during each insurance year, insurable feeder cattle whose cumulative weight gain totals at least 3 175 kilograms (7 000 pounds)."

**5.** The following is substituted for section 17:

"**17.** Feeder cattle shall be insured only where:

(1) they are marketed under the supervision and guidance of the Fédération des producteurs de bovins du Québec in accordance with the Plan conjoint des producteurs de bovins du Québec if they are sold for slaughter, in which case they must be slaughtered in a slaughterhouse;

(2) they are identified by means of the tag provided for in section 17.1;

(3) their weight is at least 244 kilograms (538 pounds) if they were born on the farm;

(4) their weight gain realized on the day of sale is at least 45 kilograms (100 pounds);

(5) their dressed weight at slaughter is at least 204 kilograms (450 pounds);

(6) they are sold within the period between 60 and 600 days following the date of the receipt by the Régie of the declaration referred to in section 17.1.

Notwithstanding the foregoing, female animals born on the farm and sold without proof of slaughter shall be insured only where the number of insured feeder cattle born on the farm does not exceed 75 % of the number of cows in the herd.

**17.1** The producer must identify his feeder cattle by means of an eartag, approved by the Régie, numbered and non-reusable.

He must also, within 21 days from the beginning of production, or of the weaning period where the animal is born on the farm, declare to the Régie, on the form provided for that purpose, the number of the tags affixed, the sex of each newly identified head of feeder cattle, the date, and its entry weight and origin.

That form must be accompanied by the proofs of weighing, delivery orders and purchase invoices, if any.

**17.2** Where a head of feeder cattle is sold for purposes other than slaughter, the producer must, not later than the fifteenth day of the month following the date of sale, transmit to the Régie the name and address of the livestock operation, if any, which will continue raising the feeder cattle, the number of the tag affixed to the animal sold, its sex and its weight on the day of sale.

Where the sale involves slaughter cattle, the producer must, within that same time period, transmit to the Fédération des producteurs de bovins du Québec the information provided for in the first paragraph, except for the weight, which must be the dressed weight of the slaughtered animal.

The producer must conserve the vouchers for those sales and weighings and transmit them, within that same time period, to the Régie or to the Fédération des producteurs bovins du Québec, as the case may be.

**17.3** The Régie may require from a producer verification of a weighing that he declares to it."

**6.** Section 17.1 is revoked.

**7.** The following is substituted for section 18:

"**18.** In order to determine the number of insurable feeder cattle and the cumulative weight gain, the Régie shall draw up an inventory using the slaughter data of the permanent identification system transmitted to it by the Fédération des producteurs de bovins du Québec and the information transmitted by the producer in accordance with section 17.2.

The slaughter data referred to in the first paragraph is the number of the slaughtered animal's identification tag, the date of slaughter, its sex and its weight on the day of sale.

Notwithstanding the foregoing, where the slaughter data or the information referred to in the first paragraph cannot be transmitted to the Régie by reason of superior force, the Régie may determine the number of insurable feeder cattle by means of an inventory conducted by any other appropriate method taking into account the circumstances."

**8.** The following is substituted for section 19:

“**19.** Beginning with the 1997 insurance year, a producer must, in each insurance year, pay his assessment at the time and in the manner prescribed by the Regulation respecting the farm income stabilization insurance schemes. That assessment is based on the number of kilograms corresponding to the cumulative weight gain of the insurable feeder cattle.”

**9.** Sections 20 and 20.1 are revoked.

**10.** Section 23 is amended

(1) by substituting the following for the first paragraph:

“**23.** The Régie may exclude a producer from this Scheme where:

(1) he refuses to identify all of his annual production of insurable feeder cattle by means of the tag provided for in section 17.1;

(2) he refuses to make a verification of a weighing required by the Régie under section 17.3;

(3) he removes the tag provided for in section 17.1 from any of the insurable feeder cattle before slaughtering;

(4) he refuses to pay any assessment due.”; and

(2) by substituting the following for the second paragraph:

“A producer excluded from the Scheme shall be excluded for a period of five years from the date of his exclusion and may not, during that period, re-enrol in the Scheme either personally or as a producer in partnership, shareholder, director or member of a legal person.”

**11.** The words “Regulation respecting the farm income stabilization insurance schemes” are substituted for the words “Regulation respecting the Income Stabilization Insurance Scheme for Feeder Cattle and Slaughter Cattle Producers” in section 27.

**12.** The following is substituted for section 28:

“**28.** Compensation shall be paid to a producer on the basis of the cumulative weight gain for his insurable feeder cattle determined in accordance with section 18 and a compensation rate calculated on the basis of the annual volume of weight gain produced, according to section 9.1 of Schedule 1.”

**13.** Section 29 is revoked.

**14.** The following is inserted after section 33.1:

“**33.2** Notwithstanding section 33.1, failure by a producer to comply with the time period fixed in the second paragraph of section 17.1 for the transmission of the information provided for therein shall entail a reduction in the cumulative weight gain considered in calculating his compensation at a rate of 2.3 pounds per day of delay for the quantity of feeder cattle concerned by his failure. He shall nevertheless remain bound for the payment of the assessment due for all of the weight gain realized.”

**15.** The following is added after paragraph 6 of section 8 of Schedule 1:

“(7) beginning with the 1997 insurance year, the average weight gain per head of feeder cattle is obtained by subtracting the average weight of starter calves determined in accordance with paragraph 2 from the average selling weight of slaughter cattle established according to paragraph 6.”

**16.** The following is inserted after section 9 of Schedule 1:

“**9.1** Beginning with the 1997 insurance year, the Régie determines the annual volume of weight gain produced by multiplying the number of slaughter cattle sold according to paragraph 5 of section 8 by the average weight gain produced per head of feeder cattle according to paragraph 7 of section 8.”

**17.** This Regulation comes into force on 1 January 1997.

For rates exceeding \$43.25, consult page 32 of the *Guide for Employers* (TP-1015.G-V), or page 26 of the *Guide for Small Business Employers* (TPF-1015.GP-V).

The amount to withhold from the remuneration is obtained by multiplying the deduction corresponding to the rate per hour by the number of hours for which remuneration is paid.

QPP Contributions – TABLE B: Rate per day and Rate per hour

**QPP Contributions – Table respecting the calculation of the exemption** **Irregular pay periods**

This table enables you to rapidly locate the exemption that applies to the number of days included in an irregular pay period. (See the section "Continuous employment" on page 32 of the *Guide for Employers* [TP-101.5-G-V] or on page 26 of the *Guide for Small Business Employers* [TP-101.5-GP-V].) An irregular pay period begins on one of the following three dates, depending on which is the closest to the date on which remuneration is paid: January 1 of the current year, the date on which the employee was hired, or the date on which the employee received his or her last pay cheque.

## O.C. 1566-96, 11 December 1996

An Act respecting income security  
(R.S.Q., c. S-3.1.1)

### Income security — Amendments

Regulation to amend the Regulation respecting income security

WHEREAS in accordance with section 91 of the Act respecting income security (R.S.Q., c. S-3.1.1), the Government made the Regulation respecting income security by Order in Council 922-89 dated 14 June 1989;

WHEREAS it is expedient to further amend the Regulation;

WHEREAS under section 12 of the Regulations Act (R.S.Q., c. R-18.1), a proposed regulation may be made without having been published as prescribed in section 8 of that Act where the authority making it is of the opinion that the urgency of the situation requires it;

WHEREAS under section 18 of that Act, a regulation may come into force on the date of its publication in the *Gazette officielle du Québec* or between that date and the date applicable under section 17 of that Act where the authority making it is of the opinion that the urgency of the situation requires it;

WHEREAS under sections 13 and 18 of that Act, the reason justifying the absence of prior publication and such coming into force shall be published with the regulation;

WHEREAS in the opinion of the Government, the urgency owing to the following circumstances justifies the absence of prior publication and such coming into force:

— the amendments set forth in the Regulation attached to this Order in Council will make it possible, for benefit calculation purposes, to exclude the amounts paid to a person entitled thereto, following the judgment of the Supreme Court of Canada: *Public Curator of Québec vs. Syndicat national des employés de l'hôpital St-Ferdinand*, rendered on October 3, 1996;

— those amendments must be in force at the time when those amounts will be paid to the persons referred to and the time periods for prior publication and the coming into force would not allow the coming into force of the Regulation on the date provided for;

IT IS ORDERED, therefore, upon the recommendation of the Minister of State for Employment and Solidarity and Minister of Income Security:

THAT the Regulation to amend the Regulation respecting income security, attached hereto, be made.

MICHEL CARPENTIER,  
*Clerk of the Conseil exécutif*

**O.M., 1996**

**Order of the Minister of Health and Social Services  
number 96-08 dated 9 December 1996**

An Act respecting prescription drug insurance  
and amending various legislative provisions  
(1996, c. 32)

Regulation to amend the Regulation respecting the conditions on which manufacturers and wholesalers of medications shall be recognized

CONSIDERING section 80 of the Act respecting prescription drug insurance and amending various legislative provisions (1996, c. 32);

CONSIDERING the making, by Minister's Order 92-06 dated 6 July 1992 of the Minister of Health and Social Services, of the Regulation respecting the conditions on which manufacturers and wholesalers of medications shall be recognized and its publication in the *Gazette officielle du Québec* of 15 July 1992;

CONSIDERING the necessity to amend that Regulation in order:

— to allow manufacturers of medications to submit different guaranteed selling prices for pharmacists and for wholesalers;

— to allow that the list of medications provide a maximum amount instead of a percentage as the profit margin of a recognized wholesaler for expensive drugs;

— to make concordance amendments now required by the coming into force of the Act respecting prescription drug insurance and amending various legislative provisions;

CONSIDERING sections 10, 12 and 13 of the Regulations Act (R.S.Q., c. R-18.1) and the publication of a Draft Regulation to amend the Regulation respecting the conditions on which manufacturers and wholesalers of medications shall be recognized in Part 2 of the *Gazette officielle du Québec* of 20 November 1996, on page 4713;

CONSIDERING section 18 of that Act;

CONSIDERING the urgency due to the following circumstances:

— the proposed measures must come into force on 1 January 1997, that is, on the same date as the list of medications drawn up under section 60 of the Act respecting prescription drug insurance and amending various legislative provisions and the basic prescription drug insurance plan;

— manufacturers of medications were informed of the proposed measures at the time of the publication of the Draft Regulation and some of them have already submitted, in respect of medications that will appear on the list, guaranteed selling prices that differ depending on whether the medications will be sold to wholesalers or to pharmacists;

— furthermore, the application of the proposed measures forces the Régie de l'assurance-maladie du Québec to prepare amendments respecting the reimbursement of the cost of medications to pharmacists, taking into account the implementation of an interactive system for the basic prescription drug insurance plan;

CONSIDERING that the Conseil consultatif de pharmacologie has been consulted about the Draft Regulation;

CONSIDERING that it is expedient to make the Regulation with amendments as to its form;

THEREFORE, the Minister of Health and Social Services makes the Regulation to amend the Regulation respecting the conditions on which manufacturers and wholesalers of medications shall be recognized, attached to this Order.
