PROVINCE OF QUÉBEC

1st SESSION

36th LEGISLATURE

QUÉBEC, 24 MARCH 1999

OFFICE OF THE LIEUTENANT-GOVERNOR*Québec, 24 March 1999*

This day, at one minute past eleven o'clock in the morning, the Honourable the Administrator of Québec was pleased to sanction the following bill:

- 11 An Act to amend the Act respecting the National Assembly and the Act respecting the conditions of employment and the pension plan of the Members of the National Assembly

To this bill the Royal assent was affixed by the Honourable the Administrator of Québec.

NATIONAL ASSEMBLY

FIRST SESSION

THIRTY-SIXTH LEGISLATURE

Bill 11
(1999, chapter 3)

**An Act to amend the Act respecting the
National Assembly and the Act
respecting the conditions of employment
and the pension plan of the Members of
the National Assembly**

**Introduced 23 March 1999
Passage in principle 23 March 1999
Passage 23 March 1999
Assented to 24 March 1999**

EXPLANATORY NOTES

The object of this bill is to change the composition of the Office of the National Assembly by increasing by two the number of its members and fixing the quorum at five.

In addition, the bill amends the Act respecting the National Assembly to provide a procedure for the replacement of the President of the Assembly in case of absence, inability to act or vacancy.

The bill also specifies certain rules applicable to the regular personnel hired to assist, for research and support purposes, a party represented in the National Assembly.

Lastly, the bill provides that whenever the caucus of the Official Opposition consists of twenty Members or more, an additional indemnity is to be paid to a Member who occupies the position of chairman of the caucus.

LEGISLATION AMENDED BY THIS BILL :

- Act respecting the National Assembly (R.S.Q., chapter A-23.1);
- Act respecting the conditions of employment and the pension plan of the Members of the National Assembly (R.S.Q., chapter C-52.1).

Bill 11

AN ACT TO AMEND THE ACT RESPECTING THE NATIONAL ASSEMBLY AND THE ACT RESPECTING THE CONDITIONS OF EMPLOYMENT AND THE PENSION PLAN OF THE MEMBERS OF THE NATIONAL ASSEMBLY

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

1. Section 87 of the Act respecting the National Assembly (R.S.Q., chapter A-23.1) is amended by replacing “seven” in the second line by “nine”.

2. Section 88 of the said Act is amended

(1) by replacing “four” in paragraph 1 by “five”;

(2) by replacing “three” in the first line of paragraph 2 by “four”;

(3) by replacing “two” in the second line of paragraph 2 by “three”.

3. Section 96 of the said Act, replaced by section 1 of chapter 54 of the statutes of 1998, is again replaced by the following section :

“96. If the President is absent, or at the President’s request, the Vice-President designated by the President shall act as chairman. Only the first Vice-President or the second Vice-President may be designated for that purpose.

If the President is unable to act or the office of President is vacant, the first Vice-President shall act as chairman during such inability or vacancy.

However, if the first Vice-President also is or also becomes unable to act or the office of first Vice-President also is or also becomes vacant, the second Vice-President shall replace the first Vice-President in the circumstances described in the second paragraph.”

4. Section 97 of the said Act is amended by replacing “Four” in the first line by “Five”.

5. Section 108 of the said Act is amended

(1) by replacing the second paragraph by the following paragraph :

“The Member who is the leader of the Government party and the Member who is the leader of the Official Opposition party may transfer the moneys required for the remuneration of the regular personnel hired to assist the party for research and support purposes to the budget granted, under subparagraph 3 of the first paragraph of section 104, to the offices referred to in section 124.1. The personnel hired to assist the party for such purposes forms part of the personnel of the offices so designated in the same manner as the other members of the personnel of those offices.”;

(2) by adding the following paragraph at the end :

“In the case of another party to which the first paragraph applies, the Member who is the leader of that party or the authorized Member may transfer the moneys required for the remuneration of the regular personnel hired to assist the party for research and support purposes to the budget granted to the Member under subparagraph 3 of the first paragraph of section 104. The personnel hired to assist the party for such purposes forms part of the personnel of that Member in the same manner as the other members of his personnel.”

6. Section 117 of the said Act, replaced by section 2 of chapter 54 of the statutes of 1998, and section 118 of the said Act are replaced by the following sections :

“117. If the President is absent, or at the President’s request, the Vice-President designated by the President shall act as President. Only the first Vice-President or the second Vice-President may be designated for that purpose.

If the President is unable to act or the office of President is vacant, the first Vice-President shall act as President during such inability or vacancy.

However, if the first Vice-President also is or also becomes unable to act or the office of first Vice-President also is or also becomes vacant, the second Vice-President shall replace the first Vice-President in the circumstances described in the second paragraph.

“118. The President may delegate some of the President’s administrative responsibilities to the first or the second Vice-President who shall, within the limits of the delegation, have the same powers and duties as the President.”

7. Section 143 of the said Act is amended by striking out the second paragraph.

8. Section 7 of the Act respecting the conditions of employment and the pension plan of the Members of the National Assembly (R.S.Q., chapter C-52.1) is amended by inserting the following subparagraph after subparagraph 11.1 of the first paragraph :

“(11.2) the Member occupying the position of caucus chairman of the Official Opposition shall receive an indemnity equal to 22.5% of the annual indemnity if the caucus consists of twenty Members or more;”.

9. For the purposes of the First Session of the Thirty-Sixth Legislature, the fifteen-day period provided for in section 90 of the Act respecting the National Assembly is extended to thirty days.

10. For the purpose of computing the severance pay payable to the personnel referred to in the third paragraph of section 108 of the Act respecting the National Assembly, the accumulated service of a member of the personnel in office on 24 March 1999 is computed from the date on which the personnel member was appointed for the first time to assist the political party for research and support purposes.

11. Notwithstanding paragraph 1 of section 5 of this Act, the second paragraph of section 108 of the Act respecting the National Assembly, as it read before being replaced by that paragraph, shall continue to apply in respect of the Government party for the duration of the Thirty-Sixth Legislature.

12. Sections 1, 2, 4 and 8 have effect from 2 March 1999.

13. This Act comes into force on 24 March 1999.

An Act respecting municipal taxation
(R.S.Q., c. F-2.1)

Compensations in lieu of taxes — Amendments

Regulation to amend the Regulation respecting compensations in lieu of taxes

WHEREAS under paragraph 2 of section 262 of the Act respecting municipal taxation (R.S.Q., c. F-2.1), amended by section 292 of Chapter 43 of the Statutes of 1997, the Government may make regulations to

(a) increase the percentage provided for in the second, third or fourth paragraph of section 255;

(b) list the types of immovables or of places of business comprised in a category contemplated in section 255, or excluded therefrom;

(c) prescribe the rules for computing the aggregate taxation rate of a local municipality, for the purposes of section 255, which may differ from those contemplated in section 234;

(d) designate the person who pays the amount contemplated in section 210, 254 or 257 and prescribe the other terms and conditions of that payment; designate different persons or prescribe different terms and conditions according to such classes of immovables or places of business as it may determine;

(e) prescribe rules of payment or refunding applicable to the amount contemplated in section 210, 254 or 257 in the case of changes made to the roll;

(f) prescribe the payment and mode of computation of interest in cases of late payment of the amount referred to in section 210, 254 or 257, including the payment or refund contemplated in subparagraph *e*, or in cases where a decision of the Administrative Tribunal of Québec or a court judgment gives rise to a payment or a refund contemplated in the said subparagraph;

(g) prescribe the time limit within which the demand for payment contemplated in section 210, 254.1 or 257 must be made;

WHEREAS the Government made the Regulation respecting compensations in lieu of taxes by Order in Council 1086-92 dated 22 July 1992;

WHEREAS it is expedient to amend the Regulation;

WHEREAS in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), the draft Regulation entitled Regulation to amend the Regulation respecting compensations in lieu of taxes was published in the *Gazette officielle du Québec* of 23 December 1998 on pages 4788 and 4789, with a notice that it could be made by the Government upon the expiry of 45 days from that publication and that any interested person could send his comments in writing to the Minister of Municipal Affairs before the expiry of the 45-day period;

WHEREAS no comments on the draft Regulation were received before the expiry of the 45-day period;

WHEREAS it is expedient to make the Regulation without amendment;

IT IS ORDERED, therefore, upon the recommendation of the Minister of Municipal Affairs and Greater Montréal:

THAT the Regulation to amend the Regulation respecting compensations in lieu of taxes, attached to this Order in Council, be made.

MICHEL NOËL DE TILLY,
Clerk of the Conseil exécutif

Regulation to amend the Regulation respecting compensations in lieu of taxes*

An Act respecting municipal taxation
(R.S.Q., c. F-2.1, s. 262, par. 2; 1997, c. 43, s. 292)

1. The Regulation respecting compensations in lieu of taxes is amended by adding “, with the exception of structures intended to lodge persons, shelter animals or store things and their bed” after the word “network” in subparagraph 1 of the first paragraph of section 1.

2. Section 9 is amended

(1) by substituting the following for the first and second paragraphs:

* The Regulation respecting compensations in lieu of taxes, made by Order in Council 1086-92 dated 22 July 1992 (1992, *G.O.* 2, 4058), was last amended by the Regulation made by Order in Council 82-98 dated 28 January 1998 (1998, *G.O.* 2, 1105). For previous amendments, refer to the *Tableau des modifications et Index sommaire*, Éditeur officiel du Québec, 1998, updated to 1 September 1998.

“9. The Minister of Municipal Affairs shall pay to the municipality 90 % of the amount for which it has applied based on its provisional aggregate taxation rate established in accordance with section 10, for the fiscal period for which the compensation is payable.

The payment shall be made

(1) where the amount of the demand is less than \$3000, not later than 31 May of the fiscal period or, where the demand is received after 2 March of that fiscal period, within 90 days following its receipt;

(2) where the amount of the demand is equal to or greater than \$3000, not later than 10 June of the fiscal period or, where the demand is received after 2 March of that fiscal period, within 100 days following its receipt.”;

(2) by substituting the words “the second paragraph” for the words “the first and second paragraphs” in the third paragraph.

3. Section 11 is revoked.

4. Section 12 is amended by striking out “and, where applicable, section 11” in the second paragraph.

5. Section 14 is amended

(1) by substituting the following for the first and second paragraphs:

“14. The competent person under section 6 shall pay to the municipality the amount for which it has applied.

The payment shall be made

(1) where the amount of the demand is less than \$3000, not later than 31 May of the fiscal period for which the compensation is payable or, where the demand is received after 2 March of that fiscal period, within 90 days following its receipt;

(2) where the amount of the demand is equal to or greater than \$3000, not later than 10 June of the fiscal period for which the compensation is payable or, where the demand is received after 2 March of that fiscal period, within 100 days following its receipt.”;

(2) by substituting the words “the second paragraph” for the words “the first and second paragraphs” in the third paragraph.

6. Section 15 is revoked.

7. Section 22 is amended by substituting “in section 12” for “in sections 12 and 15” in subparagraph 3 of the second paragraph.

8. Sections 1 to 7 have effect for the purposes of the computation and payment of an amount payable for any fiscal period as of the 1999 fiscal period.

9. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.

4. This Regulation comes into force on 29 April 1999.

2769

* The Regulation respecting special permits made by Order in Council 1444-90 dated 3 October 1990 (1990, G.O. 2, 2567) was amended by Order in Council 1605-93 dated 17 November 1993 (1993, G.O. 2, 6275).

M.O., 1999

Order of the Minister of Transport dated 31 March 1999 concerning exemptions from stopping before crossing certain level crossings

Highway Safety Code
(R.S.Q., c. C-24.2)

THE MINISTER OF TRANSPORT,

CONSIDERING section 414 of the Highway Safety Code (R.S.Q., c. C-24.2), which allows him to designate, by an order published in the *Gazette officielle du Québec*, certain level crossings where the driver of a road vehicle referred to in section 413 is exempt from the obligations under the said section;

CONSIDERING the designation, by a Minister's Order dated 13 December 1993, of certain level crossings where the danger of accidents was considerably reduced due to the presence of safety devices and the infrequency of rail traffic or a crossing procedure requiring that trains be stopped systematically;

CONSIDERING that it is expedient to update those exemptions since one of those crossings has been abandoned and another one has seen an increase in rail traffic which increases the risk of accident;

Designates, therefore, the following level crossings where the driver of a road vehicle referred to in section 413 of the Highway Safety Code is exempt from the obligations under the said section:

- (1) the level crossing on Autoroute 20, on the territory of the Municipalité de Saint-Hyacinthe (54045);
- (2) the level crossing located on Route 170, on the territory of the Municipalité de La Baie (94040); and
- (3) the level crossing located on Route 132, on the territory of the Municipalité de Rimouski-Est (10040);

Substitutes this Order, from the date of its publication, for the Order dated 13 December 1993 concerning exemptions from stopping before crossing certain level crossings.

Given at Québec, 31 March 1999

GUY CHEVRETTE,
Minister of Transport

Draft Regulation

Health Insurance Act
(R.S.Q., c. A-29)

Devices which compensate for a physical deficiency — Amendments

Notice is hereby given that, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the draft Regulation, the text of which appears below, may be made by the Government upon the expiry of 45 days following this publication.

The purpose of the draft Regulation is to amend the Regulation respecting devices which compensate for a physical deficiency and are insured under the Health Insurance Act, made by Order in Council 612-94 dated 27 April 1994, to enable the persons responsible for allocating the devices to take into account the improvements in the field and to better serve the particular needs of some of their clientele in addition to adapting their role to the requirements of ambulatory care.

Therefore, the draft Regulation proposes to revise the list of equipment so that it reflects the technological advances and improvements in materials used to make the devices.

It also proposes to revise the prices of the devices to include the increase in cost of the materials and the fluctuations in Canadian currency in relation to the American and German currencies. It aims at rationalizing costs in keeping with the budget envelope by promoting new technologies that generate savings. While maintaining the present coverage of the program, it will focus more on ambulatory care and on the particular needs of young children and teenagers.

Study of the matter shows that the list of equipment referred to in the program has been completely revised in view of the progress made in the field in recent years, of the particular needs of some of the clientele and of the need to steer the program toward ambulatory care; the prices have also been updated in keeping with market developments.

Further information on the draft Regulation may be obtained by contacting Mr. Jean-L. Lefebvre at (418) 682-5172 or by fax at (418) 643-7312, at the Régie de l'assurance-maladie du Québec, 1125, chemin Saint-

Louis, 8^e étage, Sillery (Québec) G1S 1E7, before the expiry of the 45-day period.

Any interested person having comments to make on the matter is asked to send them in writing, before the expiry of the 45-day period, to the Minister of Health and Social Services, 1075, chemin Sainte-Foy, 15^e étage, Québec (Québec) G1S 2M1.

PAULINE MAROIS,
*Minister of State for Health and Social Services
and Minister of Health and Social Services*

Regulation to amend the Regulation respecting devices which compensate for a physical deficiency and are insured under the Health Insurance Act*

Health Insurance Act
(R.S.Q., c. A-29, s. 3, 5th par. and s. 69. 1st par.,
subpar. *h*)

1. The Regulation respecting devices which compensate for a physical deficiency and are insured under the Health Insurance Act is amended by inserting the word “other” before the word “insured” in the second paragraph of section 4.

2. Section 17 is amended

(1) by striking out the word “nylon” wherever it appears; and

(2) by adding the following paragraphs at the end:

“For the same beneficiary, three (3) suspension linings with or without nylon on the inside per 12-month period are insured for each limb fitted with one or more prostheses.

* The Regulation respecting devices which compensate for a physical deficiency and are insured under the Health Insurance Act, made by Order in Council 612-94 dated 27 April 1994 (1994, *G.O.* 2, 1589) (Erratum dated 6 July 1994), was last amended by the Regulation made by Order in Council 1334-98 dated 14 October 1998 (1998, *G.O.* 2, 4291). For previous amendments, refer to the *Tableau des modifications et Index sommaire*, Éditeur officiel du Québec, 1998, updated to 1 September 1998.

In addition, for the same beneficiary, four (4) latex or elastic suspension linings per 12-month period are insured for each limb fitted with one or more prostheses.

Each suspension lining must be, within the meaning of section 3, a component of a prosthesis fitted on a limb.”.

3. Section 23 is amended by adding the following paragraph at the end:

“The Régie does not assume the cost of a component for which the reference “N/A” appears in place of the component price when the device is purchased or replaced.”

4. Section 27 is amended

(1) by inserting the following after the first paragraph:

“Notwithstanding the condition set forth in subparagraph 1 of the first paragraph, the Régie only assumes the cost of purchase or replacement of an insured device that appears on one of the lists in Part I of Chapter V where the reference “S.C.” appears in place of the purchase or replacement price, provided that a person from a centre referred to in subparagraph 2 of the first paragraph or a person designated by such a centre attests in writing that the device will be furnished in the course of a rehabilitation process at the centre.” and

(2) by adding “, or in the first and second paragraphs, as the case may be” at the end of the second paragraph.

5. The following is added after section 34:

“**34.1** The Régie assumes the cost of purchase or replacement of a device referred to in the second paragraph of section 27 provided that the written attestation prescribed therein is sent to the Régie, jointly prepared and signed by each of the members of a multidisciplinary rehabilitation team that includes at least a physiotherapist or occupational therapist, designated by the centre referred to in the second paragraph of section 27, an orthotist, a prosthesisist or a orthotics-prosthetics technician from the centre and the physician designated by the centre as a member of the team.

When replacing such a device, where the beneficiary’s condition has not changed, the attestation may establish that the insured device is not furnished in the course of a rehabilitation process since rehabilitation is not required.”.

6. This Regulation is amended by substituting Chapter V of Title I in Schedule I to this Regulation for Chapter V of Title I.

7. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.

Draft Regulation

An Act respecting the conservation and development of wildlife
(R.S.Q., c. C-61.1)

Hunting and fishing controlled zones

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation respecting hunting and fishing controlled zones, the text of which appears below, may be made by the Government, upon the expiry of 45 days following this publication.

The purpose of the draft Regulation is to give more latitude to ZEC managing agencies, in particular for the setting of fees and for certain management procedures.

To that end, the Regulation proposes:

- a regulation specific to hunting and fishing ZECs;
- more flexibility in the setting of fees;
- specific fees for winter fishing;
- the replacement of the prohibition against automobile races and rallies by a delegation of the power to decide to the managing agencies;
- greater flexibility in the management of small game hunting during the hunting season for cervidae;
- the showing of licences upon registration.

To date, study of the matter has shown no negative impact on businesses, particularly on small and medium-sized businesses. On the contrary, the changes should allow for a better financing of ZEC managing agencies through greater flexibility in the setting of fees, while favouring the various customers concerned.

Minister responsible for Wildlife and Parks

Regulation respecting hunting and fishing controlled zones

An Act respecting the conservation and development of wildlife
(R.S.Q., c. C-61.1, ss. 110 and 162, par. 14; 1997, c. 95, s. 5; 1998, c. 29, s. 22)

DIVISION I INTERPRETATION AND SCOPE

1. In this Regulation,

“agency” means an agency that is a party to a memorandum of agreement in respect of the management of a controlled zone in accordance with section 106 of the Act respecting the conservation and development of wildlife (R.S.Q., c. C-61.1); (*organisme*)

“hunting and fishing ZEC” means a controlled zone, other than a salmon fishing ZEC or a wildfowl hunting ZEC, established for the purposes of hunting and fishing, in accordance with section 104 of the Act respecting the conservation and development of wildlife; (*ZEC de chasse et de pêche*)

“hunting implement” means any implement referred to in the Regulation respecting hunting made by Order in Council 1383-89 dated 23 August 1989; (*engin de chasse*)

“hunting season” means a hunting season referred to in the Regulation respecting hunting; (*période de chasse*)

“limited access sector” means a sector in a controlled zone for which an agency sets a limit on the number of groups of hunters that may enter to hunt moose; (*secteur à accès contingenté*)

“small game” means that referred to in section 1 of the Regulation respecting hunting. (*petit gibier*)

2. This Regulation applies to hunting and fishing controlled zones.

DIVISION II REGISTRATION AND ASSIGNMENT

3. An agency may, by by-law, determine the cases where a person who, for recreational purposes, enters or

stays in a ZEC under its management or engages in any other activity therein, shall be required to register.

A person who is required to register shall comply with the following registration procedure:

- (1) report to the designated reception centre;
- (2) show identification and, where applicable, his hunting or fishing licence to the registration officer;
- (3) state his full name and address;
- (4) specify a single location or, where applicable, a single sector in which he will be hunting or fishing and the date of the activity, for each day of hunting or fishing;
- (5) obtain proof of registration and place it on the dashboard of his vehicle so that it may be read from the outside or keep it with him and produce it upon request from a wildlife conservation officer, a wildlife conservation assistant or an area warden; and
- (6) return the duly completed registration to the registration officer on leaving the controlled zone.

A person may change hunting or fishing sectors without paying additional fees by having his registration changed by the registration officer prior to the activity.

The third paragraph does not apply to a person who hunts moose in a limited access sector.

4. Where registration is required in accordance with section 3 and no registration officer is on duty, the person shall fill out the registration form available at the reception centre and deposit it at the designated place.
5. An agency may, by by-law, divide the ZEC territory into hunting or fishing sectors.
6. An agency may, by by-law, prohibit in a hunting sector and for such time as it determines,
 - (1) black bear hunting;
 - (2) small game hunting during the hunting season for moose with a Type 1 or 6 hunting implement, except for the snaring of hare and hunting for migratory game birds under the Migratory Birds Convention Act (R.S.C., 1985, c. M-7).
7. A person may not hunt or fish in a ZEC except on the date, in the location or, where applicable, sector specified on the registration.

At the end of his stay, a person shall declare to the registration officer the number of animals or fish of each species taken, the date, location or, where applicable, the sector where they were taken, and shall also produce the fish or animals on request and allow any required handling or testing.

Where no officer is available, a person shall make that declaration on the form provided at the reception centre and deposit it at the designated place.

DIVISION III **LIMITED ACCESS SECTORS**

8. An agency may, by by-law, for moose hunting during the hunting season with a Type 1 implement, limit the number of groups of hunters that may be admitted at the same time into each of the sectors it has established and the number of hunters per group, provided it does so for the whole ZEC and for the entire duration of the hunting season with that type of implement.

The number of groups of hunters that may be admitted at the same time for each stay the duration of which is set pursuant to section 13 shall be equal to or greater than the number arrived at by using the following formula:

$$\text{Number of groups of hunters} = \frac{\text{Area of the ZEC in km}^2}{(\text{number of days in the moose hunting season using a Type 1 hunting implement}) \times 3}$$

9. In order to hunt in a limited access sector, a person shall be part of a group selected in accordance with section 10.

10. An agency shall select groups of moose hunters and prepare a waiting list to fill cancellations by a random draw held each year not less than three months before the beginning of the hunting season.

11. At least one month prior to selecting groups, the agency shall publish the terms and conditions for participating in the random draw in two Québec newspapers, one of which shall have a province-wide circulation and the other shall be circulated in the region of the ZEC or in the nearest region, if there is no newspaper in the region.

12. At the random draw, a person in charge shall be put in charge of each selected group of moose hunters and they shall be assigned a date and a hunting sector.

13. The person in charge of a selected group shall be assigned one reservation only per year by an agency for a minimum of three hunters and for three to seven consecutive days.

14. No person who hunted in a limited access sector during the hunting season with Type 1 hunting implements may hunt moose again in the ZEC to which that sector belongs within the same year.

15. The person in charge of a selected group may designate a substitute at any time before the beginning of the stay by notifying the agency.

DIVISION IV FEES PAYABLE

16. The fees payable by a person applying for membership that may be set by by-law of the agency shall not be less than \$10 nor more than \$20.

17. A person may not fish or hunt in a ZEC unless he has paid the fees set by by-law of the agency; those fees shall not exceed the following amounts or, in the case of a non-resident, those set under section 24:

- (1) \$16.50 per day for fishing from 1 December to 15 April;
- (2) \$16.50 per day for fishing from 16 April to 30 November;
- (3) \$16.50 per day for hunting, other than white-tailed deer, moose, caribou or black bear hunting;
- (4) \$27.50 per day for white-tailed deer hunting;
- (5) \$27.50 per day for moose hunting;
- (6) \$27.50 per day for caribou hunting;
- (7) \$27.50 per day for black bear hunting.

Where the agency fails to set the daily fees for white-tailed deer, moose, caribou or black bear hunting, a person shall pay the corresponding lump-sum fee set under section 21.

18. Section 17 does not apply to a Native person who enters a ZEC to travel to his trapping grounds located in a beaver reserve for the purposes of carrying out activities related to trapping.

19. No person may use a vehicle to travel in a ZEC unless he has paid the travel fees set by by-law of the agency, which shall not exceed, subject to section 22,

(1) \$5.50 per vehicle; or

(2) \$3.00 more per vehicle where a person enters or leaves the ZEC between 10:00 p.m. and 7:00 a.m.

The first paragraph does not apply to

(1) a person travelling in a ZEC in the performance of his duties;

(2) a person who travels in a ZEC solely to reach a principal residence or private property and come back from there;

(3) a person whose travel fees have been paid, in accordance with section 106.2 of the Act respecting the conservation and development of wildlife (R.S.Q., c. C-61.1), by an outfitter, an agency or a recreational association;

(4) a person who just travels through a ZEC, and for whom the corresponding travel fees are paid to the agency by another person, an association or a group;

(5) a person who travels in a ZEC to reach lands in the public domain on which exclusive trapping rights only are granted or to reach a beaver reserve for the purpose of carrying out activities related to trapping, and to come back from there; or

(6) a lessee of exclusive trapping rights or his helper who travels in a ZEC for the purpose of carrying out trapping activities.

20. An agency may, by by-law, set for its members a seasonal lump-sum fee for fishing and an annual lump-sum fee for hunting, provided that the agency sets a fee for each applicable activity set forth hereunder, not to exceed

- (1) \$108.00 for fishing from 1 December to 15 April;
- (2) \$108.00 for fishing from 16 April to 30 November;
- (3) \$108.00 for hunting, other than white-tailed deer, moose, caribou or black bear hunting;
- (4) \$180.00 for white-tailed deer hunting;
- (5) \$180.00 for moose hunting;
- (6) \$180.00 for caribou hunting;
- (7) \$180.00 for black bear hunting;
- (8) \$360.00 for all activities prescribed under paragraphs 1 to 7.

21. Where an agency does not set daily fees for white-tailed deer, moose, caribou or black bear hunting, it shall set by by-law an annual lump-sum fee to be paid by all persons for those activities. The amount of the lump-sum fee shall not exceed the amounts provided for in section 20.

The lump-sum fees set by the agency in accordance with the first paragraph or with section 20 shall apply to the whole territory of the ZEC.

22. An agency may, by by-law, set an annual lump-sum fee for the benefit of a person, his spouse and minor children not to exceed \$72 for the use of a vehicle in a ZEC under its management.

The payment of the lump-sum fee does not exempt the person paying it from paying the fee referred to in subparagraph 2 of the first paragraph of section 19.

23. Where an agency sets an annual lump-sum travel fee under the first paragraph of section 22, any lump-sum fee paid under paragraph 8 of section 20 shall include the travel fee.

24. An agency may, by by-law, increase the fees payable by non-residents to a maximum of twice the amount set by the agency for a resident pursuant to this Division.

This section does not apply to travel fees prescribed in sections 19 and 22.

25. As provided for in the second paragraph of section 110 of the Act respecting the conservation and development of wildlife, the fees which may be set by an agency under this Division may vary according to the criteria referred to in that paragraph.

DIVISION V VEHICLES

26. An agency may, by by-law, prohibit the use of any type of vehicle for competitions, races or rallies.

27. An agency may, by by-law, prohibit the recreational use of an all-terrain vehicle within the meaning of subparagraph 2 of section 1 of the Act respecting off-highway vehicles (R.S.Q., c. V-1.2) during the moose or white-tailed deer hunting season with a Type 1, 2, 6 or 9 hunting implement, except where the vehicle is used to recover the carcass of the animal.

DIVISION VI GENERAL

28. A forest worker working in a ZEC may be in possession of a hunting implement provided that he has registered in accordance with any by-law made pursuant to section 3 and paid the fees required under a by-law made pursuant to Division IV.

29. Any person who contravenes section 3, 4, 7, 9, 14, 17, 19 or 28 or a by-law made by an agency pursuant to section 6, 26 or 27 is guilty of an offence.

DIVISION VII TRANSITIONAL AND FINAL

30. Where the territory of a ZEC that has been divided into sectors for hunting or fishing and such territory is enlarged by the Minister, that enlargement shall constitute an additional hunting or fishing sector, as the case may be, until such time as a by-law respecting to that enlargement, made by the agency under section 5, comes into force.

For the purposes of this section, where the enlargement is made up of separate areas, each area shall be deemed to constitute a separate sector.

31. This Regulation replaces the Regulation respecting controlled zones made by Order in Council 122-89 dated 8 February 1989.

32. The by-laws made by an agency managing a hunting and fishing ZEC pursuant to the provisions of the Regulation respecting controlled zones, made by Order in Council 122-89 dated 8 February 1989, shall remain into force until they are amended, replaced or revoked by a by-law of that agency made under the provisions of this Regulation.

33. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.

Register of personal and movable real rights — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting the register of personal and movable real rights, the text of which appears below, may be made by the Government at the expiry of 45 days following this publication.

The purpose of the draft Regulation is to establish a secure infrastructure for the electronic transmission of data between the registry office and its clients, and for the processing and storage of that data.

Therefore, the draft Regulation proposes to amend the provisions relating to the medium, the form and the signing of an application for registration in order to take into account the fact that it may be transmitted in paper form or in electronic form. It introduces new requirements relating to the issuing of copies of applications for registration transmitted electronically as well as to the storage on microfilm or on an optical medium of the applications for registration submitted on paper or electronically.

Studies to date have revealed no impact on the public. However, the draft Regulation will have the following effects on business:

— clients will be able to transmit their applications for registration quickly and efficiently from anywhere in the province, thereby accelerating the publication of rights contained in the register of personal and movable real rights;

— it will improve the reliability of the entries made in the register since it provides for the verification of the identity and signature of the sender and safeguards the integrity and completeness of the transmitted messages in addition to eliminating possible data entry errors in the processing of applications by the registrar; and

— it will facilitate the implementation of the second phase of the register in that it provides for the registration of reservations of ownership following instalment sales, rights of ownership of lessors, and movable hypothecs without delivery on consumer goods.

Further information may be obtained from Ms. Lise Cadoret, notary, at 255, boulevard Crémazie Est, 5^e étage, Montréal (Québec) H2M 2V3; telephone (514) 864-4931; fax (514) 864-9774.

Anyone having comments to make on this matter is asked to send them in writing, before the expiry of the 45-day period, to the undersigned at 1200, route de l'Église, 9^e étage, Sainte-Foy (Québec) G1V 4M1.

1. The Regulation respecting the register of personal and movable real rights¹ is amended by substituting, in the chapter headings in the French version, the words “CHAPITRE I” for “CHAPITRE PREMIER”, and, in the chapter headings in the English version, the words “CHAPTER III” for “CHAPTER II”, “CHAPTER IV” for “CHAPTER III”, “CHAPTER V” for “CHAPTER IV”, “CHAPTER VI” for “CHAPTER V”, and “CHAPTER VIII” for “CHAPTER VII”.

2. The Regulation is amended by inserting the following after section 15:

¹ The Regulation respecting the register of personal and movable real rights, made by Order in Council 1594-93 dated 17 November 1993 (1993, G.O. 2, 6215), was last amended by the Regulation made by Order in Council 444-98 dated 1 April 1998 (1998, G.O. 2, 1513).

“CHAPTER II
MEASURES TO GUARANTEE THE RELIABILITY
OF DOCUMENTS TRANSMITTED
ELECTRONICALLY

DIVISION I
TECHNOLOGICAL STRUCTURE

15.1 Where an application for registration and the accompanying request for service are transmitted electronically, the reliability and security standards prescribed in this Chapter shall apply.

The computer system that is installed and the standards with which it must comply, in particular with respect to security, shall protect the confidentiality of the documents during transmission, ensure their nonrepudiation by establishing the identity of the applicant or of the person who sends the documents over an open communications network, and guarantee their integrity and completeness at all times.

15.2 An asymmetric cryptographic system, combined with an auxiliary symmetric cryptographic system, shall be used to ensure the reliability of the data constituting the electronic documents transmitted to the registry office.

15.3 The technological structure used for the electronic transmission of documents to the registry office shall be established in accordance with international or internationally recognized recommendations and standards, and more specifically, at a minimum, with the following criteria or criteria that are at least equivalent:

(1) International Telecommunication Union (ITU) Recommendation X.500 (11/93), in general, adopted as an international standard by the International Organization for Standardization (ISO) and the International Electrotechnical Commission (IEC) under the general designation of ISO/IEC 9594:1995, for the management of the directory containing the information relating to the certificates and public keys that form an integral part of key pairs;

(2) ITU Recommendation X.509 (11/93), in particular, adopted as an international standard by ISO and IEC under the designation ISO/IEC 9594-8:1995 Information Technology — Open systems interconnection (OSI) — The Directory: Authentication framework, for the issue and storage of key pairs and signature verification and encryption certificates;

(3) American National Standards Institute (ANSI) Standard X12 for data format and markup;

(4) The American federal government’s National Institute of Standards and Technology (NIST) Standard FIPS 140-1 for the DES, DSA and SHA-1 algorithms used in cryptography; and

(5) ISO/IEC 8859-1: 1988 graphic character sets (Latin alphabet No. 1) for the processing and storage of documents and their printing or conversion into hard copy.

Subsections 3 and 4 above refer to standards as they existed on 1 December 1997.

15.4 The asymmetric cryptographic system shall provide for the issue of a signing key pair by means of which the transmitted documents are signed and their source identified.

The system shall also provide for the issue of an encryption key pair to protect the confidentiality of the documents being transmitted. Confidentiality is ensured by encrypting the data by means of a randomly variable secret key generated by the symmetric cryptographic system. That key is itself encrypted with the public key that forms part of the encryption key pair of the intended recipient, namely, the registry office, which decrypts the transmitted data with its private key.

The system shall also include a hash function by means of which the registry office can verify the integrity and completeness of the documents it receives.

15.5 Each signing and encryption key pair shall consist of a unique and indissociable pair of keys, one public and the other private, that are linked mathematically. Each public key shall be referred to in a certificate which serves to bind the key to the key pair holder.

The identity of the holder is verified by means of his public key and his signature verification certificate.

15.6 The signature verification certificate and encryption certificate shall be in electronic form and shall include the following information:

(1) the distinguishing name of the key pair and certificate holder which consists of his name combined with a unique code;

(2) the signature verification public key or the encryption public key, as the case may be, together with the certificate serial number, version, issue date and expiry date; and

(3) the name of the issuer, the characteristics of the algorithm and the resulting hash code used in delivering the certificate.

15.7 The encryption certificates shall be entered in an electronic directory and kept up-to-date by the registrar of the registry office.

The directory shall include the serial numbers of the signature verification certificates and encryption certificates that have been suspended, revoked, withdrawn or deleted. The form generation software automatically verifies the validity of a certificate when documents are transmitted.

DIVISION II

ISSUE AND RENEWAL OF KEY PAIRS AND CERTIFICATES

15.8 The registrar is charged with the issue and storage of key pairs and certificates attesting to the identity of the key pair holders.

15.9 In order to send an application for registration to the registry office electronically, a person shall first obtain the appropriate key pairs and certificates. They will be issued after a notary accredited by the registrar has verified the person's identity. The person requiring that verification shall bear its cost.

15.10 The person whose identity is to be verified shall appear in person and provide accurate information and relevant supporting documents.

15.11 The notary verifying an identity shall make a note of the information required by the registrar, including the verification code selected by the applicant that only he can use to identify himself to the registrar.

The notary shall certify that the identity of the person has been established, that the identity has been verified for the purpose of obtaining key pairs and certificates for the electronic transmission of documents to the registry office and, where applicable, that the person whose identity has been established intends to send applications on his own behalf or that he is authorized to send applications on behalf of another person who is named.

He shall convey the noted information and the certified facts to the registrar electronically in a transmission signed and encrypted by means of key pairs that provide at least the same degree of security and reliability as those issued by the registrar.

15.12 Where a person who applies for key pairs and certificates has been a holder of key pairs and certificates in the preceding year, his identity verification code may be used to verify his identity providing he intends to send applications only on his own behalf.

15.13 The registrar shall send to the person whose identity has been verified, in separate deliveries, two parts of a token with which the person shall generate his signing key pair from his workstation or chip card.

The person shall also choose a password to be used primarily to initiate the process of signing, encrypting and transmitting electronic data.

The public key required to verify the holder's signature shall be sent to the registrar. The transmission is done electronically and is automatic.

15.14 After receipt of the public key forming part of the signing key pair, an encryption key pair, together with a signature verification certificate and an encryption certificate, shall be issued to the holder. Where the holder is authorized to transmit applications on behalf of another person, that information shall be linked electronically, or cross-referenced, to his signature verification certificate.

The holder shall, before transmitting documents electronically, notify the registrar of the receipt of his key pairs and certificates in order that the registrar may activate them.

15.15 A valid certificate may be renewed before its expiry date for the same term as that for which it was issued. The renewal shall be effected by means of a link-up between the holder's and the registrar's computer systems within the following time limits:

- (1) within two months of the certificate's expiry date, where it was issued for one year;
- (2) within four months of the certificate's expiry date, where it was issued for two years;
- (3) within seven months of the certificate's expiry date, where it was issued for three years;
- (4) within nine months of the certificate's expiry date, where it was issued for four years; or
- (5) within twelve months of the certificate's expiry date, where it was issued for five years.

A renewal requires the generation of a new signing key pair. The new public key that is part of the key pair is sent automatically to the registrar who shall then issue to the holder the certificate relating to the signing key pair as well as the encryption key pair and certificate.

DIVISION III

OBLIGATIONS OF KEY PAIR AND CERTIFICATE HOLDERS

15.16 The holder shall use his key pairs and certificates solely for the electronic transmission of documents to the registry office.

15.17 The holder shall guarantee the security and confidentiality of the private key of each of his key pairs and of his identity verification code.

He shall notify the registrar as quickly as possible where the security or the confidentiality of a private key has been compromised, particularly where there is a danger of unauthorized access to the key or of voluntary or accidental disclosure of the password that initiates the process of electronic signing, encryption and transmission of documents, or where he believes that he has lost a private key or has had it stolen.

15.18 The holder shall destroy his key pairs where, for whatever reason, he no longer uses them or may no longer use them because of the non-renewal of a certificate, or because of its withdrawal, its deletion or its revocation or because he is no longer authorized to transmit documents on others' behalf to the registry office.

SECTION IV **VALIDITY OF KEY PAIRS AND CERTIFICATES**

15.19 In the event of the loss of a password accessing a certificate related to an encryption key pair, or in the event of a breakdown, dysfunction or loss of the medium storing the certificate, the holder may request the registrar to retrieve the encryption certificate and reactivate it.

A new signing key pair shall be generated from a new token sent to the holder. The new public key that is part of the signing key pair shall be automatically transmitted to the registrar who shall then issue a new signature verification certificate to the holder and send him the key pair and encryption certificate that were recovered.

Before transmitting documents electronically, the holder shall notify the registrar of the receipt of his key pairs and certificates in order that the registrar may activate them.

15.20 Where a holder no longer wishes to use his certificates, he shall notify the registrar of the date on which he intends to cease using them and request their withdrawal. The certificates shall be withdrawn following verification of the holder's identity.

The withdrawal shall become effective when the certificate serial numbers are entered on the list of withdrawn or revoked certificates, which shall be at the latest on the first working day following the date indicated by the holder in his request or on the first working day following the verification of his identity.

15.21 Where the holder has never used his certificates, he may ask the registrar to delete them from the directory. The certificates shall be deleted at the latest on the first working day following the verification of the holder's identity.

15.22 The registrar may on his own initiative suspend or revoke key pairs and related certificates where

- (1) more than six months have elapsed since the holder last used the certificates;
- (2) there is reason to believe that a certificate has been altered;
- (3) there is reason to believe that the security of the key pairs or certificates has been compromised;
- (4) the holder is no longer authorized to transmit documents electronically on others' behalf to the registry office, provided that the registrar has been notified; or
- (5) the holder fails to fulfil his obligations.

The registrar shall suspend the key pairs and certificates before revoking them and, except in the situation described in subparagraph 4 of the first paragraph, notify the holder, by any manner providing proof of delivery, that his certificate has been suspended and that he intends to revoke it. Any comments by the holder shall be submitted within 15 days from the date the notice was given.

Following the suspension, the certificates shall be either reactivated or revoked. The revocation shall take effect when the certificate serial numbers are entered on the list of withdrawn or revoked certificates, which shall be at the latest one working day following the revocation.

15.23 Where a holder is no longer authorized to transmit documents electronically to the registry office on behalf of another person, that person shall notify the registrar accordingly.

15.24 The registrar shall refuse to issue, for a period of two years from the revocation, new key pairs and certificates for the transmission of documents to the registry office to a person whose key pairs and certificates were revoked as a result of a failure to fulfil his obligations.

15.25 Where the holder of key pairs and certificates requests the retrieval or withdrawal of a certificate, the deletion of a certificate from a directory, or the correction of the unique code that forms part of his distinguishing name, his identity may be verified by means of his identity verification code.

15.26 The holder shall be notified of any correction, renewal or withdrawal of a certificate, reactivation of a certificate following its suspension or revocation, or deletion of a certificate from a directory. He shall also be notified of any refusal to issue a certificate and the grounds therefor.”.

3. The following is substituted for Divisions II and III of CHAPTER II:

**“DIVISION II
MEDIUM AND TRANSMISSION**

22. An application for registration may be in paper form. It may also be submitted in electronic form insofar as it is generated by means of the form generation software provided to the applicant by the registry office.

It may be transmitted to the registry office’s electronic depository in accordance with the provisions of CHAPTER II relating to the electronic transmission of documents where it is generated and delivered by means of that software.

23. The application for registration in the form of a notice shall be prepared by using either the paper form provided by the registry office or the software referred to in section 22. The form to be completed shall be as prescribed in the Schedules to this Regulation and shall be appropriate to the type of application filed.

23.1 The form generation software shall be locked in by means of a hash code that will guarantee its integrity. The applicant shall not modify the software and he shall use one of the versions in use at the registry office.

23.2 An application form consists of texts and key words in addition to headings and spaces that shall be filled in according to the instructions relating to the type of application filed. The basic information making up the form may be arranged differently depending on whether the paper form or electronic form is used.

23.3 An application for registration in paper form shall be submitted on paper measuring 215 x 355 mm and weighing at least 75g/m² per ream; an application in the form of a notice shall be printed on only one side of the sheet.

23.4 An application for registration in paper form may not be a copy; it shall be typed, printed or written in block letters using good quality ink. The characters shall be clear, neat and legible, without deletions or alterations.

It shall bear the applicant’s handwritten signature and his name shall be typed, printed or written in block letters under the signature or in the space provided on the application form.

It may be filed in person at the registry office or sent by mail.

23.5 An application for registration in electronic form shall consist of the data constituting the application form and inserted information that appear as screen pages. The form and inserted information data are linked electronically or by reference.

23.6 An application for registration in electronic form shall be signed by means of the digital signature process by the holder of the key pair used to transmit data electronically to the registry office. Only one signature is required for the transmission of a set of documents consisting of several applications for registration and one request for service.

The holder shall make the transmission by file transfer to the registry office’s electronic depository where it will be received by the registrar. The holder shall attach his signature verification certificate to the transmitted data.

23.7 The data shall be considered received only where they have been transmitted in full and where the registrar is able to access and decrypt them.

23.8 Upon receipt of an application for registration in electronic form, the registrar shall make sure that the key pair holder’s signature verification certificate and digital signature are valid and that the transmitted data are intact.”.

4. The Regulation is amended by substituting the following for the heading of DIVISION IV of CHAPTER II:

**“DIVISION III
CONTENT OF APPLICATIONS”.**

5. The Regulation is amended by inserting the following after section 47:

“47.1 Where the registrar must provide a copy of a digitally signed electronic document, the document shall be converted into hard copy from the data that was received and decrypted and whose integrity has been verified. The information constituting the form shall be added to these data.

The name of the signatory resulting from the verification of his identify and, if applicable, the name of the

person on whose behalf the application for registration was transmitted shall appear on the hard copy.”.

6. The following is substituted for CHAPTER VI of the Regulation:

**“CHAPTER VII
CONSERVATION, REPRODUCTION
AND TRANSFER**

49. An application for registration and any supporting document may, where they are in paper form, be reproduced on microfilm or on a non-rewritable optical medium.

A backup copy of the microfilm or optical disks shall be stored elsewhere than at the registry office.

49.1 The data constituting the applications for registration and documents transmitted in electronic form to the registry office shall be conserved as received.

They may however be transferred to a non-rewritable optical medium in order to protect the data received, in particular against accidental alterations.

50. Cancelled entries or entries cancelling other entries may be transferred to a magnetic or non-rewritable optical medium.”.

7. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.

Draft Regulation

An Act respecting the conservation and development of wildlife
(R.S.Q., c. C-61.1)

Salmon fishing controlled zones

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation respecting salmon fishing controlled zones, the text of which appears below, may be made by the Government upon the expiry of 45 days following the date of this publication.

The purpose of the draft Regulation is to give more latitude to ZEC managing agencies, in particular for the setting of fees and for certain management procedures.

To that end, the Regulation proposes:

- a regulation specific to salmon fishing ZECs;
- more flexibility in the setting of fees;
- the assignment of 20 % of limited places according to procedures decided in a general meeting, as is the case now, but with more flexibility;
- the possibility that 2 % of the days of access be assigned for promotional purposes;
- the replacement of the prohibition against automobile races and rallies by a delegation of the power to decide to the managing agencies;
- the showing of licences upon registration.

To date, study of the matter has shown no negative impact on businesses, particularly on small and medium-sized businesses. On the contrary, the changes should allow for a better financing of ZEC managing agencies through greater flexibility in the setting of fees, while favouring the various customers concerned. They also facilitate the marketing of available places in the low season.

GUY CHEVRETTE,
Minister responsible for Wildlife and Parks

Regulation respecting salmon fishing controlled zones

An Act respecting the conservation and development of wildlife

(R.S.Q., c. C-61.1, ss. 110 and 162, par. 14; 1997, c. 95, s. 5; 1998, c. 29, s. 22)

DIVISION I

INTERPRETATION AND SCOPE

1. In this Regulation,

“agency” means an agency that is a party to a memorandum of agreement in respect of the management of a controlled zone in accordance with section 106 of the Act respecting the conservation and development of wildlife (R.S.Q., c. C-61.1); (*organisme*)

“limited access sector” means a sector in a controlled zone for which an agency sets a limit on the maximum number of persons that may enter to fish; (*secteur à accès contingenté*)

“salmon fishing ZEC” means a controlled zone established for the purposes of salmon fishing in accordance with section 104 of the Act respecting the conservation and development of wildlife. (*ZEC de pêche au saumon*)

2. This Regulation applies to salmon fishing controlled zones.

DIVISION II

REGISTRATION AND ASSIGNMENT

3. An agency may, by by-law, determine the cases where a person who, for recreational purposes, enters or stays in a ZEC under its management or engages in any other activity therein shall be required to register.

A person who is required to register shall comply with the following registration procedure:

- (1) report to the designated reception centre;
- (2) show identification and, where applicable, his fishing licence to the registration officer;
- (3) state his full name and address;
- (4) specify a single location for each fishing day or, where applicable, a single sector in which he will be fishing, and the date of the activity;
- (5) obtain proof of registration and place it on the dashboard of his vehicle so that it may be read from the outside or keep it with him and produce it upon request

from a wildlife conservation officer, a wildlife conservation assistant or an area warden; and

(6) return the duly completed registration to the registration officer on leaving the controlled zone.

A person may change fishing sectors upon payment of the fees for fishing in the newly chosen sector; however, the sum of those fees may not exceed the maximum amount prescribed in paragraph 1 of section 15.

The third paragraph does not apply to a person who fishes in a limited access sector.

4. Where registration is required in accordance with section 3 and no registration officer is on duty, the person shall fill out the registration form available at the reception centre and deposit it at the designated place.

5. An agency may, by by-law, divide a ZEC territory into sectors for fishing salmon and other species of fish.

6. A person may not fish in a ZEC except on the date and in the location or, where applicable, sector specified on the proof of registration.

At the end of his stay, a person shall declare to the registration officer the number of fish of each species taken, the date, location or, where applicable, the sector where they were taken, and shall produce the fish on request and allow any required handling or testing.

Where no officer is available, a person shall make that declaration on the form provided at the reception centre and deposit it at the designated place.

DIVISION III

LIMITED ACCESS SECTORS

7. An agency may, by by-law, limit the number of fishermen that may be admitted each day in each of the sectors that it has established during the salmon fishing season.

The number of fishermen that may be admitted each day shall not be less than two fishermen per sector.

8. In order to fish in a limited access sector, a person shall have been selected in accordance with section 9 or section 13.

9. An agency shall select fishermen according to the following terms and conditions:

- (1) on an optional basis, daily selection may be made according to the method of assignment determined by by-law of the agency, of not more than 20 % of the

number of fishermen that may be admitted each day into all of the limited access sectors of the ZEC, from 20 June to 15 July; for the remainder of the year, that selection may exceed 20 % of the number of fishermen that may be admitted each day into all those sectors without exceeding 20 % of the number of fishermen that may be admitted each year into all the limited access sectors of the ZEC;

(2) for not less than half the number of fishermen that may be admitted each day into all the limited access sectors of the ZEC, selection shall be made by a random draw held each year or by telephone reservation, not less than two months before the beginning of the salmon fishing season;

(3) for fishermen not selected pursuant to paragraph 1, if applicable, and paragraph 2, selection shall be made by a random draw or by telephone reservation two days before the scheduled activity;

(4) if there are vacancies following the selections made in accordance with paragraph 1 or paragraphs 2 and 3, selection shall be made by telephone reservation the day before the scheduled activity; and

(5) if there are vacancies after the selections made in accordance with paragraph 1, if applicable, and paragraphs 2 to 4, selection shall be made by a draw of lots on the day of the activity among the persons present at the reception centre.

10. At least one month prior to selecting fishermen, the agency shall publish the terms and conditions for participating in the random draw or for making reservations by telephone in two Québec newspapers, one of which shall have a province-wide circulation and the other shall be circulated in the region of the ZEC or in the nearest region, if there is no newspaper in the region.

11. At the random draw, each person selected shall be assigned a rank for the choice of a date and fishing sector.

12. A person who, pursuant to paragraph 2 of section 9 is selected by a random draw or makes a reservation by telephone shall be allotted one reservation by the agency for a maximum of two persons for a maximum stay of four days, consecutive or not.

An agency must allow a selected person who so requests to reserve for two persons and for a stay of two consecutive or non-consecutive days in the same sector or in another sector offered by random draw or telephone reservation.

DIVISION IV **ASSIGNMENT FOR PROMOTIONAL PURPOSES**

13. Notwithstanding Division III, an agency may assign a number of fishermen in any sector of the ZEC for promotional purposes according to the procedure it determines by by-law; the number of fishermen so assigned shall not exceed 2 % of the total number of fishing days in the ZEC during the preceding year and provided that the yearly maximum referred to in paragraph 1 of section 9 is complied with.

DIVISION V **FEES PAYABLE**

14. The fees payable by a person applying for membership that may be set by by-law of the agency shall not be less than \$10 nor more than \$20.

15. A person may not fish in a ZEC unless he has paid the fees set by by-law of the agency; those fees shall not exceed the following amounts or, in the case of a non-resident, those set under section 17:

(1) \$38.50 per day in an open access sector;

(2) \$82.50 per day in a limited access sector;

(3) \$125 per day in a limited access sector for which the selection of fishermen is made in accordance with paragraph 1 of section 9; or

(4) \$1 000 per day in any sector for which the selection of fishermen is made in accordance with section 13.

The fees referred to in subparagraph 4 of the first paragraph may be charged only where it is part of a fund-raising activity of a nonprofit organization.

16. To use a vehicle in a ZEC, a person shall pay the fees set by by-law of an agency, which shall not exceed:

(1) \$5.50 per vehicle;

(2) \$3.00 more per vehicle where a person enters or leaves a ZEC between 10:00 p.m. and 7:00 a.m.

The first paragraph does not apply to

(1) a person travelling in a ZEC in the performance of his duties;

(2) a person who travels in a ZEC solely to reach a principal residence or private property and come back from there;

(3) a person whose travel fees have been paid, in accordance with section 106.2 of the Act respecting the conservation and development of wildlife (R.S.Q., c. C-61.1), by an outfitter, an agency or a recreational association;

(4) a person who just travels through a ZEC, and for whom the corresponding travel fees are paid to the agency by another person, an association or a group;

(5) a person who travels in a ZEC to reach lands in the public domain on which exclusive trapping rights only are granted or to reach a beaver reserve for the purpose of carrying out activities related to trapping, and to come back from there; or

(6) a lessee of exclusive trapping rights or his helper who travels in a ZEC for the purpose of carrying out trapping activities.

17. An agency may, by by-law, increase the amount of the fees payable by non-residents to a maximum of twice the amount set by the agency for a resident pursuant to this Division.

This section does not apply to travel fees prescribed in section 16.

18. As provided for in the second paragraph of section 110 of the Act respecting the conservation and development of wildlife, the amount of the fees which may be set by an agency under this Division may vary according to the criteria referred to in that paragraph.

DIVISION VI VEHICLES

19. An agency may, by by-law, prohibit the use of any type of vehicle for competitions, races or rallies.

DIVISION VII PENAL

20. Any person who contravenes section 3, 4, 6, 8, 15 or 16 or a by-law made by an agency pursuant to section 19 is guilty of an offence.

DIVISION VIII TRANSITIONAL AND FINAL

21. Where the territory of a ZEC that has been divided into sectors for fishing by a by-law made by an agency under section 5 and where such territory is enlarged by the Minister, that enlargement shall constitute an additional fishing sector until such time as a by-law respecting that enlargement, made by the agency pursuant to section 5 of this Regulation, comes into force.

For the purposes of this section, where the enlargement is made up of separate areas, each area shall be deemed to constitute a separate sector.

22. This Regulation replaces the Regulation respecting controlled zones made by Order in Council 122-89 dated 8 February 1989.

23. The by-laws made by an agency managing a salmon fishing ZEC pursuant to the provisions of the Regulation respecting controlled zones, made by Order in Council 122-89 dated 8 February 1989, shall remain in force until they are amended, replaced or revoked by a by-law of that agency made under the provisions of this Regulation.

24. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.

GUY CHEVRETTE,
Minister responsible for Wildlife and Parks

Regulation respecting wildfowl hunting controlled zones

An Act respecting the conservation and development of wildlife
(R.S.Q., c. C-61.1, ss. 110 and 162, par. 14;
1997, c. 95, s. 5; 1998, c. 29, s. 22)

DIVISION I INTERPRETATION AND SCOPE

1. In this Regulation,

“agency” means an agency that is a party to a memorandum of agreement in respect of the management of a controlled zone in accordance with section 106 of the Act respecting the conservation and development of wildlife (R.S.Q., c. C-61.1); (*organisme*)

“limited access sector” means a sector in a wildfowl hunting controlled zone for which an agency sets a limit on the number of groups of hunters that may enter to hunt wildfowl; (*secteur à accès contingenté*)

“wildfowl” means migratory game birds within the meaning of section 3 of the Migratory Birds Convention Act (R.S.C., 1985, c. M-17) whose hunting is governed by the Migratory Birds Regulations (C.R.C., c. 1035); (*sauvagine*)

“wildfowl hunting ZEC” means a controlled zone established for the purposes of wildfowl hunting in accordance with section 104 of the Act respecting the conservation and development of wildlife. (*ZEC de chasse à la sauvagine*)

2. This Regulation applies to wildfowl hunting controlled zones .

DIVISION II REGISTRATION AND ASSIGNMENT

3. An agency may, by by-law, determine the cases where a person who, for recreational purposes, enters or stays in a ZEC under its management or engages in any other activity therein shall be required to register.

A person who is required to register shall comply with the following registration procedure:

(1) report to the designated reception centre;

(2) show identification and, where applicable, his hunting licence to the registration officer;

(3) state his full name and address;

(4) obtain proof of registration and place it on the dashboard of his vehicle so that it may be read from the outside or keep it with him and produce it upon request from a wildlife conservation officer, a wildlife conservation assistant or an area warden; and

(5) return the duly completed registration to the registration officer on leaving the controlled zone.

4. An agency may, by by-law, divide a ZEC territory into wildfowl hunting sectors.

5. A person shall not hunt in a ZEC except on the date and in the blind, location or, where applicable, sector specified on the proof of registration.

At the end of his stay, a person shall declare to the registration officer the number of birds of each species taken, the date, blind, location or, where applicable, sector where they were taken, and shall produce the birds on request and allow any required handling or testing.

DIVISION III LIMITED ACCESS SECTORS

6. An agency may, by by-law, limit the number of groups of hunters to be admitted at the same time in each of the sectors that it has established, determine the num-

ber of hunters permitted per blind, and impose a requirement to hunt from a blind assigned by the agency.

The number of groups of hunters that may be admitted at the same time shall be equal to or greater than the number arrived at by using the following formula:

$$\text{Number of groups of hunters} = \frac{\text{length of the bank or shore of the ZEC in metres}}{600}$$

7. In order to hunt in a limited access sector, a person shall be part of a group selected in accordance with section 8 or shall have been selected in accordance with section 13.

8. An agency shall select groups of hunters according to the following terms and conditions:

(1) on an optional basis, for the daily selection of not more than 20 % of the number of groups of hunters that may be admitted each day into all the limited access sectors of the ZEC, according to the method of assignment determined by by-law of the agency;

(2) for the selection of not less than two thirds of the number of groups that may be admitted each day into all the limited access sectors of the ZEC, by a random draw held each year or by telephone reservation not less than two months before the beginning of the wildfowl hunting season;

(3) for groups not selected pursuant to paragraph 1, if applicable, and paragraph 2, by telephone reservation or by a random draw two days before the hunt;

(4) if there are vacancies following the selections made in accordance with paragraph 1, if applicable, and paragraphs 2 and 3, by telephone reservation the day before the hunt;

(5) if there are vacancies after the selections made in accordance with paragraph 1, if applicable, and paragraphs 2 to 4, by a draw of lots on the day of the hunt among the persons present at the reception centre.

9. At least one month prior to selecting groups of hunters, the agency shall publish the terms and conditions for participating in the random draw or for making reservations by telephone in two Québec newspapers, one of which has a province-wide circulation and the other is circulated in the region of the ZEC or in the nearest region if there is no newspaper in the region.

10. At the time of the random draw, a person shall be put in charge of each group selected to which a hunting date shall be assigned. The sector or blind shall be

assigned to the group by a draw of lots on the premises on the day of the hunt.

11. A person who, pursuant to paragraph 2 of section 8, is selected by a random draw or makes a reservation by telephone shall be allotted one reservation for a maximum of four persons and for a maximum stay of two consecutive days.

12. The person selected in accordance with section 8 may designate a substitute, at any time before the beginning of the stay, by notifying the agency.

DIVISION IV ASSIGNMENT FOR PROMOTIONAL PURPOSES

13. Notwithstanding Division III, an agency may assign hunters in any sector of the ZEC for promotional purposes according to the procedure it determines by by-law; the number of hunters so assigned shall not exceed 2 % of the total number of hunting days in the ZEC during the preceding year provided that the maximum referred to in paragraph 1 of section 8 is complied with.

DIVISION V FEES PAYABLE

14. The fees payable by a person applying for membership that may be set by by-law of the agency shall not be less than \$10 nor more than \$20.

15. A person may not hunt wildfowl in a ZEC unless he has paid the fees set by by-law of the agency; those fees shall not exceed the following amounts or, in the case of a non-resident, those set under section 16:

(1) \$66 per day;

(2) \$125 per day in a limited access sector for which the selection of hunters is made in accordance with paragraph 1 of section 8; or

(3) \$1 000 per day in any sector for which the selection of hunters is made in accordance with section 13.

The fees referred to in subparagraph 3 of the first paragraph may be charged only where it is part of a fund-raising activity of a nonprofit organization.

16. An agency may, by by-law, increase the amount of the fees payable by non-residents to up to twice the amount set by the agency for a resident pursuant to this Division.

17. As provided in the second paragraph of section 110 of the Act respecting the conservation and development of wildlife, the fees which may be set by an agency under this Division may vary according to the criteria referred to in that paragraph.

DIVISION VI
PENAL

18. Any person who contravenes section 3, 5, 7 or 15 is guilty of an offence.

DIVISION VII
TRANSITIONAL AND FINAL

19. Where the territory of a ZEC that has been divided into sectors for wildfowl hunting is enlarged by the Minister, that enlargement shall constitute an additional hunting sector until such time as a by-law respecting that enlargement, made by the agency pursuant to section 4 of this Regulation, comes into force.

For the purposes of this section, where the enlargement is made up of separate areas, each area shall be deemed to constitute a separate sector.

20. This Regulation replaces the Regulation respecting controlled zones made by Order in Council 122-89 dated 8 February 1989.

21. The by-laws made by an agency pursuant to the provisions of the Regulation respecting controlled zones made by Order in Council 122-89 dated 8 February 1989 shall remain in force until they are amended, replaced or revoked by a by-law of that agency made under the provisions of this Regulation.

22. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.
