Bill 1

An Act respecting the Ministère de la Métropole

WHEREAS Montréal, by reason of its strategic location on the St. Lawrence River that made it a meeting-point of Europe and North America, was destined to play a role of paramount importance in the economic, cultural and social development of Québec;

WHEREAS Montréal and the metropolitan region are a natural forum for economic and cultural production and exchange;

WHEREAS the economic growth and cultural development of Québec are indissociably linked to its chief city, and whereas the economic, cultural and social sectors must be rallied to provide Greater Montréal with renewed impetus;

WHEREAS the contribution of Greater Montréal is essential to the advancement of Québec in every aspect of its specificity, and whereas appropriate action must be undertaken to accelerate and sustain its development;

WHEREAS it appears that a government department for Greater Montréal would constitute an efficient instrument for channelling and harmonizing such action;

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

DIVISION I

RESPONSIBILITIES OF THE MINISTER

1. The Ministère de la Métropole shall be under the direction of a minister appointed under the Executive Power Act (R.S.Q., chapter E-18), to be known as the Minister of State for Greater Montréal.

2. The mission of the Minister shall be to promote and support the economic, cultural and social development of Greater Montréal, and to ensure its continued advancement, dynamism and influence.

The Minister's action, undertaken in consultation with the ministers concerned, shall focus, in particular, on the promotion of economic development and tourism, land use planning and development, and the organization of transportation and transportation systems in Greater Montréal.

By such action, the Minister shall promote, within the framework of government guidelines and policies, job creation in Greater Montréal.

3. The Minister shall act as a catalyst and consensus-maker for the promotion of the interests of Greater Montréal, by facilitating dialogue between

(1) the State and the private sector, so that their interventions may complement each other;

(2) private partners, so that their participation in the development of Greater Montréal may intensify and be effected harmoniously;

(3) the Government of Québec, the Communauté urbaine de Montréal and the municipalities, so as to foster a unified line of action;

(4) the Government of Québec and the Government of Canada.

In addition, the Minister shall seek to increase the convergence and effectiveness of the actions taken by local and regional authorities within Greater Montréal. He shall, in collaboration with such authorities, develop mechanisms to simplify the decision-making process for decisions involving the whole of the metropolitan area.

4. The Minister is, by virtue of his office, the advisor of the Government in all matters relating to Greater Montréal. He shall provide the ministers of the various government departments with such advice as he considers appropriate to promote the interests of Greater Montréal, and shall coordinate and ensure the coherence of government activities involving Greater Montréal. In his capacity as advisor of the Government,

(1) the Minister shall participate in the preparation of departmental measures and decisions having a significant impact on Greater Montréal;

(2) the Minister's opinion must be sought for any measure having a significant impact on Greater Montréal, before it is submitted to the Conseil du trésor or the Government for a decision.

It is the responsibility of the government departments and bodies concerned to forward to the Minister the information necessary for the exercise of these responsibilities.

5. The Minister shall draw up guidelines and policies designed to further the development of Greater Montréal, propose them to the Government, and supervise their implementation.

More specifically, the Minister

(2) shall provide financial support, on the conditions he determines, for actions undertaken to develop and promote Greater Montréal;

(3) shall provide the services he considers necessary to any person, association, partnership or body;

(4) may conduct or commission research, inventories, studies and surveys, and make them public.

6. The responsibilities of the Minister shall be exercised in respect of the territory of Greater Montréal, as described in the schedule. The Government shall amend the schedule as required so that the territory it describes continues to correspond to the metropolitan census area.

7. The Minister may, in the interest of Greater Montréal, enter into an agreement in accordance with the law with a government other than the Government of Québec, a department of such a government, an international organization, or a body under the authority of such a government or organization.

8. The Minister may also enter into an agreement with any person, association, partnership or body, concerning any matter coming under his authority.

9. The Minister and the Communauté urbaine de Montréal or the municipalities whose territories are included in the territory described in the schedule may enter into agreements. Such agreements may derogate from the Municipal Aid Prohibition Act (R.S.Q., chapter I-15).

10. The Minister shall table before the National Assembly a report on the activities of the Ministère de la Métropole for each fiscal year within six months of the end of the fiscal year or, if the Assembly is not sitting, within 30 days of resumption.
