R-18.1), no proposed regulation may be made before the expiry of 45 days from its publication in the *Gazette officielle du Québec*, or before the expiry of the period indicated in the notice accompanying it or in the Act under which it may be made, where the notice or the Act provides for a longer period;

WHEREAS under section 12 of the Regulations Act (R.S.Q., c. R-18.1), a proposed regulation may be made notwithstanding the publication requirement in section 8 of that Act if the authority making it is of the opinion that the urgency of the situation requires it;

WHEREAS under sections 13 and 18 of that Act, the reason justifying the absence of prior publication and such coming into force shall be published with the regulation;

WHEREAS in the opinion of the Government, the urgency owing to the following circumstances justifies the absence of prior publication and such coming into force:

— the Decree respecting the automotive services industry in the Montréal region is in force until 31 March 1996; after that date, the working conditions of certain employees covered by that Decree might be unfavourably changed;

— it is essential to extend the Decree to allow all the contracting parties sufficient time to see the results of the steps undertaken by the Société québécoise du développement de la main-d'oeuvre and representatives of the automobile sector, on the setting up of a sector-based committee to evaluate the training and manpower qualification needs in that sector and to develop a new plan in that respect;

IT IS ORDERED, therefore, upon the recommendation of the Minister of Labour:

THAT the Decree to extend the Decree respecting the automobile services industry in the Montréal region, attached hereto, be made.

#### Woodworking — Extension

Decree to extend the Decree respecting the woodworking industry

WHEREAS the Government made the Decree respecting the woodworking industry (R.R.Q., 1981, c. D-2, r. 3);

WHEREAS the Association des industries de portes et fenêtres du Québec, a contracting party to the Decree, is opposed to its automatic renewal;

WHEREAS in accordance with section 10.01 of the Decree, it remains in force until 31 March 1996;

WHEREAS under section 8 of the Act respecting collective agreement decrees (R.S.Q., c. D-2), the Government may extend that Decree;

WHEREAS it is expedient to extend the Decree until 31 March 1997;

WHEREAS under section 11 of the Regulations Act (R.S.Q., c. R-18.1), no proposed regulation may be made before the expiry of 45 days from its publication in the *Gazette officielle du Québec*, or before the expiry of the period indicated in the notice accompanying it or in the Act under which it may be made, where the notice or the Act provides for a longer period;

WHEREAS under section 12 of the Regulations Act (R.S.Q., c. R-18.1), a proposed regulation may be made without having been published pursuant to section 8 of that Act where the authority making it is of the opinion that the urgency of the situation requires it;

WHEREAS under section 18 of that Act, a regulation may come into force on the date of its publication in the *Gazette officielle du Québec* where the authority making it is of the opinion that the urgency of the situation requires it;

WHEREAS under sections 13 and 18 of that Act, the reason justifying the absence of prior publication and such coming into force shall be published with the regulation;

WHEREAS in the opinion of the Government, the urgency owing to the following circumstances justifies the absence of prior publication and such coming into force:

— it is essential to extend the Decree so that it remains in force for the time required to make a decision on its industrial jurisdiction, taking into account that a committee will analyse new alternatives to the inclusion of the manufacturing of doors and windows in the industrial jurisdiction of the Decree;

— the Decree respecting the woodworking industry is in force until 31 March 1996; after that date, employers now governed by the Decree will no longer be required to grant the working conditions provided for in the Decree and employees not governed by a collective agreement could have some of their working conditions changed to their disadvantage;
