

Draft Regulation

An Act respecting income security
(R.S.Q., c. S-3.1.1)

Regulation

— Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting income security, the text of which appears below, may be made by the Government upon the expiry of 45 days following this publication.

The purpose of the draft regulation is to change certain conditions of eligibility for the special benefits for dental prostheses for beneficiaries of the financial support program or of the work and employment incentives program.

To that end, the draft regulation makes provisions to increase from 6 to 24 consecutive months the period required for eligibility for last resort assistance to be able to benefit from the special benefits for the purchase or replacement of a dental prosthesis, to allow its replacement only after an 8-year period instead of after a 5-year period.

To date, study of the matter reveals impacts in the form of an increase in the conditions required to benefit from the special benefits in respect of the purchase or replacement of a dental prosthesis for the beneficiaries of a last resort assistance program.

Further information may be obtained by contacting madame Geneviève Bouchard, Director of the Direction du développement des politiques et des programmes de sécurité du revenu, 425, rue Saint-Amable, 4^e étage, Québec (Québec), G1R 4Z1.
