## **Draft Regulation**

Financial Administration Act (R.S.Q., c. A-6)

## Conditions of contracts of government departments and public bodies — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the General Regulation respecting the conditions of contracts of government departments and public bodies, the text of which appears below, may be made by the Government upon the expiry of 45 days following this publication.

The draft Regulation makes it possible to maintain quality control requirements in respect of suppliers of goods, which are presently imposed by a provision of the Regulation respecting supply contracts of government departments and public bodies that will be revoked by an amendment to that Regulation to be made at the same time as this draft Regulation. The latter also includes a concordance amendment to the name of the government central register of suppliers.

Not renewing certain quality control requirements will enable new suppliers to tender for the supply of suspended file folders.

Further information may be obtained by contacting Mr. Michel Brown, Secrétariat du Conseil du trésor, 875, Grande-Allée Est, Québec (Québec) G1R 5R8; tel.: (418) 644-6276, fax: (418) 643-2987.

Any interested person having comments to make is asked to send them in writing, before the expiry of the 45-day period, to the Minister for Administration and the Public Service, Chairman of the Conseil du trésor, 875, Grande-Allée Est, Québec (Québec) G1R 5R8.
