Draft Regulation

An Act respecting the conservation and development of wildlife
(R.S.Q., c. C-61.1)

Development of wildlife — Scale of fees of duty — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting the scale of fees and duties related to the development of wildlife, the text of which appears below, may be made by the Government upon the expiry of 15 days following this publication.

Pursuant to section 12 of the Regulations Act, that draft Regulation may be made at the expiry of a period shorter than the 45 days provided for in section 11 of that Act, because of the urgency due to the following circumstance:

— the proposed amendment respecting the indexing of the fees of fishing, hunting and trapping licences and certificates must be in force on 1 April 1999 in order for the indexing clause not to apply and for the fees to remain the same as in 1998.

The draft Regulation also fixes the right of access fees for fishing anadromus atlantic salmon in certain wildlife sanctuaries and the fee for the caribou hunting licence. In the latter case, the fee will be in force as of 1 April 2000.

Any interested person having comments to make on the matter is asked to send them in writing, before the expiry of the 15-day period, to the Minister responsible for Wildlife and Parks, 700, boulevard René-Lévesque Est, 29^e étage, Québec (Québec) G1R 5H1.
