

Those particulars shall be written in indelible, highly visible and legible characters.”

3. The following paragraph is added after the third paragraph of section 3.3.3:

“In addition to the other particulars provided for in this section, every container, package or wrapping of mollusc meat or of live marine bivalve molluscs that is marketed must show, in indelible, highly visible and legible characters, the area or sector of harvesting and the date on which the lot was picked or harvested.

Furthermore, the container, package or wrapping of mollusc meat shall indicate the preparation date.

The fourth and fifth paragraphs do not apply to canned molluscs.”

4. The following is added after paragraph *c* of section 3.3.4:

“(d) the area or sector of picking or harvesting and the picking or harvesting date of a given lot of live bivalve marine molluscs marketed in bulk.

Furthermore, where they are marketed in bulk, all live marine bivalve molluscs displayed shall come from the same lot.”

5. The following is added after section 9.1.2:

“9.1.2.1. Marine bivalve molluscs intended for human consumption must be picked or harvested in an area or sector where it is allowed under the Fisheries Act (R.S.C., 1985, c. F-14).”

6. The following paragraph is added at the end of section 9.9.8:

“Live marine bivalve molluscs picked or harvested in a given area or sector, on a given date, may at no time be mixed with molluscs picked or harvested on different dates in other areas or sectors.

Live marine bivalve molluscs from one lot may not, at any time, be mixed with live marine bivalve molluscs from another lot.”

7. The following is added after section 9.10.2:

“9.10.3. Every container, package or wrapping used for molluscs must be made of rotproof, waterproof, non-toxic and washable material.

Furthermore, the premises where live marine bivalve molluscs are kept before being sent to be conditioned,

processed or marketed must be clean and equipped to avoid contamination.”

8. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.

M.O., 99003

Order of the Minister for Wildlife and Parks, dated 1 April 1999

An Act respecting the conservation and development of wildlife
(R.S.Q., c. C-61.1)

CONCERNING the amendment to the Crown Lands Designated for Development of Wildlife Resources Regulation

THE MINISTER FOR WILDLIFE AND PARKS,

CONSIDERING THAT under sections 85 and 86 of the Act respecting the conservation and development of wildlife (R.S.Q., c. C-61.1), the Government adopted the Crown Lands Designated for Development of Wildlife Resources Regulation by Order in Council 1276-84 dated June 6, 1984 amended by the regulation made by Order in Council 1810-86 dated December 3, 1986 and by Orders in Council 527-88 dated April 13, 1988, 1281-93 dated September 8, 1993, 1778-93 dated December 8, 1993, 1313-94 dated August 31, 1994, 20-96 dated January 10, 1996, 1033-96 dated August 21, 1996 and 953-97 dated July 30, 1997;

CONSIDERING THAT section 85 of the Act, amended by section 18 of Chapter 29 of the Acts of 1998, provides that the Minister for Wildlife and Parks may, after consultation with the Minister of Natural Resources, delimit areas on land in the public domain in view of increased utilization of wildlife resources;

CONSIDERING THAT section 191.1 of the Act provides that regulations made by the Government under section 85 of the Act, before January 1, 1987, shall continue to be in force until, as of June 17, 1998, they are replaced or repealed by an order of the Minister for Wildlife and Parks;

CONSIDERING THAT it is expedient to modify the delimitation of lands in the public domain intended for the increased utilization of wildlife resources for the sole purpose of trapping furbearing animals in the Côte-Nord and Basse-Côte-Nord region;

CONSIDERING THAT the Minister of Natural Resources has been consulted on this subject;

ORDERS THAT:

The plans attached hereto be substituted for the technical description of the Côte-Nord and Basse-Côte-Nord regions provided in Schedule 1 of the Crown Lands Designated for Development of Wildlife Resources Regulation as well as the plans referring to the said region in Schedule 1.1;

This Order come into force on the date of its publication in the *Gazette officielle du Québec*.
