Draft Regulation

Civil Code
(1991, c. 64; 1998, c. 5)

An Act respecting registry offices
(R.S.Q., c. B-9)

Register of personal and movable real rights — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting the register of personal and movable real rights, the text of which appears below, may be made by the Government upon the expiry of 45 days following this publication.

The draft Regulation will make the register of personal and movable real rights fully operational by allowing the registration of reservations of ownership resulting from instalment sales and other rights covered by the Act to amend the Civil Code and other legislative provisions as regards the publication of personal and movable real rights and the constitution of movable hypothecs without delivery (1998, c. 5).

To that end, it specifies the property in respect of which reservations of ownership, rights of redemption or rights under a lease require publication in the register. It determines the kind of movable property that may be the subject of a movable hypothec without delivery granted by a natural person who does not operate an enterprise. Furthermore, it proposes to monitor the iden-

tification numbers of road vehicles for which a descriptive file will be opened in the register and to update the application for registration forms, in particular to take into account the fact that the address of a natural person will no longer be mandatory in that person's identification. Lastly, it contains the forms required for the registration of rights newly subject to publication.

To date, study of the matter has shown no particular consequences for small and medium-sized businesses; however, it has shown the following effects on the public and on businesses:

— creditors will be required to publish rights which did not heretofore have to be published to have effect against third persons;

— it will increase the security of transactions relating to movable property since certain rights that have been heretofore remained hidden will be published;

— it will reduce the problems related to the sale of the property of others and recourses based on claims, particularly with respect to automobiles.

Further information may be obtained by contacting Lise Cadoret, Notary, 255, boulevard Crémazie Est, 5^e étage, Montréal (Québec) H2M 2V3; tel. (514) 864-4931; fax: (514) 864-9774.

Any interested person having comments to make on the matter is asked to send them in writing, before the expiry of the 45-day period, to the undersigned, 1200, route de l'Église, 9^e étage, Sainte-Foy (Québec) G1V 4M1.
