Bill 33

AN ACT RESPECTING THE MINISTÈRE DE LA RECHERCHE, DE LA SCIENCE ET DE LA TECHNOLOGIE

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

CHAPTER I

RESPONSIBILITIES OF THE MINISTER

1. The Ministère de la Recherche, de la Science et de la Technologie shall be under the direction of the Minister of Research, Science and Technology appointed under the Executive Power Act (R.S.Q., chapter E-18).

2. The mission of the Minister is to promote research, science, technology and innovation by promoting synergy between the various players in the fields concerned through the establishment of mechanisms to facilitate concerted and integrated action.

The mission includes preparing and implementing a policy on research, science, technology and innovation, in collaboration, in particular, with partners in the university, college, industrial and government sectors. The policy shall set out measurable objectives in social, cultural and economic terms and take into account the characteristics of the various regions in Québec.

The policy shall be submitted to the Government for approval. It shall be evaluated regularly to assess the degree to which its objectives have been achieved, the effectiveness of the strategies it promotes, its responsiveness to new needs and its impact on individuals and on society as a whole. Each evaluation shall be brought to the attention of the Government.

3. The Minister shall ensure the coherence of government actions in the fields of research, science, technology and innovation.

The Minister shall promote Québec's influence in those fields both within Canada and abroad.

4. The Minister may take all measures that are useful in the pursuit of the Minister's mission. In particular, the Minister shall provide financial support, subject to the conditions determined by the Minister, for the realization of projects in the fields within the Minister's jurisdiction.

5. In the exercise of ministerial functions, the Minister may, in particular,

(1) enter into agreements, according to law, with any government other than that of Québec, or with a department or body of such a government, or with an international organization or a body of such an organization;

(2) enter into agreements with any person, association, partnership or body;

(3) conduct or commission research, studies and analyses and make them public.

6. The Minister shall table a report in the National Assembly on the activities of the department for each fiscal year within six months of the end of the fiscal year concerned or, if the Assembly is not sitting, within 30 days of resumption.

The Minister shall also table the evaluations referred to in section 2 in the National Assembly within 30 days of the date on which they are brought to the attention of the Government or, if the Assembly is not sitting, within 30 days of resumption. The evaluations shall be examined by the competent parliamentary committee of the National Assembly.

CHAPTER II

DEPARTMENTAL ORGANIZATION

7. The Government, in accordance with the Public Service Act (R.S.Q., chapter F-3.1.1), shall appoint a person as Deputy Minister of the Ministère de la Recherche, de la Science et de la Technologie.

8. Under the direction of the Minister, the Deputy Minister shall administer the department.

The Deputy Minister shall, in addition, perform any other function assigned by the Government or the Minister.

9. In the performance of deputy-ministerial functions, the Deputy Minister has the authority of the Minister.

10. The Deputy Minister may, in writing and to the extent indicated, delegate the exercise of deputy-ministerial functions under this Act to a public servant or the holder of a position.

The Deputy Minister may, in the instrument of delegation, authorize the subdelegation of the functions indicated, and in that case shall specify the public servant or holder of a position to whom the functions may be subdelegated.

11. The personnel of the department shall consist of the public servants required for the carrying out of the functions of the Minister; they shall be appointed and remunerated in accordance with the Public Service Act.

The Minister shall determine the duties of the public servants to the extent that they are not determined by law or by the Government.

12. The signature of the Minister or Deputy Minister gives authority to any document emanating from the department.

A deed, document or writing is binding on the Minister or may be attributed to the Minister only if it is signed by the Minister, the Deputy Minister, a member of the personnel of the department or the holder of a position and, in the latter two cases, only so far as determined by the Government.

13. The Government may, subject to the conditions it determines, allow that a signature be affixed by an automatic device or electronic process.

The Government may, subject to the conditions it determines, allow that a facsimile of such a signature be engraved, lithographed or printed. The facsimile must be authenticated by the countersignature of a person authorized by the Minister.

14. A document or copy of a document emanating from the department or forming part of its records, signed or certified true by a person referred to in the second paragraph of section 12, is authentic.

15. An intelligible transcription of a decision or other data stored by the department on a computer or any other computer storage medium is a document of the department and is proof of its contents where certified true by a person referred to in the second paragraph of section 12.

CHAPTER IV

TRANSITIONAL AND FINAL PROVISIONS

42. Unless otherwise indicated by the context, in any text or document, regardless of its nature or form,

(1) a reference to the Minister or Deputy Minister of Industry, Trade, Science and Technology or the Ministère de l'Industrie, du Commerce, de la Science et de la Technologie is, according to the field concerned, a reference to the Minister or Deputy Minister of Research, Science and Technology or the Ministère de la Recherche, de la Science et de la Technologie or to the Minister or Deputy Minister of Industry and Trade or the Ministère de l'Industrie et du Commerce, according to the field concerned;

(2) a reference to the Act respecting the Ministère de l'Industrie, du Commerce, de la Science et de la Technologie or to any of its provisions is, according to the field concerned, a reference to the Act respecting the Ministère de la Recherche, de la Science et de la Technologie or to the Act respecting the Ministère de l'Industrie et du Commerce or to the corresponding provision of either Act;

(3) a reference to the Act to promote the advancement of science and technology in Québec or to any of its provisions is a reference to this Act or to the corresponding provision of this Act.

43. Agreements previously entered into by the Minister of Industry, Trade, Science and Technology in fields relating to research, science and technology are binding on the Minister of Research, Science and Technology, subject to the conditions provided therein.

Likewise, any financial assistance and subsidies previously granted in those fields are binding on the Minister of Research, Science and Technology who shall continue to manage the programs under which they were granted.

44. The Government shall determine, from among the members of the personnel of the Ministère de l'Industrie, du Commerce, de la Science et de la Technologie, the Ministère de la Santé et des Services sociaux and the Ministère du Conseil exécutif who perform duties relating to areas under the authority of the Minister of Research, Science and Technology, those who are to become members of the personnel of the Ministère de la Recherche, de la Science et de la Technologie.

The records and other documents of those departments shall be transferred to the Ministère de la Recherche, de la Science et de la Technologie, to the extent that they pertain to areas under the authority of the Minister.

45. The employees of the Fonds pour la formation de chercheurs et l'aide à la recherche or of the Fonds de la recherche en santé du Québec appointed pursuant to the Public Service Act (R.S.Q., chapter F-3.1.1) who acquired permanent status before 28 November 1984 or before 25 January 1984, as the case may be, may apply for a transfer to another employment in the civil service and take part in advancement competitions in accordance with the provisions of the Public Service Act. For that purpose, they retain the civil service classification they had on that date.

For the purposes of section 52 of the Public Service Act, the two Fonds are deemed to be agencies within the meaning of that Act.

46. Section 35 of the Public Service Act (R.S.Q., chapter F-3.1.1) applies to every employee referred to in section 45 who takes part in an advancement competition for an employment in the civil service.

47. Every employee referred to in section 45 who has been transferred to an employment in the civil service in accordance with that section may apply to the chairman of the Conseil du trésor for a readjustment of the classification of the employee within the employee's class of employment to take into account the experience and additional years of formal training acquired while the employee was employed by the Fonds pour la formation de chercheurs et l'aide à la recherche or the Fonds de la recherche en santé du Québec.

48. Every employee referred to in section 45 who has been promoted in accordance with that section may, in respect of the application of the rules of classification applicable at the time of the promotion, request that the chairman of the Conseil du trésor take into account the experience and additional years

of formal training acquired while the employee was employed by the Fonds pour la formation de chercheurs et l'aide à la recherche or the Fonds de la recherche en santé du Québec.

49. Should the Fonds pour la formation de chercheurs et l'aide à la recherche or, as the case may be, the Fonds de la recherche en santé du Québec cease its activities, every employee referred to in section 45 may either be laid off or transferred to an employment in the civil service that corresponds to the employee's classification on 28 November 1984 or on 25 January 1984, as the case may be.

In such a case, the employee may apply to the chairman of the Conseil du trésor for a readjustment of the employee's classification in the same manner as that provided in section 48.

50. Subject to the recourses which may exist pursuant to a collective agreement, every employee referred to in section 45 who is dismissed or demoted may appeal therefrom in accordance with section 33 of the Public Service Act (R.S.Q., chapter F-3.1.1).

51. The civil servants of the Ministère de l'Éducation who on (*insert here the date of coming into force of this section*) became employees of the Fonds pour la formation de chercheurs et l'aide à la recherche may continue to contribute to the Civil Service Superannuation Plan or to the Government and Public Employees Retirement Plan, as the case may be, except if they decide to contribute to the supplemental pension plan of the Fonds.

52. The appropriations granted to a government department or body for the fiscal year 1999-2000 in relation to a responsibility assigned to the Minister of Research, Science and Technology shall, to the extent determined by the Government, be transferred to the Ministère de la Recherche, de la Science et de la Technologie.

53. This Act comes into force on 8 June 1999, except section 51, which comes into force on the date to be fixed by the Government.
