# QPP Contributions – Table respecting the Calculation of the Exemption

## Irregular pay periods

This table enables you to rapidly locate the exemption that applies to the number of days included in an irregular pay period. (See the section "Continuous employment" on page 29 of the Guide for Employers [TP-1015, G-V] or on page 24 of the Guide for Small Business Employers [TP-1015, GP-V].) An irregular pay period begins on one of the following three dates, depending on which is the closest to the date on which remuneration is paid: January 1 of the current year, the date on which the employee was hired, or the date on which the employee received his or her last pay.
