EXPLANATORY NOTES

This bill amends the Act respecting the Société de la Place des Arts de Montréal and the Act respecting the Société du Grand Théâtre de Québec. The same amendments are made to both Acts.

Under the bill, the mode of appointment of the members of the boards of directors of the two corporations is changed to provide for prior consultation with the Montréal and Québec urban communities and with socio-economic and cultural bodies.

The bill confers on each corporation the mandate to operate a business for the diffusion of the performing arts and to administer the establishment under its control and any other establishment whose management is entrusted to it by the Government. The activities of each corporation shall be conducted, more specifically, so as to provide a residence for major artistic organizations, improve access to the various types of performing arts, and promote arts and culture in Québec.

The bill authorizes each corporation to produce, co-produce or host artistic works originating in Québec or elsewhere, and to organize activities designed to develop public awareness and increase attendance. Each corporation may also offer particular services to artistic organizations and producers, establish an operating policy in this regard, and acquire specialized technical equipment to meet the specific needs of artistic organizations and producers.

Under the bill, each corporation will be required to seek the Minister's approval for its three-year activity plan, which must take into account the guidelines and objectives indicated by the Minister.

Lastly, the bill contains a transitional provision.
