Draft Regulation

An Act respecting the conservation and development of wildlife
(R.S.Q., c. C-61.1)

Hunting activities — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting hunting activities, the text of which appears below, may be made by the Government upon the expiry of 45 days following this publication.

The draft Regulation proposes to harmonize certain provisions of the Act respecting the conservation and development of wildlife with the Regulation respecting hunting activities as regards the use of terms and to correct certain clerical errors.

The draft Regulation therefore proposes to remove all references to caribou hunting in the southern part of Area 19, since caribou hunting is no longer authorized in 2001 and to make the corrections that will harmonize the use of certain terms.

To date, the study of the matter shows no impact on businesses, including SMBs. Hunters will be prohibited from hunting caribou to protect the decreasing woodland caribou population.
