EXPLANATORY NOTES

This bill amends the Act respecting school elections so as to specify and complete the rules governing the election process applicable to the election of school board commissioners.

First, the bill moves the date of the school poll to be held every four years from the third to the first Sunday in November. The rules respecting the ineligibility of a person for the office of commissioner are specified and the election period is reduced from 75 to 44 days.

The chief electoral officer is given the mandate of providing school boards with any assistance required in the organizing and holding of a school poll, and is given the power to make inquiries into the application of the rules pertaining in particular to the election process, the financing of candidates and the control of election expenses.

The bill amends the rules relating to the revision of the list of school electors during the election period, among other things by indicating the cases in which revision is required, better defining the revision process, and providing for the communication of any changes made to the list between the different English and French language school boards whose territories partly or wholly coincide.

Provisions respecting the financing of candidates and the control of election expenses are introduced. Thus, a candidate who wishes to solicit or collect contributions and incur expenses for the purposes of his or her election is required to obtain an authorization to do so. The bill also provides that only an elector is authorized to make a contribution, and that the contribution will be limited to \$1,000 for any one authorized candidate up to \$3,000 per elector for the same school board. In addition, only an authorized candidate will be authorized to incur or authorize election expenses, the amount of which is limited. Every authorized candidate will be required to file a financial report and a return of election expenses but will retain the right to be reimbursed for election expenses, subject to certain conditions.

Lastly, the ballot paper is modified and school boards are given the possibility of testing new voting methods in accordance with an agreement with the chief electoral officer.

Where, pursuant to section 206.33, a writing, object, material, advertisement or publicity referred to in section 206.44 must mention the name and title of the private intervenor referred to in Division VIII of this chapter or of the representative of the private intervenor, the writing, object, material, advertisement or publicity must also indicate the authorization number issued under section 209.13.

Where the cost of the writing, object, material, advertisement or publicity referred to in section 206.44 exceeds \$300, only the name and title of the authorized candidate may be indicated as the person having caused the writing, object, material, advertisement or publicity to be produced, published or broadcast.

“206.46. During an election period, a radio, television or cable broadcaster or the owner of a newspaper, periodical or other publication may, without its constituting an election expense, make air time on the radio or television or space in the newspaper, periodical or other publication available free of charge to candidates, provided he offers such service equitably as to quality and quantity to all the candidates for the same office.

The chief electoral officer shall verify the legality of services rendered under this section.

“206.47. The amount of election expenses incurred by an authorized candidate during an election must not exceed \$2,700, increased by \$0.42 per person entered on the list of electors of the electoral division.

The number of persons entered on the list for the purpose of calculating the amounts shall be the number established on the basis of the unrevised list or the revised list, whichever is higher.

Every payment of election expenses amounting to \$100 or more must be justified by an itemized invoice. An itemized invoice must provide, in addition to the information required under the first paragraph, all the particulars

required for verifying each item of goods or services and the rate or unit price used for computing the amount.

“206.49. Every person to whom an amount is due for election expenses shall present his claim to the authorized candidate within 60 days after polling day.

No claim presented after the expiry of the prescribed time may be paid by the candidate. The claim shall in that case be presented to the director general of the school board within 120 days after the expiry of the prescribed time, failing which the claim is prescribed.

“206.50. Before filing his return of election expenses, the authorized candidate shall pay every claim received within 60 days after polling day, except any claim he contests.

“206.51. The director general shall pay the claim or the uncontested part thereof as soon as practicable after he is advised of the decision of the candidate or, where such is the case, after he receives the additional cheque.

“206.54. Any amount set aside for a claim that is not presented to the director general of the school board within the prescribed time shall be deposited into the general fund of the school board.

“206.55. In no case may an authorized candidate pay a contested claim or the contested part of a claim except in execution of a judgment of a competent court obtained by the creditor after a hearing of the case and not upon an acquiescence in the demand or an agreement of settlement.

Notwithstanding the foregoing, where no candidate objects, the director general of the school board may authorize the candidate to pay a contested claim or the contested part of the claim if the refusal or failure to pay results from an error made in good faith. Where the claim arises from an election expense attributable to an authorized candidate, the payment thereof may be contested only by a candidate for the same office.

“206.56. Every authorized candidate is required as of 31 December of the year following that of polling day, to have paid, in accordance with this subdivision, all debts arising from his election expenses.
