Personalized rates — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation amending the Regulation respecting personalized rates, the text of which appears below, shall be adopted by the Commission, with or without amendment, upon the expiry of forty-five (45) days after publication of this notice.

This draft Regulation provides for, among other things, amendment of the employer's qualification threshold in respect of personalized rates for the year 2003 and certain parameters used in calculating the rate.

The amendment for the year 2003 allows for approximately the same number of employers qualifying for personalized rates as in 2002 to be maintained.

Any interested person having comments to make on this draft Regulation is asked to send them in writing, before the expiry of the 45-day period, to Roland Longchamps, Vice-Chairman for Finance, Commission de la santé et de la sécurité du travail, 524, rue Bourdages, Québec (Québec) G1K 7E2.

Retrospective adjustment of the assessment — Amendments

Notice is hereby given, pursuant to sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation amending the Regulation respecting retroactive adjustment of the assessment the text of which appears below, may be adopted by the Commission, with or without amendment, upon the expiry of 45 days from the date of the publication hereof.

* The latest amendments to the Regulation respecting personalized rates, adopted by the Commission de la santé et de la sécurité du travail by Resolution A-86-98 of September 17, 1998 (1998, *G.O.* 2, 3997) were made by the Regulation amending the Regulation respecting personalized rates adopted by the Commission by its resolution A-58-01 of September 20, 2001 (2001, *G.O.* 2, 5636); for the previous amendments, please refer to the *Tableau des modifications et Index sommaire*, Éditeur officiel du Québec, 2000 up-to-date as at March 1, 2002.

This draft Regulation amends the provisions providing for early determination of retrospective adjustment of the assessment upon application by an employer who has discontinued operations. The purpose of the amendments is to avoid more favourable assessment for an employer who has discontinued operations than for an employer who is still in operation. Given changes to ratemaking parameters, the provisions as currently drafted, could have the opposite effect.

An examination of this matter indicates that workers are not affected and application of the relevant provisions remains voluntary for employers.

All interested persons wishing to comment on the draft regulation should transmit their comments in writing, before expiration of the period indicated herein, to Mr. Roland Longchamps, Vice-President, Financial Affairs, Commission de la santé et de la sécurité du travail, 524, rue Bourdages, Québec (Québec) G1K 7E2.

Executive Officer of the Commission de la santé
