Decision, 8 April 2003

Election Act
(R.S.Q., c. E-3.3)

Chief electoral officer — Entry of electors on the list of electors

Decision of the chief electoral officer pursuant to the powers conferred upon him by section 490 of the Election Act, concerning the entry of electors on the list of electors

WHEREAS order-in-council number 370-2003, issued on March 12, 2003, enjoined the chief electoral officer to hold general elections in Québec on April 14, 2003;

WHEREAS, in some electoral divisions, electors have been entered by mistake in the wrong polling subdivision following problems with the assignment of the address of their domicile;

WHEREAS, in some electoral divisions, electors have been removed from the list by mistake, after being confused with other electors having the same date of birth;

WHEREAS the ordinary revision period has come to an end;

WHEREAS, during the special revision period, section 230 of the Election Act (R.S.Q., c. E-3.3) provides that only the elector concerned may file an application with the special board of revisors;

WHEREAS this provision does not allow the board of revisors to correct mistakes in the entry of electors on the list of electors unless the electors concerned so request;

WHEREAS certain electors may be unable to exercise their right to vote if corrections are not made;

WHEREAS section 490 of the Election Act allows the chief electoral officer to adapt a provision of the Act where he observes that, subsequent to an exceptional circumstance, it does not meet the demands of the situation;

WHEREAS the chief electoral officer has informed the authorized parties represented in the National Assembly of his intention to use the provisions of the said section,

and has taken the steps required to inform the other authorized parties, the candidates and the electors in question;

The chief electoral officer, pursuant to the powers conferred upon him by section 490 of the Election Act, has decided to adapt section 230 of the said Act in order to add a second paragraph, as follows:

“Upon a request by the returning officer, who shall hand over the files of the electors concerned, the special board of revisors for the electoral division concerned is authorized to analyze the files and make the required corrections in the following cases:

1. certain electors have been entered in the wrong polling subdivision due to an error;
2. certain electors have been removed from the list, following confusion with another elector having the same date of birth.”

This decision shall take effect on the date of the order enjoining the chief electoral officer to hold general elections in Québec.
