

(6) according to the apportioned registration application and the audit results, distance travelled in the territory of each administrative authority, percentage that the distance represents in relation to the total distance travelled and percent changes for each administrative authority;

(7) net fees payable, fees to be reimbursed or credits to be given for each administrative authority;

(8) audit methods used, findings, remarks and recommendations of the auditor authorized by the Minister of Revenue, including a description of the types of records audited and audit methods used;

(9) identification of any vehicle withdrawn from the fleet for which registration fees payable have been taken into account in the Société's assessment; and

(10) date of audit findings and name of auditor authorized by the Minister of Revenue.

The audit findings must also indicate whether the distance accounting system of the holder of the apportioned registration is satisfactory as regards the consistency with which the system meets the standards set out in this Division.

**60.55.** The holder of an apportioned registration may, within 30 days after receiving the audit findings, apply in writing to the Société for a review.

**60.56.** An administrative authority in which apportioned vehicles in the fleet of road vehicles of the registration holder are registered or in whose territory such road vehicles have accrued kilometres may, within 45 days after receiving the audit findings, notify the Société and the holder of any error and the administrative authority's intent to re-examine the holder's operational records.

**60.57.** Re-examination must be based on the same sample period as the period used for the audit. It must be carried out within a reasonable time with the cooperation of the Société and the Minister of Revenue.

The Société shall notify the administrative authorities that a re-examination will be held.

The findings of a re-examination must be reconciled with the original audit findings.

**60.58.** The Société shall transmit to the holder of an apportioned registration and the administrative authorities in which apportioned fleet road vehicles are registered or in whose territory such road vehicles have accrued kilometres, the revised audit findings in accordance with section 60.54."

**31.** Section 165.2 is replaced by the following:

"**165.2.** The cases of reimbursement determined in this Chapter also apply to the holder of an apportioned registration of a road vehicle but only as regards the portion of the fees paid by the holder to travel in Québec.

The reimbursement of the portion of the fees paid to travel in the territory of another administrative authority is determined by the administrative authority of the territory.

**165.3.** Despite section 165.2 and the second paragraph of section 180, the holder of an apportioned registration of a road vehicle is entitled to reimbursement of a portion of the fees paid to travel in Québec and in the territory of another administrative authority if the findings of the Société in the audit of the holder's operational records indicate an overpayment of fees. The amount of the reimbursement is the amount determined in the audit findings."

**32.** This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.
