## Draft Regulation

Professional Code  
(R.S.Q., c. C-26)

### Dietitians

#### — Professional activities that may be engaged in by persons other than dietitians

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation respecting the professional activities that may be engaged in by persons other than dietitians, adopted by the Bureau of the Ordre professionnel des diététistes du Québec, may be submitted to the Government which may approve it, with or without amendment, on the expiry of 45 days following this publication.

According to the Ordre professionnel des diététistes du Québec, it has become necessary to adopt the Regulation because new professional activities have been reserved for dietitians in the health sector following the coming into force of the Act to amend the Professional Code and other legislative provisions as regards the health sector (2002, c. 33). In particular, the Regulation

(1) determines, among the professional activities that may be engaged in by dietitians, those that may be engaged in by a student in dietetics as part of the student's training and by a candidate for the practice of the profession in order to obtain diploma or training equivalence;

(2) specifies the terms and conditions according to which those professional activities may be engaged in by those persons.

According to the Order, the Regulation has no impact on businesses, including small and medium-sized businesses.

Further information may be obtained by contacting Jean-Philippe Legault, Director General and Secretary of the Ordre professionnel des diététistes du Québec, 1425, boulevard René-Lévesque Ouest, bureau 703, Montréal (Québec) H3G 1T7; telephone: (514) 393-3733 or 1 888 393-8528; fax: (514) 393-3582.

Any person having comments to make on the matter is asked to send them in writing, before the expiry of the 45-day period, to the Chair of the Office des professions du Québec, 800, place D'Youville, 10<sup>e</sup> étage, Québec (Québec) G1R 5Z3. The comments will be forwarded by the Office to the Minister responsible for the administration of legislation respecting the professions; they may also be forwarded to the professional order that adopted the Regulation or to interested persons, departments and bodies.
