

M.O., 2004-006**Order of the Minister of Health and Social Services making the Regulation to amend the Regulation respecting the List of medications covered by the basic prescription drug insurance plan dated 15 April 2004**

An Act respecting prescription drug insurance (R.S.Q., c. A-29.01)

THE MINISTER OF HEALTH AND SOCIAL SERVICES,

CONSIDERING section 60 of the Act respecting prescription drug insurance (R.S.Q., c. A-29.01);

CONSIDERING Order 1999-014 dated 15 September 1999 of the Minister of State for Health and Social Services and Minister of Health and Social Services making the Regulation respecting the List of medications covered by the basic prescription drug insurance plan;

CONSIDERING that it is necessary to amend the List of medications attached to that Regulation;

CONSIDERING that the Conseil du médicament has been consulted on the draft regulation;

MAKES the Regulation to amend the Regulation respecting the List of medications covered by the basic prescription drug insurance plan, the text of which is attached hereto.

Québec, 15 April 2004

PHILIPPE COUILLARD,
*Minister of Health
and Social Services*

Regulation to amend the Regulation respecting the List of medications covered by the basic prescription drug insurance plan*

An Act respecting prescription drug insurance (R.S.Q., c. A-29.01, s. 60)

1. The Regulation respecting the List of medications covered by the basic prescription drug insurance plan is amended, in the List of Medications attached thereto, in Appendix III entitled “Products for Which the Wholesaler’s Mark-Up is Limited to a Maximum Amount”:

(1) by inserting the following before the line concerning the medication “Avonex”:

“Bayer Avelox I.V. I.V. Perf. Sol. 400 mg/250 mL 12”;

(2) by inserting the following before the line concerning the medication “Invirase”:

“Merck Invanz Inj. Pd 1 g 10”;

(3) by inserting the following before the line concerning the medication “Zyprexa Tab. 10 mg”:

“Lilly Zyprexa Tab. 7,5 mg 100”;

(4) by replacing the line concerning the medication “Zyprexa Tab. 10 mg” by the following:

“Lilly Zyprexa Tab. 10 mg 100”;

(5) by replacing the line concerning the medication “Zyprexa Tab. 15 mg” by the following:

“Lilly Zyprexa Tab. 15 mg 100”.

* The Regulation respecting the List of medications covered by the basic prescription drug insurance plan, made by Minister’s Order 1999-014 dated 15 September 1999 (1999, *G.O.* 2, 3197) of the Minister of State for Health and Social Services and Minister of Health and Social Services, was last amended by Minister’s Orders 2003-010 dated 10 September 2003 (2003, *G.O.* 2, 2915A), 2003-012 dated 28 October 2003 (2003, *G.O.* 2, 3288), 2003-013 dated 2 December 2003 (2003, *G.O.* 2, 3472) and 2004-002 dated 19 January 2004 (2004, *G.O.* 2, 828) of that Minister. For previous amendments, refer to the *Tableau des modifications et Index sommaire*, Éditeur officiel du Québec, 2004, updated to 1 March 2004.

2. The List of Medications, attached to that Regulation, is amended in Appendix IV entitled “Exceptional Medications, With Recognized Indications for Payment Purposes”:

(1) by deleting the following medication and the accompanying indications:

“TESTOSTERONE, top. gel:

◆ for persons who have an intolerance to testosterone skin patches;”;

(2) by inserting, in alphabetical order of the exceptional medications, the following medications and the accompanying indications:

“EZETIMIBE:

◆ as monotherapy, where at least two other hypolipemians of different classes are contraindicated, ineffective or not tolerated;

◆ in association with an HMG-CoA reductase (statin) inhibitor at the optimum dose, unless there is intolerance;

★ METHADONE HYDROCHLORIDE, tab.:

◆ for treatment of cancer pain and chronic pain;

★ MOXIFLOXACIN HYDROCHLORIDE, i.v. perf. sol.:

◆ for treatment of infections, where oral moxifloxacin cannot be used;

PEGINTERFERON ALFA-2A:

◆ for treatment of persons suffering from chronic hepatitis C for whom ribavirin is contraindicated:

• in the presence of hereditary hemolytic anemia (thalassemia and others); or

• in the presence of severe renal failure (creatinine clearance less than or equal to 35 mL/min).

The initial request is authorized for a maximum of 20 weeks. The authorization will be renewed if the decrease in the HCV-RNA is greater than or equal to 2 log after 12 weeks of treatment. The authorization will then be given for a maximum of 12 weeks. The request will be renewed if the HCV-RNA is negative after 24 weeks of treatment. The total duration of treatment will be 48 weeks;

◆ for treatment of persons suffering from chronic hepatitis C for whom ribavirin is not tolerated:

• in persons who have developed severe anemia while taking ribavirin, despite a decrease in the dosage to 600 mg per day (Hb < 80 g/L or < 100 g/L if co-morbidity of the atherosclerotic heart disease type); or

• in persons who have developed a severe intolerance to ribavirin: appearance of an allergy, of an incapacitating skin rash or of incapacitating dyspnea with effort;

The initial request is authorized for a maximum of 20 weeks. The authorization will be renewed if the decrease in the HCV-RNA is greater than or equal to 2 log after 12 weeks of treatment. The authorization will then be given for a maximum of 12 weeks. The request will be renewed if the HCV-RNA is negative after 24 weeks of treatment. The total duration of treatment will be 48 weeks;

ZOLEDRONIC ACID:

◆ for treatment of hypercalcemia of tumoral origin, where pamidronate is ineffective or not tolerated;

◆ for prevention of bone events in persons suffering from breast cancer with bone metastases, where pamidronate is not tolerated;

◆ for prevention of bone events in persons suffering from multiple myeloma with bone lesions, where pamidronate is not tolerated.

Notwithstanding the payment indications set out above, zoledronic acid is covered by the basic prescription drug insurance plan for insured persons who used this medication during the 12-month period preceding 28 April 2004.

Persons referred to in the preceding paragraph who are insured by the Régie de l'assurance maladie du Québec are not required to submit the form entitled “Demande d'autorisation – médicament d'exception”. The Régie de l'assurance maladie du Québec will cover the cost of this medication without other formalities, if it had already done so during the above-mentioned period;”.

3. The List of Medications is amended by deleting the following medications and the accompanying information:
