Draft Regulation

An Act respecting collective agreement decrees (R.S.Q., c. D-2)

Hairdressing

— Hull

— Amendments

Notice is hereby given, under section 5 of the Act respecting collective agreement decrees (R.S.Q., c. D-2), that the Minister of Labour has received a petition from the contracting parties to amend the Decree respecting hairdressers in the Hull region (R.R.Q., 1981, c. D-2, r.15) and that, under sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), the “Decree to amend the Decree respecting hairdressers in the Hull region”, the text of which appears below, may be made by the Government upon the expiry of 45 days following this publication.

The purpose of the draft Decree is to amend the Decree respecting hairdressers in the Hull region to take into account the present territorial jurisdiction, the constitution of the new Ville de Gatineau and the name

changes of certain villages, cities, parishes and townships, to facilitate understanding of the Decree, to allow hairdressers to offer their services for the celebration of a civil union, in spite of the closure of their salon in compliance with general holidays or closing hours, to index the minimum prices for hairdressing services and to change the duration of the Decree.

To do so, the draft proposes to change the name of the Decree, that of the contracting party representing the employees, as well as the list of municipalities included in the territorial jurisdiction of the Decree. It also recommends that the period of uninterrupted service entitling an employee to a written advance notice of departure be “30 days”. The term “superior force” is substituted for “fortuitous event”. In addition, the draft proposes to allow a hairdresser to provide services in a salon outside opening hours, even during a general holiday or on the occasion of a civil union, to spouses and their direct relatives. In addition, the draft proposes increases in the minimum prices for services, as of the coming into force of the Decree, and on 1 January 2006 and 1 January 2007. Finally, the draft renews the Decree until 31 December 2008 and updates the automatic renewal clause.
