Notice is hereby given in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Bureau of the Ordre des comptables agréés du Québec has adopted the “Regulation amending the Regulation amending the Code of ethics of chartered accountants” approved by Order in Council 779-2004 of August 10, 2004.

This Regulation, the text of which appears below, will be examined by the Office des professions du Québec pursuant to Section 95 of the Professional Code (R.S.Q., c. C-26). It will then be submitted, with the recommendation of the Office, to the government which may approve it with or without amendment upon the expiry of 45 days following this publication.

The main purpose of this Regulation is to amend the Regulation amending the Code of ethics of members of the Ordre des comptables agréés du Québec to correct an error made in the transitional provisions respecting the application of certain independence rules to members of the Ordre who audit listed enterprises.

More specifically, these transitional provisions should have been harmonized with those applying to chartered accountants in the other provinces, and thus provide for the same implementation period. The proposed amendments therefore add one year to the implementation period provided for under the transitional provisions.

This Regulation will have no impact on enterprises.
