

2) 16 credits in optics, which must pertain specifically to geometric, physical, and ophthalmic optics;

3) 15 credits in vision science;

4) 52 credits in optometric science, which must pertain specifically to general optometry, orthoptics, contact lenses and low vision;

5) 36 credits obtained following a clinical training period, which must be completed specifically in the areas of general optometry, orthoptics, contact lenses and low vision.

Each credit shall represent 15 hours of attendance in class or 45 hours worked in the course of a training period.”

2. This regulation shall come into force on the fifteenth day following its publication in the *Gazette officielle du Québec*.

Gouvernement du Québec

O.C. 520-2005, 1 June 2005

Professional Code
(R.S.Q., c. C-26)

**Clinical perfusionist
— Professional activities which may be performed
by a clinical perfusionist**

Regulation respecting the professional activities which may be performed by a clinical perfusionist

WHEREAS, under paragraph *h* of section 94 of the Professional Code (R.S.Q., c. C-26), the bureau of a professional order may, by regulation, determine, among the professional activities that may be engaged in by members of the order, those that may be engaged in by the persons or categories of persons indicated in the regulation, and the terms and conditions on which such persons may engage in such activities;

WHEREAS, under section 95 of the Code and subject to sections 95.1 and 95.2 of the Code, every regulation made by the Bureau of a professional order under the Code or an Act constituting a professional order shall be transmitted to the Office des professions du Québec for examination and submitted, with the recommendation of the Office, to the Government which may approve it with or without amendment;

WHEREAS the Bureau of the Collège des médecins du Québec adopted the Regulation respecting professional activities that may be performed by a clinical perfusionist;

WHEREAS, in accordance with the Regulations Act (R.S.Q., c. R-18.1), a draft Regulation was published in Part 2 of the *Gazette officielle du Québec* of 5 November 2003 with a notice that it could be submitted to the Government for approval on the expiry of 45 days following that publication;

WHEREAS, in accordance with section 95 of the Professional Code, the Office des professions du Québec made its recommendations;

WHEREAS it is expedient to approve the Regulation with amendments;

IT IS ORDERED, therefore, on the recommendation of the Minister responsible for the administration of legislation respecting the professions:

THAT the Regulation respecting the professional activities which may be performed by a clinical perfusionist, attached to this Order in Council, be approved.

ANDRÉ DICAIRE,
Clerk of the Conseil exécutif

**Regulation respecting the professional
activities which may be performed by
a clinical perfusionist**

Professional Code
(R.S.Q., c. C-26, s. 94 *h*)

1. The purpose of this Regulation is to determine amongst professional activities that may be performed by physicians those which, following an individual or collective prescription, may be performed by clinical perfusionist or by others persons in a centre operated by an institution pursuant to the Act respecting health services and social services (R.S.Q., c. S-4.2) or the Act respecting health services and social services for Cree Native persons (R.S.Q., c. S-5) or in the course of the inter-hospital transportation of a patient or of an organ.

2. In this Regulation, “clinical perfusionist” means:

(1) any person who holds a clinical perfusionist diploma issued by Université de Montréal;

(2) any person who was a clinical perfusionist on 30 April 2003;

3. A clinical perfusionist may perform the following professional activities:

(1) starting, supervising, maintaining, transporting, discontinuing or stopping the circulatory supports;

(2) regulating oxygen flow-metres on the circulatory supports;

(3) administer medications or other substances through injection or inhalation in the circuit of the circulatory supports;

(4) adjusting the anticoagulation according to coagulation time and hematologic tests;

(5) performing arterial and venous samples through catheters already in place or through the circuit of the circulatory supports;

(6) performing, analyzing and interpreting blood gas and performing the necessary regulation of the oxygen flow-metres on the circulatory supports;

(7) inducing hypothermia or hyperthermia by way of circulatory supports;

(8) starting and discontinuing the circulatory arrest during an extracorporeal circulation;

(9) performing a treatment by way of ultrafiltration or hemodialysis through the circulatory supports;

(10) starting and supervising the devices used for autotransfusion and plasmapheresis in the operating room or in the intensive care unit;

(11) irrigate the arterial or venous catheter with an heparin solution;

(12) programming the pacemaker.

4. A student duly enrolled in a program of studies leading to a diploma as contemplated in the first paragraph of section 2, may perform, pursuant to section 3, any activities that may be performed by a clinical perfusionist insofar as they are required for the completion of this program.

5. This Regulation comes into force on the fifteenth day after its publication in the *Gazette officielle du Québec*.

Gouvernement du Québec

O.C. 521-2005, 1 June 2005

Professional Code
(R.S.Q., c. C-26)

Huissiers de justice

— Terms and conditions for the issue of a permit

by the Chambre

— Amendment

Regulation to amend the Regulation respecting the terms and conditions for the issue of a permit by the Chambre des huissiers de justice du Québec

WHEREAS, under paragraph *h* of section 94 of the Professional Code (R.S.Q., c. C-26), the bureau of a professional order may, by regulation, determine, among the professional activities that may be engaged in by members of the order, those that may be engaged in by the persons or categories of persons indicated in the regulation, in particular persons serving a period of professional training determined pursuant to paragraph *i* of that section, and the terms and conditions on which such persons may engage in such activities;

WHEREAS, under paragraph *i* of section 94 of the Code, the bureau of a professional order may, by regulation, determine the other terms and conditions for issuing permits, in particular the obligation to serve the periods of professional training and to pass the professional examinations it determines; the regulation may also fix standards of equivalence applicable to the terms and conditions determined therein;

WHEREAS the Bureau of the Chambre des huissiers de justice du Québec made the Regulation to amend the Regulation respecting the terms and conditions for the issue of a permit by the Chambre des huissiers de justice du Québec;

WHEREAS, under section 95 of the Code and subject to sections 95.1 and 95.2 of the Code, every regulation made by the Bureau of a professional order shall be transmitted to the Office des professions du Québec for examination and submitted, with the recommendation of the Office, to the Government which may approve it with or without amendment;

WHEREAS, in accordance with the Regulations Act (R.S.Q., c. R-18.1), a draft Regulation was published in Part 2 of the *Gazette officielle du Québec* of 8 December 2004 with a notice that it could be submitted to the Government for approval on the expiry of 45 days following that publication;
