Draft Regulation

Professional Code
(R.S.Q., c. C-26)

Certified management accountants — Diplomas giving access to permits — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting the diplomas issued by designated teaching establishments which give access to permits or specialist's certificates of professional orders, the text of which appears below, may be made by the Government on the expiry of 45 days following this publication.

The purpose of the draft Regulation is to amend section 1.25 to update the list of diplomas that give access to the permit issued by the Ordre professionnel des comptables en management accrédités du Québec.

The draft Regulation proposes to revoke paragraph *g* which contains a reference to the Baccalauréat en comptabilité de management formerly offered by the Université du Québec à Montréal, since that institution no longer offers the program. Certain amendments describe more precisely the programs in the current Regulation, specifying the coursework or concentration in management accounting. Lastly, various stylistic adjustments and consequential amendments are made, in particular as regards the name of the École des Hautes Études Commerciales (now HEC Montréal) and the Université du Québec à Hull-UQAH (now the Université du Québec en Outaouais-UQO).

The Order anticipates no impact on enterprises, including small and medium-sized businesses.

The draft Regulation will be submitted for an opinion to the Office des professions du Québec and the Ordre professionnel des comptables en management accrédités du Québec. The opinion received from the Order will be sent by the Office to the Minister responsible for the administration of legislation respecting the professions, along with its own opinion following the results of its consultation with the departments, educational institutions and other bodies concerned.

Further information may be obtained by contacting Jocelyne Roy, Direction des affaires juridiques, or Réal Gauvin, Direction de la recherche et de la coordination, Office des professions du Québec, 800, place D'Youville, 10^e étage, Québec (Québec) G1R 5Z3; telephone: (418) 643-6912 or 1 800 643-6912; fax: (418) 643-0973.

Any person having comments to make is asked to send them, before the expiry of the 45-day period, to the Chair of the Office des professions du Québec, 800, place D'Youville, 10^e étage, Québec (Québec) G1R 5Z3. The comments will be forwarded by the Office to the Minister responsible for the administration of legislation respecting the professions. They may also be forwarded to the professional order concerned or to interested persons, departments and bodies.
